Welcome to the 2023 Ilkley Cycle Races. After another remarkable year for cycling in the Yorkshire region, it is my utmost pleasure to extend a warm welcome to this highly anticipated event, now firmly established as a prominent fixture on both the cycling and community calendars.

As we gather once again for the Ilkley Cycle Races, we celebrate the enduring spirit of this remarkable town and its rich heritage. Ilkley has long been a beacon of community strength and togetherness, exemplified by events like these races that bring people together to create lasting memories.

Since our initial support of the Ilkley Cycle Races in 2014, we have witnessed its remarkable growth into the prestigious event it is today, renowned for its electrifying atmosphere and increasingly elevated standards of competition.

We are delighted to witness the ever-increasing support from local residents and businesses, as they too embrace this event that has become a vital part of the community's calendar. The unwavering commitment of both the community and businesses has been instrumental in the continuous progress of Ilkley over the years.

Allow me to express our sincere gratitude to the organisers and the numerous volunteers who have dedicated their efforts to bring the Ilkley Cycle Races to fruition once again, promising an evening filled with excitement and camaraderie. On behalf of Ilkley Cycling Club and the entire team at Lister Horsfall, I extend our best wishes to everyone involved, whether as volunteers, competitors, or spectators, for an enjoyable evening ahead.

Main Sponsor of the Ilkley Cycle Races*

The circuit starts outside Bettys Café Tea Rooms on The Grove, right in Ilkley's town centre. The bandstand area opposite will host Ilkley Brewery's pop-up bar together with Lishman's barbecue and La Stazione's prosecco tuk-tuk. After a 90° righthand turn there is a 200m long climb up the Riddings Road ramp. After another righthander, there is a long stretch of false flat along Albany Walk onto Parish Ghyll Drive.

By this point, the gradient has eased although it is likely to be this stretch where strong riders will really be able to press home an advantage. The top of the circuit is reached just before the end of Parish Ghyll Drive, where the course drops sharply down Wilton Road. A very fast corner will sweep the riders onto Grove Road for an extremely rapid return to the bars, restaurants and shops along the finish straight on The Grove.

The tough circuit climbs 32 m on each 1.5 km lap.

MOMENTS IN TIME SINCE 1902

FINE JEWELLERY & LUXURY WATCHES

I still vividly remember my first ride with Ilkley Cycling Club, back in January 2016. The 'A' ride went for huge jaunt out to Leighton and Lofthouse. I had been riding for about a month then, and this 6 hour ride was an enormity, but the kindness of everyone

there got me round in one piece. After that incredibly formative day out, I'd go out pretty much every week with the club; I was a regular on the Thursday evening training rides and the Sunday 'A' rides. I was taught everything I needed to know about how to do group rides: pointing out holes, riding in tight formation and so on. In addition, my odd foray with the Saturday morning 'chain-gang' not only made me stronger, but helped me learn how to ride 'through-and-off' properly – a skill that is painstakingly lacking in some of the breakaways I've experienced in France!

It was through ICC that I first started racing, too. Back in the days when the North Yorkshire Evening Road Race League still ran, Mike Firth would very kindly give me a lift on a Wednesday evening and I would get my first tastes of road racing. It wasn't very glamorous being spat-out in a little 3-4 road race, but we all have to start somewhere! Over the year, with the help of everyone from the club, and the extended Wharfedale cycling community, I was able to truly find my feet racing.

I still fondly remember the trip to do the Scottish Tour of the Lammermuir that Mike put on for us to really finish off the season with style!

I now race abroad in France, this year with the Division One team, GSC Blagnac. In my two and a half seasons racing abroad I've done 115 mile point to point road races, raced up (and down!) the Col d'Aubisque, and even won my own polka dot jersey! It's a very different kettle of fish to a dark and snowy 3-4 race up round Pennypot, but I owe a lot to the foundation given to me by the community at Ilkley Cycling Club, and without it I certainly would not be where I am.

The Ilkley Town Centre Races are a highlight of the calendar, for myself, the club, and the town. Back in 2017 I remember having one of the toughest races of my life in the men's support race. My heart was in my mouth the whole race but I was delighted to manage third and a trip to the podium, with the eventual winner Sam Watson, who now races for the World Tour team Groupama-FDJ. The course is brilliantly designed and always makes for some quality racing, its relentless nature is a true spectacle.

For those who are thinking of racing, or have kids who want to race, or even just want some good quality group riding I would look no further than Ilkley CC. It's a welcoming community like no other and there is something for everyone, regardless of level.

JULY 2014

9 years ago, Tom raced clear to win the inaugural MAS Design Consultants under 16's race at Ilkley in 2014 when he hadn't yet reached his 15th birthday.

Tom Pidcock

Last summer, Tom gave a masterclass in high-speed descending as he raced down the Col de la Croix de Fer on stage 12 of his first Tour de France. He exceeded 100 kph (62 mph) at one point, catching the breakaway group and then riding on to a solo victory at the summit of Alpe d'Huez. To win any stage at the Tour is a huge achievement, but to win a legendary mountain top finish on Bastille Day on his debut was simply off the scale!

Ilkley Cycling Club

Join Us!

You've seen us. On the road. Up on a track on the moor. Maybe even out exploring more remote locations in the Dales or out in the East Yorkshire flatlands. Ilkley Cycling Club, 600+ strong, is one of the largest cycling clubs in the country. Whether you are just curious to see why cycling is so popular in the area, or you have already paid your dues over years behind the bars, why not join us now?

Of course, as a cycling club, riding is a big part of what we do. There are dozens of organised rides every week, at different levels, from "C" for those just getting comfortable with two wheels under them, to "A" and "Training" for those who race or would race, if only... Between those extremes, there are at least 6 gradations. There are also gravel, mountain bike, women-only, and youth rides. If you want to get out on two wheels under your own power, then there is a ready group to welcome you.

The Club has other activities besides riding. We organize the Town Centre Races, an integral part of British Cycling's National Championship Series. And there is the long-running White Rose Classic sportive, with 3 spectacular routes into the Yorkshire Dales, accommodating the full range of rider speeds and capabilities. Or join us for the annual BBQ.

At only £15 a year, there's little risk in joining. We also offer a £5 youth membership and only £20 for the full family.

Go to www.ilkeley.cc to learn more.

ILKLEY

CYCLING CLUB

Mike Firth and Ilkley CC would like to say a massive thank you to all the volunteers who have helped stage this event.

No matter how small a role, everyone's time has been given freely and is very much valued and appreciated.

Our thanks also go to the British Cycling team of commissaires: Len Woffindin, Marc Etches & Phil Makinson.
