

NORTH YORKSHIRE NEWS BULLETIN

Welcome to the December 2016 News Bulletin for North Yorkshire County Netball. Remember that if anyone has anything that they would like to be included, please send to: Christine Stephen at nysecretary@outlook.com

Club Questionnaire

Look out for questionnaire in the New Year. It is coming from the North Yorkshire N.D.O. to find out what you want and need for Netball in our County. Your views and suggestions and opinions are needed!

Rules reminders !

Did you know that an Umpire does not reverse a penalty pass that has been awarded but which has not been taken by a player from the correct place.

“Penalty not set” is not a correct term or action. Instead the Umpire should remind the player to take the penalty pass in the correct place. The player should then make the pass.

Congratulations!

To the following from North Yorkshire on their achievements within Netball:

- **Emma Hayter** from Harrogate – on gaining her A Award for Umpiring.
- **Charlotte Smallwood** (Harrogate Phoenix) on her selection for Team Northumbria Under-19 NTL.
- **Kate Gibson and Debbie Hirst** from York on scuring their Pre-Assessment for the B Award from Umpiring.

Thought for the Court

**“Just play.
Have fun.
Enjoy the game.”**

Michael Jordan.
