Donor support makes Greenbelt's work possible. We are grateful for the generosity of our many supporters who provided nearly 60 percent of our operating revenue in 2017.

In addition to operating support, more than \$2 million was raised in community-based campaigns for several land conservation projects.

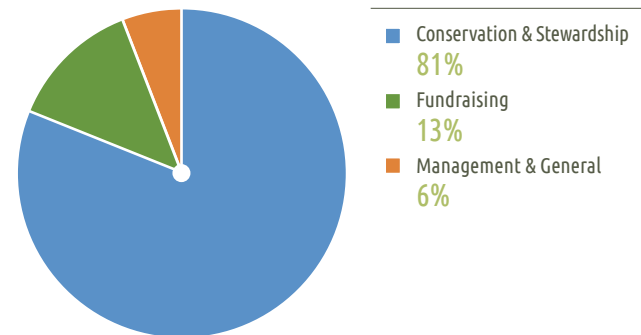

The strength of overall contributions, combined with prudent fiscal management, allowed Greenbelt to conclude the year in a strong financial position.

A copy of the audited financial statement is available at the Greenbelt office in Essex.

IT TAKES A VILLAGE

Annisquam Community Comes Together

**TO SAVE TREASURED VIEWSCAPE
WAY TO GO TEAM!**

When a 4-acre hillside property on Lobster Cove was presented to Greenbelt as a conservation opportunity, many in tiny Annisquam wondered about its fate. While generously offered by a local resident as a “bargain sale” substantially below its fair market value, at \$650,000 it still seemed a daunting task. Thankfully, a small but dynamic team of residents rallied around a creative conservation partnership and together led a comprehensive community-based fundraising campaign.

The abutting Mt. Adnah Cemetery was interested in securing land for future expansion that would be consistent with Greenbelt's conservation goals. Together with Mt. Adnah, represented by President Dave Pearce, and Annisquam residents George and Deb Bird, the team approached neighbors and seasonal residents of this charming seaside community asking for their support. Their enthusiasm and tireless energy helped take the campaign over the finish line, and this beautiful gateway to Annisquam Village is now and forever protected.

GRASSROOTS ACTIVISM

Martha Sanders: A Force of Nature

ON BEHALF OF OPEN SPACE PROTECTION IN TOPSFIELD

THANK YOU MARTHA!

As an abutter to Donibristle Farm, the original country estate of renowned historian James Duncan Philips, Martha Sanders knew what was at stake if the towering mature oaks and wide rambling trails were lost forever to slated development.

In response, Martha attended countless town meetings, and galvanized her neighbors and other concerned Topsfield citizens to come together and propose a conservation solution for the property that would protect these resources and provide for public access. Martha's passionate and determined resolve helped Greenbelt secure an agreement with the landowners to acquire 44 acres outright and a 2-acre conservation restriction; organize a compelling

community-based campaign for support; and an overwhelming consensus from the citizens of Topsfield at Town Meeting and at the ballot box.

As result of Martha's grassroots activism, Greenbelt is now welcoming the public to the Donibristle Reservation.

Donibristle Farm | TOPSFIELD

"Martha is the consummate local partner – she never took no for an answer, and she lead by example, helping to raise significant funds from her neighbors and others in the community, spearheading a citizens' petition to secure town funding at the annual Town Meeting, and being a true champion of our work,"
