

Group Work Reflection Questions

Use the questions below to reflect on your group process

1. How did you initially get to know your team members? What social processes helped you to develop good working relationships?

2. How did you develop your team culture and ways of working together?

3. How did you divide the work between group members?

4. What roles did you adopt within the group?

5. What was your best contribution to the group's success (give a specific example)?

6. How did your teammates contribute to your success (give examples)?

7. If you were to do this project again, what would you do differently?

8. What will you take from this experience into your future classes and workplace teams?
