Welcome to North Stafford Hockey Club Juniors

Dave Washington

Head of Junior Hockey

At North Stafford Hockey Club we are always looking to welcome new members to our every expanding junior section, which comprises of in excess of 170 members.

We offer a safe, fun and friendly environment, and our aim is to provide opportunity for as many young people to play hockey as possible.

Junior training is held every Monday, whilst there are matches on Saturdays for our badgers teams, and Sunday fixtures for all our age group teams throughout the season.

We would be delighted if you or your child would like to be involved in the future.

Option 2: £150 (2 x £75), covers all training and regular matches.

Try it for a few weeks before paying.

Playing opportunities for every child

North Stafford Hockey Club has teams suitable for every single child. We run teams at every age group from u8s to u18s, both Boys and Girls, which play matches on Sundays throughout the year.

In addition we have two badgers teams, suitable for those from Year 5 to Year 9, which play on Saturdays. There are then 6 Men's and 4 Ladies teams, available to juniors aged 13 or over.

Our Boys u10s and Girls u12s are current Staffordshire Champions, Girls u10s are Staffordshire Runners-up, whilst last year our Boys u16s reached the National Indoor Finals for the first time in the club's history.

All teams are welcoming new players and have team managers and / or coaches. In addition we always welcome extra support in helping to organise and run these sides.

NSHC follow all England Hockey safeguarding procedures. All coaches DBS checked.

Jack Dulson Memorial Fund

We are delighted to be partnered with a charity, the Jack Dulson Memorial Fund, to be able to deliver hockey in a number of local schools via the Jack Dulson Hockey Academy.

The Fund was set up by Jack's family following his tragic death, aged 9, and raises awareness of Staphylococcus Aureus and Pericarditis.

The Jack Dulson Memorial Fund helps to improve the lives of young people across the UK. It enables children to do the things they love, to have fun, and to live life with a smile.

Jack was a former member of North Stafford Hockey Club, and the Jack Dulson Hockey Academy provides opportunity for young people to play the sport that Jack loved.
