

# Season Programme 2022/23

# Presidents Welcome

May I welcome you all to The Chasetown Civil Engineering Sportsway, the home of Burntwood Rugby Union Football Club and especially the players, officials and supporters of our visitors today. I hope you enjoy your visit irrespective of the outcome of the match.

This is a milestone season for Burntwood as it marks our 50th Anniversary. The history of Burntwood Rugby Union Football Club began at The Drill public house on 20th November, 1972. Months of discussion about the viability of starting a rugby club led to its creation on that date by Founder Members Harry Cooper, John Brown, Norman Leyshon, Derek Morrish and the pub's landlord Olly Moseley at an open meeting.

There will be a series of events to mark the club's anniversary which will honour the endeavours of all those who have contributed to the club's development from those early days and to look forward to continue developing our standing in the local community. We will also have a nominated charity for the season – The Wooden Spoon, the children's charity of rugby.

The club's birthday will be celebrated on 19th November with a players/members' reunion and the finale will be a summer ball in the club marquee in July. The latest RFU re-structure of the English Clubs Championship sees the First XV continue at Level 8 in the newly-named Counties 2 Midlands West (North). Handsworth is the only other Staffordshire side in the league but Aldridge and Veseyans are close neighbours. The rest of the league is made up of Harborne in Birmingham and seven sides in Shropshire including lower XVs from Bridgnorth, Luctonians and Newport (Salop) who will be unknown quantities having been allowed in to the league structure for the first time.

The 2nd XV will play in Staffordshire League Division 2 East when their fixtures commence in late October and following their highly successful return to action last season the Veterans XV will also take to the field again. At the other end of the age spectrum, there are at least half a dozen mini/youth squads in action most Sunday mornings.

Many thanks to our club and player sponsors. Your support is much appreciated and we hope you will join us in the clubhouse during the season.

Playing, training and supporters' kit and merchandise are now provided by Webb Ellis and can be obtained at the club shop and online via [www.burntwoodrugbyclub.com](http://www.burntwoodrugbyclub.com).

Finally, I wish to remind everyone about Rugby's Core Values. In particular please show respect to the players of both sides and to the match officials. Let's make our 50th Season one to remember both on and off the field.

**Rob Forsyth**  
President

# 2022/23 Fixtures
