Teacher Requests

Hard to believe, but the teachers and I will soon begin working on class lists for the 2024-25 school year. Time is sure flying! Several factors are considered when placing students in classes. These include academics, socialization, peer influence, boy to girl ratio, and overall student needs. We do our best to balance the classes to best serve the students. Please know we do not make these decisions lightly or without reason. Therefore, in order to keep the balance, specific teacher requests **cannot** be honored. **Please** refrain from making requests and trust that the staff and I are designing lists for optimum student achievement. Thank you so very much.

Please include the following with any nomination:

1. Name of the individual you are nominating. Please note that this person should be a parent of a current 5th grade student at Hinckley Elementary and this should be their last child at the school. In other words, this person will no longer be involved at Hinckley Elementary after this school year.

2. Reason(s) for the nomination, including information that would prove the nominee worthy of consideration for the award.

Submit nominations to Hannah Jablonowski (VP of Activities) hjabs86@gmail.com, or you may drop nominations off in the school office labeled "PTO: Volunteer Appreciation Award."
