Welcome from our Chairman

David Lee

Good afternoon and welcome to the Seal Bay Stadium for our SCFL match against Seaford Town FC. I extend a warm welcome to our visitors, their officials, players and spectators, and, of course, our match officials for the game. I hope that you all have an enjoyable time with us today.

Seaford have not started their Division One campaign as well as they might have expected this year. They are currently lying twelfth in the league having played eight games. Somewhat disappointing for them following on from last year's exploits where they finished in the play-off places. They were denied promotion to the Premier League when they lost to Shoreham FC. However, when you look at their results, you will see that they have performed well against various sides. Notably, the 2-0 win away to Chessington and the 2-2 draw at home to Dorking. So, I think it shows, that Seaford are a good side and a match for anyone. We will need to perform well to get a result today.

We should go into the game full of confidence as we have now extended our winning run in the league to seven games. Last Saturday saw us take all three points at home to East Preston when we won 3-1. Our visitors didn't do themselves any justice when two players saw red, with at least half an hour of the game left! We perhaps should have scored more goals, but a great performance from EP's keeper kept the score down. We then travelled to Wick FC on Tuesday night, where I thought we would have our toughest game to date. The game was a tight affair with both sides showing respect for each other. We created the better chances, had more possession than our hosts and Shane Brazil's goal on 75 minutes was enough to win the game. Overall, we were the better side and deserved the points. These wins keep us top of the table and long may that continue.

I have to say that the side is shaping up extremely well and it is very encouraging to see the performances that they are putting in. There is a confidence and maturity about our play which I know will please Daren and his staff. Hopefully we can maintain the current performance levels and, at the same time, keep improving.

At the time of writing my report, our U23s had still only played five league games. They were in action on Thursday when they visited East Preston. I am hoping that they will have put in a good performance and come away with a win. It should be an interesting game as our hosts have only one more point than us in the league.

Our U18s have still only played two games, against Chichester City and Bognor Regis. A 2-1 win was enough to defeat Chichester, whilst a 2-2 draw was achieved at Bognor. Tomorrow, the U18s are at home to Ferring with an 11am KO. If you are about, please come up and support the youngsters.

The Ladies 1st team suffered their first defeat of the season last week when they lost 1-0 at home to Milton Keynes in a Cup match. Tomorrow, sees them return to league action and they travel to Larkhall Athletic for a 2pm KO. The Development Squad has won one and lost two so far. The two defeats have been 1-0 at home to Badshot Lea and 4-2 away to Woking. The win was a 2-0 defeat of Abbey Rangers. Tomorrow sees them host local rivals Chichester City at the Sidlesham Recreation Ground. Kick-Off is at 2pm.

I wish all our teams well for the weekend and I hope that we record wins all round. I hope you enjoy the game today and don't forget you can get refreshments from both the bar and the food bar.

Manager's Match Report

Manager Daren Pearce

Saturday saw us play at home for the first time in a few weeks hosting East Preston who like ourselves have made a good start to the season. Although not being at our best we managed to put another 3 points on the board and maybe with a bit more care in the final third we could have probably added to the 3 goals we scored on the day, after being sloppy in the opening 20 minutes.

We conceded a poor goal half way through the first half but credit to the lads as we did get back into the game with a well taken goal before half time and then again early in the 2nd half to make it 2-1 when our visitors were reduced to 10 men then 9 men. We then added a 3rd and should of scored a few more but credit to the visiting goalkeeper who produced a great display to keep the score down to 3-1. So not our best display so far this season collectively but some pleasing play in periods of the game and some good goals scored.

Tuesday night saw us make the short trip to local side Wick FC, who themselves have made a good start to this season and are always tough opposition especially at home. Having played them earlier in the season in the cup losing 3-2, we ourselves were looking to continue our league form and the start to the season we've had and to produce a good display away from home. With both sides producing some good moments in the game we managed to get in front and take the lead 1-0 mid way through the second half and from there we kept our composure and concentration to take home the 3 points.

A good solid away performance which is always pleasing and also the fact that the squad are developing well together and putting into practice things we ask of them.

Attention now moves to today's home game v Seaford, which I'm sure will be another tough test and game for the lads

Club History:

Seaford Town FC joined the Sussex County League Division Two in 1952, and won promotion in 1963-64 after finishing as runners-up to Selsey. The next seven seasons were spent in the top division (finishing 4th in 1965-66) before being relegated back to Division Two in 1971.

In 1978 the club dropped out of the County League, but returned as founder members of the new Third Division five years later. In 1985/86 they returned to senior football as champions, and in 1988-89 took the Division Two title. However, their return to Division One was to last just two seasons before they were relegated once more in 1990-91. Worse was to follow, and in 1992-93 Seaford found themselves back in intermediate football again.

Things didn't get any better, and Seaford dropped out of the County League altogether after being relegated in 1997. They spent two seasons in the East Sussex League before regaining their place in Division Three. Seaford FC dropped Town from its name in 1999, following a merger with Seaford Seagulls Youth FC. It was reinstated in 2005.

Promotion back to Division Two was achieved in 2000-01, as runners-up to Rye & Idon United, with 6th place in 2004/05 their best finish since then. Prior to the 2005-06 season the Club's name reverted back to Seaford Town, as did the colours from red and blue, to all red. The club finished in the top eight for the next three seasons, and their 6th place finish in 2006-07 bettered a similar finish in 2004/05 by one point.

In April 2015 Seaford Town FC merged with Seaford WASPS Junior FC to create a strong footballing identity for the youth of Seaford. With younger players breaking into the senior teams Seaford is indeed a Community Club for the town.

So moving forward. Whilst recognising the clubs 100 years plus history it is important to look ahead. Since 2015 and following several years of stability the club has moved forward both on and off the pitch. STFC is a club that has never been in a position to waste money but one that will improve the facilities at The Crouch as and when possible for the benefit of the club and community.

Recent improvements have been the refurbishment of the clubhouse and the pitch side barriers. But it is behind the scenes where important changes have happened also. The club has tried to create an environment where everyone is welcome whether playing or watching. We have a strong senior playing squad including a first team, under 23 and under 18 sides. The youth section is running teams from age under 6 to 16 and we now have a Men's Vets side, 2 Ladies teams and an all-inclusive team. These are all good things for the club. Behind all these things the clubs committee have tried to ensure that most importantly all involved enjoy their time at STFC. The club will continue to move forward and with the help of the local community, Seaford Town Council and our many sponsors the future looks exciting.

Our club is known for providing one of the friendliest of welcomes in the league, and for the quality of our playing surface which is superior to any club at our level.

We have a growing list of alumni who have come through our playing ranks and gone on to play professionally. We have excellent established links with all south coast football league clubs with a list of our youth talent currently at their academies. Our first team manager Daren Pearce brings through youth with a clear pathway for those wanting to aspire to first team football.

We want to keep this excellent pathway of football alive. We have boys and girls training with us who are desperate for team and playing experience, sadly we lack youth coaches and managers. We can offer to support anyone who comes forward to be a coach/manager and we have vast football experience within our ranks who can support you on you and your team's journey. PLEASE get in touch, you can speak to anyone, and they will point you in the right direction. If your child is currently on one of the evening training courses, have a chat with Darren. We are on all the social media platforms if you want to contact us informally at first.

We have big plans for the future of the club, we are working with Sports Dream to progress our development of a new club house. However, for the club to continue to prosper, more volunteer help is required behind the scenes - particularly on a Saturday and evening match day in ground set-up, match day hosting, stray ball collection and clearing up.

You may feel you can add value in other ways as an active part of our Committee - if so, we would also love to hear from you.

We would like to invite anyone who can give whatever spare time they may have to assist around the club. A passion for football is optional!

If you think you can make a difference, please contact club Treasurer Dickie Isted on 07885 619849 or email him info@selseypropertieslettings.co.uk
