

Match Fishing

The Society has a vibrant and well-established match fishing scene with 30+ home and away fixtures each season hosted at a variety of different venues to which match anglers of all abilities are welcome.

Junior Coaching

We now have a Child Protection Officer and are able to offer junior coaching sessions. As a society we are committed to encouraging more young people to take up angling.

Visit Us

You are welcome to visit us at Barnett Pond by prior arrangement if you would like to view the fishery and to discuss membership. We welcome both experienced anglers and novices of all ages.

SHAMLEY GREEN, WONERSH, BRAMLEY & DISTRICT ANGLING SOCIETY

Established 1950

www.shamleygreenangling.co.uk

Shamley Green, Wonersh, Bramley & District Angling Society is a friendly local coarse fishing club offering members a mixture of stillwater and river fishing in pleasant surroundings in the Surrey countryside.

Established since 1950, the Society owns a well-stocked 1-acre pond at Shamley Green near Guildford and has access to two stretches of the River Wey at Bramley.

A limited number of places are currently available to new members on a first come first served basis.

Barnett Pond, Shamley Green

Barnett Pond is in a tranquil and secluded location at Shamley Green, near Guildford. Stocked with a good head of Bream, Carp (to double figures), Perch, Roach, Rudd and Tench, fishing is available to members all year round with regular club fixtures for those who are interested in match fishing.

Membership Details

The current rates for annual membership and other relevant information can be found on our website.

We offer free membership for junior anglers with additional concessions for students. Please note that junior members must be accompanied by an adult when fishing any of our waters. Joint memberships are also available for couples.

Membership applications may be completed either online or by post. Annual membership commences on the 16th of June and no day tickets are available for any of our waters. Guest tickets are available to members for Barnett Pond, and we hold exchange tickets with Cranleigh Angling Society.

www.shamleygreenangling.co.uk

River Wey, Bramley

Membership offers access to two stretches of the River Wey at Bramley, ideally suited to the roving angler, with the possibility of catching Bream, Carp (to double figures), Chub, Dace, Perch, Pike and Roach. The Society also hosts river matches each autumn and winter including the annual Pike Cup.
