TRAIL · A · BRATION

Hike, walk, jog, run or roll to celebrate trails

Join us on a mission to celebrate (and discover) Roseville's trails. Take your "passport" and travel to different trails throughout the summer to earn your passport stamps. Bring your passport to the CommUNITY Picnic to earn prizes. It's such an easy, fun way to learn more about Roseville's trails and open spaces with your family and friends. Find all the details on the website.

Finding Fitness and Community

Fitness is an important part of a healthy and active lifestyle. From our outdoor fitness court to our fitness center, parks and pools, Roseville provides plenty of ways for residents to stay active and get fit.

Kathy Youngs has lived in Roseville for more than 30 years and takes full advantage of the fitness options. She decided to improve her overall wellness and got a COR Fitness Membership, making a resolution that she would work out at least four times a week, "I have tried a bunch of different types of classes: Cycle Circuit, Aqua Yoga, Ball Yoga and so many more," says Kathy. "When I started I just wanted to hide in the corner, but everyone here is so welcoming. I love it."

Kathy visits the Mahany Fitness Center and Mike Shellito Indoor Pool and loves the sense of community and family that comes with it. "Everyone is so supportive and friendly," she says. "I've made a lot of friends. And, since joining I feel stronger and healthier."

In addition to the fitness center and pool, the city offers fitness equipment in many parks but the Maidu Fitness Court is one of the most notable. The court is located near the Maidu Community Center and is a great option for those who want to work out in the fresh air and sunshine. It features a variety of equipment, and self-guided exercise to get a full body workout. It is free and open to anyone in the community.

Rachel Stewart is an Education Specialist with the Adult Transition Program at Woodcreek High School. She and other Education Specialists regularly take their students out for 'Workout Wednesdays' and recently brought their classes together at the Maidu Fitness Court for a day of fun. "We build in fitness as part of the learning experience," says Rachel. "This is the most involved I've seen the students. You could see their excitement, every single one was engaged, not one grumbled."

Rachel adds, "Having this fitness court and our local parks and trails is a great way for our students to get outside, be active and to hang out with like adults in the community. It's so meaningful to watch them build relationships and grow together."

Park naming honors Roseville's K-9 officers

The courage and dedication of our K-9 officers are being commemorated in a unique and meaningful way. Three of our five dog parks are now named after police K-9s Bear, Marco and Apollo.

"These K-9 officers are important members of the police force," says Director of Parks, Recreation & Libraries Jill Geller. "We wanted to recognize their service and contributions to our community by naming these dog parks after them." The newest dog park is Apollo near Antelope Creek.

K-9 Apollo served for ten years. He was trained in tracking, apprehension and drug detection. He was also the Roseville Police Department's first K-9 assigned to work directly with the SWAT team. Apollo and K-9 Officer Scott Miskewycz spent a lot of time at community events and school demonstrations. "Apollo got along well with people, he worked hard but he also had a lighter side," says Lt. Miskewycz. "He was a great ambassador for the Police Department. He was the bridge for us to have positive conversations with kids and the community."

"Once a year nominations for new park names are open to the community," adds Jill. "When Apollo was suggested for the name of our latest dog park, it was a perfect fit."

Apollo worked up until he passed away in 2017. "It's a great honor to have a park named after Apollo," adds Lt. Miskewycz. "Working with him was the highlight of my career. He was my partner and a member of my family." Apollo Dog Park will be dedicated later this year.

The Roseville Police Department has been using K-9 officers since 1988. Bear "Baron Von Der Kristin" was the department's first K-9 with Officer Kurt Leatherman. Bear received numerous commendations for his professionalism and heroism throughout his career, which led the way for the K-9 program to expand. Roseville now has 6 canine officers. Bear dedicated six years of his life to serving the citizens of Roseville. Bear Dog Park is located in Mahany Park.

Marco served the Roseville Police Department for seven years. He was a dedicated officer and a loyal companion to his handler, Officer Dave Allison. Marco was shot and killed while assisting with a multi-agency search warrant at a home. He is the only K-9 officer in Roseville to be killed in the line of duty. Marco's end of watch was June 6, 1996. Roseville's first dog park was named after him and is located off of Sierra Gardens.

In an average year, the K-9 teams respond to hundreds of calls for service. "These canine officers provide assistance with tracking, officer protection, apprehension and drug/firearm detection," says Lt. Miskewycz who now oversees the unit. "They're the only officers who can enter potentially dangerous situations without putting a human officer's life at risk. They are invaluable and it's great they are being recognized with these park names." To learn more about our park naming process visit roseville.ca.us/parksintheworks

Parks, Trails & Bikeways Map

Share the Trail

Whether you're on foot or on wheels

Bicycles

The rules of the road require bikes, like cars, to travel on the right. This also applies to our trails. *California Vehicle Code 21956*

Travel at a safe speed; yield to pedestrians.

When passing, slow down and move to the left when safe.

Pedestrians

Pedestrians always use the left lane.

Stay in the proper lane so you aren't surprised by traffic coming up behind you.

When a cyclist approaches, step toward the shoulder to allow extra room for passing.

All Trail Users

Don't block the trail; travel single file when the trail is busy.

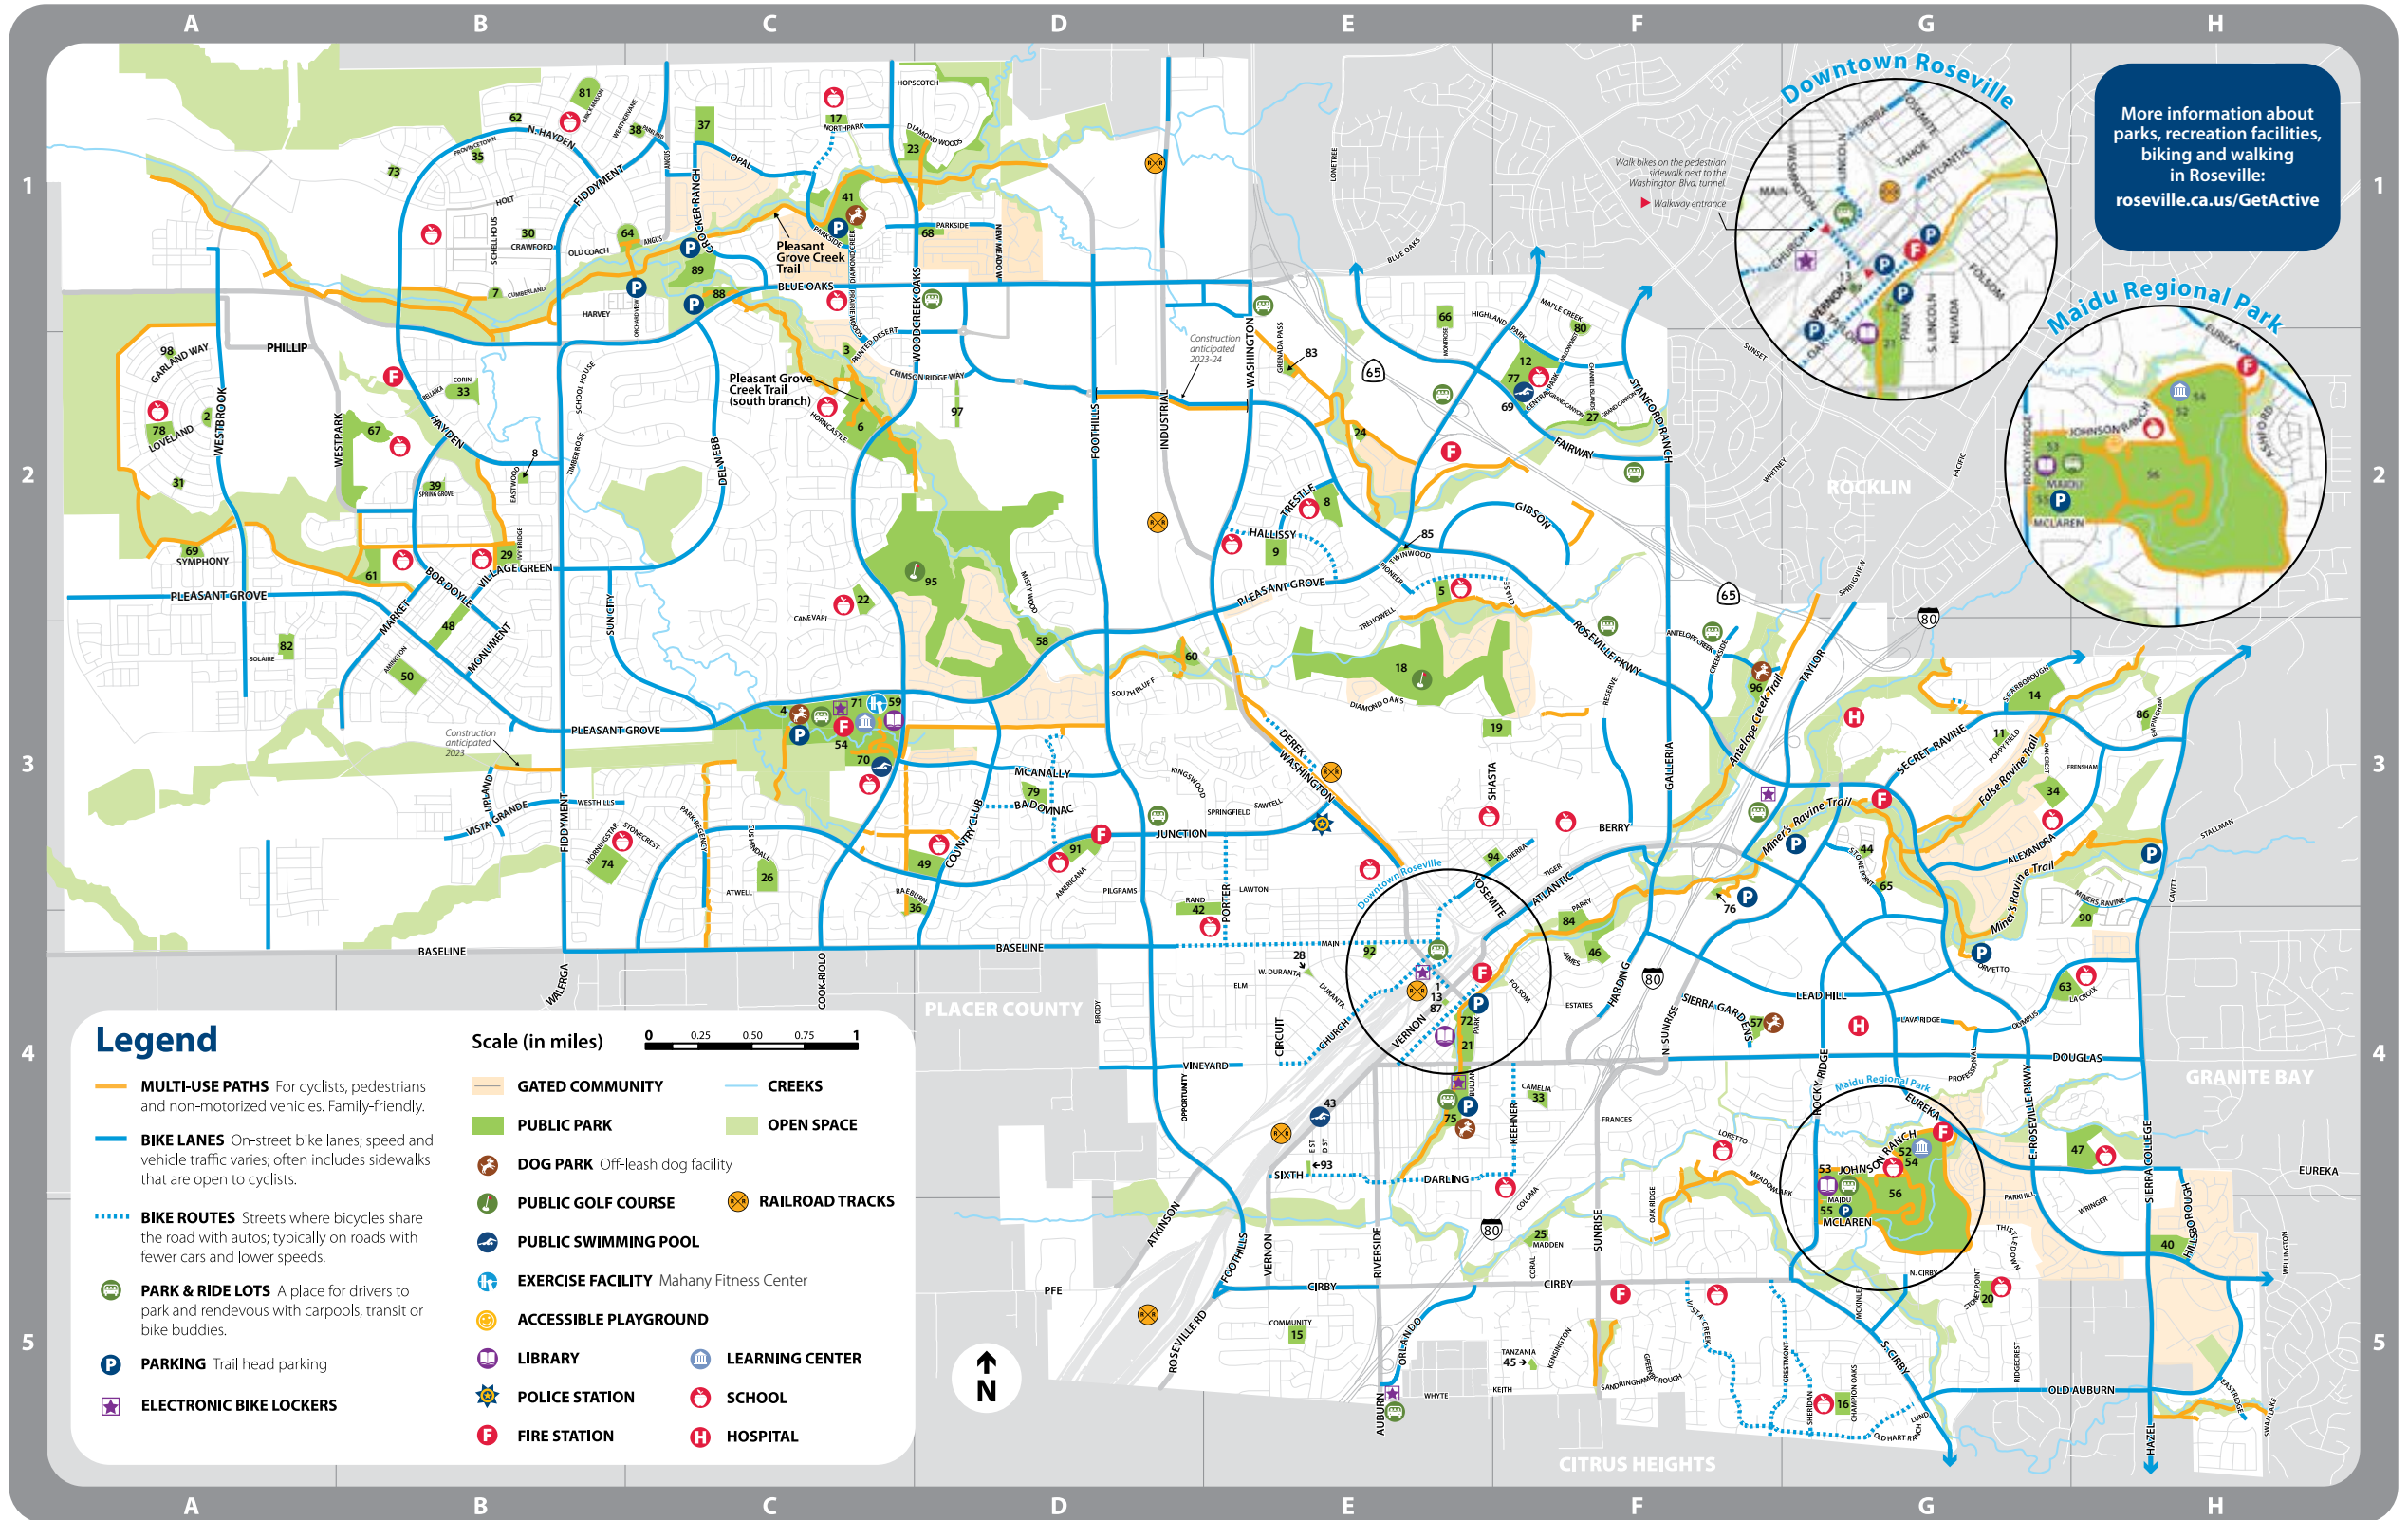

Keep dogs under control and on a leash no longer than 6 feet. *Municipal Code 7.04.060*

Stay alert to your surroundings.

Kidz Love Soccer

Since 1979, Kidz Love Soccer has been dedicated to teaching children the world's most popular sport within a nurturing, recreational environment. A typical session experience includes these age-appropriate activities: skill demonstrations, fun games and instructional scrimmages. Young soccer enthusiasts experience soccer fun in a safe, non-competitive environment where the score is always FUN to FUN! Each participant receives a Kidz Love Soccer jersey. Shin guards are required after the first class. KLS class status hotline (888) 372-5803. No class: 7/5.
Fee: \$166 / 156 Resident Discount

Pre-Soccer

Ages: 4–5

Teaches the basic techniques of the game and builds self-esteem through participation and fun soccer activities. Learn to follow instructions in a nurturing, age appropriate environment.

Soccer 1

Ages: 5–6

Learn dribbling, passing, receiving, shooting and age-specific defense. Fun skill games are played at every session and everyone has a ball at his or her feet. Small-sided soccer matches are introduced gradually.

Soccer 2

Ages: 7–10

Enjoy advanced skill building: dribbling, passing and shooting in a team format. Play games to build individual skills and small-sided scrimmages that emphasize finer technical points. This is the perfect bridge from Soccer 1 classes for those who are aspiring to the next level. All levels of skill are welcome to learn and enjoy the world's most popular sport.

Exploring the Unique Role of Our **Open Space Team**

You may not know exactly what our Open Space team does, but you see their work every day. From maintaining the nearly 4,000 acres of open space and preserve, to protecting almost 78 miles of riparian creeks from invasive species, the team is dedicated to keeping the environment, and our community, healthy and safe.

“Our job is to be stewards of the land preserves and open space,” says Open Space Supervisor Russell Soares. “We help protect it to make sure it’s not being abused, modified or encroached upon.”

Many of these areas are protected lands with unique eco-systems, including species of animals and plants that could be harmed or extinct if people impact them. Part of this team’s job is education. “We have nesting birds, frogs, beavers, river otters and vernal pools that include habitat for Fairy Shrimp, which are a federally protected species. All of them factor into our decision making and how we maintain our land and creeks,” says Russell.

The team also employs the use of some of our community’s favorite four-legged employees to help with vegetation management and fire breaks. “Everyone loves the goats,” says Natural Resources Specialist Jana Rapetti. “We have six herds this year that are kept in contained areas and safely moved from spot to spot to create the necessary fire breaks to keep homes and communities safe.” The goats even help reduce invasive species by munching on plants like blackberry bushes.

Another part of the Open Space Team’s role is to oversee nearly 45 miles of bike trails by keeping them maintained and free of overgrown vegetation and graffiti. “We want to encourage the use of our trails and open space areas but want to raise awareness of how people should use those spaces,” Russell adds.

A key role for this team is cleaning unsheltered camps in the open space areas. “We have an amazing partnership with the Roseville Police Department’s Social Services Unit,” adds Jana. “Without them we couldn’t get the work done.” Just this past year the team cleaned 390 camps and 143 tons of trash and debris.

If this seems like a lot of work, it is. The dedicated team made up of five full-time staff and four to five seasonal part-time staff, work together harmoniously to achieve their goals. “We have a unique team,” adds Russell. “We work hard and sometimes we get dirty and messy but what we do is so important...and it’s fun.”

Roseville Junior Players Program

Ages: 7–17

The Roseville Junior Players Program utilizes a PGA Coach curriculum of coaching, playing, and training designed to teach golfers how to play the game from a hole out perspective. An assessment of each junior player's skills is performed. A starting yardage is assigned for each junior to begin his or her journey towards shooting par or better for 9 holes. Our goal is to inspire and build confidence along the way as they reach each new scoring milestone. In addition, one private video lesson will be scheduled per student to work on individual swings. Weekly classes are instructional based and age appropriate. Skill games are played weekly so that juniors can see how they are progressing with other students. The program runs 6 weeks with 3 Saturday on-course match days and 1 private lesson.

Fee: \$350

LEAVE NO TRACE ON OPEN SPACE

Help protect the open space areas of Roseville which enhance the quality of life for residents and protect local wildlife.

Remember that the way you recreate can impact local creeks and disrupt wildlife. These areas provide beautiful scenery, passive recreation, natural filtering of urban runoff, flood protection, habitat preservation and improved air quality.

So please...

- **Stay on the trails**
- **Keep dogs on-leash and on the trail**
- **Pick up after your dogs**
- **Use binoculars to get a closer view**

Thank you for your help in protecting our open space areas.

Be prepared to weather the next storm

With seven creeks running through Roseville, every rainy season brings the potential for flooding.

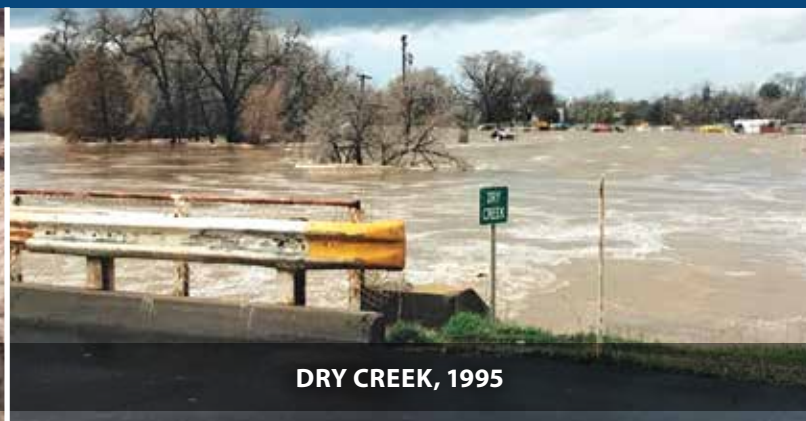

Since historic floods in 1986 and 1995, Roseville along with FEMA, have invested \$33 million to improve infrastructure, earning our city the nation's highest flood protection rating.

Do your part to protect your family and property.

- **Know your flood hazard.** Learn if you're at risk, visit roseville.ca.us/FloodZones, or call (916) 746-1300. Receive FEMA's Flood Insurance Rate Map (FIRM), regulated flood hazard areas, estimated depths of flooding for your property, and historic flood information.
- **Insure your property.** If your property is at risk, flood insurance is the best investment you can make. Roseville property owners receive up to a 45-percent discount. Ask your insurance agent if you are covered for flood damage.
- **Protect your property.** Reduce flooding hazards by keeping drainage areas free of debris.
- **Plan for emergencies.** Take steps to be prepared, like designating a family meeting place in case of an evacuation. Learn helpful flood emergency planning tips at roseville.ca.us/FloodPrep.
- **Build wisely.** Resilience begins with understanding your risk. Avoid building in flood prone areas. Contact the City before constructing. Codes and standards are enforced.
- **Preserve natural floodplains.** They're nature's way of accommodating excess water. Keep trash, large debris, and pollutants out of storm drainage systems and creeks.
- **Sign up for Placer Alert.** Visit placer-alert.org to be notified in an emergency.
