WELCOME TO COLLEGE GROVE

As President of Wakefield Hockey Club, I would like to extend a very warm welcome to our guests from Buckingham for Game Day Four of the Vitality Women's Division One (North) League. I extend that welcome, also, to Brooklands Manchester University Men's 2s for the Men's Conference North fixture to be played on Sunday.

Welcome to all our visitors, whether playing or spectating. I hope the hockey is competitive, played in good spirit and a feast for the spectators.

The clubhouse is open and has a wide range of snacks, plus hot and cold drinks on offer, so please take advantage of their facilities.

In closing, I must say some "thank-you"s: A huge thank you to all our sponsors, many of whom have supported the club for a number of years,

Many thanks to all those who have turned out in support and, finally, thank you to the umpiring team. Please remember to show respect to those who are officiating today, please.

Enjoy the hockey everyone!

MATCH REPORT

Wakefield - 1, Swansea - 0

Wakefield Ladies' last home fixture saw a gritty performance, by a depleted Wakefield line-up, against Swansea. The game swung back and forth, both teams squandering chances and the two keepers making crucial saves. The final quarter saw the South Wales outfit pile on pressure with a succession of near misses. As the home crowd willed the clock down, Wakefield broke out, scoring a penalty corner with two minutes left and securing three points with possibly the season's sneakiest smash and grab.

Our Friday night foray to Maiden Castle, last time out, resulted in an immensely valiant effort but Durham secured the points with a 2:1 win to go second in the table.

Today we face Buckingham, who are currently unbeaten and who are top of the league with nine points. It promises to be our toughest test yet. Hopefully, there will be quality hockey, played in good spirit and the home side will give a good account of themselves. Whatever the outcome, I am sure our ladies will give it their all.

Wakefield - 4, Oxton - 3

On Sunday, Wakefield Men's 1 welcome Brooklands Manchester University to College Grove. Last week, Wakefield picked up their first away win of the season with a hard fought 4-3 win at newly promoted Oxton. The win put Wakefield into 5th place on 6 pts with 3 games gone, whilst Brooklands Manchester University sit 7th on 3 pts. The game promise's to be a tightly contested game looking at the league table.

Coach Owen Leask welcomes back Ben Byas to the squad after missing the first 3 games of the season, to bolster the squad as they look to get back to winning ways at home after suffering their 1st defeat of the season to Beeston 2 last time out.

My aim is to tell the story of your wedding day and represent it as a film to remind you of those precious moments you experiences on your wedding day - as they will pass you by in a flash!

My shooting style is natural and I do not direct anything. My film is made as a 'fly on the wall' so to speak which brings out the best emotions in you and your guests.

I immerse myself in every wedding and get to know you on a personal level so that I am able to represent your love story in the most accurate way.

KRA:FT's first customers only discovered it on visiting the barbers and tattoo artists with which it shares a building when it started out as a pop-up. However, word spread that the flat whites were as good as the fades, and **KRA:FT** team took up permanent residence on Wood Street.

KRA:FT has an industrial-glam vibe; copper, wood and leather – perfectly fitting of **KRA:FT**'s dual personality: coffee shop and cocktail bar.

By day, the gang serve a feast of bakes and speciality coffee (courtesy of North Star, plus regular guest roasts). By night, the lights are dimmed and the cups swapped for coupes. Coffee is still king, of course, and guests can savour speciality beans in the form of Espresso Martini
