A few words from Mr Newman

This edition of HT News showcases many of the opportunities on offer to our students, and specifically highlights the wide range of ways in which we are recognising their talents, commitment and successes across the school. I would like to highlight just three specific opportunities which you can read more about inside HT News. We also had a very busy Open Evening with a lot more families visiting us this year. I very much enjoyed leading tours during the school day the following week too. You can read more about Open Evening inside HT News.

HT Awards Evening

On Wednesday evening we celebrated the wonderful achievements of our students from the 2017-18 academic year at our Awards Evening. Students from our current Year 8 to 11 and Year 13 were presented with their awards in front of a packed audience of family and friends. We were privileged to have Michael Owen, former Welsh international Rugby Union player and captain as our guest who presented the awards to our students, and also gave an inspiring message to our students encouraging them to seize every opportunity on offer through their education.

The Principal's Award

From the beginning of this academic year, the Principal's Award has been introduced. This will be awarded monthly to one student in each year group. Our September winners came to meet with me and receive their awards on Thursday morning this week. Each student was nominated by their Year Achievement Coordinator and received a certificate to recognise their excellence. An important part of the award was that this group of students had the opportunity to meet each other and talk about their experiences at HT. It was inspiring for our older award winners to speak to our younger students about the opportunities that they will have at HT.

Brookland Junior School visit Haileybury

Year 6 children from Brookland Junior School have recently visited Haileybury's World War I replica trenches. This opportunity is a result of our growing partnership with Brookland, in addition to the Music and Spanish lessons HT staff are leading at Brookland. We are very keen to ensure the transition from primary to secondary school is as strong as it can be, and we are continuing to develop a wider range of partnerships with other local primary schools too.

Thank you for your support this half-term. I wish all students and families a pleasant half-term break. School returns on Monday 5th November.

The Principal's Book

The following students have been entered into the Principal's Book for excellent work or contribution to the school.

WEDNESDAY 26TH SEPTEMBER 2018

OPEN EVENING EXTRAVAGANZA

Haileybury Turnford saw another successful Open Evening unfold last night as hundreds of students, parents and families arrived to sample the various subjects on show. Many children came from far and wide to visit the school and our News Reporters were there to catch it all.

“This is an exciting time for Year 6 students as they are gaining their first taste of what secondary school is like”, one local dad said.

There was certainly plenty to get excited about, from the trampolines in PE, to fire-based workshops in Science, vibrant displays in Engineering and the presence of the Haileybury Turnford Cadets. Drama and Dance productions along with Artwork displayed in the Quad were also hailed as highlights.

The school received lots of compliments, with a current Millbrook School student stating, “I love how big the school is compared to my school now.” Photography was praised for their range of equipment and Business was said to have displayed a good range of games on branding.

Mr Newman, School Principal, was clearly delighted with the event, beaming, “there has been such a massive buzz around Haileybury Turnford tonight with a

Families enjoying Haileybury Turnford's 2018 Open Evening

huge number of families joining us. It has been a great success.” Head of Creative & Performing Arts, Mrs Megaw, agreed stating, “I feel this has been our best Open Evening yet.”

Media Studies offered a final touch of glamour with its red carpet event to let everyone know just how special the school really is.

Story Explorers Workshop

A group of Year 8 students were selected for their attitude and achievement, to participate in an English/Geography workshop to look at fictional places. As part of this workshop students explored settings of their favourite books, looked at different types of maps and explored the key features of guide books. This concluded with students writing their own travel guide and producing their own map based on the fictional place from their chosen book. This will now all be entered into the National Literacy Trust's Story Explorers Competition. We were both very impressed with the creativity and engagement from all students involved and look forward to the winners being announced in November.

The BArts Awards Performance Evening

Congratulations to our winners at the BArts Awards and thank you to our brilliant Creative & Performing Arts team.

At the Awards and Performance evening on Wednesday 10th October our student artwork was showcased, our Sixth Form dancers performed and the cast of this year's Christmas performance – The Wiz gave an excellent taste of our production which will take place on Wednesday 19th and Thursday 20th December.

National Poetry Day

Well done to all students who participated in the poetry competition as part of national poetry day during their English lessons. All entries were awarded House Points with the winners each achieving 100 points for their House. **Kyla Gordon** in Year 9 wrote one of the winning entries. Well done to Kyla for winning 100 House Points for Turing! Her poem is below:

Today	
I am not myself	About how all my dreams have
The wind blows past me	Just gone away,
Front and back	I'm just a lonely school girl
The morning sky haunting me	With little to no friends
With the sun	And I hope tomorrow
Yesterday	Will put my misery
I was my best	To an end
Proving my point	Tomorrow
Like I was in front of the press	My confidence will
The crowds of people	Go through the roof
Screaming my name	However
Almost like I was a part of fame.	There's one girl
Tonight	She's just like me
As I fall asleep	So then I guess
I think of yesterday	our friendship was meant to be

HT Sport - Spotlight on Canoeing

Name

Hannah Owen (Year 13 student)

Club

English National Team at the Lee Valley White Water Centre.

What sport and level do you compete at?

Canoeing, GB Junior Team, English National Team.

How long have you competed for them?

Canoeing for 5 years, English National Team for 3 years.

How did you get into the sport?

Through talent identification, canoeing coaches came to the school to run testing. I made it through all three stages to start the sport.

What's your most memorable moment while competing?

Making the U23 team in 2017 and making the Junior Team in 2018.

What's your biggest achievement within the sport you compete in?

Making the GB Team two years in a row and finishing each season with a higher ranking than the previous year. I am currently ranked 6th in the UK in all ages.

What are your future goals in your sport?

Make team again and improve my international ranking.

What personal characteristics does your sport need?

Confidence, self-belief and mental strength.

If you were to give anyone advice on how to get involved in your sport, what would it be?

Try different types of canoeing sessions at the white water centre and see how you can progress from there. Join the LV paddle sports club and take part in their weekly sessions.

Brookland Junior Year 6 children visit Haileybury Trenches

Haileybury welcomed two groups of Brookland Junior School Year 6 children to visit their climbing wall and the pre-constructed WW1 replica trenches **#TrenchTrail**.

A third group will visit after half term. "The sun was shining and it was a fantastic afternoon" said a member of staff from Haileybury.

Artist and Photographer of the Week

We have great pleasure in working with many young talented artists and photographers each day within the Art and Photography Department. Hard working and talented students are often celebrated in class and their work displayed within the department and around school. "We also share their work on Twitter @Hailey_Turnford.

In addition to this, we would like to celebrate the Artist and Photographer of the Week as an extra reward. Work is selected to be displayed each week in the corridor and names published in HT News. We will continue to celebrate creativity as the year progresses.

Haileybury Turnford

AMBITION • PRIDE • SUCCESS

We want to be a vibrant school, developing every aspect of our students.

We will make sure that each student has the **opportunity** to reach their potential, and can leave us with the qualifications, skills and qualities they need for a successful life.

We will draw on Haileybury's 150 years of outstanding **achievement**, and combine that with Turnford's strong sense of community, to create an exceptional school.

We believe that **excellent teaching**, academic success, the best pastoral care and enriching co-curricular opportunities are hallmarks of an excellent school, and will mean our students thrive, flourish and succeed.

Excellent teaching and ambitious learning

- There will be excellent teaching for every student in the school, so they get outstanding exam results.
- Our teachers will give stimulating and challenging lessons, raising aspirations and inspiring our students to learn.

Respectful and well-behaved students and excellent pastoral care

- **We will expect our students to:**
 - Do everything with pride and ambition
 - Behave well
 - Respect each other and all adults in the school
 - Take responsibility for their actions
- We will expect our parents and carers to support their children and the school.
- In return, we will work closely with them, so all our young people are able to reach their potential.
- We will support the students with the best pastoral care, so they are happy and feel safe at school.
- We want our students to develop the qualities they need to be good members of society when they leave school, contributing to the global, national and local communities they live in.

Enriching co-curricular opportunities

- We will offer our students a diverse and vibrant co-curricular programme to encourage their personal development.
- We will give them opportunities in leadership and teamwork to develop their confidence, resourcefulness and resilience.
