City Council Passes New Zoning Ordinance

Election Sought By Justices

Three candidates are seeking the five Justices of the Peace position in the Grosse Pointe City election, Tuesday, November 4. They are incumbents Joseph P. Uvick, who has served 12 years and Leslie P. Young, who has held the office seven years, and Harold H. Sullivan, who is seeking his third public office.

Judge Uvick has practiced law for thirty years, and is the father of four children, all have graduated from the Grosse Pointe High School. He resides at 416 West 10th. In no case has one of his decisions been reversed on appeal.

Judge Leslie P. Young has lived in Grosse Pointe for eleven years, has practiced law for twenty-one years and is a part-time instructor at Wayne University. He is a member and past-president of the University of Grosse Pointe Club of Grosse Pointe, and is on the Board of Directors and Vice-President of Grosse Pointe Community Club, as well as being a member of Grosse Pointe Optimist Club, and the Grosse Pointe Camera Club.

Mr. Sullivan lives at 788 West 11th with his wife. He has been practicing law for 17 years. He is a graduate of University of Detroit, and the Augustus Military Academy, Fort Detmold, Virginia.

A resident on New Road since 1910, Mr. Sullivan would like to take an active part in the affairs and progress of the community.

In addition to electing two Justices of the Peace, the election of the City of Grosse Pointe will vote for the following city officers who are present incumbents:

Mayor, Ralph B. Netting; **Clerk**, Norbert P. Neff; **City Council**, (Three to be elected) E. M. Perry, Jr., Thornton E. Waterfall, Gerald Miller; **Assessor**, Neil Bondell; **Police**, (Three to be elected) J. J. Constable, Charles L. Locke.

These men have done a job and deserve a vote of appreciation.

The polls will be open from 8 a. m. to 8 p. m. at the Fire Hall, 17145 Massey Avenue.

PREPARING FOR A GRAND EVENING

Several members of the Student Advisory Committee which is sponsoring three gala community parties on Friday, October 31 are shown working on decorations. From left to right they are: David Mitchell, Detroit University School; Mickle Smiley, Grosse Pointe Country Day; Donald Drader, Grosse Pointe High School; Judy Rice, Brownell Junior High; James Furton, St. Paul's School and kneeling in front is Richard Mackenzie, Flitico.

Multiple Dwellings Restricted

The Grosse Pointe City council at its special meeting Tuesday night passed an ordinance amending the zoning ordinance of the village.

It marks the first general overall modification of the Village zoning plan since 1927.

It is the result of a series of meetings, hearings and consultations encouraged by property owners who sought the change for the interests of the community.

FEW TERRACES

Outstanding development of the new ordinance is that it outlaws the building of terraces in the Village in all residential areas with the exception of two class C areas located on the north side of Jefferson between Cadieux and Neff and the other on Rivard Blvd. between Jefferson and Charles streets.

Another outstanding factor in the change is that four, Class B districts are added to Class A residential status.

This group includes the David Beyer Subdivision between Cadieux road and Notre Dame which was the subject of several arguments during the public hearings between single residence property owners who sought to build terraces.

The other three areas are: AREA 1—West side of Fisher Road between Jefferson Avenue and 10th Ave. in Local Business District at southwest corner of Fisher Road and Maumee Avenue.

AREA 2—Roosevelt Place, both sides between Jefferson Avenue and Charles Street.

AREA 4—Fremont Woodruff Subdivision between Cadieux Road and Notre Dame Avenue, lots 1 to 9 inclusive.

A complete and official report of the new ordinance appears in another section of this edition.

The zoning committee which was the subject of the new ordinance after months of study and investigations of its effect on property owners are Chester, W. Carpenter, Sidney Morgan and Thornton Waterfall.

The council also approved this committee's recommendation that the services of George Ross, professional consultant who helped draft the new ordinance be retained.

Ross will assist in cleaning up the City Board on the matter with the committee.

REVIEW CARRIERS REUNION

"How's the newspaper business these days?" may be the question the three hundred members of the Grosse Pointe Review carrier team are asking Johnny Allard, 10, Grosse Pointe Review carrier. The group has a great deal in common as the football players were once Review newboys and Johnny hopes to be a high school grid star also someday. From left to right they are Bob Essert, Tom Pollis and John Flanger.

Schweikart Reduces Hike to 2 1/2

A two and a half cent raise in bus fares is the compromise reached between the Lake Shore, Park, City and Farms and Detroit—two fares for 25 cents; to add from Grosse Pointe Shore and Woods two fares for 25 cents.

The price of one fare in Grosse Pointe Park, City and Woods will be 25 cents and in the Shore and Woods it will be 20 cents.

Walter Schweikart, president of the bus company, Grosse Pointe officials that he hoped to have bus tickets available shortly.

Maxwell, said that persons purchasing two fares will be given transfers which will entitle them to a second ride.

This latest action in the result of the Michigan Public Commission suspending the company's 5 cent fare increase which was scheduled to become effective November 1.

The commission was forced to take this step when they received protests from all the Pointe communities with the exception of Grosse Pointe Shore.

A hearing was scheduled by the commission for December 1 but in view of the fact that the parties involved have reached an agreement, it may waive the hearing.

Pierre Heffler, Park attorney and spokesman of the Pointe communities said that Schweikart promised better service and less fares.

While waiting to arrive to announce the new fare schedule, Heffler contacted the DSR to see what their reaction would be to the new fare schedule. Heffler said that the agreement was reached with Schweikart, the attorney did not further his discussion with the DSR.

"Tony" Marks 3rd Birthday

Marking the third anniversary of his confinement on Jefferson at the limit, Ernest "Tony" Koinis will hold open house Saturday.

Grosse Pointe's famous "popcorn man" who now operates his well-known wagon from the lot next to his store, will present each lady with a rose to mark the celebration.

Drive-in service is being established by "Tony" since the high courts sustained the Park's move to take him off the street.

"Tony" has lost none of his popularity since the above incident and expects a large crowd Saturday.

"Tony" Marks Rites Held For Plane Crash Victims

Funeral arrangements were made this week for Charles Anderson, 25, of 1254 Marlborough and Dolores Lindquist, 18, of 1487 Hampton, both of whom were killed when a plane piloted by Andreus crashed Sunday approximately 10 miles from Port Huron.

Andreus, widely known among the younger set in Grosse Pointe, was the son of Mr. Ned Anderson, prominent Detroit attorney.

The youth was once employed at a service station at Kerecheval and LaSalle.

Dolores was the daughter of Mr. and Mrs. Eric Lindquist, a graduate of Grosse Pointe High School, she was hoping to become a airline hostess.

Also killed in the crash were Rudolph A. Black, 24, and Florin Jagan, 21, both of Detroit.

TO: THE CITIZENS OF GROSSE POINTE FROM: THE POLICE CHIEFS OF GROSSE POINTE

East year following Halloween, we read of many children who have been injured or killed.

In Grosse Pointe, the annual parties in our local schools eliminate the chance of injury to those who attend. However, it is the little fellows on our streets going from door to door in costumes that definitely are in constant danger. Mothers and Fathers will promote safety if they will accompany their little ones while on the street.

Motorists must use extreme caution on the night that belongs to our youth. Please remember that the little tots wearing masks will be restricted in vision.

The various Police Departments of Grosse Pointe are working as a collective unit on this night with extra officers assigned to duty on the streets to enforce every safety measure to its limit.

Your cooperation is very much desired on this night.

"WE LEAD, OTHERS FOLLOW"

LET'S CONSIDER THE SERVICE

Let us consider the service of the Lake Shore Line Coach company whose president, Waiter Schweikart is seeking an increase in fares to be effective November 1.

Since 1932 when Schweikart became head of the company it has served the community faithfully without any interruption—while Detroit and other communities' transportations suffered from strikes and other problems.

Despite the fact that Lake Shore Bus drivers hourly pay was below that received by DSR, Dearborn and other suburbs' operators, Schweikart was able to keep a staff of men employed who were highly considerate and courteous to passengers.

Buses are kept cleaner and in good all-around condition.

It is true that during "peak" hours seats on the local lines are at a premium, but this condition is present in virtually all companies when they are faced with the problem of getting everyone home with as little delay as possible.

Despite the continued rise of operation his company, Schweikart refrained from increasing his fares. "However the time has come that if he is to make both ends meet, he must receive a slight fare increase.

Refusal of any increase meant that the persons who depend on the Lake Shore buses for their daily transportation will suffer the most—it was inevitable that the company could not operate with continued efficiency without additional revenue.

Schweikart and Pointe officials who attended the round-table discussions to arrive to a satisfactory solution to the problem should be commended for their efforts.

BETTER PARENTHOOD WEEK

How good a parent are you? If you have been too busy with other things to consider how you rate as a parent, this week is a good time to stop and think about it.

Parents in Grosse Pointe are joining with parents all over the United States in observing Better Parenthood Week, from October 26 to November 1. Mrs. Lennah Backus, parent education specialist at Michigan State college, believes we all want to be good parents but don't know where to start to be "better" parents.

If you really enjoy your children the task of being a parent will be much easier for you to do well. Sometimes we let the pressures of living push fun into the background. Take time to have fun. If necessary eliminate some of those demands which prevent your enjoyment of your family.

Why not check the standards we set up for our families? Parents and children both need guide posts to make important decisions. Let's make sure the standards are apparent to children and not confusing.

Kerby Bids

trical contract. The low bid was \$18,618.

All bids were referred to Derrick and Gember, the architects on the Kerby project, for analysis. Their report will be submitted to the Board of Education at a special meeting scheduled for 8:30 a.m., October 31. It is expected that contracts will be authorized at this meeting and that construction of the new school will be under way early in November.

Plans for this first unit of the new Kerby School include seven standard classrooms, a large playroom-gymnasium, a general purpose room for school and community use, together with essential service units such as heating plant, offices, toilets, etc. The heating plant to be constructed as a part of this first unit will be adequate for all needs of the final building when future construction is authorized to bring the project to completion.

Lane Finds Desk Laden With Work

Everitt B. Lane, municipal manager of Grosse Pointe Park, returned to his desk Saturday afternoon after a month's vacation to find a desk full of letters, notes and other items pertaining to village administration.

Highly anxious to get into the swing of municipal activity after his well earned rest, Lane said his first action would be concerned with the pending bus fare increase and the village density problem.

During his vacation, Lane said he attended the 32nd Annual International-City Managers Conference at Caronado, California.

He said that a record breaking number of 250 managers representing all section of the country and Ireland, Porto Rico and Canada was present, 26 were from Michigan.

Lane said he would make a full report on the conference activities to the Park council at a future meeting.

Plans for the new library will be presented and means of financing it will be discussed.

Letter Box

EDITOR'S NOTE: All letters addressed to the Editor must be signed. Upon request, however names will not be published.

TO THE EDITOR: I have been reading the letters in your "Letter Box" for the last few weeks and never saw any need for writing to you. But now I do.

While going through a pack of old papers, I came across an old G. P. Review. The very first thing I saw on opening it was a full page dedicated to Miss Marie Van Zanen. I read it and thought it was very good. I think your writers should be recognized because of the fine work they do.

But why stop at Marie? Your other columnist, Paula Beaupre also does very excellent work. Why isn't something said about her? St. Paul students are proud of her and proud that she was the first person who ever had enough initiative to represent St. Paul. The students are glad that socially, they are now on an equal par with G.P.H. or any other school.

Numberless people in Grosse Pointe are also proud of her. I don't know of a single person who is acquainted with her that doesn't like her. This speaks well for any girl, and even more so for one who is constantly in the public eye, as she should be more readily criticized.

Why not dedicate a page to her in some future issue then? She has written faithfully for a year and deserves it. If you print this letter, I am sure that you will receive a response from lots of other people who also think her deserving.

I also read of a survey she conducted for you. More power to your teenage journalist!

Sincerely, A G. P. REVIEW FRIEND

TO THE EDITOR: Please accept my sincere thanks for the fine cooperation given our Optimist Club of Grosse Pointe during our Optimist week, October 6th to October 11th.

We do appreciate your fine help in publicizing same for us. Yours very truly, CHESTER F. CARPENTER, President.

COLLECTORS MEET

High Tax Rate Paid By Pointers

Although the average of Michigan's 3.5 million potential taxpayers paid \$67.50 in real and personal property taxes during 1946, 2.5 million or 77 per cent of these paid an average of \$79.27 per taxpayer, according to the Michigan Survey, state taxpayer organization.

Henry Steffens, Survey director, explained that only 21 counties made property tax levies in excess of \$1 million during the year, but these few accounted for 90 per cent of the total Michigan levy, made against only 87 per cent of the total equalized valuation. Therefore, Steffens said, residents of these counties pay higher taxes than their brethren in the 62 remaining counties.

Wayne County is included in the 21 county group in the Survey tabulation. Incidentally, Steffens said, the remaining 62 counties levied only 10 per cent of the total tax levy against 13 per cent of the total equalized valuation. Containing 23 per cent of the total taxpayers, this group raised taxes at a rate equivalent to only \$28.28 per taxpayer.

Breaking these figures down, the Survey found that the average taxpayer (the man paying \$67.50 in property taxes) paid \$29.87 in city taxes, \$23.87 for schools, \$11.31 for county government, \$1.43 to his village and \$1.02 for townships.

All in all, Michigan's 6,800 plus units of local government levied a total of \$232,221,040 in real and personal property taxes during 1946.

Wayne County had an equalized valuation of \$3,926,500 and the taxes levied totaled \$142,629,642. Making up this total were \$20,84,957 in county taxes, \$501,811 in township taxes, \$77,213,693 in city taxes, \$2,114,876 in village taxes, and \$42,151,304 in school taxes.

Expert Service on All Makes of Cars

It's All a Matter of Balance

The front wheels of your car should be tested for balance at least twice a year. At the same time the front end alignment should be checked as these are critical parts affecting your driving safety and comfort.

For instance, the smallest "out of balance" is multiplied as speed increases. Ounces become pounds even at normal speeds and that is like driving with a brick fastened to one tire. No wonder some cars "shimmy" as the weighted tire pounds the road.

Crossing tires to equalize wear is a good practice, but only if all tires are balanced to their new positions.

Drive in for a thorough "balance" checkup. It will save your tires and avoid needless expense.

We emphasize our complete service facilities which enable us to correctly maintain the performance, safety and comfort of your car.

Squadron To Hear Radar Talk

William J. Banks, customer relations assistant at Detroit for the Michigan Bell Telephone Company, will speak on 'Radar and Your Telephone' before the Grosse Pointe Power Squadron meeting at 6:30 p. m. Tuesday at the Grosse Pointe Yacht Club.

Using laboratory apparatus and speaking in easy-to-understand non-technical language, Banks will explain what radar is, how it works, and what scientific miracles it can be expected to perform in the future.

Banks, who has been associated with the nation-wide Bell System for 10 years, started in the plant department. Succeeding promotions brought him to his present position in 1946. During the war, he was in charge of an Army air-base radio station in Hawaii.

Teen Talk

By MEEKY MARIE VAN ZANEN

Our coming calendar of future events is loaded this week so we'll clear the air by telling you just what's coming off and when!!!

November 26th, is the date for the Tuxis SHIPWRECK SHUFFLE and lots of the usual fun is promised. Just before that there is a wonderful opportunity for the girls to let the boys know just who she wants to go with by asking her very favorite to the Hag Dance which is November 15.

Friday night all younguns and oldens will be royally entertained by the various Hallow'en parties. The Neighborhood club will claim Brownell and Pierce, while 9th graders and up will come to the High School for their fun.

POLLY WILTON and JANE LUNDGREN were the first two this season to entertain with a scavenger hunt. Last Friday night it started out at the Wilton residence with couples receiving bits of paper with all sorts of silly things printed on them to chase after.

When everyone met again to see who won, food was served in the recreation room to Doris Diesing and Bill DeGraw, Marilyn Walters and Gery Ewart, Marlene Hutton and Bill Pierce, Polly and Bill Isbey and Jane and Dave Connell.

Got a tip just now 'bout another party. Seems were a bit late in hearing about it, but anyway better late than never.

LEE WALKER was given a surprise birthday supper by JOAN KIRKLAND two weeks ago Sunday. After the kids feasted on ham and relishes with birthday cake and ice cream they trekked off to the punch for a movie.

Phil Skilman, Gerry Morse, Joe Mannino, Rich Winkler, Jean Robinson, and Corky Dykstra were there.

It took 9 wagons to hold all the kids that went to the TUXIS HAY RIDE. It certainly was a huge success with a wonderful representation of kids.

The usual star gazing was enjoyed by Sparky Farquar 'n Judy Gehlert, Jim Inayraad Sharon Crawford, Gary Long, and Diane Thompson, Bill Trousdale and Pat Ford, Bob Lynch and Pat Rosamor, Jack Coridan and Connie Baker, John Sarvis and Sally Seymore, Gary Langseth, and Ann Candler.

Rob Phillips and Kathy Strek, Jerry Strek and Dollie Imbroch, LeRoy Fepinski and Nancy Blough, Clyde La Mee and Helena Reed, Bob McEachin and Barb Bethel, Owen Jeakle, and Carol Krause, Stu Ward and Sally Hoyt.

Dick Gunther and Nancy Georgi, Russ Voltz, and Pat Goyette, Bill Iler and Jerry Lowe, Bill Trull and Janet Zurschmiede, and Frank Reide and Joyce Hartung, and your scribe and Bob Van Halteren.

And thanks a lot, MOM!!! It certainly was nice of you to give me that wonderful surprise party last Sunday.

Yes, your scribe was certainly given a royal surprise by her mother when a birthday tea was given from 3 to 5 o'clock.

Scads of kids were there sipping punch and munching sweet treats including Doris Diesing, Barb Orpial, Julie Ford, Annie Candler, Katie James, Sally Andrus, Sharon Ford, Gery Rounds, Gladys Ostermann, Lois Holts, Pat Hammond, Mary Gratzner, Helen Plath, and just coddles more!!!

And thanks to you kids too, for the wonderful gifts 'n stuff!!!

Pointe Picture Council Elects Mrs. Daniel Hembel

Mrs. Daniel Hembel was elected president of the Grosse Pointe Motion Picture Council at the October meeting of the organization, which compiles a list each month of movies suitable for children and distributes it to parents thru schools and churches.

Mrs. Louis Marick and Mrs. George Haggarty were re-elected vice-president and secretary, respectively. The newly elected treasurer is Mrs. Samuel Lindow. Officers made their annual report at the meeting, which was held at the Board of Education building with 31 members attending. The annual tea was held after the meeting.

Mrs. Donald C. Hollister, outgoing president, reported on the work of the past year, and urged all Council members to outline the organization's activities to the groups they represent—parent-teacher associations or churches.

MORE WORK
"The Motion Picture Council has been increased in scope during the past year," Mrs. Hollister said, "with the addition of delegates from three new groups. We also are sending out more copies of our monthly list, with more than 4,000 distributed to schools and churches."

The Council's monthly list gives the titles and some comment about the approved motion pictures being shown currently at the nine theaters in the Grosse Pointe area. The selections, made by Council members, is based on ratings in Consumers' Research and Parents magazines.

A new section has been added this year, Mrs. Hollister said, giving titles of pictures recommended for teen agers.

It was the view of the Council members that theater managers be urged to exhibit motion pictures suitable for children on Fridays and Saturdays. In the case of double features, the theaters would be asked to show that picture which is more desirable for children during the early evening hours.

GOOD PICTURES
Mrs. Marick reported on the Children's Film Library, which has 43 films of special merit for children now available for Detroit-area theaters. This list, she said, is being increased to 100 titles. The Council is continuing to urge theater managers to show these movies, and gives the dates and

places where they are to be exhibited on its monthly list.

Some of these pictures have been shown in Grosse Pointe area theaters, most of them on Saturday mornings, and others are scheduled for coming months. Among the most popular with audiences in this area have been "Alice in Wonderland," "Rebecca of Sunnybrook Farm" and "Huckleberry Finn."

The Punch and Judy Theater, it was pointed out, is the only theater in this area which has been able to arrange for the showing of these pictures on Saturday afternoons. The Council arranged for a Grosse Pointe Farms policeman to be on duty at this theater to control traffic for these showings.

22 Pointers At Western

In a report received from Western Michigan College in Kalamazoo, 22 students from Grosse Pointe were listed as enrolled for the fall semester.

They are Arthur C. Brownell, 1312 Hawthorne, Wilfred R. Boerner, 513 Pemberton Rd., William R. Maas, 870 Washington Rd., Robert E. Lawrence, 473 Cloverly, William G. Bomont, 1359 Somerset, David D. Dillon, 17450 Maumee, Sylvia M. Teeg, 768 Rivard Blvd., Nancy Mathewson, 230 Lakeland Ave.

Also Robert E. Coochi, 1458 Wayburn, Joanne E. Maas, 870 Washington, Barbara Jane Gocca, 1366 Hollywood, Marietta Kujath, 1325 Grayton, Frank Brandt, Jr., 525 Pemberton Rd., John Tanner, 1416 Nottingham, Joan Schmidt, 1072 Wayburn, Ruth Rautb, 1373 Roslyn Rd., William W. Queen, 652 Pemberton, Robert E. Nette, 725 Lincoln, Byron M. Horsley, 269 McKinley, Susan Hicks, 1339 Kensington, all of Grosse Pointe; and Helen K. Turrill, 1801 Brys Dr., and Lorna Meecham, 1552 Brys Dr., Grosse Pointe Woods.

Mrs. Snell Joins Staff At Richard

The Board of Education tries to maintain elementary school classes of a single section at a level of not more than from 30 to 35 pupils in so far as the facilities of a building permit this to be done. After school was started it was possible to reduce a class at Richard School, make use of an extra room and use an extra teacher.

There was a 3B class under the guidance of Mrs. Stringer in which there were 37 pupils and Mrs. Dombrowski had a combination section of nine 3B pupils and 22—3A pupils. Seven of the children from Mrs. Stringer's class and the nine pupils in the 3B section of Mrs. Dombrowski were placed together in the end-hall room to make a class of 16. This end-hall room is somewhat smaller than a standard classroom. Mrs. Snell is the teacher for the newly formed section.

ORGANIZED

Over the years the enrollment of the Richard School has tended to vary in cyclic form. The school was organized in September, 1930. The initial enrollment was 389 pupils. In those early days there were only two homes in the whole fronting the school, on both Fisher and McKinley streets. In general both McKinley and McMillan were quite open streets especially out toward Mack Avenue. Then enrollment increased gradually over a period of eight years, going to 510 in 1934, and to a peak of 681 in 1938. From 1938 until about 1945 the enrollment tended to decrease going back to 480. In the past five years it has tended to stay within the limits of 480 to 500.

But right now the school is beginning to feel the effects of recent home construction and the increased birthrate during the war years. Besides, the school has organized the junior kindergarten so that the cumulative effects of these several factors is that the enrollment is again 566, not far short of its peak enrollment. Again every classroom in the building is in use with the addition of one of the two end-hall rooms.

FUTURE PLANS

A view into the immediate future would indicate that the enrollment will tend to increase further in the next few years. There are now 106 children in four kindergarten sections, three of these sections being children who will go into first grade next fall. Thus for the first time in the history of the school there may be three 1B sections in September, 1948. Further, Mr. Bartlett of the Board of Education reports that home construction in the Pointe is fast approaching the 1938-41 levels which were the all time high for our community. While the majority of this new home construction is taking place out in the eastern end of our school district, there is some in the Richard elementary district. Mr. Bartlett figures that for each two homes there will be one child for our public schools. And so it is evident that the Richard School will be occupied to its full capacity during the next few years.

Art Authority To Address Camera Club

Mr. William Woolfenden of the Educational Staff of the Detroit Institute of Art will address the Grosse Pointe Camera Club, on Tuesday evening, November 4, on the topic of "Composition in Pictures." Mr. Woolfenden, during the course of his lecture, will use paintings from the Art Museum to discuss them in conjunction with the photographic prints submitted by the Club members, to illustrate and compare the good and bad points of composition. He will also bring equipment, such as is used in the Art Museum educational classes, so that the audience may participate in the discussion.

Mr. Woolfenden has an outstanding reputation in the world of art and was formerly teacher of art at Wayne University.

Mr. Lester McDowell, President of the Club, announces that arrangements have been made for a Salon Showing by the Grosse Pointe Camera Club of its members' pictures for a three-week period, commencing with January 2, 1948, at the Alger House Branch of the Detroit Institute of Art.

Mr. McDowell, further states that the Tuesday evening meeting will be held in the clubrooms of the Neighborhood Club, and that the interested public has been invited to attend.

Hunt Club Begins New Schooling Series

The first in the Grosse Pointe Hunt Club's new 1947-48 series of Schooling Shows was held on Sunday, October 26th, with more than twenty juniors participating in the ten events, and a goodly crowd of wall-washers gathered in the gallery.

The novelty event of Sunday's show was a miniature Hunter Trial, which was divided into three phases. The winners of the schooling phase were Geri Rounds, Janet Allen, Barbara Bull and Peggy Hatch. The winners of the Cross-Country Phase were Gloria Roberts, Janet Allen, Geri Rounds and Sarol Stewart. Dick Fruehauf took the blue in the Ring Jumping Phase, with Janet Allen, Geri Rounds and Nancy Ruedemann also in the ribbons. When points were tallied for the entire Hunter Trial Geri Rounds was declared the grand winner. Janet Allen placed second, Dick Fruehauf, third, Gloria Roberts, fourth.

The youngsters in the Beginners Horsemanship Class performed like veterans, with Sandra James taking the blue. Virginia McLucas, Joyce Andrews and Marty Andrews were tied second, third and fourth.

Barbara Bull took the Intremediate Horsemanship Class. Sue Spurrier, Maureen James and Don Custer shared the honors.

Entries were so numerous in the Advanced Horsemanship that it was necessary to divide the class into saddle seat and hunter seat sections. Peggy Hatch, Joyce Culehan, Sue Carson and Sue Essington were ribbon-winners in the former division, Geri Rounds, Janet Allen, Sue Cruikshank and Dick Fruehauf in the latter division.

In the Open Three-Gaited class, with the performance of the horses at each of three gaits only to count, the blue went to "Rompey" with Joyce Culehan up, "Black Jack," ridden by Peggy

Detroit Golf Club Is Scene of Reception

Honeymooning in Colorado Springs are Dr. Henry E. Naylor and Mrs. Naylor who were married Saturday in Gesu Church.

The bride is the former Jacqueline Ann Suliburk, daughter of Mr. and Mrs. George M. Suliburk, of 17515 Jefferson avenue. The bridegroom is the son of Mr. and Mrs. Harry E. Naylor, of Nutley, N. J.

For her wedding Jacqueline Ann chose a gown of classic candlelight satin with a sweetheart neckline embroidered in seed pearls, and the full skirt swept into a cathedral train.

Georgia Suliburk was her sister's maid of honor. Another sister, Nancy Suliburk, with Mrs. Howard T. Keating, Jr., and Helen Foy Fleming, of Scranton, Pa., were bridesmaids.

The attendants were gowned alike in peacock green moire. Their halos were of velvet with ostrich tips matching their frocks. They carried cascades of bronze chrysanthemums.

James Kennedy was best man. Seating the guests were Howard T. Keating, Jr., J. William Berns and Philip Mylod, of Glen Ridge, N.J.

The Detroit Golf Club was the scene of the reception. Mrs. Suliburk received in a gown of grey crepe with matching hat. Mrs. Naylor's costume was forest green.

For traveling the bride wore a LAMAZO quilt and accessories. They will make their home in Waukegan, Ill.

Charles Field was his brother's best man. Ushers were Thomas Bigelow, Robert Phillips and Roger Kelly, all of Grand Rapids.

The reception was held at the Grosse Pointe Yacht Club. The couple are honeymooning in Sea Island, Ga., Charleston, S. C., and Williamsburg, Va.

Bride Wears Slipper Satin

In a ceremony held Saturday afternoon in Christ Church, Grosse Pointe, Ann Gillespie Forshyth, daughter of Mr. Ralph Gillespie Field, of Jefferson avenue, became the bride of Benjamin Parton Fields, son of Mr. and Mrs. Benjamin Phillips Fields, of Grand Rapids.

Dr. Francis Creamer officiated.

The bridal robes were of white slipper satin with a yoke of net outlined with satin roses and leaves. A coronet of satin leaves held her tulle veil in place. She carried white butterfly orchids.

Mrs. Theodore Schoonbeck, of Grand Rapids, was matron of honor. She wore fuchsia fall and a matching tulle hat trimmed with ostrich plumes. Her flowers were butterfly orchids and pink carnations.

Paula's Hi-Lites

by PAULA BEAUPRE
GUEST COLUMNIST: Dan O'Connor
Your Hi-Liter, Paula Beaupre, saw that spine-tingling drama, "Possessed" at the Punch and Judy Sunday night. She is reportedly recovering slowly from shock and hysteria in a quiet spot in the country. We all hope that Paula will be sufficiently recovered next week to resume her column. (Please don't write any letters of comment if Paula's column seems rather strange this week!!) ... Sorry Paula, I couldn't resist!

Last Saturday two teen-age Pointers, DAN HARTMAN and Alec SCHAY, left by motor on a belated summer vacation trip. The boys planned to tour the Atlantic Seaboard, stopping over in New York City and Charleston, Virginia, to visit relatives. Just when we thought all was well, we heard that the boys had had motor trouble and were forced to abandon their Model-A and continue on to New York by train.

CAROL STAUB of Kensington Road, surprised two friends on their mutual birthdays—DON HARTLEDGE, 16, and TOM WYLLIE, 15, with a party at her home. The hostess dated Pierre Belanger. Other guests at the festivities were: Betty DiPaola and Jack Trombley, Barb Van Tjem and Chuck Bout, Margie Heidt and Freddie Maddock, Connie Curran and Bill Huettman. Don and Tom squired Barb Houlihan and Nancy Downey, respectively.

Several Pointers were seen lurching on the Football Special enroute to Ann Arbor Saturday. A thrilling football game rewarded the Wolverine fans. A dinner and dance at Lambda Chi Alpha Frat House rounded out a perfect day for JEANNE KULKA and DAN O'CONNOR, ALDA MARIE CROWE and DOUG SUTHERLAND.

By the way, all you "Peg O' My Heart" fans—don't fail to see the Harmonicate on stage at the Downtown Friday. They'll be on hand to play all your favorite numbers.

Did you ever see a dream walking?—Well we did! It is the personal opinion of most of the male population of the Pointe, that the modern dream girl wears the new long skirts and dark hose.

Now for a sharp ending! (Hours later) Oh, Yes—
VALETE FOR NOW.

Wedding Planned

Mary Ann Rohe and William Wehby are planning their wedding. Their engagement was announced by Mary Ann's mother Mrs. Gladys Rohe, of Dequindre. William is the son of Mr. and Mrs. George Wehby, of Detroit. The bride-elect formerly made her home with her grandmother, Mrs. Helmers, of Barrington road and attended Grosse Pointe High School.

G. P. to Vote on County Office Bldg.

On Tuesday, November 4, you will be asked to vote on three propositions relating to a County-City Office Building:

Acquisition of a site and construction of a county-city office building. (For all voters; requires a majority vote in both city and county outside the city.)

Temporary increase in millage by one-half mill for not more than five years. (For all voters; requires a 2/3 vote.)

Issuance of bonds up to \$8,000,000 for not more than five years. (For property owners; requires majority vote.)

The following information about the proposal has been assembled for your information.

ESTIMATED COST
It is presently estimated that the proposed county-city office building will cost about \$12,000,000.

The proposal on the ballot asks authorization to issue serial faith and credit bonds not to exceed \$8,000,000. County officials expect that the total borrowings may be substantially lower than the amount authorized. Bonds will be issued only in the amount needed to proceed with construction and for the period until revenues are available. County and city fiscal officials estimate on the basis of present money rates that the average interest rate would not be in excess of 1 percent.

The bond issue would be retired from the city's contribution at the rate of \$1,000,000 per year and by revenues from the temporary increase in millage limited to one-half of one percent. If you own a home assessed at \$4,000, the temporary increase would amount to \$2.00 per year or less. The county-city office building would thus cost you no more than 4 cents per week which would be more than offset by the increased efficiency in governmental operations.

BOND ISSUE
Wayne County is limited to an expenditure in any one year of one mill per dollar of assessed valuation (less than \$400,000) for construction and maintenance of public buildings. Since most of this amount is at present required for maintenance and improvement of existing buildings, the remainder is totally inadequate for construction of any major public building. The bond issue will provide funds for the construction of the building, and the temporary increase in millage will be used for retirement of the bond issue.

SAVINGS ON RENTALS
During the last fiscal year, the county paid out in rent \$155,464; the city paid \$218,391. Together that amounts to a total of \$373,855. Rental charges are being increased each time a lease comes up for renewal.

The present outlay for rental of privately owned space would both pay the interest and permit the payment of more than \$250,000 to be applied on the principal each year.

OCCUPANCY PLANS
Present plans call for occupancy of the county-city office building by all major administrative offices of the county and city. Current estimates indicate that the county and city administrative offices need about 1,000,000 square feet gross. Of this total amount, it is estimated that the city needs about 600,000 square feet, the county the remaining 400,000 square feet.

Detroit will occupy space under a lease arrangement with the county by which it pays its proportionate share of the site and building costs. Under present plans the city will contribute approximately \$1,000,000 per year until the city's share, or approximately 60 percent of the cost, has been liquidated.

Detroit will continue at all times to pay a proportional share of the operating cost of the building. Other buildings now publicly owned will continue to be utilized but space now rented by the city and county will be vacated.

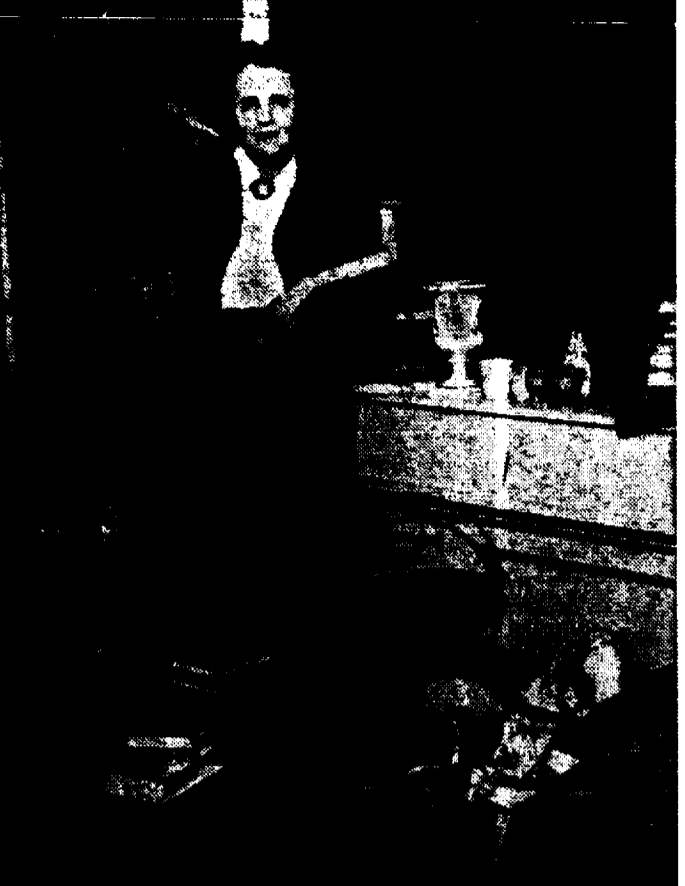

LOCATION
The site of the proposed county-city office building as designated and approved by the Board of Auditors and the Board of Supervisors is that property bounded by Woodward on the west, Jefferson on the south, Randolph on the east, and Larned on the north. The site covers a two block area of approximately three acres.

Condemnation of properties within the site has been instituted by the City of Detroit which has appropriated one million dollars to acquire the site. When acquired the site will be conveyed to the county as part of the city's contribution to the cost of the building.

Mason School Room Mothers Discuss Year's Activities

Room Mothers of Mason School met with the principal, Miss Ethel M. Tucker, on Wednesday to discuss activities of Room Mothers. The activities of this group for the past few years were reviewed and suggestions for this year's activities were considered. This committee provides refreshments for the P.T.A. meetings; assists teachers with the provision of refreshments for room parties, costumes for special occasions, and "snacks" in various rooms; encourages attendance at P.T.A. meetings and well-

comes parents when they come; and also assists other committees, such as embership, welfare, etc. in their activities.

At four o'clock the teachers joined the Room Mothers in the auditorium where tea was served. Mrs. A. Holl, chairman of the Room Mothers for last year, and Mrs. R. Krause, chairman for this year, presided at the tea table which third and fourth grade teachers had attractively arranged with a harvest centerpiece. Dainty sandwiches and frosted tea cakes were provided by kindergarten, first, and second grade teachers.

The Room Mothers for this year are as follows: Mrs. Walter White, Mrs. Victor Taylor, Mrs. J. Ullman, Mrs. Fred Leonard, Mrs. Stephen Megregian, Mrs. Donald Coats, Mrs. Albert Gaddy, Mrs. Bernard Stanbery, Mrs. Charles Chamberlain, Mrs. Alex Allardye, Mrs. Donald Mizer, Mrs. Vent Whims, Mrs. John Hakenjos, Mrs. Anthony Kernjack, Mrs. Lynn Bartlett, Mrs. Carl Hagerman, Mrs. Robert Cousins, Mrs. Dell Reidy, Mrs. Harold Freiwald, Mrs. Ernest Clark, Mrs. Phillip Shelton, Mrs. Raymond Walton, Mrs. Russell Baude, Mrs. Max Sievers, Mrs. Harold Gospel, Mrs. Edward Gaden, Mrs. Hugh McKee, Mrs. Vtrne Bennett.

The year's activities of the Mason School Junior Red Cross chapter will begin this week when items such as soap, tooth brushes, wash cloths, pencils, erasers, etc., will be brought for the gift boxes to be sent overseas. Mrs. Alice Kingley and Miss Amy Hinkle are the building representatives for Junior Red Cross.

The children of several rooms have joined the Junior Audubon Club. This is a national organization to promote the understanding of nature through the use of pictures, records, and printed materials. It teaches the children to appreciate the value and beauty of nature as a dis a very important part of the science program.

The new P. T. A. officers for the coming year, are: Mr. Allyn Litchfield, president; Mr. Frederick Stevens, vice president; Mrs. Alfred Taylor, treasurer, and Miss Gladys Vance, secretary.

The chairman of the room mothers for the coming year will be Mrs. Frank Lister. Representatives on the Movie Council are Mrs. James Graves and Mrs. Harold Phelps. Mr. and Mrs. Edward Pongrazz will be the P.T.A. council members. Mrs. Leon Clancy and Mrs. Perry Penz will represent Maire School on the Health Council.

Scarab Club Plans Art Exhibition

To demonstrate the vast extent of the advertising art market to the people of this community, The Scarab Club of Detroit will sponsor its Fifth Annual Exhibition of Advertising Art November 1-30. Students from art schools, high schools and colleges in the area and convalescing patients from Percy Jones Hospital at Battle Creek have been scheduled for special showings in the exhibition. It will be held in the main gallery of the Scarab Club, 217 Farmworth, directly behind the Detroit Art Institute. The gallery will be open to the public weekdays from 8 a. m. to 10 p. m. and from 1 to 5 p. m. on Sundays.

The work on display will be that of leading illustrators, designers, lettering men and cartoonists. More than 200 pieces of newspaper, magazine and poster advertising will be in the collection. Special emphasis will be placed on new techniques, and topflight commercial artists will be on hand to offer assistance and advice to art students.

Harold H. Grandy, Scarab Club vice-president, is chairman of the exhibit.

"AW WHO CARES ABOUT FOOTBALL"

This group of young Grosse Pointers are shown busy choosing up sides for a baseball game at Grosse Pointe High School field. Asked why they were playing baseball at this time of the year, the boys answered, "aw we're tired of playing football!" From left to right they are Norman Lasca, 641 Fisher road; Bill Haring, 614 Rivard Blvd.; Larry Kennedy, 27 Circle; John Connor, 401 Rivard Blvd.; and Hedley Prout, 210 McMillan. The boys who are students at Brownell School are all 13 years of age with the exception of John who is 12.

St. Paul Players Rest For Annunciation 11

By JOHN HUTTON
 Towards the end of this quarter Tom Berg, outstanding St. Paul freshman wrenched his leg and was forced to stay to the bench for the remainder of the game. Early in the second quarter Don Furtaw skinned right end for 15 yards making the score 12 to 0 at the half.
 During the third period St. Paul kept the St. Martin offense in hand but with 10 minutes left in the last quarter Core went 10 yards to put the ball on the Flyers' 1/2 foot line from where Furtaw plunged to score again. He made it by bare inches. This made it 18 to 0 when the point failed and ended the day's scoring. However St. Paul refused to quit though facing certain defeat and finally drove deep into St. Martin territory in the last four minutes only to lose the ball on downs when Jerry Hollerback missed a first down on the 15 yard line.
 St. Paul showed more spirit than in any previous contest this season but this was offset by numerous mechanical errors and poor blocking.

Boxing Returns To Neighborhood Club

Pointers to Meet Fordson II

By ROCKY PHILLIPS
 The Grosse Pointe Blue Devils will meet a tough Fordson eleven on the local home field Saturday. The kick-off will be at two-thirty p.m.
 Fordson has won all their games with the exception of the Flint Northern game that they lost by the score of 13 to 6.
 Last Friday night the local boys battled to a 7-7 tie with Highland Park.
 Late in the first quarter Grosse Pointe's scabbard Don Miller went from the Parker's forty-eight yard line to their end zone. Miller had excellent blocking when virtually the whole line went out to pave the way. Flaughner's attempt for the conversion was good and the score stood at 7-0.
 Neither team had threatened to score when the half ended.
 In the third quarter the ball changed hands quickly and went from one end of the field to the other. Again neither team threatened to score.
 Early in the fourth quarter Highland Park sparked by the ground-gaining of Albert Arterian march down near the Grosse Pointe goal.
 Arterian scored from the five. In the attempted conversion one of the Blue Devils hit the ball with his hand accidentally helping it over the cross bar. It is not known whether the kick would have been good had it not been interfered with.
 Grosse Pointe finished the game without the services of their crack right end Matt Patterson. He sustained a bad ankle sprain. It is doubtful if Patterson will play next Saturday.
 In looking forward to this Saturday's game Wernet said, "If we play the kind of football that we are capable we may easily tie, if not beat Fordson." When asked if he would give an estimation as to what the final score would be he said, "Definitely not, the squad is too unpredictable."
 The Blue Devil Reserves won a game from the Royal Oak Accorns last Thursday afternoon 12-0. Once again speedy Jerry Jenkins made both tallies. Friday, Grosse Pointe Reserves will tangle with Wyandotte away. The kick-off will be at 4:00 p.m.

Boxing Coach

TONY MOUSTAKAS

Roland Gray Opens New Sports Shop

Announcement is made this week of the opening of Roland Gray's Racquet and Sports Shop, Inc. at 106 Kercheval in Grosse Pointe Farms.
 As tennis pro at the Detroit Country Club for many years, Mr. Gray has developed a name for his fine instruction and knowledge of all sports.
 A complete line of equipment and accessories for all sports will be featured at Gray's.

Pro-Welter To Conduct Classes

Boxing has returned to the Neighborhood Club. Classes in the art of self defense will be conducted by Tony Moustakas, Wayne sophomore, who is known in ring circles as Tony "Kid" Manos.
 It was announced by George Elworthy, director, who said that the boxing group will meet every Monday evening. The class is open to all boys over 18 years of age. The only requirement is that the boys be members of the club.
 Mr. Elworthy was highly pleased to be able to obtain the services of Moustakas, as a trainer.
 The youth, who also coaches the girl's basketball teams is one of the most promising welterweights to appear in Detroit rings.
 After piling up an impressive ring record in the Navy, winning the New London Sub-Base and the Southwest Pacific championships, Tony turned professional a few weeks ago.
 He is undefeated in his four pro-fights. He is scheduled to appear on the Olympia fight card of Friday, November 7.
 The announcement of the boxing classes at the club marks the return of that sports activity since pre-war years.
 Tony hopes to build boxing to its pre-war popularity and may conduct monthly amateur boxing cards. For further information, call NL 4600.

FALOOKA'S PAL

His University of Detroit team mates call John Conti, the Titans' 281-pound tackle "Humphrey Penworth," after the Joe Falooka comic strip character. A dead ringer, they say, and just as strong. In high school, John was known as "Double Pinochle."

ST. AMBROSE PLAYS AT MACK PARK

Sex Education

(Continued from Page 3)

from the family without being unduly disturbed. EMBARRASSING QUESTIONS During this period children will ask questions naturally if they are answered simply as they come up. Children who do not ask questions have some how gotten the idea that this subject is taboo. Obviously parents will need professional help if they are to answer the children's questions adequately and without embarrassment. The ages between six and ten are a period of emotional quiescence and this is the ideal time to be sure that they know all the facts of life. When they reach pre-adolescence with its greater interest in the opposite sex they will be better able to form friendships and meet the problems of adolescence more adequately.

If a good confidential relationship has been built up between children and parents during this earlier period the young people will be better able to confer with parents during the turbulent adolescent period. Dr. Fitz-Simons says parents should have faith in their children and this confidence will enable the children to meet life and take up the adult responsibilities.

TAUGHT IN SCHOOLS

In the discussion which followed the talk, it was brought out that a letter had been sent to the Superintendent by the executive council for the Defer School Parent-Teacher Association recommending, "that the Board of Education and the faculty of our schools seriously consider a program of preparation for family life, including sex education, which would be worked into the school program as an integral part of instruction in many areas from third grade through senior high."

Dr. Fitz-Simons spoke very highly of the program in home and family living which is now being carried on in the Highland Park Schools and she hopes that Grosse Pointe may be able to profit by their experience in planning a program of our own.

Guests at our meeting were Miss Ethel Tucker, principal of Mason School, and Mrs. Ethel Cowe, principal of the Trombly School. Hostesses were Mrs. Ray Nigro, Mrs. Donald Hollister and Mrs. Thurston Springett.

The next meeting of the Mothers' Health Council will be November 18 at which time Mr. Barnes, Superintendent of Grosse Pointe Public Schools will speak.

MICHIGAN STATE QUEEN

Helen Gramley, 21 year old senior from Grosse Pointe Park was installed as honorary colonel of the entire ROTC unit at Michigan State college at colorful military ceremonies Friday night. Miss Gramley was elected to her post as colonel by the advanced students in the college's large military corps. She will preside with nine honorary lieutenant-colonels over all the military functions at the college this year, including the series of formal parades in spring term, the Military Ball, and other social occasions. She is the daughter of Dr. and Mrs. William Gramley of 1036 Bedford road.

Pointe Boys At College Of Mining

Two residents of Grosse Pointe, Donald E. Cardoze of 1504 Roslyn rd. and Andrew K. Foulds, Jr., of 754 Rivard Blvd., are among the more than 300 new students attending the Michigan College of Mining and Technology at Houghton. Both graduated from Grosse Pointe high school, Foulds in 1946 and Cardoze in 1947. Cardoze is specializing in mechanical engineering, Foulds in mineral dressing.

In addition to the new students, 1245 other students already enrolled at the college are continuing their studies this term, making a total of 1446 on the Houghton campus. Four hundred and forty young men and women are enrolled at the college's Sault Ste. Marie Branch, and 136 are taking Michigan College of Mining and Technology extension courses at Gogebic Junior College, making the college's total registration 2222 on all three campuses.

Sportsmen To Have "Deer Hunters Night"

The regular November meeting of the Wayne County Sportman's Club will be "Deer Hunters Night" and will be moved up one week ahead of the regular meeting date to Wednesday evening, November 5, due to the proximity of the deer season opening November 15.

Claude "Pam" Parmelee, famous marksman and gun expert, will give an exhibition of shooting, talk on big game hunting and show motion pictures at the meeting which will be held, as usual, at the American Legion Memorial Home in Dearborn.

Pointe Teams Gain In Race

Last Thursday's bowling in the Grosse Pointe Business Men's League was marked by the sharp shooting of the Mack-Nottingham and Boutin's squads. Both teams captured four points to gain in the league race.

Bowlers hitting a 200 or better score for the evening were Warren, 225; Nelson, 216; Salmora, 213; Louwers, 212, 205; Andrew, 212; Buchler, T. Lindzion, 205; J. Lindzion, 200; E. Gognia, 200; Buchler, 200.

U of M Cites Pointe Girls

Thirty-six women students at the University of Michigan have been cited for scholarship and campus service by Motarboard, a scholarship society for women. The group includes three girls from Grosse Pointe.

They are Patricia Peter, 302 Kerby; Patricia Baumgarten, 15637 Wildmill Pointe; and Carole Castricum, 751 University.

Those honored are all members of the junior class. If their present scholarship and campus leadership is continued, they will be eligible for membership in Motarboard next year. Only senior women are eligible for Motarboard, which is a national organization. Membership is considered one of the top scholastic honors which a women student can win.

BAD BOOK

Many early almanacs contain predictions based on astrology. The World Book Encyclopedia relates that these predictions often turned out to be so harmful to the people who read and believed them that publications of the books was stopped by the authorities.

City of Grosse Pointe Ordains:

An Ordinance Amending the Zoning Ordinance of the City of Grosse Pointe, Michigan

Amendment to SECTION I, DEFINITIONS:

Section I, (16) Classes of Dwellings—

(b) A "terrace dwelling" is a series of attached private dwellings separated from one another by common party walls of fireproof construction, three (3) to twelve (12) attached one family dwellings, not more than two and one half (2½) stories in height, nor more than two (2) rooms deep facing upon a street.

Amendment to SECTION II, DISTRICTS:

Revision of the boundary lines of parts of the Residence Districts "A," "B," and "C" to be shown on the Amended Zoning Map are as follows:

RESIDENCE "B" DISTRICTS TO BE CHANGED TO RESIDENTIAL "A" DISTRICTS

AREA 1—West side of Fisher Road between Jefferson Avenue and lots now in Local Business District at southwest corner of Fisher Road and Maumee Avenue.

AREA 2—Roosevelt Place, both sides between Jefferson Avenue and Charles Street.

AREA 3—David Beyers Subdivision between Cadieux Road and Notre Dame Avenue, Lots 1 to 22 inclusive.

AREA 4—Fremont Woodruff Subdivision between Cadieux Road and Notre Dame Avenue, lots 1 to 9 inclusive.

RESIDENCE "B" DISTRICTS

RETAINING ALL "B" USES EXCEPT TERRACES

AREA 1—Neff Avenue, both sides from Jefferson to Mack Avenue, excepting lots 1, 2, 3, A and B at Jefferson Avenue intersection.

AREA 2—St. Clair Avenue, both sides between Jefferson Avenue and Mack Avenue including interior parcels between St. Clair and Neff Avenue, excepting lots 35, 36, 37, 38, 79, 80, 81, and 82 of Amended Plat of St. Clair Subdivisions, and excepting frontage on Jefferson Avenue.

AREA 3—Notre Dame Avenue, both sides from Jefferson Avenue to Kercheval Avenue, excepting Jefferson Avenue frontage, excepting Fremont Woodruff Subdivision, excepting David Beyers Subdivision, and including lots 1, 2, 3, and 4 of Damerows Subdivision, at northeast corner of Notre Dame Avenue and Waterloo Avenue.

AREA 4—Cadieux Road, east side between Jefferson Avenue and Kercheval Avenue, including lots and parcels between Cadieux and Notre Dame Avenue, excepting Jefferson Avenue frontage, excepting Fremont Woodruff Subdivision, and excepting David Beyers Subdivision.

AREA 5—That area at present in Residence "B" zone, between Cadieux Road and Notre Dame Avenue, and north of Local Business zone on north side of Kercheval Avenue.

AREA 6—St. Clair Avenue and Waterloo Avenue—southeast and southwest corners—lots 35 to 38 and 79 to 82 inclusive, of Amended Plat of St. Clair Park Subdivision.

RESIDENCE "C" DISTRICTS

Proposed Residence "C" Districts carry same restrictions as present Residence "B" Districts, hence only the change in designation from "B" to "C" applies to the following areas:

AREA 1—Jefferson Avenue frontage—north side of Jefferson Avenue from Cadieux Road to Neff Avenue including lots 1, 2 and 3 at northeast corner of Jefferson Avenue and Neff Avenue.

AREA 2—Rivard Boulevard, both sides between Jefferson Avenue and Charles Street's center line projected. Note: Present Residence "C" District, south side of Kercheval Place between Cadieux and Notre Dame, to be changed to Residence "B" District with permitted professional uses, excepting terraces.

Amendment to SECTION III, GENERAL PROVISIONS

(J) Parking Garages, Parking Spaces, and Parking Lots.

AUTOMOBILE PARKING SPACE—

There shall be provided at the time of the erection of any main building or structure or at the time any main building or structure is enlarged or increased in capacity, minimum off-street parking space with adequate provisions for ingress and egress by standard sized automobiles as follows:

RESIDENTIAL—

(A) Private Garages for Dwellings—In all Residence "A," "B" and "C" Zones there shall be at least one (1), permanently maintained parking space in a private garage of masonry construction on the same lot with the main building or the enlargement of a main building, for each dwelling unit in the case of a new building or for each dwelling unit added to an existing building. Such parking space shall not be less than ten (10) feet wide, twenty-two (22) feet long and seven (7) feet high. A private garage shall not have a capacity of more than two (2) passenger automobiles for each dwelling unit unless the lot, whereon such garage is located has an area of two thousand (2000) square feet for each parking space in such garage.

(B) Parking Space for Dwellings—In Business and Commercial Zones, there shall be at least one (1) permanently maintained parking space on the same lot with the main building or the enlargement of main building, for each dwelling unit in the case of a new building or for each dwelling unit added to an existing building, or in lieu such parking space shall be provided in a parking lot not more distant than fifteen hundred (1500) feet from main building and said parking space shall have not less than one hundred twenty six (126) feet net area.

PARKING SPACE FOR BUILDINGS OTHER THAN DWELLINGS—

For a new building or structure or for the enlargement or increase in seating capacity, floor area, or guest rooms of any existing main building or the enlargement of a main building, or structure there shall be at least one (1) permanently maintained parking space of not less than one hundred twenty-six (126), square feet net area as follows:

- For church, high school, college, public schools, theatres, auditoriums, community halls or other similar places of assembly, at least one (1) parking space for every ten (10) seats provided in said building or structures.
- For hospitals and welfare institutions, at least one (1) parking space for every one thousand (1000) square feet of floor area in said buildings.
- For hotels, apartment hotels and clubs, at least one (1) parking space for each of the first twenty (20) individual guest rooms or suites: One (1) additional parking space for every four (4) guest rooms or suites in excess of twenty (20), but not exceeding forty (40).
- For business or commercial buildings or structures having a floor area of seventy-five hundred (7500) square feet or more, at least one (1) parking space for every one thousand (1000) square feet of gross floor area in said buildings or structures, excluding automobile parking space.

Parking space as required above shall be on the same lot with the main building or structure or located not more than fifteen hundred (1500) feet therefrom.

PARKING LOT AREAS—

Areas permitting parking lots surrounding Kercheval Avenue Business Zones are to be extended as follows:

Area bounded by south line of Kercheval Avenue Subdivision, and extended easterly across Notre Dame Avenue between lots 46 and 47 and along line of north half of lot 27, across St. Clair Avenue and along north line of the south forty (40), feet of lot 90, thence southerly to and along south boundary of the two interior parcels fronting on Kercheval Avenue, thence northerly along east line of said property, across Kercheval Avenue and along east property line of interior parcels fronting on Kercheval Avenue and Waterloo Avenue, thence west and south along interior parcel fronting Waterloo Avenue to southeast corner of lot 82, thence westerly between lots 82 and 83, and across St. Clair Avenue and on line between lots 34 and 35, and between lots 8 and 9, continuing westerly to Cadieux Road.

Amendment to SECTION IV, RESIDENCE "A" DISTRICTS

(A) Uses. In a Residence A District no buildings or premises,

except as otherwise provided in this ordinance, shall be erected or used except for one or more of the following purposes:

- Private dwellings
- Public Schools, Churches and other places of worship.
- Parish houses and community buildings, except those the chief activity of which is a service customarily carried on as a business and excepting those which are multiple dwellings as defined herein.
- Accessory uses customarily incident to any of the above permitted uses, including not more than one private garage or stable for each lot or for each ten thousand square feet of lot area, and including signs pertaining to the sale, lease or use of a lot or building placed thereon and not exceeding six (6) square feet in area on any one lot, except as provided in Section IX (E). Dwellings for the use of domestic employees of the owners, lessees or occupants of the principal dwelling on the lot shall be considered accessory buildings but shall conform to all the height and yard requirements for dwellings in the district in which they are located, except that where erected above a private garage or stable, the depth of rear yard, if not abutting upon a street, may be reduced to the dimension prescribed herein for side yards.
- The following lots in Residence A District shall be permitted accessory professional uses of physicians' office or dentists' office, excluding clinics: Lot number 9 at southwest corner of Fisher Road and St. Paul Avenue. Lots number 5 and north half of lot at southwest corner of Fisher Road and Maumee Avenue.

Amendment to SECTION V, RESIDENCE "B" DISTRICT

(A) Uses. In a Residence B District no buildings or premises except as otherwise provided in this ordinance, shall be erected or used except for one or more of the following specified purposes:

- Any use permitted in a Residence A District.
- Two family dwellings.
- Public buildings and properties, hospitals, and sanitarium, and educational, philanthropic and religious institutions, except penal or correctional institutions or those for the care of the insane, provided there is not in connection therewith any activity which is noxious or offensive by reason of the emission of odor, fumes, dust, smoke, vibration or noise.
- Farms and gardens, provided no building for the care or shelter of animals or the storage of manure is located nearer than thirty feet to a lot line, except for one private stable.
- Accessory uses customarily incident to any of the above permitted uses including not more than one private garage or stable for each lot or for each ten thousand square feet of lot area, and including signs pertaining to the sale, lease or use of a lot or building placed thereon and not exceeding six square feet in area on any one lot, except as provided in Section IX (E). Dwellings for the use of domestic employees of the owners, lessees or occupants of the principal dwellings on a lot shall be considered accessory buildings but shall conform to all the height and yard requirements for dwellings in the district in which they are located, except that where erected above a private garage or stable, the depth of rear yard, if not abutting upon a street, may be reduced to the dimension prescribed herein for side yards.
- The following lots in Residence B District shall be permitted accessory professional uses of physicians', dentists', offices of music, dance, arts and kindergarten, day schools, schools of Kercheval Place in Kercheval Avenue Subdivision, Lots 47 to 53 inclusive, of Assessors' City of Grosse Pointe Plat No. 2 and lots 4 to 9 inclusive, of Chas. M. Cadieux Subdivision and lots 6 to 10 inclusive of Damerows' Plat.

(B) FRONT YARDS. In a Residence B District there shall be on every lot a front yard, the minimum depth of which shall be twenty (20) feet. On a lot occupied by a permitted multiple dwelling of Class B, the depth of the front yard shall be increased ten feet for each twenty-five resident occupants or major fraction thereof in excess of twenty-five for the accommodation of whom such building is designed, arranged, remodeled or normally used, but this shall not require a depth of front yard of more than fifty feet in any case.

Where, at the time of passage of this ordinance, more than fifty per cent by frontage of the lots on one side of a street between two intersecting streets within a Residence B or C District are occupied by dwellings having a front yard of greater depth than twenty (20) feet, any building thereafter erected on any one of such lots shall have a front yard at least equal in depth to the average front yard of such existing dwellings, but this shall not require a greater depth than fifty feet in any case.

Where the depth of a lot existing and of record at the time of passage of this ordinance is less than three times the depth of front yard required by any of the foregoing provisions for excess front yards in certain cases, the total depth of front yard required shall be reduced to one-third such lot depth, but to not less than twenty (20) feet in any case.

(C) SIDE YARDS. In a Residence B District there shall be on each side of every lot a side yard, the minimum width of which shall be four feet. This width shall be increased four feet for each story by which a building erected on the lot exceeds fifty feet in height. Where a side wall of a building exceeds fifty feet in depth, the width of side yard opposite the portion in excess shall be not less than ten feet.

On a lot occupied by permitted multiple dwelling of Class B the width of side yard shall be further increased, in addition to the other requirements contained herein, four feet for each twenty-five resident occupants or major fraction thereof in excess of twenty-five for the accommodation of whom such building is designed, arranged, remodeled or normally used, but this shall not require a depth of side yard of more than fifty feet in any case.

On a lot occupied by permitted multiple dwelling of Class B the depth of rear yard shall be further increased four feet for each twenty-five resident occupants or major fraction thereof in excess of twenty-five for whom such building is designed, arranged, remodeled or normally used, but where the rear wall of such building is of fire-proof construction and without movable windows or other openings, such increase in depth of rear yard shall not be required.

(E) HEIGHT. In a Residence B District no building shall exceed three stories or fifty feet in height, except that buildings or portions of buildings not used for dwelling purposes and which in the aggregate do not occupy more than ten per cent of the area of the lot may be erected to a greater height, provided that no portion of such higher building shall be nearer to a side or rear lot line than one third of its height.

(F) BUILDINGS ON THE SAME LOT. Buildings on the same lot shall be governed by the provisions of Section IV (F).

(B) FRONT YARDS. In a Residence B District there shall be on every lot a front yard, the minimum depth of which shall be twenty (20) feet. On a lot occupied by a permitted multiple dwelling of Class B, the depth of the front yard shall be increased ten feet for each twenty-five resident occupants or major fraction thereof in excess of twenty-five for the accommodation of whom the building is designed, arranged, remodeled or normally used, but for any portion of such building, the exterior walls of which are of fire-proof construction and entirely without movable windows or other openings within such prescribed side yard, such increase in the width of side yard shall not be required.

On a corner lot the width of a side yard abutting upon a street shall be not less than the minimum front yard depth required on an adjoining lot in the same or a less restricted district fronting upon such side street, but this shall not reduce the building width of any lot of record at the time of passage of this ordinance to less than twenty-five feet, at the ground story level, unless said lot be less than fifty feet in width in which case the building shall be not less than ten feet from the building line on the street side.

(D) REAR YARDS. In a Residence B District there shall be on every lot a rear yard, the minimum depth of which shall be sixteen feet for a one story building, eighteen feet for a two story building, twenty feet for a three story building and four feet additional for each story by which the building exceeds three stories in height.

On a lot occupied by a permitted multiple dwelling of Class B the depth of rear yard shall be further increased four feet for each twenty-five resident occupants or major fraction thereof in excess of twenty-five for whom such building is designed, arranged, remodeled or normally used. On a lot occupied by a building in which persons congregate, or which is designed, arranged, remodeled or normally used for the congregation of persons in numbers in excess of twenty-five, the depth of rear yard shall be increased two feet for each twenty-five persons or major fraction thereof in excess of twenty-five for the accommodation of whom such building is designed, arranged, remodeled or normally used, but where the rear wall of such building is of fire-proof construction and without movable windows or other openings, such increase in the depth of rear yard shall not be required.

The depth of a rear yard abutting upon a street shall be not less than the depth of front yard required for a building of the same size and kind on an adjoining lot fronting on such rear street.

and which in the aggregate do not occupy more than ten per cent of the area of the lot may be erected to a greater height, provided that no portion of such higher building shall be nearer to a side or rear lot line than one third of its height.

(F) BUILDINGS ON THE SAME LOT. Buildings on the same lot shall be governed by the provisions of Section IV (F).

Amendment to SECTION VI, RESIDENCE "C" DISTRICT

(A) Uses. In a Residence B District no buildings or premises except as otherwise provided in this ordinance, shall be erected or used except for one or more of the following specified purposes:

- Any use permitted in a Residence A District.
- Terrace dwellings and two family dwellings.
- Public buildings and properties, hospitals, and sanitarium, and educational, philanthropic and religious institutions, except penal or correctional institutions or those for the care of the insane, provided there is not in connection therewith any activity which is noxious or offensive by reason of the emission of odor, fumes, dust, smoke, vibration or noise.
- Farms and gardens, provided no building for the care or shelter of animals or the storage of manure is located nearer than thirty feet to a lot line, except for one private stable.
- Accessory uses customarily incident to any of the above permitted uses including not more than one private garage or stable for each lot or for each ten thousand square feet of lot area, and including signs pertaining to the sale, lease or use of a lot or building placed thereon and not exceeding six square feet in area on any one lot, except as provided in Section IX (E). Dwellings for the use of domestic employees of the owners, lessees or occupants of the principal dwelling on a lot shall be considered accessory buildings but shall conform to all the height and yard requirements for dwellings in the district in which they are located, except that where erected above a private garage or stable, the depth of rear yard, if not abutting upon a street, may be reduced to the dimension prescribed herein for side yards.

(B) FRONT YARDS. In a Residence B District there shall be on every lot a front yard, the minimum depth of which shall be twenty (20) feet. On a lot occupied by a permitted multiple dwelling of Class B, the depth of the front yard shall be increased ten feet for each twenty-five resident occupants or major fraction thereof in excess of twenty-five for the accommodation of whom such building is designed, arranged, remodeled or normally used, but this shall not require a depth of front yard of more than fifty feet in any case.

Where, at the time of passage of this ordinance, more than fifty per cent by frontage of the lots on one side of a street between two intersecting streets within a Residence B or C District are occupied by dwellings having a front yard of greater depth than twenty (20) feet, any building thereafter erected on any one of such lots shall have a front yard at least equal in depth to the average front yard of such existing dwellings, but this shall not require a greater depth than fifty feet in any case.

Where the depth of a lot existing and of record at the time of passage of this ordinance is less than three times the depth of front yard required by any of the foregoing provisions for excess front yards in certain cases, the total depth of front yard required shall be reduced to one-third such lot depth, but to not less than twenty (20) feet in any case.

(C) SIDE YARDS. In a Residence B District there shall be on each side of every lot a side yard, the minimum width of which shall be four feet. This width shall be increased four feet for each story by which a building erected on the lot exceeds fifty feet in height. Where a side wall of a building exceeds fifty feet in depth, the width of side yard opposite the portion in excess shall be not less than ten feet.

On a lot occupied by permitted multiple dwelling of Class B the width of side yard shall be further increased, in addition to the other requirements contained herein, four feet for each twenty-five resident occupants or major fraction thereof in excess of twenty-five for the accommodation of whom such building is designed, arranged, remodeled or normally used, but this shall not require a depth of side yard of more than fifty feet in any case.

On a lot occupied by permitted multiple dwelling of Class B the depth of rear yard shall be further increased four feet for each twenty-five resident occupants or major fraction thereof in excess of twenty-five for whom such building is designed, arranged, remodeled or normally used, but where the rear wall of such building is of fire-proof construction and without movable windows or other openings, such increase in depth of rear yard shall not be required.

(E) HEIGHT. In a Residence B District no building shall exceed three stories or fifty feet in height, except that buildings or portions of buildings not used for dwelling purposes and which in the aggregate do not occupy more than ten per cent of the area of the lot may be erected to a greater height, provided that no portion of such higher building shall be nearer to a side or rear lot line than one third of its height.

(F) BUILDINGS ON THE SAME LOT. Buildings on the same lot shall be governed by the provisions of Section IV (F).

(B) FRONT YARDS. In a Residence B District there shall be on every lot a front yard, the minimum depth of which shall be twenty (20) feet. On a lot occupied by a permitted multiple dwelling of Class B, the depth of the front yard shall be increased ten feet for each twenty-five resident occupants or major fraction thereof in excess of twenty-five for the accommodation of whom the building is designed, arranged, remodeled or normally used, but for any portion of such building, the exterior walls of which are of fire-proof construction and entirely without movable windows or other openings within such prescribed side yard, such increase in the width of side yard shall not be required.

On a corner lot the width of a side yard abutting upon a street shall be not less than the minimum front yard depth required on an adjoining lot in the same or a less restricted district fronting upon such side street, but this shall not reduce the building width of any lot of record at the time of passage of this ordinance to less than twenty-five feet, at the ground story level, unless said lot be less than fifty feet in width in which case the building shall be not less than ten feet from the building line on the street side.

(D) REAR YARDS. In a Residence B District there shall be on every lot a rear yard, the minimum depth of which shall be sixteen feet for a one story building, eighteen feet for a two story building, twenty feet for a three story building and four feet additional for each story by which the building exceeds three stories in height.

On a lot occupied by a permitted multiple dwelling of Class B the depth of rear yard shall be further increased four feet for each twenty-five resident occupants or major fraction thereof in excess of twenty-five for whom such building is designed, arranged, remodeled or normally used, but where the rear wall of such building is of fire-proof construction and without movable windows or other openings, such increase in depth of rear yard shall not be required.

(E) HEIGHT. In a Residence B District no building shall exceed three stories or fifty feet in height, except that buildings or portions of buildings not used for dwelling purposes and which in the aggregate do not occupy more than ten per cent of the area of the lot may be erected to a greater height, provided that no portion of such higher building shall be nearer to a side or rear lot line than one third of its height.

(F) BUILDINGS ON THE SAME LOT. Buildings on the same lot shall be governed by the provisions of Section IV (F).

The Building Zoning Map Provided for in Section 2, Is Hereby Changed in Accord With the Foregoing.

NORBERT P. NEFF,
City Clerk.

The depth of a rear yard abutting upon a street shall be not less than the depth of front yard required for a building of the same size and kind on an adjoining lot fronting on such rear street.

(E) HEIGHT. In a Residence B District no building shall exceed three stories or fifty feet in height, except that buildings or portions of buildings not used for dwelling purposes

BAD BOOK

Many early almanacs contain predictions based on astrology. The World Book Encyclopedia relates that these predictions often turned out to be so harmful to the people who read and believed them that publications of the books was stopped by the authorities.
