

Proud Predators Futbol Club (FC)

WELCOME TO PREDATORS FC

SPRING
SEASON
Newsletter

March
2020

The purpose of this newsletter is to provide the Lawton Soccer Community with the opportunity to see all our FALL 2019 soccer season has to offer and provide our players and their families with as much information as possible about upcoming events and soccer news.

CONTACT INFORMATION: Armando Mendoza, President
MOBILE: (580) 695-3602 EMAIL: admin1@predatorsoccer.com

Mission Statement:

The mission of the Lawton Predators FC is to provide gender specific soccer players the opportunity to play instructional and competitive soccer at the highest level commensurate with their ability, potential and interest. We hope to offer MORE than the “typical” recreational soccer program. We are looking for kids and families that have a SERIOUS desire to learn soccer and to someday go onto the next level of play. We hope that time spent practicing, conditioning and touching the ball will lead to a lifelong passion for the game. We do NOT stack teams.

We had a blast at camp!

2020 Pre-Spring Season Soccer Camp

Proud Predators FC is held a pre-spring season soccer camp in February, and the kids had an awesome experience. We appreciate all the coaches who helped and all the kids who came out to improve their love for the game!

Upcoming Events

Armed Forces Day Parade

May 15, 2020 @ 3:10pm

More Information to come.

We would like the club to participate as a hold in this parade to honor all our service members as we have dedicated this spring season to them!

US SOCCER'S D COURSE TO BE HELD IN NORMAN, OK!

This is a 40-45-hour course, held over 2 weekends. Designed for the grassroots coach who meets the prerequisites below:

2 in-person courses (including 11v11)
1 online course across any of the four levels.

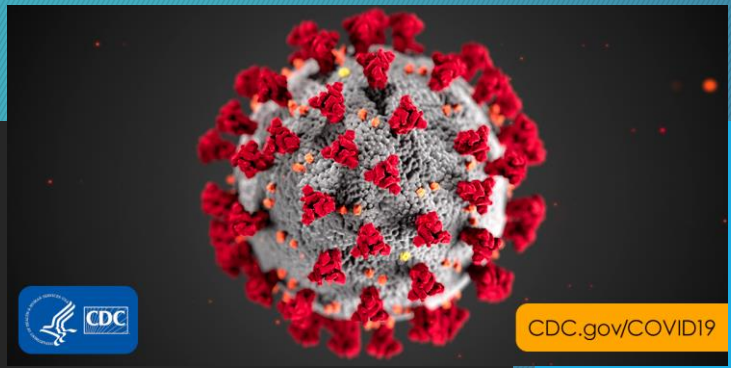

Meeting 1: April 10-12

Meeting 2: May 22-24

Location: Gillis-Rother Soccer Complex

If you or your business has an upcoming event and would like to promote it in our newsletter, please contact admin1@predatorsoccer.com for more information. As always, thank you for supporting our Predators FC.

Coronavirus Pre-Cautions

“How COVID-19 Spreads: Person-to-person spread The virus is thought to spread mainly from person-to-person, Between people who are in close contact with one another (within about 6 feet), Via respiratory droplets produced when an infected person coughs or sneezes. These droplets can land in the mouths or noses of people who are nearby or possibly be inhaled into the lungs.

Spread from contact with infected surfaces or objects It may be possible that a person can get COVID-19 by touching a surface or object that has the virus on it and then touching their own mouth, nose, or possibly their eyes, but this is not thought to be the main way the virus spreads.

When does spread happen? People are thought to be most contagious when they are most symptomatic (the sickest). Some spread might be possible before people show symptoms; there have been reports of this with this new coronavirus, but this is not thought to be the main way the virus spreads.

How efficiently does the virus spread? How easily a virus spreads from person-to-person can vary. Some viruses are highly contagious (like measles), while other viruses are less so. Another factor is whether the spread continues over multiple generations of people (if spread is sustained).

The virus that causes COVID-19 seems to be spreading easily and sustainably in Hubei province and other parts of China. In the United States, spread from person-to-person has occurred only among a few close contacts and has not spread any further to date.”

Please visit the CDC website at www.cdc.gov for more information.

STAY INFORMED! CDC WEBSITE

Predators FC is suggesting the following precautions be taken to help keep our players healthy:

- 1. If your child is sick DO NOT send them to practice or games. (MANDATORY)**
- 2. Players are not to share drinks. (MANDATORY) Please insure your child has sufficient water to last the entire game or practice session.**
- 3. Players should wash their hands before, after practice and games. (Carry hand sanitizer)**
- 4. The use of elbows should be used instead of high 5's using hands during practice and after games. 5. Remind your child to sneeze/cough into their shirt**
