We're delighted to be hosting a **Rovers** team down at Cadbury Heath this pre-season! As we're deep in Rovers territory it would be great to see as many **Rovers** fans as possible come along to this game and support not only the **Rovers** youngsters but also put a few quid into a local non-league team. Its our 125th anniversary and we're hoping to get a decent gate in for this game to help increase our funds for some much needed ground improvements for Springfield.
