

## Season 2010 - 2011 League Format

Please find below the League format for the 2010 / 2011 Season. The Divisions are formulated by a Committee who take into consideration firstly the number of teams in an age group, the form and final League positioning from last Season, personal preferences of teams and an assessment of standard of new teams joining the League. We are as confident as we can be that we have positioned teams in Divisions that should give all teams the ability to fairly compete in a standard bearing all the above factors in mind.

### What next?

Please check the League format below

- (1) Are ALL your teams listed?
- (2) Are there any teams listed who will NOT be competing?
- (3) Do you have any objections or comments?

Club Secretaries (ONLY) should contact Karen Bailey (by e-mail only) with details, objections or comments by 14th
