It is with great sadness that we have to report Marion Wilson passed away on 14th March 2016, peacefully in hospital at the age of 80.

Marion was a volunteer in netball for 48 years (and continued to volunteer up until a few weeks before she passed away)"

Marion was known to many in Humberside as during her netball "career" she took on lots of volunteering roles in the county - as Humberside County Committee member, coach, umpire, Scorer for Chevrons Netball Club, Humberside Junior League timekeeper, Neasden Team Manager and Secretary of the Hull Works Netball league.

She will be very sadly missed and was loved and respected by all.

Yorkshire Coaching Conference 2016

Getting the New Year in Yorkshire off to a good start could only mean one thing and that was the annual Regional Coaching Conference, now in its 2nd year. Once again, over 40 coaches, from across the region and beyond, had the opportunity to learn from some of the best coaches and coach educators in the country.

The day started with the coaches receiving some key messages from our keynote speaker, Dr Anita Navin, UK coach Educator of the Year in 2011. These encouraged them to believe in themselves and not be afraid to take risks and try something different. To coach with passion, energy and enthusiasm. That their approach to players can really make a difference and keep them motivated. To make the most of your opportunities as they arise. Most of all, do what you love. Have fun and enjoy sessions with your players.

Inspired by Anita's words, the coaches moved on to a series of three workshops, covering areas of both defence and attack and delivered by Maggie Jackson, Denise Egan and Anna Carter, supported by players from the regional performance programme. These definitely enthused our coaches even more, who were effusive in their praise –

'absolutely fantastic content that is very relevant and will make a difference to my coaching'

'This made me more enthusiastic than ever about coaching'

It gave me inspiration to try hard, fail and keep learning'

'All excellent – looking forward to next year!'

With that in mind, Save the Date: **Saturday, 7th January 2017**

We look forward to seeing all our coaches there. In the meantime look out for details of the coach workshops coming your way in the summer by checking out the Yorkshire Netball website for further details

Oh Joy!

The Huddersfield Black Community Awards were the vision of a voluntary organisation, which was established in August 2014. Headed by founder Jerico Thomas Ay'din and Community Development worker Dominic Pinnock the Awards were established after a group of black professionals investigated the overwhelming amount of evidence which highlighted that African and Caribbean young people across the UK tend not to achieve as well in education and employment.

The group felt an awards event recognising and celebrating the 'unsung heroes' within the Huddersfield black community would go some way to reverse the negative effects, lack of recognition, stereotypes and perceptions often faced by the black community.

The awards event was held on Saturday the 14th November 2015 at Cedar Court Hotel, Ainley Top. The black tie event was well attended and live acts entertained the guests between award presentations.

Winners in 12 categories were awarded at the inaugural event; Lifetime Achievement, Community worker, the Arts, Young Business, Youth/Young Adult, Best Sound System, Community DJ, Change Maker, Education, Business, Community

Organisation and Sports. The Sports Award nominees included Chris Powell – Huddersfield Town Manager, Jermaine McGilvary – Huddersfield Giants/England Rugby and Cameron Jerome – Premiership Footballer for Norwich City.

Joy Cumming –Douglas was awarded the Sports Award after being nominated for her many years of involvement in Netball; as a player, coach and umpire. Joy is well known within West Yorkshire as an experienced sportswoman who has played at County/ Regional level in her youth? She currently plays and coaches Hi Tech Netball Team who won the West Yorkshire Super League, Halifax, Huddersfield and Regional League in both the 2013/14 & 2014/15 seasons , She also umpires throughout West Yorkshire. Further to this Joy has run sports programmes for school, and for children and young people in mainstream and special schools and colleges for many years. Many community netball teams, particularly in the Huddersfield area, have benefitted from Joy's experience as a coach over the years.

Well done Joy—we're proud of you

£1000 raised in North Yorkshire for Net 10 for Life

Well done to Jody Ivel who helped raise a total of £1000 across the Junior and Senior Leagues in North Yorkshire for Net 10 for life. Net 10 for life is England Netball's initiative, demonstrating commitment to England Netball's charity partnership with Cancer Research UK!

Every league and team in the country are invited to take part in this exciting fundraising initiative to help raise thousands of pounds for this incredible charity. The week beginning 27th February 2016 was Net 10 for Life fortnight and all matches played during those two weeks helped contribute to the fundraising. Each team taking part pledged to donate 10p per goal scored in their weekly fixture.

Umpires were also encouraged to get involved, by swapping their whites for some pinks, and rounding any donations up to the nearest pound.

Thank you all for your generosity and support!
