

Sporting Club Manx Youth Games 2022

Training Programme

BeeNyShare

Message from the Minister

I am delighted to welcome Sporting Club Isle of Man as the new sponsor for our flagship sporting event, the Manx Youth Games.

Following the disruptions to island life caused by COVID-19, the Sporting Club Manx Youth Games 2022 offers young people an exciting event to prepare for and look forward to.

Sustainability plays a key role in the ethos behind Sporting Club and it was great to see so many participants engage and use their vote to choose the design of the Sporting Club Manx Youth Games shirt for the forthcoming events. The very first Manx Youth Games shirt to be made using recycled material, a truly sustainable Ecokit. I cannot wait to see them all on display at the event on 7th May 2022.

The Sporting Club Manx Youth Games provides young people with the opportunity to make new friends, to try a new sport in a safe environment and to have fun being active whilst learning important values such as team work, discipline and goal setting.

The sustainable theme continues as the Department of Education, Sport and Culture through the Sports Development Unit, works closely with all sports involved within the initiative to ensure opportunities are available for participants to remain active within community sports clubs after the Games.

I would like to personally thank Sporting Club for their sponsorship of this fantastic initiative and on behalf of the Department, we welcome you on board and look forward to a long and successful partnership.

Finally, I would like to express my sincere thanks to sports co-ordinators, coaches, officials, volunteers and parents, without your support and commitment, the 2022 Sporting Club Manx Youth Games could not take place.

Hon Julie Edge MHK

Minister for Education, Sport and Culture

Message From Sporting Club Isle of Man

Sporting Club Isle of Man is extremely proud to offer its support to the Manx Youth Games.

As a community owned project, which is currently in the final stages of the charity registration process, we strongly believe in offering opportunities for our island through team sport for people to achieve their goals and continue to develop on and off the field of play.

Sporting Club Isle of Man was established in 2020 by a small group of like minded individuals and has since grown its offering through its objectives. This includes the **creation** of island-based sports teams competing on a regular basis in off-island competitions, the **facilitation** of on-island professional development opportunities, and the **support** of Manx community projects.

The latter nicely leads us on to the Manx Youth Games, an extremely important part of our island's community for over 20 years. We at Sporting Club Isle of Man want to embrace all the hard work undertaken by the Department of Education, Sport and Culture, in particular their Sports Development Unit, and continue to develop and evolve the games for many more years to come as an all-island participation event.

We are also very proud to be supporting the huge effort undertaken by the young people, parents, coaches and volunteers in the preparation, training and actual Game's day. Without you, everything that encompasses the Manx Youth Games could not be possible ... so Thank you.

We hope you enjoy this year's training and games, and remember the most important thing is taking part and being the best version of you.

#BeeNyShare

The Sporting Club Isle of Man board

Sporting Club Isle of Man – Ethos & Vision

Ethos: “To challenge ourselves, our teams, our members and those we partner with to Do and Be Better* in our collective and individual actions.”

**‘Bee ny Share’ - ‘Be Better’ in this sense means acting for the good of our shared best interests rather than thinking and working in isolation.*

Our Island is full of people and organisations capable of amazing things if provided the opportunity and the experiences to grow, and therefore, providing opportunities and benefits to the whole Manx Community will be our driving force.

We make **three pledges** to Sporting Club Isle of Man members, the Manx community and those who interact with us:

Pledge One – Responsibility - We will always operate in a socially responsible, ethical and virtuous way, doing our best to maximise the potential benefits of our projects for the wider community.

Pledge Two – Representation - We will always ensure that the Club and its Teams will understand all it means to represent Sporting Club’s members and the wider community connected to the Island.

Pledge Three – Sustainability - We will always operate within our financial means. We will promote and be actively involved in projects promoting environmental sustainability.

Vision: “To create and develop a stable of sports teams based on the Isle of Man that will provide wide-ranging benefits to the Island’s community including (in time) access to, and a route into, professional sport.”

Sporting Club Isle of Man is a company structured in a manner that enshrines the community-owned ethos model. Individuals with a connection to, and interest in, the Isle of Man have an opportunity to become a member of Sporting Club for an annual membership fee. This provides our members with an opportunity to participate in high-level decision making processes, become a board and/or underlying team representative, and ensure the continued proactive development of this community-owned project for OUR island. The membership fee, along with donations and other revenue generated by the club and its teams, is utilised to assist in achieving Sporting Club’s objectives for the betterment of the projects we undertake and therefore for OUR community.

Together we can **Be Better - Bee ny Share.**

Become a member by visiting <https://sportingclub.im/membership/>

Sporting Club Isle of Man – Objectives

Sporting Club Isle of Man has **three clear objectives** to action our Ethos and Vision:

Objective 1 - **Facilitate the creation and development of sports teams based in the Isle of Man to compete off-island.**

Each team owned by Sporting Club Isle of Man is committed to:

- Putting the Island's community and its people first.
- Respecting and honouring the opportunity they have been given by their community as individuals and a collective to inspire and enhance our Island.
- Being positive, open, honest and respectful in all they do.
- Competing to the end, giving their best effort and intensity.
- Being stronger as individuals when working for each other as a team.
- Taking individual and collective ownership and accountability for their actions.
- Understanding and respecting that without each other, and the opposition they compete against, they are unable to truly understand and reach their potential.
- Leaving the club and sport in a better place for future generations.
- Working hard to ensure the Manx public can be proud of them based on their actions within and beyond the Sporting arena.

We would love those involved in the Manx Youth Games, competing and non-competing, to work towards and display these commitments while training and participating in the event.

Objective 2 – **Facilitate and develop on-Island professional development opportunities and infrastructure to enable team sport progression through the teams we own.**

Objective 3 – **Promote and Support Manx community projects to develop and expand the existing social capital through team sport.**

For further details on the Sporting Club Isle of Man structure and the team behind the project please visit: <https://sportingclub.im/structure/>

Sporting Club Isle of Man – Strategic Partners

Sporting Club Isle of Man, and its teams, are going against the norm.

We are challenging convention, in an appropriate manner, whilst proactively looking to a new and improved future for our Island and the sports we participate in.

Our partners are doing the same in their own fields, and we are as excited to help them as they grow and develop, as we know they are excited to help Sporting Club Isle of Man, and its teams, grow and develop.

For further details on our current strategic partners please visit:

<https://sportingclub.im/partners/>

Under each partner section we have included a brief overview of how the partnership is benefiting them, Sporting Club Isle of Man's members and the Island's community.

Manx Youth Games EcoKit

In November 2021, the Manx Youth Games, through the sponsorship and support of Sporting Club Isle of Man, and its kit supplier Hope & Glory, provided an opportunity for those young people participating in this year's Manx Youth Games to choose their EcoKit shirt design that will be worn for the next three years. We can confirm the winning design was:

Mission Statement

The Sports Development Team is committed to ensuring that all children regardless of age, gender, background, religion, ability or race, can participate in sport in a safe and enjoyable environment.

Aims and Objectives

- ◆ To provide sustainable sporting opportunities for the young people of the Isle of Man
- ◆ To work with the Island's sporting governing bodies to attract new participants, identify new talent and remove barriers for the Island's young people to be physically active
- ◆ To ensure that all sessions are delivered by qualified coaches
- ◆ To ensure that all sessions provide participants with a fun and safe environment to participate in sport
- ◆ To ensure that all sports adhere to an agreed code of conduct
- ◆ To provide young people with the opportunity to build confidence and improve their social and life skills in a sporting environment
- ◆ To bring together young people from all regions of the Isle of Man to learn new skills and establish new friendships that will last forever

Attention Parents and Guardians

- ◆ Please ensure your child is the correct age for the sessions that they are attending
- ◆ Please ensure that there is a coach present before leaving our child at a training session
- ◆ Please do not leave your child unattended at a training session
- ◆ Please check both the start and finish times of the session to ensure that your child (ren) are dropped off and collected on time. Coaches are only responsible for the children present during the session times

Regional Training Sessions

The Sporting Club Manx Youth Games 2022 will consist of 14 sports. Each individual sport has tried to establish training sessions in all regions of the Isle of Man (North, South, East and West) which will commence on the 24th January 2022. Please check the details below that indicate which regional sessions you should attend.

However, if there is not a session in your region, you are welcome to attend another session in another region provided that there is space at the session and that the coach is happy for you to attend. It may not have been possible to organise sessions in particular regions due to a lack of coaches, volunteers, facilities or for other logistical reasons.

Each sport will use the Sporting Club Manx Youth Games as a way of developing junior participation in their sport therefore different age groups may be targeted by each sport.

All sessions will be delivered and supervised by coaches who have recognised qualifications including a satisfactory DBS check, Emergency First Aid and Safeguarding and Protecting Children.

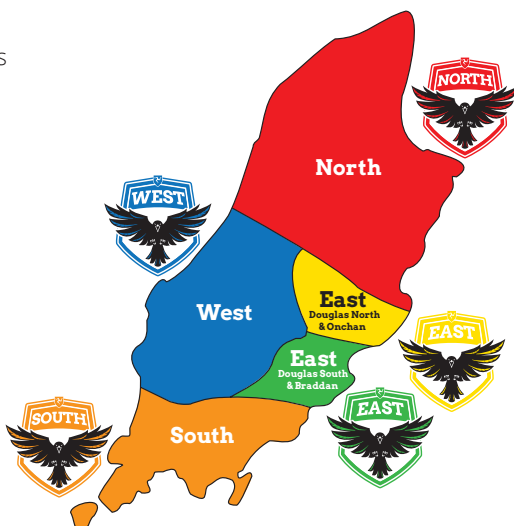

Children can initially attend training sessions in two sports up until 11th March 2022. After this date each child must choose one sport to focus on and then ONLY attend the training sessions for that sport.

All training sessions will cost £1.00 which is to be paid to the coach on arrival at your session.

The Five Regional Teams

Children will be eligible by home address to represent their region in the Games.

NORTH	Red	(Bride, Andreas, Jurby, Ballaugh, Maughold, Lezayre and Lonan)
WEST	Blue	(Marown, Patrick, German, Peel and Michael)
EAST	Yellow	(Douglas North and Onchan)
EAST	Green	(Douglas South and Braddan)
SOUTH	Orange	(Rushen, Arbory, Malew and Santon)

Sporting Club MYG Training Venues – KEY

KEY: RGS = Ramsey Grammar School, CRHS = Castle Rushen High School, NSC = National Sports Centre, QEII = Queen Elizabeth II High School, BR = Bunscoil Rhumsaa, PAFC = Peel AFC Tommy Clucas Hall, HBN = Henry Bloom Noble, SJPS = St Johns Primary School, MPS = Marown Primary School, (BC) = Bowling Club, (AP) = Astro Pitch, (SC) = Squash Court, (SH) = Sports Hall, SNHS = St. Ninian's High School

Badminton on the Isle of Man

We provide tournaments at all age groups and the opportunity to progress to Island Training Squads with the chance to represent the Island at County level. Children can start along the coaching pathway by completing the Badminton Junior Helper Award and at the age of 16yrs the Level 1 coaching course.

Play the fastest racket sport in the world

Children involved in any Island Badminton squads cannot attend these sessions.

All children in the South can attend the sessions in the East from which a team will be picked.

Footwear - Non marking clean trainers.

Basketball on the Isle of Man

Basketball is a fun, energetic and fast paced game suitable for all ages and abilities. For the younger age group games are adapted to ensure skill development is achieved through fun games and activities rather than full court 5 on 5 games.

The basketball league is played on a Thursday evening at the NSC. The night begins at 6pm with mixed junior fixtures, followed by senior mens and ladies matches at 8pm.

Junior Cricket on the Isle of Man

Kwik cricket is a high-speed version of cricket for boys and girls where the emphasis is on participation and enjoyment. Games are played with a plastic bat and a ball. Kwik cricket forms part of the Isle of Man Cricket Association's CricStart initiative. CricStart consists of introductory cricket programmes for males and females of all ages to get them started on their cricketing journey. Kwik cricket is played in clubs on a Friday evening. The Isle of Man Cricket Association is committed to developing cricket for all and although the girls will train and play alongside the boys in the Sporting Club Manx Youth Games, the IOMCA run a number of girl's only soft ball initiatives.

Come along and have a go - could you be a future Isle of Man cricketer?

Crown Green Bowls on the Isle of Man

Targeted at all children - boys and girls from years 3+, Crown Green Bowls aims to provide children of all levels of ability and experience with an opportunity to play bowls. The sessions are a fun way of getting into the sport with specially devised games such as Target Bowls, Obstacle Bowls, Bowls Golf, Ten Pin Bowls as well as the standard format and many other fun variations being used. The Isle of Man has clubs set up to continue sessions after the Sporting Club Manx Youth Games and we are looking to form a junior league so there will be plenty of opportunities to keep playing if you get the bug!

Come along and have a go - could you be the next Manx Champion?

Please note: Bring spare shoes with you. NO outdoor shoes to be worn whilst playing.

Girls Football on the Isle of Man

Girls' football is an ever-growing sport on the island. For girls, there's never been a more exciting time to start playing football. Whether you're 5 years old or 16 years old, there's a place for you to enjoy football and develop in a safe and fun environment.

School girls' teams enter Isle of Man FA led girls-only tournaments and fun festivals throughout the academic school year. Girls can also play in mixed Isle of Man FA led school tournaments too.

Players can play recreationally at one of our Isle of Man FA led girls only after school Wildcat sessions. They can also play in the Isle of Man FA local Club's run Girls under 10s development games or the under 12s Girls league that is played throughout the football calendar year. Junior girls' clubs' teams compete in the Isle of Man FA Junior league fixtures and cup competitions.

Have FUN, make FRIENDS and PLAY FOOTBALL!!!!

Footwear - Astro shoes (outdoor) or trainers and shin pads must be worn.

Handball

Handball on the Isle of Man

Handball is one of the most popular sports around the world and is also an Olympic sport. Two teams of players compete by passing a ball using their hands or running and bouncing the ball, with the aim of throwing it into the other team's goal. Whoever scores the most goals wins. Handball is a high action; high speed and often high scoring game open to both boys and girls of any abilities.

It's the best sport you've never heard of!

Footwear - Non marking clean trainers.

Hockey on the Isle of Man

Hockey has established Junior Leagues at Under 11, Under 13 and Under 16 age groups, which provide plenty of opportunities for young hockey players to go on from the Sporting Club Manx Youth Games, join a club, improve their hockey and remain involved in the sport.

Alongside our clubs and training structure, we also have our Isle of Man Composite Teams. These allow us to compete in England, enabling talent spotting by the England Hockey coaches with the opportunity to grow, develop and ultimately, represent England. If you are interested in playing hockey, please just get in touch with any of the people listed below.

Please note: Please bring warm clothing, trainers or astro shoes, gum shield, must have shin pads and a drink. You can only attend one of the sessions that are taking place in the regions.

PLEASE NOTE: You are limited to attending a maximum of TWO sports until 11th March 2022. Included in this booklet are two separate registration forms (one for each sport) which must be completed and handed into the respective coaches at the first training session. If you are going to attend only one sport then please ignore the other registration form.

Tackle it Multi Sport

Multi Sport

From March 2022 the Sports Development Team will be facilitating weekly Multi Sport sessions to ALL children with special educational needs and / or physical disabilities. These weekly sessions will be facilitated and adapted for a wide range of disabilities in a fun and fully inclusive environment.

Children can learn various key skills, techniques and activities in preparation for the Sporting Club Manx Youth Games on Saturday 7th May 2022. Children will have the opportunity to participate in a number of multi-sport activities including football, badminton, boccia and many more.

Netball

Netball on the Isle of Man

The Island has a number of junior netball clubs across all regions, most of which welcome players from Year 4 upwards. After previous years' success, at this year's Sporting Club Manx Youth Games, the children will continue to play Rotating 7's. It's a great way to introduce young players to netball as they get to experience the playing of every position and it really helps with their understanding of the game. Netball is great fun and there is something for everyone.

More Passes, More Goals, More Fun!

We would like to invite all genders to participate and those children aged 8 in School Year 3 can also attend.

Footwear – Non marking trainers.

Hair to be tied back and no jewellery to be worn.

Please follow our Facebook page to keep up to date – Manx Youth Games Netball IOM.

Swimming on the Isle of Man

Details of the Island's four swimming clubs are available through the contacts below.

The Isle of Man Swimming Association's main focus is on current and future development of aquatic sport and on the development of competitive swimming on and off the island.

Isle of Man Swimming gives swimmers the chance to be the best that they can be.

Any member of the Isle of Man Swim Team who are in IOMSC level 4 may take part in training but cannot compete on the day. Level 5 athletes may compete.

Table Tennis on the Isle of Man

We have a healthy growth each year of teams in our Senior League and a large number of those consist of juniors who started playing in the Manx Youth Games. We run a Junior League each September to December before feeding players into regional clubs with the opportunity to play in the Senior League.

Those who wish to play in our Senior League are encouraged to play as a 'Development Team' allowing us to rotate players each week giving them exposure playing against better players – we even give the team a dedicated coach to look after them during their league games.

We coach Island squads where these juniors receive additional coaching each week as well as a number of coaching weekends that are run by off Island coaches we use. We also play as a nation in International Tournaments against the likes of England, Scotland, Ireland, Wales, Guernsey and Jersey where most of the Isle of Man players are juniors who have come through the Manx Youth Games. For those simply wishing to 'have a go' there are drop in sessions on Mondays at Ballakermeen, Tuesdays at the Buchan School and at the NSC each Wednesday following the MYG day itself – see our Facebook page for details. We are always looking to attract more junior teams to the sport and if your school would like some help with this simply contact one of the people listed below.

Sporting Club Manx Youth Games can be just the start you need to make table tennis your sport – come and give us a try – we're sure you'll love it.

Footwear - Non marking clean trainers.

Tag Rugby on the Isle of Man

Tag rugby is available for girls and boys of all abilities in Years 2 and 3 to participate in the Sporting Club Manx Youth Games.

Players learn about key fundamentals, spatial awareness, organisation, support and teamwork. Tag rugby is a fun pathway which can progress to the contact game, and we have strong links with clubs who provide fixtures on a regular basis for the players to test themselves. All our coaches are RFU qualified, and have the support from volunteers who are keen to help – many have started by doing the Manx Youth Games themselves many years ago!

Rugby's Core Values:

Teamwork • Respect • Enjoyment • Discipline • Sportsmanship

Coaches will notify players of any exclusion dates for the training sessions.

Region	Venue	Day	Time	Sch Yr

Tennis on the Isle of Man

We have four main tennis clubs on the Island at present that cater for all age groups from 5 years old to veterans. Tennis Leagues run through the summer months with Junior competitions being held every two –three months. Also, the Island County Championships are held every year for the Yellow Ball players to compete for being the Island Champion. Tennis for the younger ages are categorised in to Red Ball (aged 5 – 7 years old), Orange Ball (aged 7 – 9 years old), Green Ball (aged 9 – 11 years old) and Yellow Ball for all older players. These are due to junior physical development and that the ball weight increases as the players physically develop. All junior players participating in the Sporting Club Manx Youth Games sessions will be playing with Red sponge ball which makes the game fun and easier to pick up, this also teaches the player how to win points by strategy rather than power. If your child is interested in participating relevant information is below.

Come and join in the fun!!

Safeguarding & Protecting Children

Minimum Standards for the 2022 Sporting Club Manx Youth Games

All Sporting Club Manx Youth Games Sports must meet the following criteria. If sports can not meet the eight points detailed below, it could effect their subsequent participation in the games.

- All coaches and volunteers who facilitate Sporting Club Manx Youth Games training sessions must complete a “Coach Details” Form and this must be submitted to the Sports Development Unit no later than 1st December 2021.
- In order to comply with data protection, co-ordinators and coaches must NOT send group emails to children or parents. Should coaches or co-ordinators wish to communicate with participants electronically, then they should use the “Blind copy” function/setting when sending emails.
- Sports must have a minimum of two qualified coaches at each training session. In addition, where numbers are excessive, volunteers and assistants would be required. Coaches and volunteers who help at training sessions must have a satisfactory DBS check (from MSR), or provide a valid DBS Certificate from their sport (period of 3 years).
- Where possible, there should be both male and female coaches/volunteers in attendance (or female only for “girls only sports”).
- All coaches and volunteers (i.e. a parent who is assisting with registration) who will come into contact with children during the Sporting Club Manx Youth Games and training sessions must have attended a Sports Coach UK Safeguarding and Protecting Children workshop. This workshop is valid for 3 years. Free workshops will be on offer in January 2022.
- A qualified first aider must be present at all Sporting Club Manx Youth Games training sessions. Free training will be on offer in January 2022.
- Where feasible and realistic sports must make every effort to be inclusive and subsequently offer children with disabilities the opportunity to take part in Sporting Club Manx Youth Games training sessions as well as the event itself.
- As part of each sport’s junior development plan children who have attended Sporting Club Manx Youth Games training sessions should have the opportunity to continue in the respective sports through leagues and junior competitions following the Sporting Club Manx Youth Games.

Codes Of Conduct & Fair Play

Players

- Enjoy competing
- Do your best
- Show good sportsmanship and work
- Play within the rules as part of a team
- Respect officials and the decisions they make
- Respect opponents

- Encourage fair play and discourage cheating

Spectators

- Encourage and support all players
- Never use bad language
- Respect officials and the decisions they make
- Discourage rough play and cheating
- Enjoy the games regardless of the result

Frequently Asked Questions

Why is Boy's Football not included in the Sporting Club Manx Youth Games?

There is already a development structure in place for football providing plenty of opportunities both within schools and local clubs for boys to play football, therefore there is no need for this to be included in the Sporting Club Manx Youth Games.

If I live in the North, can my child attend training sessions in the West?

Ideally, your child should attend the session within your region. However this is not always possible and the situation will be governed by the sport. For example, if there are currently low numbers on the session you wish to attend in the West, then this will not be a problem. However, if the Western session is over subscribed, then it will not be possible to include your child in the session.

What is the age criteria for the Sporting Club Manx Youth Games 2022?

Children who are in school year 2 upwards can take part in some sports in this year's event. However, please check the training programme carefully as each sport may have different age requirements.

My child would like to continue to attend training sessions in two sports after the 11th March deadline. Is this possible?

Again this depends on the sport. If the session can accommodate the child and the coaches are happy for the child to continue to attend, then this is not a problem. However, it will not be possible if the session is already full.

What if a coach does not turn up on time to a training session?

Unless there is a specific exclusion date, sessions will generally always take place. However, please do not leave your child at a session until you are happy that there is adequate coaching supervision in place.

What if my child misses any of the training sessions, will they still be allowed to take part in the event?

Yes. Participation in the training sessions is not compulsory and there should not be any barriers to participating in the games itself. Only a small number of sports may have numbers limited due to facilities. If this is the case it is possible to take part in the event in a different sport.

My Eco shirt doesn't fit, can I change it?

Due to a bespoke order being placed for the new EcoKit, it may not be possible to swap your shirts therefore please use the sizing guides provided within this booklet when returning your registration form to the coach.

Remember: It's not the winning... but the taking part that counts!
