

**SPRING RECREATION**

The City's first adult coed volleyball league season just finished up our last month. Seven teams participated and the team that took it all was the Goose Bumps! There's a ton of excitement for this new program to continue again next year!

The baseball and softball season is just about over! T-Ball, coach pitch and machine pitch are just getting started. The nights at the city's ball parks are exciting and treat to watch. T-ball and coach pitch will play through the third week of June and machine pitch will play until the end of June.

Tennis is also just beginning and will be played on Tuesday and Thursday mornings at the tennis courts. Classes run from June 1 until June 24.

Karate with Master Jason at the Choson Academy in Roy is also starting this month and will go until the beginning of July!

Registration for our Archery in this park camp is still open. Classes are at 9:00 AM and 10:15 AM. Registration is open until June 30 but don't procrastinate as space is limited and spots are filling up fast. Register online at [westhaven.sportsites.com](http://westhaven.sportsites.com)

Registration for tackle football is open until June 15<sup>th</sup> and flag football will open June 1<sup>st</sup>. We are looking forward to an exciting season this fall.

**CITY'S APPROACH ON IRRIGATING IN A DROUGHT**

We've all heard the preaching about watering restrictions in the drought. Here are a few particular initiatives that the City is planning to follow.

- City Hall - Irrigation will be limited to areas immediately adjacent to the City Hall. The extended areas on the far side of the oval drive way away from City Hall will be allowed to go dormant with intermittent watering.
- City Parks - With new landscape installations on hold and other areas dry, the City is working to wisely manage public greenspaces for continued enjoyment. Staff will work to irrigate areas around playgrounds and on the recreational play fields. Other areas will be allowed to go dormant. A new irrigation system is being installed this spring at the R. Kenneth Baldwin Country Park to improve water distribution and reduce waste. Staker Park was seeded last fall but efforts to establish the grass this spring have been put on hold until water restrictions can be reconsidered.

- Cemetery - This property has a challenging sandy soil mix. Staff has made adjustments to watering but will need to monitor watering closely to maintain the deep root integrity.

Last summer's drought was a learning experience for the City. As a general rule, most users put too much water on our lawns. City staff has weaned our grass areas off the previous massive flow and hope to maintain usable green open space through wise management of resources. West Haven City is dedicated to being an example for residents and businesses in our City. We hope that you will join us in those efforts.

**UPCOMING REC**

Registration is currently open for the following Rec Programs (deadlines listed):

- Archery - June 30
- Tackle Football- June 15
- WFFL Flag Football -July 31st

**THE WESTERN VIEW**

The Official Newsletter of West Haven City

June 2022

**MAYOR'S MESSAGE**

West Haven City has a reputation as "one of the best kept secrets for living and raising a family". With a rich diversity in housing and open space, we are a

leader in Weber County and are considered one of the "best-ranked cities to live in". We set the example as a trendsetting city.

Our city's West Have Days Celebration is one of those examples. As we have experienced growth, we have many additional friends and neighbors that have never seen how well the city hosts our community celebration. One unique item is our family-friendly Rodeo Arena. Many cities have closed their arenas for added housing and commercial building. We are proud of our culture of western heritage and share it proudly. We also have a top-

rated Car Show event that draws more cars and fun events and is rated third in the entire state. Our fireworks show is one of the best around Weber County and will not disappoint again this year. Other contests and displays feature something for the entire family. We all enjoy the access to the many parks and trails and to have sporting events utilizing these amenities. Our parade will be bigger than ever with much-added participation from our local schools and businesses. We appreciate our local and resident-owned businesses and the support they offer our residents in so many ways to support our community.

As we move into the warm days of summer, be sure to support your city's celebration, community camaraderie, and being part of the best city around. Be sure to invite your neighbors to enjoy this tradition. We will honor our flag, and our freedoms by rising tall and proud as West Haven residents.

**CITY REGULATIONS ON YARD SALES**

Who doesn't love a yard sale? There's a certain thrill to finding treasures on a Saturday drive through of the neighborhood. If you plan to have a yard or garage sale, here are a few things you should know.

1. Yard sale signs are not permitted on any public property or right of way.
2. Yard sale signs or any sign or poster placed on trees, fences, light posts, or utility poles **are prohibited** per West Haven Code Chapter 56
3. Yard sale signs that have their own stand are allowed with permission of the property owner.

Also, please be kind and remove your signs after your yard sale is complete.

**WEST HAVEN DAYS—BACK TO THE 80S!**

The 2022 West Haven Days is one of the first municipal festivals of the season and sets a high bar for other to follow. This year, the celebration runs from June 22nd to June 25th with the theme of “Back to the 80s!” Many favorite events are back and better than ever with new ones being added to keep things running strong. As always, West Haven is proud to feature one of the last remaining free-to-the-public rodeo events in Utah. The City is proud of its roots and the attendance at the rodeo echoes that sentiment.

Wednesday, June 22 will start the party with the swim party at the Roy Aquatic Center. While the event is free, tickets are required and are available at City Hall.

Thursday, June 23 sees the events start up at the R. Kenneth Baldwin Country Park. The Youth Rodeo starts up at the arena as other events run through the evening. These include the Baby Contest, the Picnic Dinner, and this year’s Movie in the Park - “The Princess Bride”.

Friday, June 24 features one of the best car shows in northern Utah with over 500 cars in attendance. The annual Burn Out contest is a thrill to participate in and observe. Also at the Park, the Quilt Shows brings a different type of skill to bear. Vendors add to the fun of both events with fun and merchandise.

Saturday, June 25 starts with a Sunrise Color 5K Run, the Annual Parade and a traditional Flapjack Breakfast is served. New additions to Saturday’s schedule will include the City’s first pickleball tournaments, spikeball tournaments, and Super Saturday activities. The Adult Rodeo kicks in during the afternoon and brings the excitement with bucking broncos, angry bulls, and horsemanship at its finest. The concert in the park will see the return of Ryan Shupe & the Rubber Band which was an incredible hit last year. These all lead up to one of the best firework displays in Weber County choreographed to music

For full schedule and event information, go to [www.westhavendays.com](http://www.westhavendays.com) or scan the QR code to the right. We hope to see you there!

**Senior Lunch Bunch June 22, 11:30am-12:30pm**

We had a fantastic lunch in May and we are looking forward to seeing you in June! We will be having fried chicken dinner and an informative speaker. Sign ups and payments are due by noon on June 21st. The cost is \$5.00.

**Howdy Hall June 8, 5:30pm-6:30pm**

Come meet the Mayor and Council Member for a face to face visit. We want to get to know you and hear your ideas about the city that you feel might need attention. See ya’ll there!

**Grand Marshals**

The Grand Marshals for this year’s West Haven Days Parade have been selected. Residents of the City for over six decades, Don and Linda Stokes have been a cornerstone to the community as business owners and good neighbors. A full sketch of their life will be featured in the West Haven Days program.
