# Welcome from our Chairman

**David Lee**

Good afternoon and welcome to the Seal Bay Stadium for our Southern Combination Football League match against Mile Oak FC. I extend a warm welcome to our visitors, their officials, players and spectators, and, of course, our match officials for the game. I hope that you all have an enjoyable time with us today.

Our friends from Mile Oak started the season with a disappointing 3-0 defeat away to Wick FC. They followed that up in the midweek, with another 3-0 defeat to Hailsham Town FC in the Peter Bentley Cup. However, last Saturday they made amends for their poor start when they entertained Arundel and recorded a 3-2 victory. As we know, Mile Oak are always a dangerous side to play against and they have quite a bit of experience in their side. We will need to play well today to get a positive result, but I am sure, that if we go into the game with the right attitude and application, a good result can be had.

There is no reason why we should not be confident going into the game. Whilst we were defeated 3-2 by Wick FC in our Peter Bentley Cup match, I thought we gave a good account of ourselves. We had taken the lead in the first half with a goal from Evan Harris, but early in the second half it was 1-1 and Ollie Clarke had received a red card for a rather rash challenge. Wick got their noses in front before Corey Burns equalised with a great strike. Unfortunately, Wick got the winner in the latter stages of the game and we were unable to get a third. Albeit, our keeper Syd Davies must count himself unlucky not to have scored with a header right at the death. Somehow the Wick keeper made a great one-handed save to secure their route into the next round.

We carried our good form into last Saturday's game at Dorking Wanderers and, on perhaps the hottest day of the season so far, we came away with a 3-1 win. Our goals came from Akil Alleyne with a firm header, and the other two came from Evan Harris. Our hosts on the day got a consolation goal in the last ten minutes but they never looked like getting anything out of the game. I have to say that I was very impressed with our performance and I thought that we were very organised and professional on the day. The win was fully deserved and had we taken our chances we could have added two or three more goals to the scoresheet. Hopefully we will put in another good performance today.

Our Under 23s started their season on Wednesday when they entertained Steyning Town at home. I had already written my notes before the game and hopefully we will have recorded a win.

Tomorrow sees our Ladies open their league campaign when they entertain Swindon Town Women FC with a 2pm kick off. Good luck to them and I hope we start with a win.

Our U18s season will start on Sunday 4th September with an away fixture V Chichester City U18s KO 11am

# Manager's Match Report

**Manager Daren Pearce**

On a blistering hot Saturday afternoon we made our way to Dorking Wanderers B and their Meadowbank stadium for our first away league game of the season.

After Tuesday evenings defeat against near neighbours Wick in the PB CUP it was important to get points on the board.

We started very brightly and stayed on top of the hosts for pretty much the whole 90 minutes. We scored 3 good goals (0-1 HT) and this could of possibly been more, wasteful finishing and good goalkeeping kept the scoreline down for the home side.

Second half we came out very strong and it wasn't long before we scored another 2 goals, only in the last 10 minutes when we relaxed a little too much were Dorking able to score a consolation goal. Picking up 3 deserved points on the road, on a very hot and sunny afternoon was a good result. Credit to the lads for putting on a very professional display.

Our attention now turns to today when we return home to host Mike Oak FC KO 3pm.

We look forward to seeing you all ..

Daren Pearce

Mile Oak FC was formed in 1960 and started in Division eight of the Brighton, Hove & District Football League and won the division at the first attempt, and promoted to Division six.[1] Further promotion followed in the 1963–64 season when the club finished as runners up in Division six and the club was promoted again the following season.[2] The club's first attempt at Division four saw them finish as champions, however four seasons later and the club was back in Division five.[3][4] A season later they were back in Division four and the 1971–72 campaign saw them finish as runners-up and promotion Division two.[5][6] The club had instant success in Division two finishing as champions, a feat they repeated the next season in Division one[7][8] The 1980–81 season saw the club become winners of the Brighton League.[9]

In 1986 made the decision to leave the Brighton, Hove & District Football League to become a senior club in the Sussex County League, and an application was made to join the Southern Counties Combination League, which was a feeder into the Sussex 'pyramid'. [10] After just one season, the club won promotion to Division Three of the County League as champions.

After five seasons, promotion was gained to Division Two in 1991–92, as runners-up to Hassocks, and then to Division One as champions in 1994–95. They stayed in this division for three seasons, and were relegated back to Division two in 1997–98

In 2005–06 they won some silverware after defeating Sidlesham 1–0 in the Final of the Division Two Challenge Cup.[10]

In the 2008–09 season the club again gained promotion to Division one but only survived one season back in the top flight of the Sussex league.[11]

In the 2014/15 season the Sussex league was renamed the Southern counties league with division 1, 2 and 3 being renamed premier, division 1 and division 2 respectively.

Our club is known for providing one of the friendliest of welcomes in the league, and for the quality of our playing surface which is superior to any club at our level.

We have a growing list of alumni who have come through our playing ranks and gone on to play professionally. We have excellent established links with all south coast football league clubs with a list of our youth talent currently at their academies. Our first team manager Daren Pearce brings through youth with a clear pathway for those wanting to aspire to first team football.

---

We want to keep this excellent pathway of football alive. We have boys and girls training with us who are desperate for team and playing experience, sadly we lack youth coaches and managers. We can offer to support anyone who comes forward to be a coach/manager and we have vast football experience within our ranks who can support you on you and your team's journey. PLEASE get in touch, you can speak to anyone, and they will point you in the right direction. If your child is currently on one of the evening training courses, have a chat with Darren. We are on all the social media platforms if you want to contact us informally at first.

We have big plans for the future of the club, we are working with Sports Dream to progress our development of a new club house. However, for the club to continue to prosper, more volunteer help is required behind the scenes - particularly on a Saturday and evening match day in ground set-up, match day hosting, stray ball collection and clearing up.

You may feel you can add value in other ways as an active part of our Committee - if so, we would also love to hear from you.

We would like to invite anyone who can give whatever spare time they may have to assist around the club. A passion for football is optional!

If you think you can make a difference, please contact club Treasurer Dickie Isted on 07885 619849 or email him [info@selseypropertieslettings.co.uk](mailto:info@selseypropertieslettings.co.uk)
