<b>FA Cup club record</b>	3rd Qualifying Round 2016/17
<b>FA Vase club record</b>	Quarter Finals 1975/76

# “Heathspeak”

**Welcome to Heathspeak, here we hope to keep you up to date with all that is going on in and around the club.**

After the horrible end to last season with the COVID situation we now look forward to this new season.

First of all, it is great to be able to welcome supporters back and we hope to give you something to cheer in the coming months. If you could adhere to the social distancing rules and help the club to keep everyone safe, we would be extremely grateful of your co-operation.

Lots of changes have gone on at the club with a new management team in Mitch Hodge, coming in as manager, with Ollie Price and Aaron Day coming in as assistant managers. We welcome them all and wish them well going forward.

On a most disgusting note you will have noticed or heard about the wanton act that destroyed Terry Green's memorial bench last weekend. We have been overwhelmed by the amount of support and offers of help to replace it. It is very much appreciated by us all. We have also put in a new covered stand and although not totally finished it will be named the Terry Green Stand.

Work on the pitch has continued & we are quietly pleased with the way it's come on especially with the constant abuse it takes. Thanks to CPS for their continued help and advice and also to Keith Huxley who has spent hours getting “square bum syndrome” on the mower!

On to team matters where our supporters are going to be seen saying “Who's that? Where did he come from?” With many new signings, the team may take some time to gel but let's give them our full support and see where it takes us.

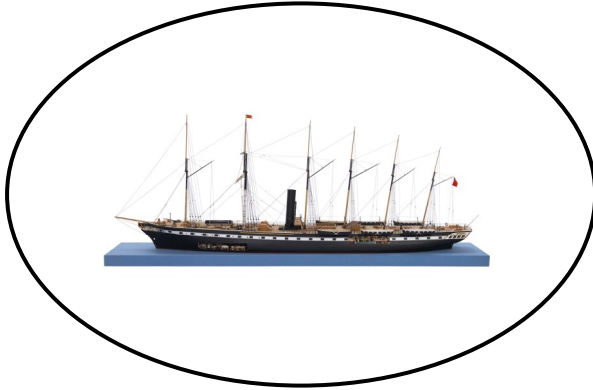

On the club development front, Bruce Scammell continues to pester the snail like movement of South Glos Council in the hope of getting the new extended lease which will help us get full funding for the project; thanks for your efforts Bruce, I am sure it will bear fruit soon.

Once again this season, Hamdon Media will produce our programme which will also be available online, thanks to Martin.

On a final point, we are pleased to announce a ground sponsorship deal for the next three years with the ground being re-named the Bristol Insulation Sports Ground.

Enjoy the game.

## VICE REPORT

Welcome back to Springfield! Its been so long that I've pretty much forgotten what you all look like, since you don't know the name of the person writing this you certainly wont know me!

I can't escape from the tragic act of vandalism that struck the Heath in the early hours of the 29<sup>th</sup> of August. Whoever saw fit to torch the bench, established in memory of Terry Green, is not welcome at Cadbury Heath FC or indeed any football club in the country. The police have been fully informed, the clubs CCTV was upgraded over the summer, thanks to Mike Easlick and Bruce Scammell and of course Martin Painter, Steve Plenty, Dave Smart and Terry Tripp for their advice & guidance in doing this vital work; we will catch you and you will be punished for this act.

Terry was nothing short of the heart and soul of this club for many years, he gave years of service and was the very epitome of what football should be about; commitment, a determination and devotion to his club. His passing whilst at Springfield left his family and our club with a wound that can never heal; my own service at this club overlapped with him only for a few months before his passing and I was never to be properly acquainted but everyone I have talked to about him gives the same glowing testimony. He was kind, generous, fond of a raffle and just a tremendous amount of fun to know and be around.

The club will always remember you, Terry, and no mindless vandalism can take away your contribution to this club.

I would have liked to do an article without a mention of the virus but seeing as it still looms over us all I really can't! We at Cadbury Heath have worked hard over the majority of the last year to put measures in place and take steps to keep you safe, whatever you believe about the risk to yourself and others (you are all entitled to your own opinions) please maintain the social distancing that I know you all do outside of Springfield, except when I thought the bread aisle in Tesco had turned into some sort of scrum practice session. I will get as little COVID into the programmes as I can, I promise.

If you have noticed our new stand, risen from the ground, near the dugouts we would like to place our appreciation with Sports Ground Development for making this a quick and relatively pain free process from beginning to the final build. Cadbury Heath would like to thoroughly recommend this company if you ever want anything built at your football ground.

Enjoy the game

# The first phase of Cadbury Heath's redevelopment plan comes courtesy of Geo-Investigate.

## About Geo-Investigate

Our dedicated and experienced team of geo-environmental engineers, Engineering Geologists, and Geotechnical Engineers offer a broad range of specialist Site investigation services tailored to meet the needs of most types of geo-development in both soil and rock.

Our activities cover larger and smaller engineering projects involving contaminated land, high-ways and roads, tunnels, earthworks, excavations & basements, slope stability, retaining walls, foundations, coal mining stability and natural sinkhole hazards.

Geo-Investigate will tackle any size of job from a small house extension to a large retail park with the same enthusiasm, dedication and care to ensuring quality and value for money to our clients.

## Key Geo Services

Key services provided by the company include Phase 1 Desk Studies or desk top studies, Phase 2 Intrusive site investigations or ground investigations, micro drilling, reconnaissance and walkover surveys, Borehole Drilling, soil & rock drilling, trial pitting, ground gas sampling and monitoring, ground water sampling & monitoring.

Coal mining risk assessments, contaminated land investigation, Contaminated land risk assessment, conceptual site models, contaminated land remediation and validation, mine shaft investigation, Coal mining reports, building subsidence, geothermal surveys, radon assessments and sink hole investigation.

## Client Testimonies

Geo-Investigate saved us £15,000 in unnecessary drilling works which another SI company said was essential. Following Geo's advice we excavated the basement car park with their geologists assessing the stability of the rock faces and the adjacent buildings and roads as the works progressed. The work was completed ahead of schedule and without any problems. We were of course very pleased with the services provided by Geo-Investigate on this job."

"We were very satisfied with the quality of reporting and diligence shown by Geo-Investigate in the planning and execution of these remediation works. The removal of the contamination source was executed and supervised expertly producing minimum waste'.

Introducing, again...

# Mike's Meandering

Good afternoon and welcome back to Springfield for a new Toolstation Western League season. I hope everybody kept safe and didn't encounter COVID-19? Just to reiterate please follow the signs dotted around the ground: observe social distancing and of course wash your hands regularly. The team has had a very busy pre-season under our new manager Mitch Hodge. We have played teams from The Southern League, the Gloucestershire and Somerset County Leagues and also the Academy team from Chippenham Town, the results fluctuating with the oppositions standard. I feel our best performance was here at Springfield against Melksham Town and I suppose our poorest performance came the following week against a very strong Bristol Manor Farm team.

Regular readers of Mike's Meanderings are used to reading about my travelling exploits following Cadbury Heath's migration around Bristol and the South West of England so this weeks tale is about a 'short hop' to Keynsham! The trip to 'Fry Club' of the Errea Somerset County League managed currently by ex-Heath hero Rob Mallet started out in torrential rain walking down to St Ivel Way to catch the elusive First Bus No. 18 service. The APP said the bus would arrive at 16:15, an hour and a quarter later the bus turned up! Luckily I had dressed appropriately for the inclement weather. Donning my COVID mask the bus whisked me over to Keynsham.

You would have thought the trip couldn't get any worse. Alighting at Keynsham railway station I walked through a storm strewn Somerdale towards 'Fry Club'. Broken tree boughs & limbs everywhere due to the high winds that would also create problems for the players of both sides during the match. Eventually I arrived at 'Fry Club' the team were standing around and apparently had been told there were no changing facilities, what? Could it get worse I hear you ask? YES! The 'Fry Club' bar wasn't open! Due to COVID, grrrrr! that COVID has a lot to answer for. My disappointment apparently upset the locals and the email they sent dismayed, embarrassed and upset me a great deal. Believe me!

What does one do if the bar is closed? Find the nearest alternate hostelry, being in Keynsham I chose 'The Old Bank'. I started walking back through Somerdale when I was met by Glenn Smart who also had the same idea. So off to the 'Old Bank' we went. MY first pint was a Severn Brewing Ltd. 'Amarillo Citra APA' A zesty modern American Pale Ale, using the wonderfully floral and orange citrus character of the Amarillo hop, together with a small amount of Citra and Ekuanot to give further Citrus and herbal character and a zingy bitter finish and an ABV of 4.3%. Some people may have read 'Beer Blog' during 'Lockdown' so this season I will be trying to give tasting notes of the beers I have tried on my travels.

My 2nd pint was a very well known Exmoor Ale's 'Exmoor Beast' a tasty dark stout dark mahogany-brown in colour, with a hint of crimson. Rich aromas of toffee, treacle, Mocha coffee, vinous fruit, and chocolate. There's more complexity on the palate with fruitcake, a hint of rum, more Mocha coffee, herbal hoppiness, vinous fruit, and a bittersweet finish. After a couple of pints Glenn and I eventually went to watch the match. Played in howling winds and torrential rain the Heath players coped well with the conditions and ran out easy victors three nil. After the match it was off to Oldland Common and a couple pints of Sharp's 'Doom Bar', one of Britain's most popular ales. Tasting notes: An enticing aroma of resinous hop, sweet malt and delicate roasted notes. The mouth feel is a balanced, complex blend of succulent dried fruit, lightly roasted malt and a subtle yet assertive bitterness. The finish is dry and refreshing.

Well my first Meandering of the season is completed. I hope you all enjoy the match and COME ON THE EEEEEF!

# CHFC Match Sponsorship

**Fancy sponsoring a CHFC game, match ball or a Man of the Match (MOM) award? Well here's your chance!**

**Whether you're an individual, a company or would like to make a dedication on behalf of someone, this is an opportunity not to be missed.**

**Matchball Sponsorship** – This package is available on an individual match basis for every First Team home game (including cup matches), with acknowledgement in the match day programme, social media and our club website. The cost is £25.

**Matchday Sponsorship** – Why not sponsor one of our First Team home matches and enjoy a hospitality experience at halftime and after the game in our clubhouse. This package is available on an individual match basis for every first team game, with acknowledgement in the match day programme, social media and our club website. The cost is £100 – but tailorable depending on numbers.

**Man of the Match Sponsorship** – Sponsor the Man of the Match (MOM) award for one of our First Team home matches. Select the MOM and present the MOM award after the game with acknowledgment on social media and our club website. The cost is £15.

# CHFC Players Kit Sponsorship

**Fancy sponsoring your favourite player? Well here's your chance!**

**Whether you're an individual, a company or would like to make a dedication on behalf of someone, this is an opportunity not to be missed.**

**Sponsor a complete kit, priced at just £80 and you will receive the following:**

- *Sponsorship of your favourite player (if not already sponsored)*
- *A first team shirt of your choice (if number not already taken) at the end of the season*
- *Company, personal name or dedication in the programme for the season*
- *Opportunity to meet your chosen player at games throughout the season*
- *The satisfaction of knowing that you're supporting your local football team*

**Or, to see your name in the programme for the season why not individually sponsor a players socks for just £5, shorts for just £10 or shirt for £65**

**For any further information, please contact Bruce Scammell in the clubhouse before a game or see one of the other committee members.**

**It's all about....**

**...Wellington F.C.**

Formed in 1892 we are proud to be an FA Charter Standard Community Club. Initially the Club played in leagues based around Taunton and Tiverton. In the early 1960s it gained promotion to the Somerset Senior League and succeeded in achieving Western League status in 1978 which has been retained ever since, making the Club one of the League's longest continuously serving members.

The First Team entered the Western League in the First Division in 1978/79 season and has played at Premier Division level from 1981/82 to 1984/85 and 2008/09 to 2010/11. The team were promoted as First Division Champions at the end of the 2016/17 season. In their first season back in the Premier Division the team finished a creditable 15<sup>th</sup>, they also reached the semi-final of the Somerset Premier Cup losing 4-1 away to Southern League Paulton Rovers.

The following season the team finished in 16<sup>th</sup> place and last season were struggling near the foot of the table when the season was brought to an abrupt halt by the Coronavirus Pandemic. Manager, Tim Legg has made a number of new signings for the start of the new campaign and the team are hoping to improve on last seasons performances.

All other seasons were played at Division One level. The Club's Reserve side have played in the Devon and Exeter League Division One for four seasons. Unfortunately, the team failed to finish above eighth place for three seasons and last year, they were in mid table position before the season was brought to an early close. This season the League has been reorganised and the team will play in Division One West.

Having played in the Devon & Exeter League for a number of seasons, the 'A' Team then transferred to Division Three of the Taunton Saturday League for the 2018/19 season where they finished a very creditable third and gained promotion to Division Two for last season. For the forthcoming season they have been promoted to Division One as they were topping the table when the season was forced to end.

The Club's Ladies played in the Somerset County Women's League First Division last season but found that they were unable to compete with more experienced teams. Hopefully with new players the team will improve this season.

**It's all about....**

**...Wellington F.C.**

This season the Club will again be running 21 teams in its Youth and Mini Sections. These teams see both boys and girls playing from the age of eight through to eighteen. The Club also has three Disability teams. In recent years Club Teams have had mixed fortunes in the leagues but a number have won the Sportsmanship Awards for their Age Groups and in 2018/19 season the Disability Teams won the Somerset FA Award for Disability Club of the Year.

The Club has a very successful website – [www.wellingtonafc.co.uk](http://www.wellingtonafc.co.uk) and is makes full use of its Facebook and Twitter accounts which are very well supported. We continue to work with the local Council's and Wellington Sports Federation on the Somerset West and Taunton Pitch Strategy which will hopefully result in the Club moving to a larger ground and bring the majority of football pitches in the town to one site.

Outside of its core footballing activities the Club is home to several darts and skittles teams and it runs a full programme of social events for members and non-members alike. The Function Room and Lounge are available for hire.

# CORONAVIRUS INFORMATION

In response to the recent outbreak of the Coronavirus (COVID – 19) we ask all visitors to self-screen before entering the building, to help lessen the spread of the virus.

## Do not enter if:

1. You have signs of a fever or a high temperature (above 38°C)
2. You have a persistent cough or respiratory problems
3. You have had contact with any possible source of the virus

If you have met any of the above criteria please return home and contact NHS 111 for advice

If you are safe to enter please do so and follow the guidance below:

1. Wash your hands regularly and thoroughly with soap and water or alcohol based hand sanitiser
2. Avoid touching your face with your hands
3. If you need to cough or sneeze, use a tissue and bin after use
4. Where possible avoid contact with vulnerable individuals such as the elderly and those with underlying health conditions

The

**HISTORY**

of the Heathens...part one!

The Club was first established in 1894 by Cadbury Heath Adult School (later to be known as Cadbury Heath Primary School) when Cadbury Heath was just a little narrow, one-street village, way outside the boundaries of Bristol.

Our first pitch was situated at Mill Lane, changing in the Social Club and heating up water for tin baths. With a break for the War years, and the transferring to what is now Coronation Park, we progressed from the Bristol & District League to Division Two of the Bristol Premier Combination, and then to Division One in 1961, after winning the GFA Junior Cup in 1950. In the 60's the team (only a first team then) built their own baths at the Social Club.

This period of success coincided with the renting of our present ground – Springfield – for £10 per annum from a local farmer and President Jim Warner. This was then an open pasture land with cows, a rope had to be put around the playing area. It had no Electricity Water or Drainage. The tea bar was a garden shed. The offer to purchase for £250 was short-sighted declined, as the field was later sold as part of major development land and only intense lobbying led by the then Chairman, Mike Packer persuaded the Council to allocate Springfield as part of Public Open Space leased to the Football Club for dual use. This has meant that we have not been entirely masters of our own destiny.

Even so, Gloucestershire county League championship in 1971-72, 1972-73, 73 74 and runners up 74/75 at the same time winning the GFA Senior Amateur Cup in 1972/73 73/74 and 1974-75, under Ralph Miller's Management. The success pushed the club into joining the Midland Combination after being turned down by the Western League due to the dressing rooms being situated too far from the pitch (what is now the Social Club bottle store). A stand was built for the requirement of the Midland Combination (with tea bar).

After finishing fifth and reaching the quarter finals of the FA Vase with a crowd of 2,000 at Springfield, and more listening live on local Radio Bristol for the tie against Billericay Town from Essex, the Manager left after a disagreement with the committee, and took most of the players, to Cinderford Town. This shook the club to the core, we were relegated and had to drop two divisions to the Avon Premier Combination (we were founder members) there was no 'Pyramid System' in force. A slow recovery took place, half time rooms being built, then a terrapin to provide on-pitch dressing rooms, taking advantage of newly laid drains for the new houses, a water supply, and electricity for training floodlights. Elected back into the Gloucestershire County League in 1984 a reserve team was started in 1988 ran by John Clarke formed from CHYMCA the first team finished as runners-up in the County League in 1990. The managers in this period were Bob Williams, Dave Pitman, Les Allan, John Harris, Andy Stone, Keith Cottrell, Brian Knighton, Mike Ratcliffe, and Chris Stone. We celebrated our Centenary by winning the League Championship for the fifth time in 1994, under the consistent managership of Brian Knighton, and we continued to dominate the league again.

# The **HISTORY**

## of the Heathens.... part two!

Continued improvement on and off the field saw new dressing rooms built on the ground in 1997, a youth academy started under Malcolm Knowlson and a new terrapin replaced the one for the youth section formed from an amalgamation with local youth football club, Grimsbury Rangers. After winning the Gloucestershire County League for a record sixth time, under the management of Andy Black, an application to join the Western League was again turned down due to the lack of a fence. Andy then left the club to join Bitton & Steve Plenty was appointed Manager along with Lee Knighton.

After a public open meeting and a long battle with the Council, the fence was finally erected at a cost of £15,000 funded by Cadbury Heath Football Club. Steve and Lee's first season in charge got runners up spot, of which consequently secured our election to the Toolstation Western League at long last! After two seasons in charge, Steve Plenty stood down due to family commitments and Lee Knighton took over the hot seat for a season and then the reigns were handed over to his assistant, Glenn Smart, who consolidated our position for four seasons. Lee Knighton took over as First Team Manager for his second spell and appointed Andy Weeks as his assistant in season 2005/6, also that year Steve Plenty became Chairman when Dave Smart stood down.

After five years of planning tribulations Floodlights were successfully installed at the end of season 2008/2009 this being Phase one of Heaths redevelopment plan, being largely due to the efforts of Chairman Steve Plenty. The Heath and The Social Club went their separate ways in season 2011/12.

Andy Black joined the club for his third spell in season 2010/11 appointing Glenn Smart as his assistant culminating in the first division championship and promotion to the Premier Div. in season 2011/12. Then followed two good seasons in the premier division with the last two seasons being a period of trying to rebuild the side after most of the original players either retiring or moving on to higher level football.

Phase two, is in the planning stage which is for a new dressing room facility incorporating a new clubhouse & new 100 seat stand with a covered area for a further 100. During season 2015-2016 Roger Coke joined the club as coach. Season 2016-2017 started with a new first team coach Phillip Bater Ex Bristol Rovers and the introduction of a U18 side who will be playing in the Bristol & Glos U18 league. Mid season Rob Mallett joined the coaching staff to assist Andy Black. First team won the GFA Challenge Trophy beating Fairfield Town 4-3 On penalties.

At the end of the season Andy Black resigned as manager and became director of football. Season 2017-2018, Rob Mallett was appointed first team manager; he was then succeeded by Andy Black returning. For the 2019/20 season, Andy will be assisted by his brother John.
