"We are delighted to host the 19th annual "SpringFling" women's lacrosse event this year in the Bradenton Area at the G.T.Bray Park. "SpringFling" has serviced over 15,000 prep and collegiate women's lacrosse players nationwide in its history and has moved to the west coast of Florida in an effort to offer to teams a more comprehensive choice of airports, housing and recreational options.

In particular, the spectacular beaches of Bradenton play a large role in offering the players a pleasant respite from the intense training and playing of full scale NCAA games. The area is perfectly suited to events such as
