EDITOR'S COMMENTS

The 2018 season will see a new face at the helm of Bucks cricket, with Tom Hampton taking over from Michael Payne as the First XI captain. Michael Payne's three-year tenure ended on a high note with victory in the Four-Counties T20 competition at Wormsley. Michael is picture celebrating the success with his team on the front cover of this handbook. It is very good news for the county that he will continue to play under the leadership of his good friend Tom, whom the whole of Bucks will be wishing well for his first summer in charge.

As you will see from reports from the Bucks Cricket Board, director of cricket Jason Harrison, Academy manager Tim Russell and the various junior teams, there is a lot going on to foster cricket among youngsters - both boys and girls - in the county.

The Academy side, captained by Jin Burden, won the Beynon Cup, and several members of the team were regulars in our Championship side. In the Under 17s, Dominic Goodman made a century against Oxfordshire and ended the season signing for the Gloucestershire Academy, while the girls teams continue to make progress.

At the other end of the age scale, the Over 60s are to be congratulated on reaching the quarter-finals of their national competition, with two members of the of the side - Mike Stafford and Denzil Owen - representing England Over 60s in an Ashes Test against Australia.

I am once again grateful to our longest-serving secretary Kevin Beaumont for providing most of the photographs in this handbook and to Frank Russell - despite his two-month world tour - for his expertise on the publishing side.

Enjoying a quick dip on a blisteringly hot day at Burnham, during the 1001st match

BUCKS C.C.C. SECRETARY'S REPORT

In 2017, although we won but a single match in the Unicorns Knockout Competition, we were much more competitive than in recent years; we should have won two other matches and might well have won the fourth, but lost control, albeit briefly, at crucial points. Indeed, our net run rate was such that had we won a second match, we would probably have progressed to the Knockout stage. Sadly, our Championship form was much more erratic. We performed well in two of our drawn matches - against Staffordshire at High Wycombe and Cambridgeshire at Chesham - but in the other two we were saved from defeat by heavy rain, which prevented any play on the final day in both instances. Perhaps the most encouraging performance was in the match against Cambridgeshire, where we were in a perilous position at the end of the first day, having been required to bat in conditions which it seemed that everyone but the umpires, regardless of allegiance, thought unfit. Thereafter, our batting in both innings showed application and determination, which was sadly lacking for much of the season.

One of the two matches abandoned due to the aforementioned rain was our 1,000th Championship match against Suffolk at Bury St. Edmunds. We were fortunate indeed that this was not in evidence at the following match against Norfolk at Burnham, where we celebrated the milestone with wellattended lunches on the first two days. Many past players travelled long distances to be with us on the Sunday, where we were well entertained by exEngland, Surrey - and Bucks! - player Keith Medlycott, and on the following day we were joined by guests from many areas of cricket as well as the Lord-Lieutenant of the County, Sir Henry Aubrey Fletcher; on this occasion we heard an excellent speech from Ian Peck, Vice Chairman of Northamptonshire CCC. On both days the weather was hot and sunny and the cricket entertaining - just reward for the magnificent effort put into organising the occasion by Frank Russell and the host club.

The Academy XI again performed well, winning the Beynon Cup; unfortunately, their Tom Orford campaign was somewhat hampered by rain allowing only twelve overs in one of their only two three-day matches!

In Seniors cricket, the Over 60s go from strength to strength, with the 1st XI again progressing to the knockout stage of the national competition. The Over 50s 1st XI is competitive, but availability for their 2nd XI is a continuing cause for concern.

As ever, our thanks are due to all the scorers and umpires who give so much time to officiating in our matches and in particular to Paul Dean, for his continued diligence in providing the statistics for our 1st and Academy XIs; also to the BACO Umpires Appointments Officer, Tony Greenham, who puts a great deal of effort into meeting the needs of the Seniors teams. (He will have even more to do in the coming summer, as the Over 60s will be fielding a regular 3^d

XII) And, of course, we continue to be very grateful to all the clubs around the County, who allow us to use their facilities to stage our home matches and are unfailingly hospitable and cooperative.

I am saddened to have to record the passing of two great cricket lovers, both of whom I had known for many years and counted as friends. Many Members will already be aware that Richard Merricks, who travelled all over the country with his wife Jill to support us, died on the morning of the third day of our match at Burnham; it was some small consolation that we had enjoyed their company on the previous two days. And very recently came the sad news of the death of David Armstrong, for many years Secretary of Norfolk and then of the Minor Counties Cricket Association and, more recently, President of his county club. They were both great servants of the game and widely known and liked; it will be strange not to see them at matches.

Turning to the future: there is rather more to write than usual. At all levels, our fixture list looks rather different. Members will remember that the Minor Counties experimented with a Twenty/20 competition three years ago and this now becomes a permanent feature. In the Group stage, we shall play four other counties, two at home and two away, with two matches on each day; the Semi-Finals and Final will be played at Wormsley in August. To accommodate these additional days, the Knockout Competition becomes a straight knockout, with no Group stage, and the Championship programme will start three weeks later than previously - which we hope will improve availability, as university cricket will be largely over by then. The Tom Orford Competition has been enlarged by the inclusion of Lincolnshire, which gives our Academy a third three-day match. Naturally, this entails additional expenditure, but your Committee places great value on developing the multi-day skills of our young players and we are confident that this will be money well spent. Finally, as mentioned above, our Over 60s will be fielding a 3^d XI for the first time.

We shall embark on these waters with a new Captain, Tom Hampton. Mike Payne has fulfilled his duties with diligence and enthusiasm during the last three years and I and the rest of our Committee are very grateful to him for all his efforts; we are also truly delighted that he is keen to continue playing for us. Last year, Tom returned as a regular 1st XI player after two years with Gloucestershire and I am confident that his First Class experience will be of great value to the team.

The ECB has been conducting a major review of the future direction of all cricket in this country; there has been much publicity about the first Class game, but recreational cricket is also in a state of flux. A working group has held meetings with all County Boards and Minor Counties and the views of Premier League and Minor County players were widely canvassed. The results of the latter survey were very encouraging for Minor Counties cricket; the vast majority of players regarded the 3-day Championship as the pinnacle of recreational cricket and as offering a good pathway to the First Class game. They also wanted the Knockout competition to continue and a Twenty/20 competition to

be introduced, both being played with white balls and in coloured clothing; the Minor Counties Committee was delighted that it had already decided to go in this direction, a few weeks before the survey was completed.

The ECB's review will not be completed until later this year and is likely to lead to changes for all Minor Counties; and, of course, there will be financial implications which we cannot predict with any confidence. The five-year Memorandum of Understanding which governs the funding of recreational cricket expired last September and has been extended pending completion of the review. A consequence of this is that, for the current year at least, there will be no inflation-related increase in the funding that we receive from the ECB, which of course increases the financial pressures upon us. One is reminded of the Chinese curse: "may you live in interesting times".

In closing, I must express my sincere thanks to my fellow Officers and to all of the Committee, both for all the work that they do for your Club and for the support and assistance that they give to me; they not only facilitate my job, they also make it very enjoyable.

I wish all our teams and Members a very enjoyable and successful summer's cricket.

OBITUARIES

LAURIE CHAMPNISS, a leg-spin and googly bowler, who played for Bucks from 1971 to 1977, died at the age of 78. A larger than life character, he took 106 wickets at 20.53 in 43 Minor Counties Championship matches for Bucks. Bowling predominantly googlies, he had best innings figures of 5-14. He also took 30 catches.

Laurie, an Old Harrovian who played most of his club cricket for Northwood in Middlesex, played in two Gillette Cup ties against first-class counties. In the famous match against Glamorgan at Amersham in 1972, which Bucks lost by just four runs, he claimed the wicket of Eifion Jones and two years later dismissed David Nicholls against Kent at Canterbury. His only first-class match was for MCC against East Africa in 1973/4. He was also a keen golfer.

RICHARD MERRICKS, one of the keenest and best-known followers of Minor Counties cricket (and cricket in general), died aged 77 on June 20th while attending Bucks's match against Norfolk at Burnham, which celebrated our 1000th in the Minor Counties Championship. Richard, who suffered a from cerebral palsy, made light of his disability and was the life and soul of any cricket gathering. His encyclopaedic knowledge of the game, plus his great sense of humour made him most entertaining company.

A fruit farmer from Rye, East Sussex, he had been a member of Bucks for more than 20 years and once joined up with the county on a tour of South Africa, while on was on a separate cricket tour of that country. He was a life member of the MCC, Sussex and Kent and a member of several Minor Counties including Bucks and Norfolk, whose match he attended with his second wife Jill.

DAVID ARMSTRONG, who was the Minor Counties Cricket Association's first full-time secretary, died in February 2017 at the age of 81.

He held the post from 1984-2002, during which time there were many changes to both the professional and recreational games, but David's understanding, attention to detail and seemingly endless list of friends and contacts across the game, was just what the Minor Counties needed to survive those turbulent times. Before he took on this role, he had been secretary of his cherished Norfolk CCC from 1967 to 1984.

He was Norfolk president from 2003 to 2006 (a position currently held by his widow Gail) and subsequently became an Honorary Life Member.

DAVID KEMPSTER, erstwhile 1st XI captain, long-serving committee member and trustee of Tring Park CC, died on 11 February 11. His son, Ben, played a number of Championship games for Bucks.

We are also sad to report the deaths of BRIAN ATKINS, father of former Bucks captain and life member Paul Atkins, ROBIN HARWOOD, father of Bucks opener Andy Harwood, PAT SHARPE, a former Bucks Young Amateur, who played many years for Beaconsfield and PAULA JOHNS, widow of prolific runs scorer David Johns, who died aged 89.

CONGRATULATIONS TO:

STUART YORK, on being appointed a Life Member of the County. Stuart played for Bucks in the 1970s while a player at High Wycombe. He was Chairman from 1997-2010 and has been President since 2013.

ALEX HALES for his record breaking innings of 187 not out for Nottinghamshire against Surrey in the Royal London One-Day Cup final at Lord's. The innings, which came off just 167 balls and contained four sixes and 20 fours, was the highest one-day score made on the ground.

The former Gerrards Cross batsman, who played for Bucks in the Championship at 17, is a regular member of England's successful ODI and T20 squads, but has been unable to regain his place in the Test side after pulling out of their tour to Bangladesh for security reasons.

PATRICK CASTLEDEN on winning the Horace Perrin Cup for his magnificent innings of 166 not out which helped Bucks draw their match against Cambridgeshire at Chesham.

JON BURDEN on winning the Paul Slatter Cup for a true all-round display throughout the Bucks Academy games, contributing match-changing bowling spells and much needed lower-order runs, along with good captaincy.

MIKE STAFFORD and DENZIL OWEN - both Beaconsfield - on being selected to play for England Over 60s in an Ashes Test against Australia.

CHRIS LOWE has been selected for England Over 70s' tour to Australia.

Former Bucks player ROB WHITE on being contracted to the first-class umpires list.

DIRECTOR OF CRICKET'S REPORT

As with all counties around the country, the start of the season is a great time of optimism, team rosters are in place after winter training and thoughts are exclusively on success. Looking at our squad for 2017, it felt very young but well-balanced and talented. Most of the team had shown glimpses of real quality over the previous couple of seasons, but we were still searching for that magic word “consistency”.

In one-day cricket, we challenged in all the games and looked a competitive unit, but once again the big moment in the last group game was lost which cost us the match and a quarter-final berth.

The Championship season was largely disappointing. Too many times a lack of application with the bat put us in very difficult positions. This is an area the coaches and myself are working hard on - trying to get the batsman to think more professionally about the way they construct their innings individually and as a batting group.

In the annual T20 showpiece event at Wormsley, we really grew up as a team. The two matches were pitch-perfect, we won most of the key battles within the games and came through as deserved winners.

Looking ahead we have a change of captaincy for 2018. I personally would like to thank Michael Payne for all his commitment during his term. We had an excellent working relationship and I am delighted he is going to continue to play. Tom Hampton has agreed to take on the role. He will bring a tool-chest of knowledge and experience together with his undoubted talent. He is well-respected and I am looking forward to him driving the young team forward.

As always there are some thank-yous. Firstly, the committee for giving their full backing with my vision of developing a young predominantly local team capable of challenging for silverware. Thanks also to Tim Russell, our Academy manager, the two coaches Matt Eyles and Simon Stanway and all the scorers who give their full commitment over the summer.

Looking forward to enjoyable and successful year.

CAPTAIN'S REPORT

The 2017 season for Bucks showed potential and promise from the outset. There were some promising signs in our one day friendlies winning both against High Wycombe CC and against Oxfordshire. The Oxfordshire victory was particularly satisfying as it is not a game we normally win. Unfortunately after this we could only muster another victory in one-day 50-over cricket – against Suffolk at Tring Park. Even though the results did not go our way, it was one of the

best Bucks one-day teams I have been a part of.

As a Bucks team we've always said our three day cricket has been our stronger suit though it would be fair to say this season it was not the case. Without a win this season and a few draws being the highlights, the 2018 season focus must be on recapturing our form in this competition. Having said that, there were individual positives. Patrick Castleden got his first century for the county – against Cambridgeshire at Chesham – as he built on his performances from the 2016 season. Robin Pritchard became the wicket keeper for three day cricket. His keeping was immaculate and he put in some very valuable performances with bat. The highlight was a well-fought 80 at Chesham. Shelvin Gumbs scored hundreds in both one-day and three-day cricket. Also the three High Wycombe seamers Tom Hampton, Jon Burden and Cam Parsons did a great job bowling their hearts out whenever called upon.

The new part to the season was the T20 competition at Wormsley. For me this was the highlight as we won it by beating a strong Cambridgeshire side in the final. Great knocks from Garry Park and Shelvin Gumbs in both games ensured we won the trophy. It was a fine finish to 2017.

Garry Park, our professional for the season, was a great addition to the squad. Having played Unicorns cricket with him, I knew he would fit in with everyone perfectly both on and off the field. He was leader on the field with his bowling and fielding. His batting experience was very valuable –with a huge 170 at High Wycombe against Staffordshire the icing on the cake.

From a personal point of view, the 2017 season was an end of an era with it being my last season as Bucks captain. I have enjoyed three great years as captain, and four as one-day captain. The players have been nothing but committed and 100% behind the success of Bucks cricket, and I can only thank them for that. The committee, the supporters and everyone else involved with Bucks cricket have been so supportive of myself and the team. I would like to thank the club for the pleasure and honour to let me captain the county. I look forward to carrying on my role as a player and batting coach for the Bucks age groups.

I wish Tom Hampton every success in taking over as captain and Academy coach. Tom has been one of my friends through all the cricket we have played together, and I know there is no one better to take this on. Here's to a successful 2018 season for Bucks CCC.

MICHAEL PAYNE

Michael Payne and Gary Park after their record partnership against Staffordshire at High Wycombe

OUR NEW COUNTY CAPTAIN

Tom Hampton started playing cricket at Marlow CC in Bucks. He met some amazing people and coaches there who were brilliant, doing all they could for him. He joined Middlesex Academy and moved to Gerrards Cross to play at a higher level. He had two years with the MCC Young Cricketers. The programme was fantastic. It gave him the opportunity to train at Lord's and continue developing his cricket full-time, playing county 2nd XI cricket. During that time, he had the opportunity to be 12th man for England during the four test matches at

Lord's, which was a brilliant opportunity to meet and play with players at the top level.

In 2013, Tom returned to Gerrards Cross where he started coaching, whilst trialling for a couple of counties.

The following year, Tom made his debut for Bucks CCC against Cumberland in Barrow. He recalls it was a remarkable game, with the pitch offering the bowler some pleasing assistance. He took a few wickets: 6 - 48 an encouraging start. Tom continued to have a good first season with Bucks CCC and was brought to the attention of Gloucestershire CCC by Bucks head coach Jason Harrison. Tom was offered a two-year contract, after some good performances. Tom loved being a professional sportsman: in his opinion, the best way to earn a living. There were some ups and downs, and one or two things didn't quite go his way, but it was a great time. He particularly recalls how special it was for him to have his family supporting him as he made his debut.

High Wycombe CC were quick to make contact. Tom had always admired the club for the success they had achieved over the years. He desperately wanted to return to professional cricket, and so grabbed the opportunity to play at HWCC at the top of the HCPCL, on one of the best wickets in the country. A new contract with a professional county has not materialised yet, although the hope is still there.

Tom has continued to develop his coaching experience and HWCC were keen to support his aspirations in this area, by offering him the role of Head Coach. This has coincided with Tom being made Bucks first team captain and Bucks academy coach. These new roles work brilliantly together, and still provide the opportunity for him to play some really good cricket. Tom is keen to do all he can to bring success to both HWCC and Bucks. CCC as both a player and a coach and also to Bucks CCC as captain.

During the winter Tom has been working with some very talented cricketers in Bucks. and has enjoyed seeing them improve. He is looking forward to the new season and continuing to support his fellow players, in developing their potential.

UNICORNS COUNTIES CHAMPIONSHIP
Suffolk v Buckinghamshire
at Bury St Edmunds on Sunday-Tuesday June 4th-6th

Match drawn. Toss won by Bucks

Rain washed out the final day of Bucks's 1000th Championship match, with the visitors still 42 runs behind with only five second-innings wickets standing. But for Graeme Paskins, called up as a late replacement three days after his 45th birthday, Bucks would probably have lost in two days. Paskins top-scored with 72 not out as they recovered from 35-3 to 260 all out. In reply, Suffolk's openers Martyn Cull and Jaik Mickleburgh added 203 for the first wicket to help secure a lead of 134. Bucks were hampered as Tom Hampton could bowl only three overs. Liam Gough son of former England paceman Darren Gough, completed a pair on his Championship debut, before Michael Payne and Paskins guided them to 92-5 by the close of the second day - and the weather prevented any more play. Masoor Khan also made his Bucks debut along with Gary Park.

1000th MATCH CELEBRATIONS

Over a gloriously hot and sunny June weekend, the club celebrated its 1000th Minor Counties match. The actual match was played away against Suffolk. The first home game after that was against Norfolk and the match took place at Burnham CC.

During the first and second days over 200 former players, supporters and sponsors enjoyed lunch, tea and speeches. Old friendships were renewed and over the odd glass of beer and wine, tall tales told about former exploits and glories.

The club would like to thank Burnham CC, for all its help and organisation.

Former captains, who attended the 1,000th match celebrations (from left): Ian Hodgson (chairman), Chris Parry (1970-73), David Mackintosh (1974-75), Neil Hames (1987-91), Gary Black (1992-93), Tim Scriven (1994-97), Jason Harrison (2009-14), Stuart York (president).

Sir Henry Aubrey-Fletcher, Lord Lieutenant of Bucks, with Rear Admiral Roger Moylan-Jones, president of the Minor Counties Cricket Association

UNICORNS COUNTIES CHAMPIONSHIP

Buckinghamshire v Norfolk

at Burnham on Sunday-Tuesday June 18th-20th

Norfolk won by 185 runs. Toss won by Norfolk

The gloss was taken off Buckinghamshire's 1,000th match celebrations as the county suffered a heavy defeat. Many former players gathered on the first two days to mark Bucks' passing the 1,000 mark in Championship matches earlier this month, stretching back to 1895.

Their 1,001st encounter did not go well, even though they reduced the visitors to 133-7 shortly after lunch on the first day. However an eighth-wicket stand of 144 between Ashley Watson and Chris Brown helped Norfolk reach 308.

Bucks's frail batting line-up struggled against the off-spin of Brown (5-49) and slipped from 61-0 to 192 all out.

Building on their 117-run lead, Norfolk made 195-9 dec in their second innings, despite a fine five-wicket haul for off-spinner Matt Rance

Set 313 for victory, Bucks succumbed for 127, with Patrick Castleden bagging a four-ball pair.

Brown took nine wickets in the match following his key innings on the first day.

The final day was played in a subdued manner, following the sudden death of Richard Merricks - a great supporter of both counties - who had attended the first two days.

UNICORNS COUNTIES CHAMPIONSHIP
Lincolnshire v Buckinghamshire
at Grantham on Sunday-Tuesday July 2nd-4th
Lincolnshire won by 9 wkts. Toss won by Lincolnshire

But for a battling half-century from teenage debutant Harefield's Daniel Ogden - he came in for Gary Park, who injured a finger the day before the match - Bucks would have suffered an innings defeat. After Bucks had been dismissed for 150, Lincolnshire recovered from 0-2 to 360-9, Shelvin Gumbs picking up four late wickets to finish with 4-31. Facing a first-innings deficit of 210, the visitors slipped to 118-6 in the second innings, but with Ogden making an unbeaten 70 from 204 balls, Bucks at least made Lincolnshire bat again.

Buckinghamshire v Staffordshire

at High Wycombe Sunday-Tuesday July 16th-18th

Match drawn. Toss won by Staffordshire

A record double-century stand between Gary Park and skipper Michael Payne was the feature of Bucks' high-scoring draw. Park, who hit 163 from 200 balls, including two sixes and 21 fours, and Payne (99) added 221 in 44 overs to beat the county fourth-wicket record of 220 unbroken set by Paul Atkins and Paul Sawyer against Lincolnshire at Burnham in 2006. Bucks replied to Staffordshire's first innings total of 445, with 428-6. After Staffs batted well into the third day and set an impossible target of 373 at eight an over, Bucks played out time to secure their second draw in four games.

UNICORNS COUNTIES CHAMPIONSHIP

Cumberland v Buckinghamshire

at Sedbergh School on Sunday-Tuesday August 13th -15th

Match drawn. Toss won by Bucks

Poor weather ruined their final game, when the third day was washed out. The result meant that for the second year in a row, Bucks failed to secure an Eastern Division victory, but they gleaned enough points to finish eighth of the ten teams. Cumberland made 319-6 on the first day thanks to Gary Pratt, who showed he was more than able an substitute fielder for England, by making 143 not out. Bucks managed only 176 all out, as Cumberland's left-arm spinner Toby Bulcock returned figures of 8-39 from 30 overs. The hosts were 56-3 in the second innings at the end of the second day. But no further play was possible.

UNICORNS TROPHY
Wiltshire v Buckinghamshire
at Warminster on Sunday April 23rd

Wiltshire won by 1 wkt Toss won by Bucks

Bucks suffered a heart-breaking one-wicket defeat. Bucks looked in command, having scored 264-9 from their 50 overs, thanks to half-centuries from Masoor Khan and Shelvin Gumbs, whose 55 came off 50 balls, plus a sparkling unbeaten 66 from 45 balls by George Russell, who hit three sixes. Wiltshire collapsed from 115-0 to 138-6 thanks to Masoor Khan (4-44) and Gary Park (3-41). But Jacob Lintott (57no) kept his nerve to help their last pair add 20 runs for a nail-biting success.

UNICORNS TROPHY
Buckinghamshire v Suffolk
at Tring Park on Sunday May 7th

Bucks won by 8 wkts Toss won by Bucks

A sparkling century from Shelvin Gumbs sped Bucks to a convincing win. Chasing only 161 for victory, Bucks knocked off the runs inside 30 overs, thanks to Gumbs, who struck 100 not out off just 83 balls with two sixes and 14 fours. He shared a second-wicket stand of 111 in 18 overs with his Tring Park clubmate AJ Woodland. The spadework for Bucks's first win was achieved by their seamers Tom Hampton, Cameron Parsons and Gary Park, who helped reduce Suffolk, including former Yorkshire player Brad Parker, to 65-7 in the first hour. Only a counter-attacking innings of 82 off 70 balls by Ben Shepperson enabled them to reach 160 from 32.2 overs.

UNICORNS TROPHY
Bedfordshire v Buckinghamshire
at Dunstable on Sunday May 14th

Bedfordshire won by 20 runs Toss won by Bedfordshire

The difference between the sides was the bowling of former England left-arm spinner Monty Panesar, who took 1-21 in ten tight overs to thwart Bucks' chase of 217 for victory. After James Kettleborough and Jack Keeping put on 123 for the Bedfordshire first wicket, Bucks did well to restrict them to 216-8 thanks to good spells from Saif Zaib (3-26) and Tom Hampton. The first eight Bucks batsmen all reached double-figures but only one - No 8 George Russell - made it to 30.

UNICORNS KO TROPHY
Buckinghamshire v Hertfordshire
at Gerrards Cross on Sunday May 21st

Hertfordshire won by 3 wkts Toss won by Hertfordshire

Bucks missed their chance to qualify for the quarter-finals, when they lost their last group game, despite an outstanding all-round display from Gary Park. The former Derbyshire player followed his half-century with a spell of 5-38. After a delayed start, Bucks accelerated to 245-6 from their 50 overs. With conditions drying out, Hertfordshire cruised to 113-1. But Park, the fifth bowler used, proved a handful as sixth wicket fell at 190. However, a rapid seventh-wicket stand helped the visitors home with 13 balls to spare.

T20 SUCCESS

Bucks finished the season on a high note when they won the Festival T20 competition at Wormley on a glorious autumn day in September.

Thanks to some tight bowling and spectacular batting from Garry Park and Shelvin Gumbs, Bucks easily accounted for Oxfordshire and Cambridgeshire in the semi-final and final respectively to lift the trophy, which was played for by four Minor Counties teams.

The day did not start too well for Bucks, who slumped to 17-3 after being asked by to bat first in dank conditions in their 15-overs-per-side semi-final against Oxfordshire.

But a superb unbroken fourth-wicket stand of 120 from 70 balls by Park and Gumbs enabled Bucks to reach a formidable total of

137-3 from the 15 overs.

Park hit 73 not out from 45 balls with two sixes and ten fours, while Gumbs's unbeaten 43 came off 30 balls.

Oxon were never in the hunt after some tight bowling by the whole of the Bucks attack and mustered just 84-6.

In another one-sided semi-final Cambridgeshire (142-3) beat Hertfordshire (101-6) by 41 runs. T20 2 web Cambridgeshire chose to bat first in the final but struggled to 63-5, with three of their top order run out.

Ben Seabrook's unbeaten 42 held it together, but their total of 119-9 from 20 overs always looked gettable.

But the Bucks top ordered again failed, and it again left to Park (54 not out) and Gumbs (37) to take Bucks to the brink of victory with a fourth-wicket stand of 89.

Park completed the victory with 13 balls to spare by a hitting a big six of his brother Craig's bowling.

Bucks won by 56 runs. Toss won by Bucks

A stunning spell of bowling by Saif Zaib gave Bucks victory in their traditional one-day warm-up match on Easter Monday. The 18-year-old left arm spinner, who is contracted to Northants, returned brilliant figures of 6-12 from 7.1 overs as Oxon slipped from 153-4 to 191 all out.

Bucks' made 247-7 from 50 overs, recovering from 104-4 at the halfway stage thanks to a late stand of 49 in six overs by skipper Michael Payne and George Russell for the seventh wicket.

There was a promising debut by the experienced Gary Park, who scored 38 and took two wickets, but fellow newcomer Masoor Khan made nought.

Bucks Academy XI before their match against Free Foresters at High Wycombe. Standing (from left): Tim Russell (manager), Daniel Ogden, Yash Rastogi, Mohammad Choudhry, Ashley Turney, Nouman Aslam, Dhaval Kumar Norotam, Paul Dean (scorer). Seated: Ross Richardson, Alex Woodland, Jon Burden (captain), Patrick Castleden, Pip France, Teddy Casterton

BUCKS ACADEMY REPORT

It proved successful season for the Bucks Academy as we won all but one of the matches and lifted the T20 Beynon Cup. Only the poor weather prevented us having a chance to add the three-day Tom Orford Trophy.

In one-day cricket, the Academy won twice, lost once and had one rained off. The opening victory came against the Darren Lehmann Academy. Batting first, Bucks reached 266 with two overs left, thanks to half centuries from Teddy Casterton (53), Yash Rastogi (51), Pat Castleden (59) and Dan Ogden (51), with Jordan McLeod adding a quick 27. The Australian tourists were 76-0 before the introduction of spin changed the game, with Dan Ogden (3-25) and Pip France (3-46) reducing them to 99-5. Ashley Turney joined in and took the final wicket, finishing with 3-11 as the visitors were dismissed for 183, giving Bucks victory by 83 runs.

Against Berkshire Academy, our batsmen found runs hard to come by on a helpful bowling pitch. Pat Castleden (83) held it together before a late flourish from Dan Ogden (33no) helped Bucks reach 220-8 off 50 overs. Berkshire looked like cruising home after Sam Burgess's 123, but a couple of late wickets, eventually saw them get home won by six wickets with just two balls to spare. In the final one-day game, Club Cricket Conference Under 25 made 240-7 from their 50 overs, with The pick of the bowlers being Ziya Mohamed (3-43), but a total of 33 wides took the gloss off of our bowling display. The Bucks reply started solidly thanks to Poojan Vyas (34), Henry Moore (50), Yash Rastogi (26) and Dhavel Norotam (30). But a flurry of wickets left Bucks on 172-7, needing 69 at a rate of eight an over. Aggressive innings from Aashi Zaib (43) and Jon Burden(27no) saw Bucks home by two wickets in the last over.

The Beynon Cup T20 competition, Bucks were drawn against Hertfordshire Stags in the semi-final on the second ground at Radlett. Heavy rain in the previous few days delayed the start while areas of the outfield were cordoned off due to holes and puddles. Bucks fielded first and produced superb all round performance restricting Herts to 85 all out from 19.1 overs, albeit on a very difficult pitch and slow outfield. Thanks to Uzair Amjaid (2-12), Jon Burden (3-16), Ashley Turney (3-17) and Mo Choudhry (2-16). Batting was not easy, but, Yash Rastogi and Jon Burden saw the team home with three balls and three wickets to spare. In the final against Free Foresters, Bucks rattled up 186-4, with Teddy Casterton producing a sparkling 102 not out. Dan Ogden (3-36) and Lawrence Snookes (2-19) were the pick of the bowlers, while a fine display in the field saw Bucks win by nine runs.

Only 45 minutes was possible in the first Tom Orford Trophy three-day match against Hertfordshire Stags, which was abandoned. In the second match against Free Foresters, we were bowled out in the first innings for 113 in 38 overs, left-arm spinner E Smiley taking 8-25 on a non-turning pitch -

Teddy Casterton top-scored with 44. Free Forresters declared on 142 for 8 from 49 overs, tactical declaration to ensure Bucks could not win the Trophy. The Bucks second innings was dominated by a superb 178 from AJ Woodland, who batted for 117 overs. Excellent contributions were made by Teddy Casterton (45), Pat Castleden (41), Dhavel Norotam (61) and a rapid 66, at a run a ball, by Dan Ogden, helped us to declare at 484-7, ten overs into the final day. Another excellent bowling and fielding display saw Foresters dismissed for 211 in 70 overs, the pick of the bowlers being Pip France (4-58) and Jon Burden (4-37 as Bucks gained a 244-run victory with 20 overs left. In summary, I thought, on the whole, the attitude, quality and energy shown throughout most of our fielding sessions was excellent. There were short periods during sessions when a lack of concentration crept in which produced errors during the fielding and batting disciplines. However, there was a notable improvement over last season, and if this continues, the players will reap long-term rewards.

I would like to thank all of the umpires who officiated during the season, the ever-present Paul Dean our scorer, Academy coach Mike Payne, and Kevin Beaumont for all of his 'out of season' help in organising the grounds, umpires and scorer. I would also like to thank all the clubs who have supported the Academy with the use of their grounds. The hospitality they provide is greatly appreciated.

BUCKS BOARD REPORT

A year of change

A successful year with many changes within both the Board and ECB. Early in the year, three full-time staff moved on. James Savory joined us from Cumbria as CDO for Chance To Shine and a reshuffle of other duties became our full complement. ECB continued with implementation of “Cricket Unleashed” strategy, with their priority of Women and Girls All Stars Cricket, U19T20 and Disability.

All Stars Cricket (ASC) - all Bucks clubs were invited to take part in the project. 45 clubs initially showed interest and 24 clubs got under way and some 640 children had a great time with their kit, bats and balls etc. Great Kingshill, Amersham Hill and Winchmore Hill were very successful ASCs and their children and parents were invited

to Lord’s for the “Money Can’t Buy” experiences, hosted at England international fixtures. 2018 will see a full time ASC champion appointed to the BCB staff with a target of 35 clubs and 1000 participants.

Chance to Shine - The programme was successfully delivered into 50 primary schools and 16 secondary schools. The spin-off from the project was 8 Kwik cricket festivals held throughout the county. Aston Clinton Combined School girls and Bedgrove Junior School boys school went on to represent the county at regional finals day held in Bristol. Additionally, 82 teachers received either formal or informal training, 70 young student received activator/leadership training. The 2018 programme will be very different in that it is aimed solely at Primary schools, with no provision for Secondary schools.

Women and Girls Cricket continues to grow within the county. ECB introduced Women’s Soft Ball Cricket festivals and supported the BCB to employ Women Cricket Maker’s. Four festivals took place at Beaconsfield, Chesham, High Wycombe and Cublington. The events were well supported with pleasing participation numbers (29 teams, 220 participants) and great fun for all. Bucks now has eight clubs who have women teams playing regular hard ball and/or soft ball cricket. Throughout the county there are now 18 clubs with designated girls cricket teams. Bucks Youth Cricket Trust continued their generous support of Girls Cricket, Junior Club Cricket, Disability and hardship cases.

Under 19 T20 - 7 Clubs joined the 2017 competition. Amersham

(pictured) won the Bucks festival and Stony Stratford were county representatives at the MK/Beds/Herts area inter-county finals day. Throughout the year 21 clubs across the county were successful in securing grants and loans from various

sources which added up to £175,000. A great effort.

Junior club competitions had fewer teams 215 than previous years but with the reasonable weather they managed to play over 1000 matches in the season. The winner of the league play-offs were U10 Stony Stratford, U11 Cookham Dean, U12 Buckingham, U13 Stony Stratford, U14 Stony Stratford, U15 Stony Stratford. The knockout cup competitions were won by U11 Cookham Dean, U13 Cublington, U15 Gerrards Cross .

Coach Education support was given to our club network run in collaboration, with Berks and Oxon (BBO). 120 candidates completed Child Support Worker, Coaching Children or Coaching Young Person & Adults certificate courses. A similar programme will be available in 2018 but under ECB South Central regional banner not BBO.

The BCB not only gives support to clubs but receives great support from our club network. Clubs offer their grounds to our 16 age group teams for county games and practice. Some 70 plus games are home games and played within the county - Thank you clubs. To this end, the Bucks Association Cricket Officials appointed 153 umpires to our matches last year. Thanks to those in white coats.

In the background we have our County Welfare Officers working away, be it formal or informal training for our Club Welfare officers and dealing with any issues.

BUCKS PATHWAY REPORTS 2017

UNDER 17 BOYS

The side started slowly, suffering defeats to Shropshire, in both the two-day and one-day competitions, but gathered momentum and only missed out on reaching the ECB Cup one-day semi-finals on net-run-rate. The team also recorded convincing first-innings victories over Oxfordshire and Herefordshire in the two-dayers.

Spinners Nouman Aslam and Sulaiman Akhtar tied up opponents with effective, tidy spells, and both also contributed with the bat and in the field. Seamers Sami Sajid, Harvind Dhillon, Dom Goodman, Lawrence Snookes and Tom Taylor all produced good spells at times to back them up.

Dominic Goodman made a maiden Bucks century against Oxfordshire in a season that culminated in him signing for Gloucestershire's Academy.

Openers Henry Moore and Josh Drage both made two fifties, whilst Harvind Dhillon made a maiden half-century when given the chance to open the batting in the one-dayer against Bedfordshire.

UNDER 15 BOYS

The side produced some consistently strong team performances, but the batting unit failed to fire regularly enough to win more games. They did the double over Herefordshire and Bedfordshire and also recorded victories against England Women's Academy and Shropshire. James Dalby was the stand-out performer, taking 21 wickets at 13 with his leg-spin, and a further ten for the Under 16 EPP team. George Lasseter recorded a maiden century with his 104 vs Herefordshire, in a game where Solly Woodall also made 74 not out. Ollie Taylor produced the best bowling performance, taking 5-13 - including a hat-trick - as he ripped out Bedfordshire's top order.

UNDER 14 BOYS

In a tough season, the undoubted highlight was the two-run win against Northants in the ECB Cup where we defended a below par score of 202 on the small Amersham Hill ground. Jack Mercer, opening the bowling having kept wicket all year, finished with 0-16 off ten overs with five maidens

Individual highlights included Theo Weatherall blistering 76 against Wales, Jack Mercer's 68 against Bedfordshire and Ethan Turner, who scored nearly 400 runs including 70 against Middlesex in the Taunton Festival. The bowling struggled for control, but Rahul Randev's emerging leg-spin was promising.

UNDER 13 BOYS

The side had a successful season. We consistently scored more than 200 which at this level is a fine effort in 40 overs. It was great to see our batters going out there with a positive mind-set. Jai Angel scored back-to-back 100s against Bedfordshire and Cambridgeshire, while Tom Whittington made 100 against Hampshire. Sheridan Gumbs and Charlie Doe both hits 70s. Wickets were shared around as we managed to bowl teams out regularly. Two five-wicket hauls came in the same game with Aryan Chambhare taking 5-11 and Anuj Kaulgud 5-34 against Oxfordshire.

UNDER 12 BOYS

The team enjoyed a successful season, especially with bat. Century partnerships between Raphael Weatherall and Charlie Carter against Northants chasing 130, and Weatherall and Aatish Anthathi against Cambridgeshire, showed the improved mindset as both targets were achieved in quick time. Another highlight was the ability to score 300 in 30 overs on tour. Among the scorers, there was superb 100 from the tournament's leading runs-scorer Kahil Jariwala. There were also fifties for Charlie Carter and Harry Taylor, whilst Eisah Saba claimed 4-27 v Lincolnshire and Archie Dodds took 3-21 v Northants.

UNDER 11 BOYS

Bucks had a tremendous season, including wins against Cambridgeshire, Ireland, Bedfordshire and Northamptonshire. The Development side had an unbeaten season, winning all six games. Notable performances came from Alex Marsh (66* v Oxfordshire Dev), Tilak Patel (4-16 v Cambridgeshire), while Sam Strauss took a hat-trick in the victory over Ireland at the Taunton Festival. The U11 county and development sides were blessed with consistent displays from all the players. Captain George Evans gave every player the opportunity to shine. One of the best knocks came from Aadi Sharma who scored 83 not out v Northamptonshire.

UNDER 10 BOYS

At this age group, it is about providing a grounding and opportunity for a wide group of players, in a variety of different formats, plus two tours to the Malvern Festival. The highlights included Tommy Treadwell's spell of 7-3 and Toby Webster's 39 not out in an eight-wicket win over Oxfordshire. Jack Groves took five wickets and Anay Jariwala scored 62 not out in a five-wicket win v Northants, while Byron Medina (4-15), Daniel Chapman (38) and Billy Dodds (51) shone in the one-wicket success over Bedfordshire. Tommy Treadwell (6-14), Anay Jariwala (38) and James Batchelor (38) starred in a five-wicket win over Worcestershire.

BUCKS WOMEN

It was a progressive season for the Bucks Women's team. We do not have many players but we have a talented young team, mostly age-group, who exceeded expectations. We have the youngest team in both 50-over and T20 divisions we play in, and beat teams with far more experience. In the 50 overs games, we had victories against Cambridgeshire and Hertfordshire and finished third in our group. In the T20 format, again we had good wins against Suffolk and Cambridgeshire and finished a respectable fourth in the group.

There were some excellent performances. The batting of Hannah Bates, Ella Claridge and Izzy Gurney was impressive, while the attack of Martha Manktelow, Tilly Mason, Holly Wilson, Hannah Bates and Cara Duggan did very well. We are a good fielding side, with Martha Manktelow and Emily Hunt outstanding. The best player was Hannah Bates who made a significant contribution with both bat and ball. A special mention must go to the captain Louise Verroken-Jones for once again being a first-class captain, developing our young talent and maintaining an excellent team spirit.

UNDER 17 GIRLS

The highlight was a away success two-day double-header against Dorset and Worcestershire. Hannah Bates made 91 vs Hertfordshire at the start of the season, while Tilly Mason recorded 51 in a T20 vs Leicestershire. Younger girls made vital contributions across the season, with five Under 15s and one Under 13 making scores over 20. Holly Wilson took 12 wickets and Hannah Bates 18, as the Under 17s showcased the strength and depth of girls cricketers coming through.

UNDER 15 GIRLS

The highlights were undoubtedly recording victories against a strong Warwickshire team in both 40-over and 20-over ECB fixtures. Hannah Bates, with 51 and 2-12, was instrumental in the first victory. She enjoyed a splendid season, in which we made over 650 runs and took 45 wickets across Under15, Under 17 and Women's teams.

Results fluctuated for the team in a strong A Division. Ella Claridge made 660 runs from Under 15 to women's level, Alexa Wilson crashed 55 not out off 38 balls in an eight-wicket win over Oxfordshire, while eight players recorded scores of over 20 . Hannah Francis, Cara Duggan, Gina Kellock, Charlotte Adams and Hannah Bates all took ten wickets.

UNDER 13 GIRLS

The best performance from the Development team was, came after having lost to Essex by five runs on the first day at Malvern, beating the same team by 18 runs on the final day of the Festival. Individual highlights included Isabella Kench bowling a double wicket maiden to tie the match against Hampshire, while Rosie Burton-Pye hit a run-a-ball 36 v Hertfordshire and Daisy Jackson took 2-4 off three overs v Essex.

UNDER 11 GIRLS

It was an encouraging season for the County squad. Stand-out individual performances were Amber Drewe's 47 not out, and a massive improvement of Gabby Evans, who finished as top wicket-taker with nine. There were many great team displays, including triumphing in our eight-a-side tournament and winning the four games against Essex, Sussex, Northants and Staffordshire. This included managing to restrict Northants to scoring only 12 runs off their last seven overs, to win by two runs. There were also memorable wins against Middlesex, Oxfordshire and Berkshire.

Although a very young side, the Development squad equipped themselves very well. Caitlin Walker and Sophia Davis led by example with both the bat and ball. There were competitive games against Essex and Hampshire, while there victories over Northants and Oxfordshire. Many of the younger players are now likely to form the backbone of 2018 Under 11 County squad.

Bucks Over 50s 1st XI, who played Berkshire at Farnham Royal. Standing: Mike Stafford, Sharath Jetty, Simon Stanway, Gary Hales, Graham Fisher, George Eykyn, Mike Taylor. Seated: Neil Jones, Shazad Ranzan, Temoor Alam (captain), Shabbaz Ranzan, Ian Pulsford

BUCKS SENIORS REPORTS

OVER 50 TEAMS

There were some heartening results for our ECB team. In every game we were competitive and this was acknowledged by our opponents. We did at least win two matches this year, including beating local rivals Hertfordshire. There were a few good performances but not enough big innings to force our opponents to struggle. Temoor Alam, who was selected for the England Over 50's Ashes-winning team against Australia, will continue as captain for 2018 and all of the team are expected to play except for Mike Stafford who has returned to Middlesex.

Steve White took over as captain of the Bucks 2nd team, who play in the Home Counties League – a tough ask which he met with determination. Nonetheless, all fixtures were fulfilled with full teams and we competed well. Gradually a team spirit emerged, culminating in our first ever win against Kent 2nd in the last game. A number of new faces shone and we look forward to 2018 to be competitive. Phil Brooks scored 100 against Sussex and Nigel Field 103 against Kent.

OVER 60 TEAMS

It was a very good season for our First XI in the Seevent Championship, which ended in disappointment when we lost to Oxfordshire in the quarter-finals, having beaten them twice to win the West Midlands group. The batting failed in the final game, in sharp contrast to the rest of the season. We lost only the two group matches against Shropshire and Northants

Individually, Dick Decaires made 127* against Oxfordshire, while Keith Wallis was very consistent with the bat. Bowling honours were shared around. We had two players in the England Over 60 winning Ashes squad – Denzil Owen and Mike Stafford – and both played in the final match. Mike also toured Australia in the winter. John Rolfe will captain in 2018, with Keith Wallis as vice captain

Ron Hedley again led our 2nd XI – and a good time was had by all. We were competitive in every match and lost two matches, having scored 240 plus – both in the last over. Roger Garrini and John Pothecary were most consistent with the bat, while Peter Langford scored 108 against Berks in freezing April weather and George Nelson made 126 against Kent in the heat of June. Roger Garrini and Jim Spooner led the bowling but in general we did not take enough wickets. Latif Khan decisively won the bowl-out against Gloucestershire in the second plate match after we had thrashed Warwicks 2nd by ten wickets, in the first one. For 2018, Roger Garrini will captain and John Pothecary will be vice-captain, while Ron Hedley will lead the new 3rd XI.

Membership Report 2018

As I reported in the handbook last year membership of the Club remains reasonably static although we do seem to be losing a few members each year. Twenty new members joining on an annual basis would assist the club greatly. Please speak to your friends and encourage them to join us. A joining form is elsewhere in this annual or contact me direct, my details are in the front of the book.

The Over 50's and 60's members play cricket at a very enjoyable and competitive standard. It is most enjoyable to watch and they also play at some lovely grounds both home and away. The contribution they make to the club membership is very much appreciated and I would like to record my thanks to Ron Hedley and Roger Garrini who are very proactive in collecting subscriptions from their players.

As some of you will know the new Data Protection Act becomes law in May. For the record I hold a database on my computer with the names and addresses of all our members. This is used to distribute **by post** the Notice of the Annual General Meeting, fixture lists, membership cards, handbooks and occasional other communications from the Committee.

In addition I have the email addresses for a number of members which is used to communicate other matters which are relevant to Bucks County Cricket Club and only that. If you wish to withdraw your email address please let me know.

If you would like to receive communications by email, please advise me at:

john.phillips@bucksccc.org.uk

May I draw your attention to our website;

www.bucksccc.org.uk

which has lots of information about the Club, its matches and other events such as the Annual Dinner and Golf day.

I look forward to seeing you at one of our matches during the season.

BuCks 100

As you will see from the accounts printed elsewhere in this handbook, BuCks 100 has been able to donate £2400.00 which is a significant sum to the County. This has been through the generosity of many members and I would like to thank them for their continued generosity.

The numbers subscribed to each month is now 87. Which means that the Club is able to increase the prize money for the two major draws by having a fourth prize of £50.00. The major draw prizes are at the Annual Dinner and the Golf Day and this year will be 1st £250.00, 2nd £150.00, 3rd £100.00 and 4th £50.00.

The monthly prizes will continue at 1st £70.00, 2nd £40.00 and 3rd £20.00.

Each month the winners' names are published on the website. Where you will also find an application form to join the scheme. There is also a form at the back of this handbook which when completed should be sent to me. I do hope that you will support this very important part of the clubs annual fund raising

2 - On becoming a Friend a Bucks polo Shirt and an umbrella

3 - 20% Discount on a ticket for the Annual Dinner in March

4 - Brief reports, score summaries of each match and Club news via email

BUCKINGHAMSHIRE COUNTY CRICKET CLUB

TREASURER'S REPORT ON THE ACCOUNTS OF BUCKINGHAMSHIRE COUNTY CRICKET CLUB

Financial Review

Financially, 2017 has continued to be a successful season for the club. The club made a surplus of £3,499 (2016 a surplus of £11,023). The committee has worked very hard on income generating events and continuing this with reducing costs where possible.

The main changes for the year can be summarised as follows:

	£	
Subscriptions	300	
MCCA Distribution	360	
Net income from fundraising	3,640	
Dividends	(20)	
Other	72	
	<hr/>	
Increase in Income		4,352
Senior match costs	9,021	
Academy match costs	22	
Over 50/60s match costs	75	
Cricket Gear	1,122	
	<hr/>	
Increase in match costs		(10,240)
Increase in Admin costs		(1,759)
Tax on Dividends		123
		<hr/>
Movement from 2016 to 2017 - Reduced surplus for the year		(7,524)

The Club for 2018 has agreed on a budget that delivers a small deficit, this has taken into account what is necessary to deliver the quality of cricket in the Minor Counties. The budget deficit agreed by the F&GP for 2018 is £(2,342) and there remains a clear requirement for increased revenue for the Club as this deficit is reflective of the challenges of the reallocation of home games to other venues and the need to obtain new sponsors at these venues.

The committee continues to support all fund raising activities (see below).

The value of the Clubs Investments increased by £11,402 (2016 increased by £1,218).

Cricket

The committee has continued to work extremely hard to deliver the quality cricket that it is responsible for, using distributions from the ECB. The cricket committee's continued focus is on the costs to deliver a team that would be best placed to improve the quality of cricket played. The total distributions from the ECB did not cover the costs of cricket by £3,154 (2016 costs were covered). Our match manager, Tim Russell (Senior/Academy), continues to be conscious of costs without compromising the quality of cricket, however match costs are down to the many variables associated with venues, travelling and player availability.

Roger Garrini and Ron Hedley, the over 50/60s Cricket Managers continue to control the costs of senior cricket and they actively encourage the Seniors to attend fund raising events which is appreciated by the Club as it goes towards ensuring the senior cricket costs of the club result in a breakeven financial situation.

BUCKINGHAMSHIRE COUNTY CRICKET CLUB

TREASURER'S REPORT ON THE ACCOUNTS OF BUCKINGHAMSHIRE COUNTY CRICKET CLUB

Sponsorship

The Club continues via our fundraising officer, Bill Scholes, to identify new sponsors and our gratitude goes to our main sponsor John Tuberville who continues to be a fantastic supporter of the Club. A few more sponsors would make a significant difference in balancing our budget and securing the Club's future. I am pleased to report for 2018 we have retained our shirt and match sponsor arranged by our President, Stuart York, who are Risk Management Services and I hope they enjoy the coming season.

Fundraising

This remains the Club's largest challenge that the committee needs to identify solutions for. I would comment as follows:-

Golf Day

The event this year was enjoyed by those attending. Overall the Club made a surplus of £510 (2016 £707).

Sportsman's Dinner

The 2017 event was supported and enjoyed with Club members and guests attending. The Club made an overall profit of £2,134 (2016 - £2,014). The committee congratulates Bob Lane for his continuing efforts in dealing with this and the Golf day.

Summer Lunch

The summer lunch was held at High Wycombe Cricket Club for the championship's match, which has continued to be successfully and reasonably attended. The Club made a profit of £891 in 2017 (2016 - £610). This is organised by Bill Scholes and John Turberville and the Committee thank them for their continued efforts in dealing with this and other fundraising events.

Raffles

These are held at our home matches and I am pleased to report an increased surplus this year of £1,344 (2016 £560) a great effort on behalf of all that assisted in arranging this at the various home matches

Other Income - Players Sponsorship / Gazebo Tent Hire

We commenced this during the season and expect to continue this going forward.

Bucks 100

My thanks go to John Philips who has proactively managed the Bucks 100 Club which contributed £2,400 (2016 - £2,300) to Club funds. We are hopeful that this will raise increased funds in the future as more members join.

Year Book

This year being our 1000th Match, the Committee took the decision to upgrade our handbook which I can report has received a lot of welcome comments from members, this investment was an increase to costs of £1,180. The committee would like to thank both Frank Russell and Michael Knox for all of their hard work in co-ordinating the various aspects of the handbook.

Advertising included in the year book contributed £5,730 for 2017 (2016 £3,600). We would encourage new advertisers so please let Frank/Mike know if you can suggest a contact.

Membership

The Club membership secretary, John Phillips, proactively manages the membership database and continues to keep a track of arrears of subscriptions.

BUCKINGHAMSHIRE COUNTY CRICKET CLUB

INDEPENDENT ACCOUNTANT'S REPORT TO THE MEMBERS

We report on the financial statements of Buckinghamshire County Cricket Club for the year ended 31 October 2017 which comprise the Income and Expenditure Account, Balance Sheet and the related notes. These financial statements have been prepared under the historical cost convention and the accounting policies set out therein.

Respective responsibilities of the club and the reporting accountants

The Club's constitution requires the Treasurer to regulate the finances of the Club, in conjunction with the Finance & General Purposes Committee, and to be responsible for the preparation of the financial statements of the Club.

The Treasurer institutes the preparation of financial statements for each financial year, which give a true and fair view of the state of affairs of the Club and its surplus or deficit for that year.

In preparing these financial statements the Treasurer is required to:

- select suitable accounting policies and apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Club will continue in operation.

As described above the Club is responsible for the preparation of the financial statements in accordance with generally accepted accounting standards.

Our responsibility is to carry out procedures designed to enable us to report our opinion.

Basis of opinion

Our procedures consisted of comparing the financial statements with the books of account kept by the Club and making such limited enquiries of the officers of the Club as we considered necessary for the purpose of the report. These procedures provide only the assurance expressed in our opinion.

Opinion

In our opinion the Income and Expenditure Account for the year ended 31 October 2017 and the Balance Sheet as at 31 October 2017 are in agreement with the books of account kept by the Club.
