

HASLEMERE RUGBY BECOME A CLUB BENEFACTOR

The Club's directors are now inviting HCRC members, families and companies to apply to become Benefactors of Haslemere Community Rugby Club (HCRC). It is aimed at all those that share our passion for the Club and want to help us achieve our goals.

WHAT YOU WILL BE SUPPORTING

Haslemere Rugby is recognised by the RFU as a key development centre of Youth & Seniors Rugby. Our aim is to continue the steps taken in recent years with the launch of The HCRC Development Programme. This 4 level plan aims to make Haslemere Rugby a leading Club, recognised for the highest quality development and competition in Surrey and the South East.

THE HCRC DEVELOPMENT PROGRAMME

Haslemere Rugby Youth Academy – A new Development Academy, with the support from Surrey RFU and Harlequins RFC, that provides a development pathway from Micro-Mini-Youth-Senior. Our aim is for EVERY player to achieve a level of performance matched to their abilities, ambition and stage of development. Whether Club, county, regional or national.

Haslemere Rugby Coaching Academy – A professional coaching programme aimed at developing the coaching skills of our parent and volunteer coaching body. This will ensure all our volunteers are supported and equipped with the skills to coach safely and with confidence.

Haslemere Rugby Senior Academy – The continuation of age grade rugby into the adult game is crucial for the Club. The senior academy will be providing 'Premiership' level coaching with the aim of growing and developing our Senior teams to compete successfully in local and national leagues.

CLUB FACILITIES

Our plan includes continuing upgrades to our grounds and facilities. Including:

- **An additional 6th pitch adjacent to running track**
- **New Coffee/Refreshments Hut (Pitch 3)**
- **Clubhouse refurbishment (New kitchen, internal upgrading)**
- **Extension to Club (The possible extension of the Club to create a spectator gallery)**

CHOOSE THE RIGHT PACKAGE

An average of 60 individuals volunteer over 5000 hours each year just to keep the club functioning. Your financial support will play a major part in supporting our volunteers and helping us to achieve our goals.
