Chester Boughton Hall CC Welcome to Your Handbook 2018

This guide provides you with everything you need to know about your Club in 2018, including contacts and fixtures for our sides.

2017 was a great year for CBHCC, our senior men winning both the ECB Cheshire Premier League and, for a record eighth time, the Cheshire Cup. Success too for our women in the T20 KO Trophy.

Things never stand still at CBHCC – on and off the field – and we've an exciting calendar of events this year including the World Series 'Last Man Standing' Championships in August, a Cheshire CCC three day game with Berkshire and the little matter of Lancashire 2nd XI taking on Warwickshire in June.

We've many functions lined up during the year too. Keep an eye on our website for full details.

Communication

As well as our website, we've Facebook and Twitter accounts and we'll email details of events to our members. If you've not given us your full contact details, please do so by becoming a member of our website and by providing full information on your membership forms.

Sponsorship

Running an operation the size of ours is an expensive business and we'll continually working hard to gain the support of local organisations to help us.

We're indebted to a number of companies including the terrific backing we receive from one of the North West's finest caterers, Dougherty & Allen. And we're delighted this year too to have the support of local law firm Cullimore Dutton Solicitors Limited.

We also rely on the goodwill of our members which is vital at a time when the costs of hosting first class sport continue to rise.

Chester Boughton Hall CC Dog policy

While we're delighted to see our four-legged friends at our Club it's important that their owners follow a few simple rules.

We've a duty to our sports players, members and spectators and we need to ensure our environment and facilities are clean and appropriate for top level sport at all times.

Please be aware that:

- No dogs (other than guide dogs) are permitted in the Clubhouse.
- Dogs should always be kept under control and preferably on a lead.
- Dog fouling is the owner's responsibility and they must clean up behind their pets. Failure to do so could result in prosecution.

Please note there are now three areas to dispose of dog waste situated around the ground.

Obituary Colin Stockton

'Stocky' was one of the Club's best known and most popular members.

Colin made his cricketing debut in 1949, aged 15 and became a fixture at CBH – winter and summer – for more than 60 years.

He scored 2,669 1st XI runs at an average of 10.38, believing his talents were underappreciated, partly borne out by a highest score of 47 in 1971 against the Liverpool Competition's quickest bowler.

In all Colin featured in 521 Liverpool Competition 1st XI games taking 792 wickets – more than 1,000 including cup games. His best figures were 8-41 against Birkenhead Park in 1961.

He played in every 1st XI game between 1963 to 1972, usually stationed at first slip where he took 171 catches.

Off the field Colin was a generous man. As long as an opposition member was in the Club, the beer jug wouldn't be empty. As a long standing committee member for the cricket and football sections, there were few jobs he didn't undertake, with particular attention to the Bar and Ground Committee.

Colin was a driving force behind the Cricket Club's 1973 Centenary celebrations and cricketers and footballers alike will long remember 'Stocky' as one of Boughton Hall's outstanding personalities.

Obituary Roger Cash

One of Chester Boughton Hall's most active supporters, Roger Cash, died in February, aged 86.

Roger played occasionally for the 2nd XI while at the King's School, Chester in the 1940s, later representing and captaining Capenhurst.

Although a modest player, he had a great love of sport, particularly badminton and cricket and was proud to become an MCC member. He was also a keen supporter of Lancashire CCC.

Many of Roger's friends were Chester members and during the 1980s he was regularly to be found at the Club on summer Saturdays.

Having sold his loss adjustment business, Roger took on the role of secretary for both the cricket club and the limited company.

Eager to increase the Club's profile, Roger was a driving force in bringing Cheshire's Nat West Trophy matches to the ground, personally providing the requisite financial guarantees. Such personal generosity was also shown in his contributions to purchase new ground equipment, his repayment for which was literally, peanuts!

Roger continued his committee roles throughout the hectic period of the building of the new pavilion, relinquishing only when the work was completed in 2001. Thereafter he remained a loyal and constant supporter, following the cricket teams home and away.

Dougherty & Allen are a family run business with a passion for high quality food and first class service.
