2013 SEASON

Wath Cricket Club

there's no finer place
to be on a summer's
afternoon...

Beer*, wine, good company
and some spare cricket tea
if you're lucky!

*five draught beers including
Wentworth Real Ales
are available during the season

where we've come from

Moor Road has been the home of Wath CC since we formed in 1899.

Very successful in the 20s and 30s, this was a golden age for the club which saw the club being crowned Yorkshire Council Champions.

A tough time followed after the war during the 50s and 60s. Ground subsidence hit the Club hard and all games were played away for a number of seasons.

The 1st XI have competed in the South Yorkshire Premier League since 1983, only 2 other clubs can claim that record.

In 2006 the Bar and Pavilion were extended and in the same year a new electronic scoreboard was also installed.

We started our Junior section in the 80s and have enjoyed fabulous success at all age groups from formation to the present day.

In 2009 the ECB helped fund our 4 lane nets to the tune of £52K a project that cost in excess of £73K.

ECB Clubmark status was achieved in 2007 and re-accredited in 2010.

We have 4 Senior teams with many of our Juniors taking part in those teams.

2013 SEASON

Wath Cricket Club

summer evenings aren't bad either...
willow on leather, barbecue fizzing
away with chance to see that junior talent developing

five draught beers including
Wentworth Real Ales are available during the season

Where we are heading

We aim to develop the sense of community that exists within the Club and reach out to the Dearne Valley's growing population; establish funding and plans for a new two-tier Pavilion; and continue to build on our tradition as a family orientated Club.

A tough season lies ahead, we've lost one of the best players in the league to big spenders, so we have to rely on developing our home grown talent.

A lot of our rivals have wealthy benefactors spending big money, most of our talent is home grown and we'll revel in being the underdog.

A famous victory last season:

Big spending Elsecar at home beaten, noooo fair thrashed. Facebook response from their captain 'it's their cup final, they'll win nothing this season.' That might have been the case, but the sound of Wath Blazer (the club song) never sounded sweeter!

Which is why we need your help:
To remain competitive and ensure
the clubs further progression both
on and off the field

2013 SEASON

Wath Cricket Club

Rob Barlow - Our First Team Captain for 2013 is a former England Schoolboy. He represented Yorkshire at all age groups from Under 11 to Under 19, as well as his country as an Under 15. Whilst at University, Barlow was selected for English Universities in the home nations tournament for three straight years and holds the record for wickets taken by an Englishman in the competition. Barlow also represented Derbyshire Second Eleven during the 2003 season, taking wickets against Lancashire and Yorkshire. A former Wath junior, he lists Doncaster Town, Scarborough and Sheffield Collegiate as previous clubs and picked up a Yorkshire League Cup winners medal with the latter in 2005. Barlow returned to Wath in 2007 and has been a fixture in the side over the last 6 years, before taking the reins for 2013.

Andrew Wood - One of the club's current longest serving players, Andrew has risen through the ranks since his move from Upper Haugh 15 years ago to establish himself as a regular 1st XI player. A top order batsman, Andrew enjoyed his best season in 2011, where despite getting a serious injury in August, he scored just under 700 runs at an average of 44. He also captained the Sunday XI for a total of 5 years. As well as playing for Wath CC, Andrew has also been involved with the England Deaf team, playing in 3 tours since making his debut against Pakistan in 2006. He has played in two home tours (against

the first eleven

Pakistan in 2006 and Australia in 2008) and one tour away in Australia in 2011 where he enjoyed decent success with the bat and played in every game of the 3 week tour. He also deputised for the injured wicket keeper in all matches, taking a total of 16 victims including 7 in the 1st test match in Melbourne.

Recognised as one of Wath's leading batsmen, Wood will hope he can produce the kind of form of 2 years ago and push Wath towards honours.

Overseas - Derek Mitchell (25) is a batting all-rounder, he played at Stellenbosch University Cricket Club for 5 years and currently plays for Western Province Cricket Club in Cape Town.

In the T20 format he played 5 matches and scored 209 runs at 41.80 with a highest score of 111.

Derek played for Pelsall cricket club in the Staffordshire Club Cricket Championship (Division 1) in 2012. He made 545 runs at an average of 36.33 and got 39 wickets at 12.33.

At the moment he's coaching at the Gary Kirsten Cricket Academy. And said "I'm very excited for the upcoming summer in England and I'm going to do my best which will hopefully translate into a successful season for Wath too."

2013 SEASON

Wath Cricket Club

Dan Waldron (15 in this shot) has made it on to the Yorkshire Pathways Programme. Seen here smashing a six off an Elsecar second team bowler during a Sunday League game.

our junior section

We have a large junior section that has 80 kids playing at all age groups from U9s to U17s with games being played virtually every day of the week during the season.

Our Juniors are very successful and regularly win league and cup competitions in the Barnsley league.

We are regarded as one of the best Junior set-ups in the whole of Yorkshire.

We currently have around 40% of them playing representative cricket with the gifted and talented Barnsley Talent Development Centre Representative Programme. We also have further 10 players who are on the elite Yorkshire Pathways programme.

Despite the significant cost of Junior cricket we are committed to their further development.

We have several shining lights within the club, Lyam Shelly, Harrison Neal both 10, Alex Roebuck, Joel Gunn and Oli Blackburn all 11, Jack Machin 15, but brightest of all is Dan Waldron 17 pictured opposite.

*the kids are the future of our club,
help us to help them develop.*
