

Thatcham Town Ladies and Girls FC Boot Recycling Scheme

To help keep the cost of football down we are trialling a boot recycle scheme within the club. You can drop of any used football boots that maybe too small or the wrong colour for your daughter, so as to help another player within the club who may need a new pair as they grow. Many Thanks for your support and contribution for the benefit of others. For more information or if you would like to donate or receive any boots from the boot room please contact u13 coach Danny Grey – danny.grey@tiscali.co.uk.
