## NEWS FEBRUARY 2022

## What a January we have had!

Normally I would be giving you an update on our on-pitch action but this month there have been several items off-pitch that I wanted to call out.

2022 couldn't have started off any better than completing our England Hockey Club Mark status re-accreditation. We have carried this status now for 12 years. Achieving this status is a step to show that we as a club operate to a set of core criteria and have good practices in place to ensure we can deliver quality hockey in a sustainable and vibrant club environment.

A huge amount of work goes into our club development plan and planning for how we deliver hockey, and my thanks go to all our volunteers who have been supporting this, especially our lead, Sarah Oates, who has done this through 3 iterations.

I am delighted that this achievement by Sarah has been recognised by Farnham Sports Council and that she has been shortlisted as Farnham Sports Volunteer of the Year, at the annual Farnham Sports Awards, which is being celebrated on Monday 7th February at Farnham Rugby Club.

Our club is also celebrating 2 other shortlistings for the Farnham Sports Awards:

Lucy Cochrane, aged 15, who is playing for our Ladies 1s, U16 and U18 teams, and has progressed through the England Hockey performance pathway, is shortlisted for Farnham Young Sports Person of the year.

And our Mens 1s are up for Farnham Team of the Year. With a COVID curtailed season the team was on course for their 4th promotion in 5 seasons. This season they are sat at the top of this new league, chasing that 4th promotion to take the senior men's side higher than they have ever been (again) in the club's history.

So whilst we all continue to play and train, week in, week out, it's fantastic to see our clubs achievements being recognised both nationally & locally.

Let's keep it going and keep pushing the club forward!

## Looking for a Mortgage?

From first time buyers  
to investors, or those  
looking to remortgage:

We can help.

## Expert Mortgage Advice Tailored to You

Asset Harbour are one of the leading award-winning independent mortgage specialists in the South of England and have been finding the most suitable mortgage deals for our clients in Hampshire and the Surrey area for over 30 years.

### Let Us Do the Work

With the vast amount of mortgage products on the market today, it is difficult to know where to start. We act on our client's behalf and can recommend mortgages from a whole of market panel, including those products normally available only by direct approach to lenders. Our experienced Mortgage Advisors can also search the market to seek out the most appropriate mortgage specific to a client's needs and circumstances.

YOUR HOME MAY BE REPOSSESSED IF YOU DO NOT KEEP UP REPAYMENTS ON YOUR MORTGAGE.

# LADIES 1<sup>st</sup> XI

## The ladies 1's continue to fight hard to stay in this League having been promoted through the restructuring of the leagues.

Are we good enough to stay in this league? Definitely!

Do we want to stay in this league? Why would you not want to play at the highest standard you can achieve throughout your career!

We continue to work hard at all the training sessions, learn, adapt to new scenarios, strive to be the best we can and accept that it is as a unit, with everyone committed to the full, that we give ourselves the best chance of achieving our aim of retaining our deserved place at this level.

We are a small number and understand the commitment that's required, we occasionally laugh, we often cry, but what we have begun to realise is that as a unit with everyone pulling together in the right direction, with little or no distractions, we are proving difficult to beat.

How can we improve? We need a bigger squad with the same appetite and desire as the current group of players. We want the juniors within the club to strive to want to perform at this level. Is it easy? No of course it's not but most things in life aren't.

Will I have to be fit? Check who the coach is and the answer will be easy!

Will I need to be committed? Just as in every aspect of life, if you want to perform at the highest level you can, then there are no short cuts and sport is no different!

I guess what I'm saying is a thank you to my current group as I accept it's not always been easy and I am a hard task master who doesn't suffer fools gladly, however in what we want to achieve I'd like to think we are on the same page!

In my head I'm thinking another 5 points will see us safely retain our league status but with the uncertainty of how many go down we won't rely on that and will continue to push through to the very end!

Yours in Sport and Fitness

MENS 1st XI

**There are 8 games to go, and the statistics are very simple, win all 8 and promotion will be ours!**

Are we good enough to stay in this league? Definitely!

A difficult task to be achieved but one of which I'm very confident in us being able to achieve. We continue to tweak how we play at each and every training session and the guys continue to push hard both physically and emotionally and it may well come down to who can hold their nerve when the pressure is on in these last remaining games.

After the disappointment of the last game, we brush ourselves down and move on, safe in the knowledge that at least it's still in our hands. It's a surreal situation given the restructuring of the leagues that we were so deflated having lost only our second game of the season. In a year where perhaps at the start of the season we would have bitten anyone's hand off to find ourselves in this situation, perhaps that's what we should remind ourselves of before beating ourselves up over this latest disappointment.

All the games going forward are crucial, but we can't get ahead of ourselves and must continue to take it one game at a time and perhaps Lady Luck will be on our side for a change, and the other teams challenging will slip up, who knows?

Our recognition by Farnham of being short listed for team of the year is welcome news and I'm immensely proud of just how far we as a team and the club have progressed over the last 5 years. It would be a welcome feather in our cap to duly receive the award, but unlike the league this is not in our hands!

Yours in Sport and Fitness

## **A friendly win against a Guildford team made for a good start to 2022 despite a Covid depleted team - thank you to Kate, Sammy and Sophie for stepping up to save us!**

Training is back in full swing, despite the weather doing its best to make the pitch unplayable, nothing seems to put Jenno off putting us through our paces in the cold.

We have seen some new skills emerging in the form of Leah and her pony trotting that she exhibited so well across the D and we have learnt about Tammy's "disgusting tendencies". An evening out revealed some prosecco pong skills in some of our over 18s so if hockey doesn't work out, we have a backup plan.

Back on the pitch, sadly without Chanel who, whilst playing a much more dangerous sport, broke a finger, a win against Lewes made for a satisfying result for the team and was made even sweeter thanks to some great home support - thanks everyone!

Greta made a surprise appearance. Jenno loudly demonstrated how well he knows just Emily's name. Phoebe grabbed a goal and a well-deserved double man of the match win, and the best part, a cuddle with Lyra the puppy. Tammy took a step forward in the doughnut of the day competition after missing an open goal, but this week away to Maidstone Taz returned to form and Greta got her first points on the score board in this respect too.

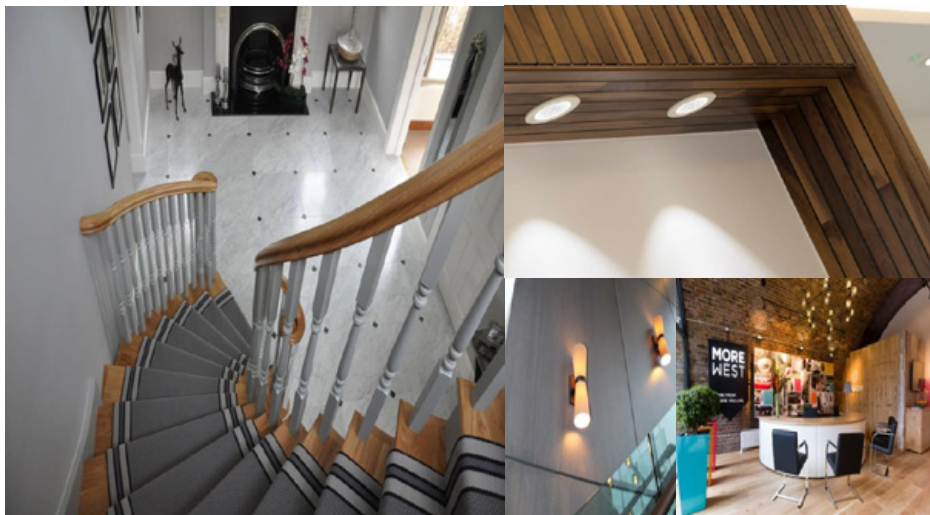

Other than talking about hockey, much of our team chat is usually focused around food; watching Emily sweat through the post match curry, Taz's pre match snack choice or the half-time sweets (or oranges if Lou goes 'old skool'). However our most recent headlines concern Ella's concerning lack of knowledge about the humble sausage roll and Greta announcing she is a 'bean freak'!

**Let's see what February brings for food and.... oh yeah, hockey. ●**

# MCM

## JOINERY

MCM Joinery is a family run business established over 20 years ago to provide bespoke joinery to the trade. Most of our staff have been with us since the company was formed and each has around thirty years experience in the trade.

MCM has extensively invested in the latest machinery allowing us to provide our clients with a wide range of services and products tailored to meet your individual needs.

We have been involved with both large and small contracts covering all aspects of joinery and are capable of meeting fast track industry deadlines, providing CAD drawings and attending site meetings.

We can provide you with impeccable references from our customers for the many projects we have been involved in.

## **The squad has welcomed new head physio and doctor, Jamie Coombes, warmly into his new pitch side position.**

Game week 13 saw Jamie swiftly into action, Will "BAFO" Giltrow lost two pints of blood from a head wound, unfortunately for the team this injury occurred during the stretching part of the warm up. Post-game was just as busy, Joe Whelan suffering from an ankle strain, fortunately for the team he had drafted his parents in to cook team teas.... Best so far this season.

Game week 15 saw the team return to form against Oxted. Stu Morhall had suffered his phantom hamstring injury moments before a tough Wednesday training session, the rest served him well, Stu picked up players Man Of The Match with a pair of wonder goals in the pivotal game.

Only one COVID isolation has disrupted the squad, Mike McCafferty will return for the tough away trip to Brighton in week 16.

The squad is trying to stay healthy for the upcoming season defining fixtures. Power Forward Jonny Groves managed to get away for his annual yoga retreat and it is hopeful that Jake Coombes will recover from his four week long dead leg soon. Meanwhile, watch this space for details of the crowdfunding site being set up to buy Westy a new pair of Astros – hopefully this will curb his desire to closely examine the surface of the pitch on a regular basis. ●

## Aldershot and Farnham 4 - 0 Oxted 2s

**After a disappointing result, but good performance, last week against Sunbury the Shots knew that they had to respond to keep title aspirations alive. Following some constructive self-reflection in the week, the squad were fully aware of the requirements over the forthcoming weeks starting with third place Oxted at home.**

Despite the positivity in the warmup, the opening 20 minutes were all Oxted. Solid work by the back three of Herring, Giltrow and Weston accompanied by some expert goalkeeping by Hall managed to maintain parity in these exchanges. However, against the run of play Boot managed to find Morhall down the right who surged along the baseline before expertly flicking the ball over the stranded goalkeeper from a tight angle. 1-0. Two minutes later Scott Perry managed to convert one of several corners won in the first half, firing high past the goalkeeper's right hand side. 2-0.

Treadgold, Wheland, Rushmere and Boot would continue to influence the game through the middle, wearing down the increasingly strained Oxted midfield. This work paid dividends with Smith firing neatly into the bottom left following a well worked turnover in the middle of the park. 3-0 going into halftime for AFHC.

The second half was a more subdued affair, with the majority of the game being spent in midfield battles. Oxted came out with renewed vigour, but the pressing from the frontline of Weston, Smith, Groves and Coombe reduced the opportunity for meaningful chances to be created. With the game becoming increasingly stretched, the Shots looked for openings

on the counterattack. One such opening resulted in Stuart Morhall driving in from the right-hand side, firing in a fierce strike on the half volley from the top of the D into the bottom left hand corner. 4-0. Yet more pressure came as a response from the away side, but the Shots stood strong to keep the clean sheet leaving the final score at 4-0. A great result that reinstates 1st place position before travelling down to Brighton next weekend. ●

# MATCH REPORT

# LADIES 4s XI

South East Women's Division 3 Oaks

Ladies 4s League Table on page 35

**Thank you Ladies 4s, you are a great team that has helped to support and welcome lots of new faces in the squad this season.**

We are halfway through the season, which pretty much sums up where we sit in the league table. We've seen some highs and lows together and everything else in between, but without a doubt we are a team that has shown true effort and commitment no matter what the outcome. So let's continue to work hard on the pitch and build friendships together, a combination that will see us continue stronger through this second half of the season. (with last month's broken thumb and all!!).

**Sarah (Ladies 4s Captain).**

**Ladies 4s played Camberley & Farnborough 2s on Saturday 29th January. (L 2:3)**

With a lead up to the game where players have been plagued by (non-covid) illness earlier in the week, we certainly made sure we had some subs for this game and luckily everyone made a full recovery.

This week we needed a win or certainly needed a match we could start to control and attack to boost our morale. We've been really struggling.

Unfortunately, we were down 2-0 early on. It's a bad habit we've formed. We just don't make it easy for ourselves and, somehow, we have forgotten how to start strong from the beginning.

Added to this, we also experienced some umpiring that challenged our patience. It's even up for debate as to whether they actually had a fair and holistic view of the game and rules. I'll say no more on this forum.

The order of what happens next is probably not totally accurate, but I know they scored again before half time.

But so did we! I can't tell you how much we needed to see a goal!

There was fabulous play up front from the whole team and a great goal from Izzy Smith and then another later on from Bridget Tahourdin (Bridget's first match having just joined the club this week).

All in all, our second half play showed greater passion, speed and teamwork, and despite the loss was exactly the match we needed to boost our confidence and teamwork. Well done to Georgia Birch for MOM, and also Bella Pettengell for sheer persistence.

To be honest, this week showed great effort from the whole team, so well done to all of you and thank you to everyone that played. ●

# MATCH REPORT MENS 5s XI

South East Men's Division 5 Oaks

Mens 5s League Table on page 38

## It's a long schlepp around the M25 to Addiscombe so we intended to make it worth our while.

A strong first half saw Shots pushing high (partly due to only 3 recognized defenders in the team) but it seemed to work. A strong shot from Daz was made a certainty by Lemmy to give us the lead but their young, fast forwards were dangerous on the break. If they had been any good at PCs, it might have been closer, but Dan and his D were able to snuff out any attempts on goal. At the stroke of half time, a mazy run into the D from Charlie was pulled back to Daz who took his time to take a sweet strike which took a deflection and looped over the keeper for a solid lead.

It was getting dark, and the lights were only partially on which led to a comical 20mins while the umpires decided what to do. In the end we agreed to play on without PCs, but it was bonkers. In the midfield it was so dark that you couldn't see shirt colours and could barely see the ball. Apparently Daz and Lemmy combined for a third and Addiscombe snuck one back, but it wasn't visible from the sideline! The game was finally called when one of their players mistrapped a pass which deflected into the face of their team-mate. 3-1 win and the last time we have to travel that far until next season. Go Shots! ●

# MATCH REPORT MENS 6s XI

South East Men's Division 7 Oaks

Mens 6s League Table on page 40

## 2022 has seen a resurgent Mens 6s team win 3 and lose 1 to climb to 3rd position in the South East Men's Division 7 Oaks league.

Helped in part by some fortunate match postponements and a few 4s/5s/7s players to field our teams, the 6s have relied on a core of experienced adults ably assisted by juniors (for speed and silky skills). This has not always been easy as we have the smallest squad of 11 players after we moved up our more able juniors; Sam Bateman, Toby De Mierre and Jolyon Conway to the 5s at Christmas.

The first couple of matches of this half of the season have seen strong wins: 2-1 against Camberley & Farnborough 4s and a hefty 6-1 against Woking 7s. All players deserve a pat on the back for the great effort put into teamwork in every match. Alex and Dad Tom Wilson, Toby and Dad Alex De Mierre, Drew Powell, Harry Fry, Jake Pickard, JP Puddicombe, Sam and Dad Kerry Bateman and Tom Banes Walker.

January goals have been shared equally amongst us – 1 each for Toby, JP, James, Jake, Kerry and Sam. Thanks also to Stuart Clarke for his 1 goal and Lemmy for his 5 against Woking! We now have a break until after half-term when we play the top two teams. Onwards and upwards the 6s! ●

# U12 BOYS

## Tournament report: U12 Boys – Team 1

The under 12 boys faced a rematch tournament against Old Georgians and Epsom on Sunday 16th January. Playing at home, we were able to field two teams. A number of the U10 boys played up a level and rose to the challenge brilliantly.

Against Epsom, Team 1 won both of their games 2-1 with both of their goals from Tom, who took advantage, getting past the Epsom defenders to an empty goal, as they weren't playing a goalkeeper.

Old Georgians were tougher opposition, but Team 1 managed a draw against their Team 2. This was a really well fought match with a lot of strong teamwork and calling for the ball. Unfortunately, the other Old Georgians team beat our Team 1, 7-1.

However, the boys were thrilled overall with their performance (and we won't forget Alasdair's goal celebrating in a hurry!). It was a slick tournament and extremely well umpired and run, which was much appreciated by all. We'll get more past Old Georgians next time boys!

# U14 GIRLS

**Despite the challenges of the pandemic and the geographic re-org by England hockey, which results in us now fielding teams in fixtures as far flung and exotic as Brighton, the U14Gs section have tried this season to maximise pitch time experience, push on with hockey development and above all have fun.**

Staffing, coaching, organising fixtures in the new set up, and getting umpires, has been very challenging. Juggling covid squad absences and resultant game cancellations has also led us into choppy waters. I want to take this opportunity to say a special thank you to Gillian Lamb who has battled the system commendably to get all our fixtures into the calendar! Big thanks also to Jo Bushell, in age group admin and to Stuart and Mark in assisting me pitch side, without whom our squads would simply not get the grounding and direction in game craft and skills development needed.

U14s is an interesting age to coach; it is exciting to see key qualities starting to emerge within our squad. The ability to listen, comprehend, then a willingness to apply and try what they have just heard (and keep practicing and retrying!), is really flourishing. Having the confidence to then give it a go in match play and demonstrate what they are now capable of, so their progression is clear, is also brilliant. As coaches we get a real buzz when we see the fundamentals of the game being played out and starting to blossom. This year we have tried to focus on:

1. Match tempo: - Thinking ahead - What's my next move before I get the ball and the importance of bringing the ball back into play quickly to maintain momentum.
2. Positioning and engagement: - 95% of the game for each player is played without the ball! Knowing where you need to be is key, moving as a team unit so you are better placed to either be a clean outlet for a pass, provide an overload in attack or cover in defensive situations.
3. Decision making: - Making the right pass - Not passing into areas of risk (across goal!) and knowing when and how to maintain possession and pivot to switch the point of attack and how to pressure the opposition into mistakes.

When you next watch the team see if they are achieving these objectives and ask about them! You can now talk tactics like a pro!

Whilst results earlier in the season were not great from a score line perspective, the squads have stuck at it and there has been demonstrable progress as the season has progressed. Last week the U14G Tier 2 team produced an excellent 9-0 win over Old Georgians in a cohesive team performance where all members of the team played their part. Our Tier 3 team are strengthening too. We have been able to watch their progress against a strong Guildford age group through a couple of repeat fixtures against them. Despite losing last week's fixture 2-0, we had made enough chances of our own to get at least a draw and continued to keep doing the right things up to the final whistle. This was much stronger than the previous 4-0 loss and we hope for better to come.

In terms of training, in addition to the Sunday sessions we continue to run extra free training on a Tuesday night 6.30pm to 7.30pm, as a joint U12G U14G session. I know lots of the squad are also taking advantage of Jenno's academy sessions. But for those that want extra pitch time, come and join us on a Tuesday. All U12Gs and U14Gs are welcome.

Team sport builds friendships and bonds, and the enjoyment of doing and achieving something together, along with the fitness it brings, is so valuable to our children's wellbeing right now. I encourage parents to not be strangers either. Get involved and enjoy the same kind of collective experiences from being part of our club community. You are never too old to learn to play hockey, or return after a playing break, or help with training, or learn the rules of the game to help officiate fixtures and umpire for our children's teams. Your help and involvement will be warmly appreciated.

Good luck to the girls in the rest of the season and I look forward to seeing you all on or next to a hockey pitch soon. Let's see if our teams can earn a 10-0 chicken nugget winning score!

**Brett Smith**  
U14G Lead Coach
