October 20<sup>th</sup> 2010

Dear Trampoline Club Member

### **TRAMPOLINE CLASSES POSTPONEMENT**

When I wrote to you last, we had been advised that the building work in the sports hall meant that the hall would not be available until November, after October half-term.

Due to any number of setbacks and delays, this is now not possible. We have been advised by the school that the earliest the sports hall is likely to be available will be in December.

This means that trampoline classes could not resume until then, and that gym classes will continue in the small gym.

In the light of this, we have decided to postpone trampoline classes until January 2011. It is hoped that the sports hall will be back in use by then.

As a result of the reduced space we shall be re-structuring some trampoline classes in maintaining our high standard and quality. The Wednesday trampoline class is being cancelled, and an additional class will be run on Saturday at 1.30pm. We hope to accommodate those from the Wednesday class into this and other classes. This will happen in 2011 when we start the New Year term.

Any further changes will on our website which will be updated every 1 – 2 days. We shall write to you again later in the year, advising of term dates and fees.

We apologise for any inconvenience these changes may incur, but as you will appreciate they are a result of circumstances totally out of our control.

### **PLEASE CHECK OUR WEBSITE WHICH WILL BE UPDATED EVERY 1-2 DAYS.**

We continue to look forward to your patience in this massive inconvenience, and hope you will continue your support of the club during these trying times until the hall is “back in business”.

Ted Maxey  
Trampoline Secretary & Coach  
Cheam Trampoline Club
