PRESIDENT'S MESSAGE

I am proud and privileged to have the honour of being your President for 2022/2023.

I will endeavour to maintain the high standards set by my predecessors and I look forward to my Presidential Year together with Steve and Pauline travelling the country promoting the sport of bowls

I would like to thank all the people who have helped and supported me over the years especially Chawton Park Bowling Club and the members and staff at the English Indoor Bowling Association, who work so tirelessly in the background. Also for the continued advice and encouragement from Peter Thompson, Carl Higgins and Arthur Broadberry, which is always very much appreciated.

Thanks, must also go to the sponsors for their continued support of bowling and the Umpires and Markers who give up so much of their time to be at the National and International competitions and all other events.

I look forward to visiting as many clubs as possible and joining their anniversary celebrations

A special big thank you to my husband Ken for his continuous encouragement and support for the last 3 years and for his excellent chauffeur service.

Carol Eichen (Chawton Park)
EIBA Ltd President 2022/2023

As the association is now entering its fifth year is a great testament to how both the EIBA and Utility Bidder value the partnership and we are looking forward to hopefully many more years to come." - **Peter Thompson, Chief Executive, EIBA Ltd**

How can we help businesses in the sporting industry?

Utility Bidder have worked with the sporting industry including many indoor bowls clubs since starting up in 2009. Energy costs have become one of the largest overheads for businesses, so reducing bills will have an immediate positive impact. Since the original partnership began, 10% of clubs have already utilised our services. We aim to continue working closely with the EIBA to provide simple energy solutions to all other members.

www.activepartnerships.org

There are 42 Active Partnerships across England who use the power of sport and physical activity to transform lives. We collaborate with local partners across all sports, activities, providers, and audiences, focused on the needs of our local communities to create the conditions for an active nation. We focus our efforts on inactive people and under- represented groups who will benefit the most from an active lifestyle.

Active Partnerships are organisations that recognise activity levels are affected by a complex system of influences and no single organisation or programme can create sustainable change at scale. We use a collaborative whole system approach and do that in a sustainable and climate friendly way, to make active lifestyles the social norm for everyone that benefits themselves, their wider community and the planet whilst addressing the worrying levels of inactivity across England.

A unique feature of the Active Partnerships is their independence, working across all sports, activities, providers and audiences, focused on the needs of their local communities..

Active Partnership Mission

Transforming lives through sport and physical activity

Active Partnership Values

Making active lifestyles the social norm for everyone, All their work is underpinned by the following values:

Collaborative – We are outcome focussed and act with integrity to broker productive relationships.

Safeguarding Bowls

We (The English Indoor Bowling Association Ltd (EIBA), Bowls England (BE), English Short Mat Bowling Association (ESMBA), The British Crown Green Bowling Association (BCGBA), English Bowling Federation (EBF), Disability Bowls England (DBE) working in partnership with the Bowls Development Alliance (DBA) are committed to safeguarding all those who participate in our sport, ensuring they can do so in a safe, positive and enjoyable environment. We aim to enable all of our clubs and county associations to provide safe environments for all participants.

Everyone in bowls has a part to play in safeguarding young people and adults at risk. We have created a variety of guidance documents, templates and educational resources, alongside the core safeguarding policies, to make it easier for clubs and volunteers to embed good safeguarding practices throughout.

It is not possible to eliminate all risks but it is important that those in bowls with a specific responsibility for junior players or adults at risk can demonstrate that they have assessed the risks and taken all steps to minimise them. All individuals working and participating in bowls have a role to play in developing a safe environment to encourage children to play and enjoy the game.

A copy of the Safeguarding Bowls Policies & Guidelines can be downloaded from the BDA website www.bowlsdevelopmentalliance.com/safeguarding/ This provides clubs/Counties with information on good practice and outlines the processes that needs to be followed if there is an allegation or concern.

Templates are also available that clubs can make use of. These include a draft safeguarding policy for the club to adopt, job description for a Safeguarding Officer, and guidance on what to do if taking children away on a trip to play bowls or permissions that are needed for someone to take photographs of children playing bowls.

The EIBA Ltd as a National Governing Body must ensure that all children are protected and kept safe whilst participating in the sport of bowls.

We will:

- through the Bowls Development Alliance, provide guidance on child protection for parents and all those participating in the sport.
- adopt good practice in the recruitment, training and supervision of staff, coaches and volunteers.
- advise Clubs and County Associations on best practice and recommend they adopt the safeguarding guidelines and adhere to appropriate codes of conduct.
- respond to allegations, concerns and complaints relating to child protection and welfare.
- implement and provide advice on how to manage the safeguarding process.

For further details please contact: Joanne Shore, EIBA Ltd Headquarters, David Cornwell House, Bowling Green, Melton Mowbray, Leics. LE13 0FA.

The course will provide an ideal opportunity for all bowlers to increase their knowledge of safeguarding from the comfort of their own home. It will be delivered as a virtual classroom via Zoom – with full interaction with the tutor and the other people attending the course throughout.

Coaching System
Website www.coachbowls.org

The Coach Bows Coaching System is the only coaching scheme that is supported by Bows England, EIBA Ltd, British Crown Green Bowling Association and ESMBA, whilst still recognising previous bowls coaching accreditations as part of the general membership scheme.

All coaches should become members of the Coach Bows Ltd membership package which includes a comprehensive insurance scheme, reduction in costs of eligible courses and modules through bursaries, regular updates and communications, access to the Coach Bows Recognition Scheme and eligibility for National Awards.

The **Level One Award in Coaching Bows** was launched in September 2012. This is a nationally recognised qualification for coaches **working with beginners** and allows coaches to independently deliver sessions as well as coaching within a club environment.

The **Level Two Certificate in Coaching Bows** was launched in April 2012. It is a nationally recognised qualification for those coaches who are working towards **developing the performance of bowlers** within a competitive environment.

The **Level Three Certificate in Coaching Sport (Bows)** was launched in 2018. It is a nationally recognised qualification for those coaches who are working at the performance level of the sport.

The **'Supporting Inclusion - Including Disabled People in Sport'** is a 3 hour module that covers how **club volunteers** and coaches can make the activities and the environment more inclusive to all bowlers, regardless of disability, age, mobility and so on.

There is also a 4 hour **'Safeguarding in Bows - Time to Listen'** module available for all Club Welfare Officers. This is a vital module for all clubs to ensure that their environment is suitable for children and vulnerable adults.

Alongside this there are two basic Safeguarding courses. The 3 hour **'Adult Safeguarding in Bows'** module that covers how a club can be more aware of safeguarding issues of all adult club members. The 2 hours **'Basic Safeguarding Children and Young People'** which covers how a club can be more aware of safeguarding issues of all club members under the age of 18. These are delivered in an online format and can be delivered in a 'traditional face to face' format.

The **Coach Bows Activator** module is in 2 parts and is for club volunteers rather than coaches. A 2 hour theory session delivered online which covers the basics on creating a welcoming, open environment for new club members and a 2 hour practical session to help club volunteers to support their clubs to deliver successful open days, taster sessions and support their coaches. These can be delivered separately or in conjunction with each other and are focussed on helping clubs to recruit and retain members.

Coach Bows also helps counties to run skills days and training opportunities for players and coaches locally via the County Coaching Coordinator network.

There is a Coach Education Advisory group in place which supports the development, implementation and review process for all technical content for all courses. These run alongside the group of County Coaching Coordinators who are tasked with local communication. It is their role to reflect the views and needs of the local coaches.

All courses and modules can be booked to run in clubs where there is demand. Booking forms can be requested from the Coach Bows office office@coachbowls.org or 07458 30149

Coach Bows also has a social media presence on **Facebook** (@Coach Bows); **Twitter** (@coachbowlsuk); **YouTube** (@Coach Bows) and **LinkedIn** (@Coach Bows)

DIRECTORS' REPORT
For the period ended 30 November 2021

As the new financial year commenced on 1st December 2020 the Indoor Bowls was still being severely impacted by COVID-19. The Country was coming to the end of its second National Lockdown, which brought any bowling activity to an abrupt end, although challenges had been faced just after the season started with the introduction of the tiered restrictions.

As such the Company had no other choice than to cancel the full 2021-22 National Competition programme, before it started.

The coming out of lockdown was short lived as COVID-19 worsened and a third lockdown entered after Christmas and lasted for three months. Even then indoor sporting activities were not permitted to take place until the season was coming to an end.

These restrictions prevented no British Isles International events and also the planned staging of the outstanding 2019-2020 National Finals. Although the Company's endeavours to complete these finals were rewarded with a successful staging of them in October, under a range of protocols. The Company wishes to extend its sincere thanks to the committee and members of Nottingham Indoor Bowls Club for their excellent assistance.

As expected, the lack of opportunity for indoor bowls to take place impacted the level of memberships in our affiliated clubs and consequently the declared number of bowlers was over 50% lower than pre COVID-19.

This reduction is reflected in the end of year accounts, with membership fees of £149,189 compared to £302,949 the previous year. The Company are appreciative of the Members continued affiliation, despite their own challenges.

Despite the decline in its main source of income the Company, as outlined in the 2020 report, made an operating loss of £15,081 before depreciation. This was achieved by continuing to utilise the Government's COVID-19 Job Retention Scheme and a further Leisure Grant.

In addition, there was no expenditure on International events and salaries as the position of Competitions Administrator was not replaced when Claire Edson left the Company in June 2021.

The Company once again via Head Office continued to provide Clubs and Bowlers with appropriate guidance on how the sport was going to be affected and or what it could do due to the varying levels of restrictions.

Once the restrictions were lifted Mike Lambert, Development Director, pushed forward with hosting his recruitment seminars in those areas which had not been invited to one previously. The Company saw this as essential so as to ensure that the number of bowling members across England started to increase and help return the state of the sport to where it was before Covid-19.

The Company continued to use its portfolio of social media platforms (Facebook, Twitter and Instagram). These have proved to be successful in getting information on the sport out as clubs faced extended periods of closure.

The Company would like to thank all its member Clubs, County Associations, individual bowlers, the Head Office staff and volunteers for their support and understanding as we continued with the challenges of COVID-19 over the year.

The Year Ahead – As of April 2022

With the 2021-2022 commencing without any restrictions due to COVID-19, the sport of Indoor Bowls is now able to take place as near to normal. Although COVID-19 is still with us and naturally this is impacting the confidence of some bowlers in returning to the club.

As a result, membership levels are still below where we were two years ago, which will affect income levels at local, county and national levels this year. Additionally, the increasing utility and fuel costs will undoubtedly impact the level of participation.

Therefore, the Company, along with the bowling codes will be focusing on recruitment and awareness over the year and using the Commonwealth Games as a focal tool to encourage new audiences to take up the game.

In conjunction the final few areas of the country will have been invited to the Recruitment Seminars and the content being available via the EIBA website so clubs can access at any time. The awareness of the sport will be aided by the continued use and expansion of social media and in a major boost the signing of a multi year broadcasting deal with Joymo. This will see National Finals, Open Singles Circuit events (which is now administered fully by the Company) International Test Matches being streamed live.

With the financial uncertainty and the impact on income previously the Company took the decision to sell and lease back it's Head Office at Melton at the start of the new year. A proportion of the sale funds will be invested into a combination of short and medium term investments.

A full National Winter Competition programme will be completed and also the return of International events later in the year, with the completion of the 2020-2021 Series'.

24. No notice need be given of a poll not taken forthwith if the time and place at which it is to be taken are announced at the meeting at which it is demanded. In any other case at least seven clear days' notice shall be given specifying the time and place at which the poll is to be taken.

No alteration of the memorandum or articles and no such direction shall invalidate any prior act of the Board which would have been valid if that alteration had not been made or that direction had not been given. The powers given by this regulation shall not be limited by any special power given to the Board by the articles and a meeting of the Board at which a quorum is present may exercise all powers exercisable by the Board.
- 57. The Board may, by power of attorney or otherwise, appoint any person to be the agent of the Association for such purposes and on such conditions as they determine, including authority for the agent to delegate all or any of his powers.

DELEGATION OF BOARD'S POWERS

- 58. The Board may delegate such of its powers as it thinks fit to such sub-committees of the Board as it may determine. Any such delegation may be made subject to any conditions the Board may impose and either collaterally with or to the exclusion of their own powers and may be revoked or altered. Subject to any such conditions, the proceedings of a sub-committee with two or more members shall be governed by the articles regulating the proceedings of the Board so far as they are capable of applying. The Chairman and the Vice Chairman of each sub-committee shall be appointed by the Board after consultation with the sub-committee members.

PROCEEDINGS OF THE BOARD

- 59. Subject to the provisions of the articles, the Board may regulate their proceedings as they think fit. The Chairman or not less than five members of the Board may call a meeting of the Board. It shall not be necessary to give notice of a meeting to a member of the Board who is absent from the United Kingdom. Questions arising at a meeting shall be decided by a majority of votes. In the case of an equality of votes, the Chairman shall have a second or casting vote.
- 60. The quorum for the transaction of the business of the Board may be fixed by the Board and unless so fixed at any other number shall be five.
- 61. The continuing members of the Board or a sole continuing member of the Board may act notwithstanding any vacancies in their number, but, if the number of members of the Board is less than the number fixed as the quorum, the continuing members or member of the Board may act only for the purpose of filling vacancies or of calling a general meeting.
- 62. At the first meeting of the Board after the annual general meeting the members of the Board shall appoint two of their number to be the Chairman and Vice Chairman respectively of the Board and may at any time remove such officers. Unless he is unwilling to do so, the Chairman shall preside at every meeting of the Board at which he is present. - 63.** All acts of a meeting of the Board or of a sub-committee of the Board, or by a person acting as a member of the Board shall, notwithstanding that it be afterwards discovered that there was a defect in the appointment of any member of the Board or that any of them were disqualified from holding office, or had vacated office, or were not entitled to vote, be as valid as if every such person had been duly appointed and was qualified and had continued to be a member of the Board and had been entitled to vote.
- 64.** A resolution in writing signed by all the members of the Board entitled to receive notice of a meeting of the Board or of a sub-committee of the Board shall be as valid and effectual as it if had been passed at a meeting of the Board or (as the case may be) a sub-committee of the Board duly convened and held and may consist of several documents in the like form each signed by one or more members of the Board.
- 65.** Save as otherwise provided by the articles, a member of the Board shall not vote at a meeting of the Board or of a sub-committee of the Board on any resolution concerning a matter in which he has, directly or indirectly, an interest or duty which is material and which conflicts or may conflict with the interests of the Association unless his interest or duty arises only because the case falls within one or more of the following paragraphs:
- 65.1.** the resolution relates to the giving to him of a guarantee, security, or indemnity in respect of money lent to, or an obligation incurred by him for the benefit of, the Association or any of its subsidiaries;
- 65.2.** the resolution relates to the giving to a third party of a guarantee, security, or indemnity in respect of an obligation of the Association or any of its subsidiaries for which the member of the Board has assumed responsibility in whole or part and whether alone or jointly with others under a guarantee or indemnity or by the giving of security;
- 65.3.** his interest arises by virtue of his subscribing or agreeing to subscribe for any debentures of the Association or any of its subsidiaries, or by virtue of his being, or intending to become, a participant in the underwriting or sub-underwriting of an offer of any such debentures by the Association or any of its subsidiaries for subscription, purchase or exchange;
- For the purposes of this article, an interest of a person who is, for any purpose of the Act (excluding any statutory modification thereof not in force when this regulation becomes binding on the Association), connected with a member of the Board shall be treated as an interest of the member of the Board.
- 66.** A member of the Board shall not be counted in the quorum present at a meeting in relation to a resolution upon which he is not entitled to vote.
- 67.** The Association may by ordinary resolution suspend or relax to any extent, either generally or in respect of any particular matter, any provision of the articles prohibiting a member of the Board from voting at a meeting of the Board or of a sub-committee of the Board.
- 68.** Where proposals are under consideration concerning the appointment of two or more members of the Board to offices or employments with the Association or any body corporate in which the Association is interested the proposals may be divided and considered in relation to each member of the Board separately and (provided he is not for another reason precluded from voting) each of the members of the Board concerned shall be entitled to vote and be counted in the quorum in respect of each resolution except that concerning his own appointment.
- 69.** If a question arises at a meeting of the Board or of a sub-committee of the Board as to the right of a member of the Board to vote, the question may, before the conclusion of the meeting, be referred to the Chairman of the meeting and his ruling in relation to any member of the Board other than himself shall be final and conclusive.
- 70.** The Chief Executive has the right to attend all Board meetings save in relation to matters relating to his appointment, but is not a director and for the avoidance of doubt shall not be entitled to vote.

BOARD EXPENSES

71. The members of the Board may be paid all travelling, hotel, and other expenses properly incurred by them in connection with their attendance at meetings of the Board or sub-committees of the Board or general meetings or otherwise in connection with the discharge of their duties.

A Member whose registered

WINTER NATIONAL CHAMPIONSHIP RULES

The Laws of the Sport of Bowls Crystal Mark Third Edition shall apply in all circumstances not covered by these National Championship Rules.

1. ORGANISATION

- 1.1 The National Championships are open to playing members of Clubs in membership of the Association.
- 1.2 Area Coordinators administer the Championships within designated areas under the guidance of 4 Regional Coordinators, who ultimately report to Carl Higgins Performance Lead. Any queries should be made in the first instance to your Area Coordinator.
- 1.3 The Association will issue official entry forms to each Club who will be advised of the closing date for entries. The submission of any entry on behalf of a competitor shall imply acceptance of these Rules, with one name only being listed for Pairs, Triples and Fours. Fees shall be determined by the Association and published with the entry forms in February/March of each year.
- 1.4 In submitting a National Championship entry, Clubs undertake to accept that International Duties, National Events and Championships shall take precedence over any domestic arrangements that Clubs might have.
- 1.5 In submitting a National Championship entry on behalf of its members Clubs agree that entries are accepted on the understanding that adequate playing space will be provided to the competitor to play their Championship ties to completion when competitors are playing at home.
- 1.6 Other than by mutual agreement, no National Championship tie shall take place before 1st day of October in each season.

2. VENUES

- 2.1 All National Championship ties shall be played on approved greens belonging to Member Clubs with regulation banks and ditches and be a minimum rink width of 4.00m, provided that all outside rinks have a distance of at least 300mm between it and the boundary of the green. Single rink greens must be at least 4.00m wide with 300mm on each side. A rink of 3.65m in width may also be used provided it is not a rink immediately adjoining the side boundary of the green.
- 2.2 Competitors must play on their home green unless exceptional circumstances prevent them from doing so. Then with the agreement of their Area Coordinator they may play on another green in the Competition Area.

3. RINK FEES

- 3.1 Method of payment of rink fees will be agreed within individual Areas. The majority of clubs in the Area must agree with the method to be adopted.

- 4.3 If a competitor having entered the Championships from one club changes clubs before the 30th of September prior to the start of the season (written confirmation is required) then that

If this is not adhered to then the club playing an ineligible player in a Team Championship will be disqualified from that Team Championship. - 5.2 All National Championships will be played on an Area or Regional basis. If 2 Clubs have the same colour stickers, the 'opponent' shall remove or change their stickers.
- 5.3 No competitor shall play on the same rink on the day of the competition before play commences. Competitors qualifying for the National Championship Finals may not play at the venue where the Championship is being played for a period of 24 hours prior to the event commencing unless covered by the Laws of the Sport of Bowls Crystal Mark Third Edition.
- 5.4 The Challenger will be responsible for all match arrangements except Area Finals that are arranged by the Area Coordinator. Then the Area Coordinator will arrange the date, venue and umpire for the Area Finals on a neutral green and the rink will be selected from those available on the day, unless advised otherwise at the start of the Season.

5.5. MATCH FORMAT FOR INDIVIDUAL COMPETITIONS

SINGLES	= 4 bowls each player	21 shots
TWO BOWL SINGLES	= 2 bowls each player	21 shots
PAIRS	= 4 bowls each player	18 ends or 3hr 30 min
TRIPLES	= 3 bowls each player	18 ends or 3hr 30 min
FOURS	= 2 bowls each player	18 ends or 3hr 30 min

The 3hr 30 minutes does not include trial ends or extra ends. An end where the jack has been cast before 3hr 30 minutes must be played to a finish. All dead ends must be replayed. Start time must be agreed by both players from the same timepiece and marked on the scorecard. If a game is unable to continue due to unforeseen circumstances, the competitors must return as soon as possible to complete the game.

5.6. SETS PLAY

- (i) The Under 18 Singles and Under 25 Singles Championships will be played in sets. Each match will consist of two sets, each set being played over 9 ends. A set will be decided if at any point it becomes impossible for one player to draw, or win, the set given the number of ends remaining.
- (ii) If the game is tied after 2 sets, by either player having won 1 set or both sets being drawn, a best of a three end "tie breaker" will be played to determine the winner. If the game is still drawn after three tied ends have been played, then one extra end will be played. The match tie breaker is decided by the winner of each end, and not by the total number of shots won in the three ends.
- (iii) The winner of the toss prior to the start of the match shall have the option to either take the mat or give it to his opponent on the first end only. The loser of the toss shall have the option of taking the mat or giving it away on the first end only of the second set.
- (iv) After the first end of any set, the player who wins an end will start the next end in the set.
- (v) In a match tie breaker, the player winning the toss shall have the choice of starting or giving away the jack on the first and third ends. The loser of the toss shall have the choice of starting the second end or giving away the jack on this end only.
- (vi) If a jack in motion passes completely outside the boundaries of the rink of play or rebounds to a distance of less than 20 metres from the mat line, the jack shall be re-spotted. If the jack passes outside the side boundary of the rink it should be placed on a pre-arranged spot on the rink which is 2 metres from the front ditch and 1½ metres to the left or right of the centre line, on the side that it left the rink of play.
- (viii) If a bowl is on the re-spot, the jack will be placed as near as possible to the bowl without touching it, between the spot and the centre of the rink. If any other bowls are in the way the jack will be placed as near to that without touching it and the centre of the rink. In other words, directly between the 2 spots without touching a bowl.

5.7 OFFERING DATES

- (i) In all individual competitions (singles, pairs, triples, fours) the challenger shall offer their opponent the choice of two dates, one weekday evening and one weekend (excluding Bank Holidays). Ties at weekends shall not commence before 9.30 am and ties on weekdays shall commence at a stipulated time between 6pm and 7pm, other times may be offered if agreed by both players/teams.

Dates for the opening round must be offered at least 14 days before the closing date of that round with that Competition Area. Thereafter, dates must be offered within 5 days after the closing date of the previous round.

Competitors not in the first round of the draw **may** agree to play their first game in advance of the previous round date. If the challenger does not offer dates within the required time period, the opponent becomes the challenger and shall offer dates as above at their own club.

When dates are offered, the arrangement must be confirmed within 72 hours, verbal agreement should be followed by written confirmation and any arrangements made must be adhered to. If the opponent has previously arranged to play another National Indoor Championship on one or both of the two dates offered or is on Indoor International duty or on EIBA Ltd business, the Challenger is required to offer alternative dates.

If the Opponent is a named player in a National Team Championship match and is offered that same date to play another National Championship the Challenger must offer an alternative date.

- (ii) When challenged, being on holiday, playing a County or Club game is not sufficient reason for demanding alternative dates. If an agreement cannot be reached on a date and time, then the tie will be arranged by the Area Coordinator.

5.8 A competitor who is challenging the result of a game should contact the Area Coordinator within 24 Hours of the conclusion of that game with the nature of the grievance. If the Area Coordinator cannot resolve the issue to the satisfaction of both competitors, then the issue will be escalated to the Regional Coordinator. If the issue still cannot be resolved, then this will be escalated to the Carl Higgins Performance Lead whose decision will be final. The competitor will have the right of appeal as defined in the EIBA Ltd's appeals procedure.

5.9 The failure of a player or players to appear after a maximum waiting period of 30 minutes (except in exceptional circumstances i.e., traffic, weather) from the time fixed for the start of the game, shall cause the player(s) to forfeit the game to their opponent.

5.10 The winning team to advise the Area Coordinator of the result within 24 hours of the game followed by an email or posted copy of the scorecards is required.

5.11 Champion of Champions. The Championship will be open to the current male and female Singles Champion entered by a Member Club, who is a full playing member of that club throughout the Championship. No substitution is permissible. In the event of a member being the Singles Champion of more than one Member Club in the same season, only one entry for that player will be accepted. Preference will be given to the Club from where the player entered the National Championships in the same season in which he/she won the club singles. If a Club Champion moves to another Club, they may still represent their previous club as Champion of Champions entrant for the next season.

5.12 In all Championships, Competitors Clubs more than 100 miles apart by road (50 miles apart for Under 18 Singles) will play on a neutral green as near as possible halfway between the two. Players to make their own arrangements and share the costs.

1. Member Counties will be allowed one entry into the above Championships. Players must be from Member Clubs affiliated to that county and play their National Championships from those Clubs.
2. Entries will be 6 rinks of four players from each County. All 6 rinks will play at a venue arranged by the Challenger, in the Challengers' County however, if the Challenger's chosen venue to the Opponents County town is more than 100 miles by road (calculated by the shortest route), the game should be played on a green as near half way as possible between the counties determined on a mileage basis and agreeable to both Counties.
3. Games will be 21 ends or maximum 4 hours; whichever is the shorter not including trial ends or extra ends. An end where the jack has been cast before 4 hours must be played to a finish. All dead ends will be replayed. The Challenger shall nominate one designated rink number to play an extra end before the draw is made for rinks. The extra end should be played by the nominated rink after play has been completed on all rinks.
4. All rounds will be played on dates set by the Competition Sub-Committee. Start time will be 10.00am but can be later by mutual agreement.
5. At the National Finals where the rinks are pre-drawn a draw will be made to select the rink to play the extra end in the event of a tie. The draw will take place before play commences between the team managers, Umpire and Competition Official.

6. The failure of a team to field the required number of players 30 minutes after the start time will abide by the Laws of the Sport of Bowls Crystal Mark Third Edition.
7. The draw for rinks and the toss will be made by the County Representatives in the presence of an Umpire
8. Prior to the Final the Challenger will be responsible for providing Umpires. Teams will share green fees and Umpires expenses.
9. The Captain/ Secretary of the winning team will inform the Association's HQ within 24 hours by phone or email of the result of the match followed by the scorecards or email showing team names and rink scores. The Draw for the next round will be shown on the EIBA Ltd website at www.eiba.co.uk
10. The Final will be played at the National Championship Finals.

UNDER 18 COUNTY TWO RINK TRIPLES (OPEN)

1. This Championship is open to all Member Counties who may have unlimited entries of two rinks of 3 players. Once a player has played for one team they are not permitted to play for any other team.
2. Players must not have attained the age of 18 on 30th September 2022.
3. The competition will be played in a regional round robin league, with teams playing each other once, either 1 rink home and 1 away or both rinks at a neutral venue if mutually agreed regionally.
4. Games will be 18 ends or maximum 3 hours 30 mins; whichever is the shorter not including trial ends. An end where the jack has been cast before 3 hours 30 mins must be played to a finish.
5. No dead ends – If a jack in motion passes completely outside the boundaries of the rink of play or rebounds to distance of less than 20 metres from the mat line, the jack shall be re-spotted. If the jack passes outside the side boundary of the rink it should be placed on a pre-arranged spot on the rink which is 2 metres from the front ditch and 1½ metres to the left or right of the centre line, on the side that it left the rink of play. If a bowl is on the re-spot, the jack will be placed as near as possible to the bowl without touching it, between the spot and the centre of the rink. If any other bowls are in the way the jack will be placed as near to that without touching it and the centre of the rink. In other words, directly between the 2 spots without touching a bowl.
6. 3 points for the winning team, 1 point each if match is tied.
7. The winner of the group will qualify for the Final or Semi-Final (depending on the number of regional leagues). If two or more teams have the same number of points the winner of the group will be decided by overall shot difference.
8. The Final will be played at the National Championship Finals.

UNDER 25 COUNTY DOUBLE RINK (OPEN)

1. All competitors must be full members of a Member Club affiliated to that county and play their National Championships from those Clubs.
2. The Championship is open to all Counties each being represented by a single entry of two 'fours'. Unless otherwise provided for in these rules, ties are to be played on the same day simultaneously. Ties will be on a one "four" home, one "four" away basis unless the County towns are more than 100 miles apart, when the tie should be played in a neutral County as near halfway as possible between the two.
3. All ties prior to the Final are to be played on a Sunday on a date fixed by the Competitions Sub-committee, or before by mutual agreement. The start time shall be 10.00am or later by mutual agreement.
4. Games will be 21 ends or maximum 4 hours; whichever is the shorter not including trial ends or extra ends. An end where the jack has been cast before 4 hours must be played to a finish. All dead ends will be replayed. The Challenger shall nominate one designated rink number to play an extra end before the draw is made for rinks. The extra end should be played by the nominated rink after play has been completed on all rinks at all venues, unless the start time at each venue is staggered, in this case, the venue with the later start time will

nominate one rink number before the draw is made. The extra end will then be completed once all rinks have finished at that venue.

At the National Finals the draw for the extra end will be made on the green by the two Team Captains in the presence of the Umpire.

5. When playing home and away each County is responsible for appointing an Umpire at their venue.
6. The Captain/ Secretary of the winning team will inform the Association's HQ within 24 hours by phone or email the result of the match followed by the scorecards or email showing team names and rink scores. The Draw for the next round will be shown on the EIBA Ltd website at www.eiba.co.uk
7. The Final will be played at the National Championship Finals.

BOWLS STAMPING

A Simple Guide to Current Requirements for the 2022/23 Season

A great deal of confusion has arisen since the introduction of the new "World Bowls" stamp. Below is a simple guide to the current requirements.

Firstly all composition bowls (i.e. not Lignum Vitae) must have a legible stamp dated 1985 or later on them. If you play with Lignum Vitae bowls, the 1985 relaxation does not apply, they must be stamped every 10 years, therefore you must get them stamped as soon as the expiry date is reached. All stamps must be legible.

If you have any of the following stamps you will be able to play in Club, County and National Competitions until you qualify for National Championship Finals. The expiry date on these stamps must be 1985 or later.

All players reaching the National Championship Finals must have a World Bowls Stamp with an expiry date of 2023 onwards until the date expires, after which you will have to have your Bowls re-tested

The following Semi-Finals are also played at the National Championships Finals venues, therefore players competing in the Top Club, Mason Trophy, Under 30 Double Rink Triples & Over 60 Double Rink Semi-Finals must have a World Bowls Stamp with an expiry date of 2023 onwards until the date expires

The new World Bowls Stamp is shown below and if you have this on your bowls you will be able to play in all matches including internationals.
