AYLESBURY FC is a MEMBERS CLUB

A Word from the Chairman

Good afternoon everyone. Today we extend a warm welcome to the players, management, board members and fans of Coleshill Town to the SRD Stadium. Myself and my management committee hope you all enjoy your stay and have a safe journey home afterwards.

Since my last notes we have had a bit of mix fortunes, performances have been much improved on the pitch, none more apparent than in our 4-2 home defeat by a very good Didcot side, although I don't want to take away from them the victory that evening, however we were well in the game at 2-2 when Davis got very harshly sent off with 20 minutes remaining, this changed the course of the game in their favour, so we felt a little hard done by. Our game last weekend away at North Leigh was abandoned at half time for 4 bulbs being out on the their floodlights. Although both teams and management wanted to play on, the ref deemed it to be too dangerous to carry on, which was a surprise to everyone present.

We move on to today's game against a very good Coleshill team, who have lost only once in the last 10, so we are under no illusions of the task ahead. However as I have already mentioned, I have seen improved performances on the pitch and we now need to start putting points on the board that our recent performances deserve.

We welcome back to the club young Harry Scott, who will definitely strengthen the offensive side of the team and also Dan Carr who will strengthen the defensive side. Paul and Matt have done a great job in bringing in new faces to suit their philosophy of playing and there will be more new or old faces yet I'm sure.

I'm going to close just to say that 2018 has been mixed in terms of how it started, which was a club in somewhat turmoil and not knowing what direction it was going in, if at all. To a club very much stable and on the rise again and for that I would like to thank the management committee who have worked tirelessly behind the scenes and continue to do so, made even more remarkable by the fact that it is probably the smallest committee in non league football.

All this would not be possible without the generosity of our sponsors and to them I thank with the bottom of my heart and also the fans who have stuck with us through this rebuilding process, it is much appreciated and not gone unnoticed.

I hope you enjoy today's game and the result is a positive one for the moles and I wish you all a very happy new year and hope you can make the journey to Chesham on new years day to make some noise when we face the Ducks.

Tony Masella

From The Dugout

Good afternoon, I hope you all have had a great Christmas and enjoyed all the festivities ... Its such a great time to relax and enjoy time with families and friends but also in my opinion the best period of football with games coming thick and fast.

Firstly, I would like to welcome all connected with Coleshill to the SRD Stadium and I hope your short stay with us is a pleasant one. Coleshill come to us bang on form, with only one loss in 10 and that was against their play-off rivals Corby Town. When we played them first game of the season, they were very organised back to front and played with a great intensity which is needed at this level, it's no surprise to see them doing so well this year.

We left North Leigh very frustrated last Saturday with the abandonment at half time due to flood light failure, drawing 1-1 we felt we were in very good shape going into the second half and I thought we would have come away with three valuable points. We looked very sharp going forward which is great to see and we welcomed starts for Brian Haule, Harry Scott and Dan Carr. Dan is a player who I know the mole fans will love – he's young and fearless and I'm looking forward to seeing more from him in a FC shirt.

Everyone's results in this league have been so up and down but one thing is for sure we need to start getting points on the board otherwise a gap will form from the mid-table teams, both Kempston and Kidlington are very good sides and won't be in this mix for long so we need to take care of business and make sure we are part of the mid-table sides not looking over their shoulder.

I'm fully aware of the game against AUFC on new years day and the importance of the fixture not only because it's a derby and the pressures that brings but also its vital, we get something from it points wise but our focus is fully on this fixture with Coleshill and the challenges they bring.

As 2018 draws to a end I want to wish everyone involved with FC a Happy New year from the committee to the faithful supporters , I know the club has had a tough time of late but we have some very hard working volunteers onboard who have all stuck with us and are pushing the club forward – I know 2019 will be a good year for us on and off the pitch.

I hope you all enjoy the game Come on you Moles.

Paul

Aylesbury FC History

The club has enjoyed a long history in senior and junior football dating back to the 1930's under the previous names of Aylesbury Vale, Haywood United, Belgrave, Stocklake and Negretti and Zambra FC, which was founded in the 1930's by workers at the Negretti and Zambra company then based in London's King Cross district. The company moved to the Stocklake Industrial Estate, Aylesbury.

in 1949 and by the mid 50's the premises had a bar, football, cricket and tennis facilities. The football club joined the Aylesbury District League in 1954. The social club changed its name to Stocklake when Negretti and Zambra sold the premises to the local council, who then leased the facilities; hence the different sections adopted the name Stocklake. Under the guidance of Chairman Mr Ernie Crotty, the club gained many honours including runners up in ADL's top divisions, before gaining intermediate status in the Wycombe and District League first and senior divisions. Sadly Ernie was killed in a road accident just before the club moved premises to the present location at Haywood Way in 1987.

After gaining senior status and promotion to the Chiltern League in 1988, Stocklake enjoyed many further successes including Division One runners up in 1991, Premier Division and League Cup runners up the following season and Wycombe Senior Cup success in 1995. Cup success was also followed on in the following season, this time the Berks and Bucks Intermediate Cup being added to the trophy cabinet. Belgrave FC was formed in 1983 by Jim Sullivan who lived in nearby Belgrave Road. Jim had two sons who were passionate about football but were limited to where they could play, so formed a team himself with the help of neighbours Lynne and David Hatcher. By 1990, under the guidance of Danny Martone, Belgrave had grown to five youth teams providing football for over ninety boys from the Quarrendon and Haydon Hill areas of Aylesbury.

1996 saw the forming of two senior teams under the Belgrave FC name and by the turn of the millennium teams were represented at all levels from Under 8's through to seniors, some 200 players being registered, this also including Stocklake Ladies. In 2000 four youth teams won league and cup honours, whilst the senior team went on to win the Aylesbury District Cup, the Field Shield and ADL Premier Division runners up.

At the start of the 2000/2001 season, the senior Belgrave FC team was renamed Haywood United following an amalgamation with Stocklake FC with Danny Martone voted in as chairman of the new club. Haywood United joined the Spartan South Midlands League and won promotion into Division One after two seasons. Notable achievements during the 2001/2002 season included league awards for the best kept and most improved ground; this included the erection of floodlights and perimeter fencing, which Danny and his hard working committee fought hard to establish. Another award was gained for the match day programme in recognition of how much the club was developing.

Season 2002/2003 saw a difficult start in Division One, but with the arrival of manager Jon Franklin and his assistant Keith Walker just after Christmas, the club eventually consolidated finishing in 9th place. Promotion was gained to the South Midlands Premier Division the following year after a campaign that saw 23 wins, 7 draws and only 4 losses. Haywood United proved themselves capable of staying in the Premier Division after finishing 3rd in the 2004/2005 season in a campaign that only include one loss in the twenty matches after Christmas. The club also entered the FA Cup and Vase for the first time and won the Buckingham Charity Cup in 2006.

Season 2006/2007 began with Haywood United becoming Aylesbury Vale FC and saw Keith Walker and Steve Gleinster take over as joint managers and steadily build a squad. This was recognised in the 2008/2009 season with a good cup run in the FA Cup and FA Vase, winning three rounds in the FA Cup losing to Level 4 side Gosport after a replay, and losing out in the 4th round of the FA Vase to Leiston Town.

Aylesbury FC History

After Christmas the side suffered due to long term injuries and finished mid table. May 2009 saw a major new development in a new semi professional side. Aylesbury Football Club was formed under the leadership of Chairman Roger Dance and assisted by Vice Chairman Danny Martone. Former Chairman Bill Harrison was made President of the club.

Great success on the field of play was to follow, with the team having a fantastic run in the F.A. Cup. We were the last 'level five' team in the country to remain in the competition and were rewarded with a visit to Haywood Way for the F.A. Cup trophy, allowing the team, supporters and local people to get their hands on this famous trophy and make the most of this memorable occasion. We were finally knocked out of the competition by Wealdstone in a close game. A brave and superb display was witnessed by a bumper crowd of 800 plus.

Meanwhile, away from the midst of F.A. Cup drama, our success continued, becoming 'Double Winners' Winning both the Spartan South Midland League and League Cup capping an extraordinary season and gaining promotion to the Southern League Division 1 Central.

Steve Bateman took over in 2013/14, steered the club to safety in his first 6 months in charge. Then in 2014/15 with Bateman at the helm FC has their most successful season to date most successful to date. Playing at the highest level in the club's history, the team finished third in the League, having been pushing for promotion all season and narrowly lost out in the semi final to Bedworth United having already beaten them twice in the league

the 2015/16 finished with a flourish as the club finished just outside the play off positions, but had the consolation of our first major Cup Final, beating Chesham United in the Berks & Bucks Cup at Windsor. Steve Bateman and his management team resigned at the end of the season and Danny Gordon & Gareth Risbridger took the helm , supported by Paul Bonham , Ryan Wiffin & Aaron Norman. Davis Haule took over from Gordon & Risbridger in December 2016, appointed brother Brian as his assistant and recruited former coaches Fraser McLachlan, Aaron Wiffin and added Ryan Collings to his back room staff for the 2017/18 season.

2017/18 was a difficult season for club finishing 21st and avoiding relegation due to the League re organisation. This season sees a new era with ex Leighton manager Scott Reynolds taking over the reigns assisted by Matt Moran, Lea Coulter and the returning Paul Bonham.

Aylesbury Football Club prides itself on clear ambitions: to progress to higher league football and to achieve higher league status with squads from local talent. The club hopes to continue to work with other local community groups and enhance the clubs facilities to benefit the people within Aylesbury.

Aylesbury FC 2 Didcot Town 4 – Tuesday 11th December 2018 - League

Didcot were looking to bounce back from an off-colour performance against Coleshill Town and started the stronger of the two sides. Gregg Hackett caused trouble down the right-hand side of the Aylesbury FC defence early on, first dragging a shot wide of Nick Bennion's far post, before just minute later teeing up Brett Gardner who showed good technique with a powerful strike on the turn which just missed the target. The early pressure soon brought a goal – Gardner delivered a dangerous ball to the front post, and Lance Williams was on hand to nip in front of Bennion to poke the ball home.

The Moles had little to shout about after half an hour of play, with the only chance of note coming from the towering figure of Derek Feyi who headed wide of Leigh Bedwell's far post from a curling Bruno Brito free kick. Whilst Didcot had enjoyed long spells of possession and looked dangerous going forward, they had failed to create any clear-cut opportunities following their early opener.

On 33 minutes Aylesbury were level. The Moles were awarded a somewhat fortuitous free kick on the edge of the Didcot Town penalty box, Martin Griggs duly obliged to the opportunity handed to him by the referee, stepped up, and finished clinically, despatching a low curling effort around the ineffective Didcot wall, leaving Bedwell stranded.

The Moles looked to see the half out and go into the dressing rooms with the score all square, with the opportunity to regroup and come out with more fight in the second half. Luke Carnell, however, had other ideas. Williams had the beating of Craig Carby, delivered a teasing ball into the danger zone with Carnell on hand to head home unmarked via a deflection off Jordan Frederick as he attempted a last-ditch block.

The Moles were by no means down and out though, coming out on the front foot in the second period. Martin Griggs, who was by far the best player on the night came close to an equalising goal but was thwarted superbly by Bedwell in the Didcot goal with a fingertip save onto the crossbar from a mightily hit effort. The home crowd weren't made to wait much longer for an equalising goal, and some goal it was too, as on 62 minutes the ball sat up kindly for Griggs who didn't hesitate in unleashing a sweetly struck dipping effort over the head of Bedwell and into the top corner for his sixth goal of the season, sending the home crowd into raptures.

Following the equaliser, the momentum looked to be with the hosts, however, a rather harsh red card was shown to Davis Haule for an alleged off the ball incident between the experienced midfielder and Didcot substitute Isaac Caelan as FC were setting up to defend a corner.

Didcot didn't waste any time in making the man advantage count and were soon back in front. A well worked breakaway led to Williams getting his second of the night, converting David Murphy's cross with a delicate header past Bennion at the front post. The visitors soon added a fourth through Callum McNish, with the midfielder rising above Johnson-Fikula in the six-yard box to crash another header into the back of the net. Ty Deacon had a half-chance deep into injury time to pick up a consolation goal for the hosts, but his effort from 12 yards lacked composure, with the ball spinning off his shin and wide of the far post.

Coleshill Town History

In 1994 Coleshill Town Football Club were awarded a certificate from the Football Association in recognition of 100 years affiliation to the FA. This however does not tell the whole story as Coleshill had been playing football, all be it in friendly or challenge matches, since 1885. The first ever recorded game was in November 1885 against Acocks Green. The Chairman was Mr E. Watson and the uniform of dark navy blue jerseys, white knickerbockers and blue and white caps, was supplied by local tailor Alfred Dabbs. The club was then known as Coleshill & District Football Club, the District was dropped a few years later and Town added many years later but the town of Coleshill has always had a football team since that date except during the war years. In those early years Coleshill entered many local cup competitions and made four semi finals before eventually making their first final, the Edgbaston Challenge Cup, in 1898, unfortunately losing to Cambridge Rovers. In 1906 they applied and were accepted into the Birmingham Youth & Old Boys League for the first time. In 1910 Coleshill won the Coleshill Charity Cup as well as the Tamworth Nursing Cup.

The Coleshill Charity Cup was commissioned in 1905 at a cost of 50 guineas and first played for in 1909. Played on Easter Bank Holiday Monday it became an important event in the Coleshill calendar. Crowds of up to 2500 were not unusual. Coleshill won the trophy nine times, but by the late 1960's they had withdrawn from the competition as it was felt that due to the level of football they were playing (Mid Com) it was not in the spirit of the charity trophy to continue. From that point the competition lost some of its appeal and it slowly petered out although there is some talk of bringing it back in some form. Today the trophy is estimated to be worth in the region of £3000.

Coleshill's early nickname was "Coleshillites" but this changed to the "Rabbits" as Coleshill's hospitality became famous for its delicious rabbit pies. They have also been known as "The Greens" because of the colour of their strips and more recently as "The Coleman".

Coleshill remained in the BYOB league up to the First World War and when they reformed again they joined the Sutton and District Amateur League. They remained in the Sutton league, only breaking for the Second World War, until 1956 when they joined the Birmingham Youth and Old Boys League again believing this to be a step up in standard. During this period Coleshill Town often did battle with local rivals Coleshill Hall but the two clubs merged in 1964 and by 1967 Coleshill Town were Runners Up in the league and had won both the Aston Villa Cup and the Queens Hospital Cup. Another step up in standard saw them join Division 2 of the Worcestershire Combination in 1968 and they won a league and cup double in 1970. One of the catalysts for success during that period was the signing of former professional Tim Rawlings, ex West Bromwich Albion, Walsall and Port Vale, who to this day remains the only player to be born in Coleshill and play in the Football League as well as for his home town club.

Coleshill were refused promotion due to their facilities, "The Memorial Ground" not meeting the higher league standards. A new home ground had to be found and due to the persistence, determination and dedication of Percy Hastings, Coleshill moved to Pack Meadow in 1974, where they still remain. Promotion was secured in 1975 to the top flight of the now Midland Combination, and there they stayed, apart from one season, for more than thirty years. That one season incidentally, was relegation to Division 1 in 2000, which remains the only time Coleshill have ever been relegated in their entire history.

Coleshill Town History

Coleshill's greatest achievements during that time saw them MFC Premiership runners up in 1983/84, missing the title on the last day of the season and winning the Walsall Senior Cup in 1983.

Other highlights included a run in the Birmingham Senior Cup in 1988/89 beating Birmingham City at St Andrews then holding Wolverhampton Wanderers to a draw. The replay at Molineux was against a Wolves first team including outstanding young strikers Steve Bull and Andy Mutch. The Coleman more than matched their Black Country opponents for over an hour. Although Town tired and conceded late goals they prevented Steve Bull from scoring, something that Scotland failed to achieve at Hampden Park a few weeks later. John Taylor scored against Birmingham City making him the first Coleshill player to score against a professional team. Since then only two players have been able to join him in that accolade, Matty Robinson in 2009/10 against Burton Albion and Danny Carter against Birmingham City again, in 2010/11, both in the Birmingham Senior Cup.

Coleshill Town qualified to play in the FA Vase in 1975 and then the FA Cup in 1983. In the Vase the furthest they have been in the competition is the 3rd round in 2007/08, when after beating Bolehall Swifts, Leek CSOB and Barwell they lost to Blackstones. In the FA Cup it was 2010/11 that Coleshill made headlines. They had already beaten Brocton, Heather St John, Evesham and Lincoln United to make it to the 3rd Qualifying Round to face Nuneaton Town. Unfortunately that's where the fairy tale ended, 6-0 in front of a crowd of 965.

Famous former players include Danny Hagen, the former Irish International who played in the UEFA Cup Final for Wolves in 1972, but our greatest son is without doubt Gary Shaw who was picked up by Aston Villa whilst playing for Coleshill as a sixteen year old.

In more recent times the club enjoyed the 1997/98 season under Martin Socket who led the side to the top of the Premiership table before leaving to join VS Rugby. A succession of managers then came and went, usually taking all the players with them. Colin Strong couldn't avoid

relegation in 2000 but led them back to the top flight the following year. Mick Beadle steadily improved the side in the four years he was with the club, setting a new club record of 802 minutes without conceding a goal and nine consecutive wins in 2006/07.

During the summer of 2006 Coleshill Town became a Limited company with local businessman Nigel Jones at the helm. The Pack Meadow ground was owned by a local trust but Jones managed to purchase the ground, something that was thought not to be possible, and appointed Paul Woodford as Chairman to oversee the development of the facilities. Woodford then replaced Beadle with former Kettering player and Bedworth Assistant Manager Carl Adams who was appointed manager in September 2008 and in just 7 months, he led Coleshill to the Midland Combination Premier Championship for the first time in the club's history, clawing back a 22 point deficit to pip Highgate United to the title, by goal difference, on the last day of the season.

With Pack Meadow now reaching the required standard, Coleshill were promoted to the Midland Alliance, their highest ever level on the non-league pyramid, for the start of the 2008/09 season. They

Coleshill Town History

finished their first season in the Alliance in 11th place and won the Tony Allden Trophy.. but fifteen games into the 2009/10 season Carl Adams stood down quoting family and work commitments the reason for his departure. Neil Kitching and Martin Socket were quickly installed as a joint management team and finished in a creditable 8th place.

Coleshill made headlines in the non-league papers and even some daily papers in 2009 when Wilson Palacios moved from Wigan Athletic to Tottenham Hotspur for £14 million. It appears that the Honduran International had made his first ever appearance in England at Coleshill's Pack Meadow ground whilst on trial with Birmingham City. The game had hastily been arranged specifically to see if Palacios could make the grade, 45 minutes and two goals later, it was decided he definitely would!

Kitching and Socket's potential was quickly noticed and they were snapped up by Rushall Olympic during that summer, and so Carl Adams was asked to once again take the reigns for the 2010/11 season and an almost identical record as the previous year saw Coleshill finish in 12th place. That season Dosthill Colts had become tenants at Pack Meadow but they had become the dominant force on the committee, especially when Paul Woodford stepped down and Dostill's Paul Billing became Coleshill's Chairman. Nigel Jones had took a back seat and even put the ground up for sale and so the future of the club seemed uncertain but fortunately Coleshill Town Football Club were able to take their place in the Midland Alliance for the start of the 2011/12 season to maintain their 126 years of football in the town. Unfortunatley it was a campaign that saw Coleshill flirt with relegation and another year in the Midland Alliance was only confirmed in in the penultimate game of the season with a win over Dunkirk. Manager Carl Adams resigned shortly after the last game and was quickly replaced by his previous assistant Jason Lanns, his first taste of management.

The 2012/13 season didn't start too well and Lanns stood down! Andy Reece, ex-professional with Walsall and Bristol Rovers took over for three games but left for a full time scouting job at Northampton Town. Chairman Paul Billing took charge of the first team for a couple of games whilst deliberating over who to recruit as first team manager and take the club forward. Billing finally put his faith in Youth Team Manager Paul Casey. Casey had a job on his hands as Coleshill were in real danger of relegation, but he came through and Midland Alliance status was secured with one game to spare! 2013/14. Casey's first full season, was a record breaking one! Town finished the season in 4th place, the highest position in the club's 129 year history! In the FA Vase Coleshill reached the 4th round and were disappointed to lose to Dunston Uts, one of the favourites, after extra time. Expectations grew due to this one season and Manager Paul Casey didn't disappoint! 2014/15 was a record breaking season in the first year of the new MFL league! Semi-Final of the League Cup only missing out on a Final at The Bescot Stadium on away goals! Semi-Final of the Birmingham Senior Cup taking Birmingham City to Extra-Time and Penalties only to lose in sudden death! Runners-Up in the league just six points behind Champions Basford United! The highest ever place on the Non-League pyramid, beating last season's new record by two places, 11 points, 5 wins and 20 goals! Shane Benjamin broke a club goalscoring record scoring 47 goals, won the League Golden Boot and also broke a Club and League record by scoring 7 goals in a single game! The Reserves and Ladies teams also finished Runners-Up in their respective leagues and the Junior section is starting to gain momentum with many age groups returning to the club! And to top it all a new 3G Artificial surface is being installed at Pack Meadow and should be ready to use by 1st October!
