Dear Member

All membership records are stored on the computer in the Club Office. As such, everyone has an individual membership number, which is quoted in brackets, after your name, on the subscription receipt and also in the membership lists at the back of this book. Please quote this number whenever requested, especially when submitting league registration forms etc.

League Registration 2018/2019

Registration forms for teams, players and reserves will be available:

- From 1 December 2017 for the outdoor season 2018. Please complete these forms and submit by **16 February 2018**
- Forms for the indoor season commencing September 2018 will be available from 19 February and must be returned by **30 April 2018**.

All league vacancies will be filled in the following order:

- (a) From existing teams
- (b) From existing reserves
- (c) From completed registration forms in the date order in which they are received.

Late entries will not be accepted unless under exceptional circumstances and at the discretion of the Hon. League Secretary.

Place your forms and remittance in an envelope and post in the white box adjacent to members' mail boxes.

Registered Reserves are shown at the end of each league playing schedule.

Updates to reserve information will be displayed on the League Results noticeboard.

Byelaws, League Rules & Constitution

Byelaws concerning dress code & playing rules are included in this handbook. The Club constitution is a separate supplement, available from the office.

Score sheets

Pre-printed session score sheets must be signed by both skips, verifying the result. For re-arranged games, enter the result on a blank score sheet (inside left cover of score folder) for any league. Record **team number** and **score** on the next available line, ensuring that both skips sign the same sheet.

Door Access Security

The two main entrance doors, together with the door from the bar area to the outdoor toilets, are fitted with fob operated security locks. All members are strongly advised to lease a fob to avoid being locked out.

Club Indoor League Rules.

1) Rules that apply to all indoor league games,

unless overwritten in the specific league rules 1-13.

- a) A member can only play for one team in any one league.
- (i) A reserve may play six times for any team but before playing as a reserve must be registered with the League Secretary and pay the appropriate registration fee, but if required to play a seventh time, must advise the Club League Secretary and will then be registered as a member of that team for the rest of the season and can play for no other.
- (ii) The Team Leader is responsible for ensuring that any reserve is correctly registered with the Club League Secretary.
- (iii) A list of official reserves will be displayed on the Notice Boards. If a reserve is substituted for a team leader then the opposing teams must be informed to establish a point of contact. In addition, if a team leader changes for any reason then the Club League Secretary must be informed.
- b) Teams may interchange fixtures with the consent of their opponents.
- c) Games may be brought forward, by mutual consent of their opponents.
- d) In the event of illness, inclement weather or other reason deemed appropriate, games where reserves cannot be found, may be postponed and rearranged by mutual consent on a rink that is normally vacant. The team postponing the game must notify the opposition team leader and League Secretary of the postponement. The team postponing the game will be responsible for the rearrangement of the game. Postponed games **must** be recorded on the results sheet.
- e) In the event of a team failing to be present within 15 minutes of the scheduled start time of a game and having failed to notify the opposing team leader of a postponement and provided there are no extenuating circumstances, then the team not present will be deducted 2 points and 6 shots and will also be responsible for the payment of the rink fee that would have been payable for both teams. The match will be awarded to the other team who shall be awarded two points and given 6 shots.
- f) All Indoor league games must be completed by the 30th April unless agreed with the Club League Secretary.
- g) Each league game shall consist of a maximum of 16 ends.
- h) The jack shall not be delivered after the bell has sounded to signify the end of a session. The last end is normally the 16th. However, if the bell sounds after the jack has been delivered (i.e. is in motion on the green) then this is the last end.
- i) If, during the game, the jack is played outside the boundaries of the rink, the end shall be replayed in the same direction unless otherwise agreed by the skips EXCEPT that in the event of the

- jack being played outside the boundaries of the rink after the end of session bell has sounded then in these circumstances the end shall be declared dead and not be replayed.
- j) If the lead delivers the jack so that it goes into the ditch, goes outside the boundaries of the rink or fails to reach the minimum required length then the opposing skip shall set the mat and/or jack at his discretion, provided that the jack is at least at the minimum required length from the front edge of the mat as specified in the current Laws of the Sport.
 - k) Skips may not visit the head after the bell has sounded that signifies the end of the session. Staying at the head constitutes a visit.
 - l) A committee comprising of League Secretary, Ladies' and Gentlemen's Secretaries and chaired by the Club Secretary will meet bi-monthly to ensure all league fixtures have been played. The Reviewing Committee shall if necessary:
 1. Arrange dates for postponed fixtures;
 2. Award points to a team not responsible for postponing a fixture; and/or
 3. Deduct points from teams responsible for not playing a fixture and/or
 4. Apply a rink fee penalty
 - m) At any time during a season, if a member or a team is considered to be acting in an unsportsmanlike manner then this will be referred to the Reviewing Committee comprising the League Secretary, Ladies' and Gentlemen's Secretaries and chaired by the Club Secretary who shall take whatever action they consider necessary.
 - n) Promotion and relegation will be on a 2 up and 2 down basis. However the Reviewing Committee comprising the League Secretary, Gentlemen's and Ladies' Secretaries and chaired by the Club Secretary has the right to restructure the league as a result of an increase or decrease in team numbers which may result in some teams not being promoted or relegated.
 - o) The highest placing will be awarded firstly on points, secondly on the greatest shot difference, and thirdly on greatest shot average.
 - p) Two points will be awarded to the winning team in each game and one point to both teams in a drawn game subject to (e) above.
 - q) In a Triples League game if one player is missing, the game must commence and proceed as follows: -

EITHER the incomplete side shall consist of a lead and a skip. A toss of a coin shall decide which side plays first. The two leads will bowl their first bowl followed by the number two bowling his first bowl. They will carry on in this order until nine bowls have been bowled, after which the skips will bowl normally. The late bowler will enter the game in any position, but only at the commencement of an end.

OR with the agreement of both skips, the game may be played as three bowl pairs and the scores will be valid.

OR if there are extenuating circumstances the game may be postponed and rearranged by mutual consent on a rink that is

normally vacant. The incomplete team will be responsible for the rearrangement of the match.
