# Crosfields ARLFC – Welcome

Good afternoon and a warm welcome to Crosfields ARLFC at the Webb Security Recreation Ground, for the today's game in the 2023 season.

Today, we welcome the players, supporters and officials from Egremont, for today's Impact Performance NCL Division One Round Five game.

Ince Rose Bridge are 2 and 2 for the season, having beaten Stanningley (26-12) and Thornhill Trojans (62-4) at home and losing to Oulton Raiders (22-2) and Pilkington Recs (30-22) away.

Crosfields are a game behind, having postponed the Round Three game against Featherstone Lions until Saturday 29<sup>th</sup> April 2023.

Currently, one win under our belt. After the defeat at West Bowling, Crosfields bounced back with a 34-0 victory over Ince Rose, but went down last week at Clock Face, 24-12 and will look to get back to winning ways today.

The Alliance team are performing very well in the NWML Division Three, with 3 wins out of 3 and today visit Garswood Stags, looking to continue their unbeaten run.

We are having a number of events through the season, which can be found in the programme. Next up is the Chairman's Cup, next week, which is Easter Saturday.

Players from U13s through to open-age will be selected randomly to make up 7-a-side teams. Referees will be provided by Warrington Referees Association.

Good luck to everyone involved today.

**Yours in Sport** - *Mike Donnison*

# Crosfields ARLFC – Coach's Comments

Welcome to the Webb Security Ground for the Round Five Fixture v Egremont Rangers in the Impact Performance NCL Division One.

Egremont Rangers come into the game on the back of great win last week against Stanningley.

Fixtures against established NCL Clubs are the games I love being involved in and it's why we worked so hard last year to get promoted for games like today.

It's been a mixed couple of weeks; a great win v Ince was followed up by a disappointing result last week.

I feel like defensively we have found some rhythm, but our attack isn't quite there. The heavy pitches & poor conditions don't exactly suit us, so we're having to find another way. We are back training on the club now, which will really help us in terms of the skills we can promote within our sessions.

Our focus this week is on our execution and our discipline. We can't keep letting teams off. This league, and success in this league, needs to be underpinned by our core levels. They are executing well and not being beaten in our effort areas. We will be working hard to get another win this week.

Enjoy the game and see you in the club after the game.

Matt Wilson, Head of Coaching

# Crosfields ARLFC – In My View: Phil Hodgson

Patrick Kidd of the Times writes some diverting articles in his `The Tailender' column, which appears each Saturday.

A couple of weeks ago he waxed lyrical about how Grimsby Town had piled up the miles in reaching the quarter-finals of the FA Cup, with a tie at Brighton & Hove Albion in prospect that afternoon.

Kidd reflected on how Town could, on reaching Wembley (which they won't, having lost to Brighton) better Newcastle's apparent record in 1952 of totting up more than 2,900 miles *en-route* to what we all called, back then, the Twin Towers.

All of which got me thinking of the record set by Hunslet in 1965 for the shortest distance set by a Rugby League club in reaching Wembley.

The Parksiders did so, in fact, without leaving the city of Leeds.

A home first round pairing with Oldham was one thing (and my 12-year-old self went to the game that day fully expecting it to be the end of our cup dreams for that season, as the Roughyeds had certainly had the better of us during the previous year or so).

But Hunslet prevailed, and were rewarded with another home tie, this time against Batley, who had been beaten at Mount Pleasant in the previous year's second round, before a five-figure crowd.

So, to the quarter-finals, and a game at Parkside against old rivals Leeds. This was a match in which we were favourites – Hunslet were a better side than the Loiners back then – but I remember my nerves jangling when.....

# Crosfields ARLFC – In My View: Phil Hodgson

.....we had to defend a 7-5 lead in a tense finish.

That meant a semi-final appearance after having lost (by that same 7-5 scoreline) at the quarter-final stage in each of the previous two seasons, at Warrington and at home to, yes, Oldham.

We were paired with one of the glamour sides of the era, Wakefield Trinity. And, of course, at a neutral venue.

The Rugby Football League opted for Headingley, which was only reasonable (even if Trinity had a bit further to travel than Hunslet). For some reason Wakefield were hot favourites, but I've never been able to fathom why. Hunslet had, after all, beaten them in the previous season's first round, over 40,000 watching two games after the match at Parkside had been drawn. And we had walloped them on the way to winning the Yorkshire Cup in 1962.

So they held no fears for this pre-teenager, and just as I expected our lads won, getting to Wembley and a date with Wigan on the back of an 8-0 verdict earned with late tries by Alan Preece and John Griffiths, plus a Billy Langton penalty.

The press pointed out that Hunslet hadn't had to travel too far and, quite frankly, I didn't care. But it's not a bad little record to have. I wonder if any other clubs have a similar story to tell. I very much doubt it.

# Crosfields ARLFC – NCL Division 1 - Round 2

11<sup>th</sup> March 2023 – Crosfields 34 Ince Rose Bridge 0

Ince Rose Bridge came into the game with a victory of much fancied Heworth, whilst Crosfields were on the back of a lesson at West Bowling. But the sides performed differently from their opening games, as Crosfields dominated the game in both defence and attack, to take their first two points of the season.

The home side scored from their first set. John Whittaker threw a wide ball to left wing Taylor Boyne, who raced downfield, before being stopped by the full-back. Quick hands saw the ball move to the right and another wide ball to caught out the IRB defence. Corey Lee collected the pass and strolled over scoring a try with his first touch, in his debut game. Luke Walker converted for a 6-0 lead.

Crosfields confused their opposition, as players switched positions. Lee found himself at left centre and made a break, before sending stan-off Joe Barnes down the left wing. Barnes drew the full-back to and passed inside to Lee who went under the posts. Walker converted. 12-0.

A penalty to Crosfields helped move them downfield. The pressure continued on the IRB defence. Jordan Williams ran a great line to be fed by Barnes and Williams went over for a try. 16-0.

Luke Walker

# Crosfields ARLFC – NCL Division 1 - Round 2

11<sup>th</sup> March 2023 – Crosfields 34 Ince Rose Bridge 0

Crosfields domination of the first half continued, as they forced an error 30m out. From the set scrum, Walker steps and speed saw him break through the defence for a try. Half time 20-0.

IRB upped their game in the second half and went close a couple of times and also kept Crosfields out for the first 20 minutes. A high shot from IRB led to a sin-bin, which gave *Soap* the advantage. The ball was moved wide for Walker to send Boyne over in the corner. Walker converted. 26-0.

IRB worked hard, but they couldn't break down the home defence. Working for any advantage they could, the visitors were penalised for a ball steal. Barnes made the most, as the IRB defence struggled to get back. He chipped to the corner, where Boyne collected to go over again. 30-0.

Joe Roper went close and, with IRB frustrated, *Soap* gained a 6-again and whilst defenders objected, Williams caught them cold, going over from acting half to complete the scoring at 34-0.

Man of the match went to Jordan Williams

# Crosfields ARLFC – NCL Division 1 - Round 4

25<sup>th</sup> March 2023 – Clock Face Miners 24 Crosfields 12

Crosfields were determined to put on a better show than last season's visit to Clock Face Miners, which they did, but were unable to match their opponents on the day.

The visitors started well, with a try to Tom Brown, converted by Jack Lewis, for a 0-6 lead.

Crosfields were comfortable for the opening 20 minutes, but a 6-again gave the home side the impetus moving forward. The defence held firm in the middle, as the big Clock forwards drove in, but swift hands saw the ball moved to the left wing, where they scored in the corner. The conversion levelled the scores at 6-6.

On 25 minutes, Crosfields went close, but knocked on over the line. Clock broke from the resulting 20 metre tap, with the full-back making the initial break and fed his support, who raced under the posts. The conversion put Clock up 12-6.

*Soap* hit back. Joe Clarke went close and forced a penalty. The play was set for Tom Millington to break a tackle and score. Lewis converted to level the scores at 12-12.

Brad McAlpine

# Crosfields ARLFC – NCL Division 1 - Round 4

25<sup>th</sup> March 2023 – Clock Face Miners 24 Crosfields 12

From the kick off, Clock forced a drop out from under the posts and the resulting set went their way, with a carbon copy of the first try. Big forwards drove the ball in, defence held firm, then the ball was moved wide for the left-winger to go in at the corner, for a half time score of 16-12.

Clock started the second half as they ended the first, with their forwards driving in, but Crosfields holding them out. Quick ball to the left, saw the winger go in for his hat-trick. 20-12.

The teams tended to cancel each other out for long periods of the game, with defences thwarting attacks.

With 10 minutes to go, Joe Roper was sin-binned for a high tackle, which seemed harsh, when compered to a couple of other high tackles, not receiving that punishment.

The visitors pushed forward, but the pressure didn't turn into points, but Jack Fox received an injury, which forced him to leave the field.

Clock secured the game, creating an overlap in their own half and racing downfield to score in the corner. Final score Clock Face Miners 24 Crosfields 12.

Man of the match went to Tom Brown.

Tom Millington

The Stuart Middleton Foundation Warrington Alliance Cup Winners – 2022/23

# Crosfields ARLFC – NWML Division 3

## Alliance Round Up

3 games, 3 wins, top of the league.

Crosfields Alliance have had a great start to the season, with 3 victories in the opening games, which currently sees them top of the division.

Crosfields A were initially placed in an Alliance Division, but late changes in that division and divisions above, meant that they were asked to join Division 3; the same division we were in last season.

Crosfields A took over Wigan Spring View A's, so that the opposition retained their home and away schedule. Wigan Spring View dropped to Division 4.

This happened on Monday 6<sup>th</sup> March 2023, with games scheduled to start the following Saturday. First game: Blackpool Scorpions, away. Anthony's Travel quickly sorted the transport and the team did the rest, winning 8-36.

A great team effort following up their success in the Stuart Middleton Foundation Warrington Alliance Cup.

## Alliance Round Up

3 games, 3 wins, top of the league.

Next another away game, against Clock Face Chargers A. Clock Face Miners A were struggling to raise a full squad and Burtonwood Chargers were in a similar situation. With the close proximity of the club, they agreed to merge and play as Clock Face Chargers A.

Clock got off to a good start, scoring a converted try to lead 6-0, but Crosfields A stepped up their defence and attack, stopping the home side crossing the whitewash again, whilst scoring 8 tries, from different scorers (Elliott Liku, Adam Heal, Joe Kohe-Love, Tom Millington, Mitch McJay, Aarron Holliday, Danny Cassidy and Craig Smalley), whilst Liku also kicked one conversion and Cassidy four, for a 6-42 victory.

Man of the match went to Jack Reid.

Heal

# Crosfields ARLFC – NWML Division 3

## Alliance Round Up

3 games, 3 wins, top of the league.

Last week saw a home game against Rochdale Hornets. The Hornets were outclassed by a talented Crosfields A, with a good mix of youngsters and “old heads”.

The defence was superb throughout and the visitors couldn't work out a way to score. The Alliance on the other hand, scored freely, with Under 18s' Dylon Braddish leading the way with 3 tries and 5 goals for a personal tally of 22 points. Other tries were scored by Adam Heal (2), Jack Reid (2), Alex Clutterbuck (2) and one each for Joe Kohe-Love and Jake Toher. Tom Smith and Matt Barber kicked a goal apiece, whilst Craig Smalley slotted 2 in a 66-0 victory.

Man of the match went to Jack Reid.

Saturday 25<sup>th</sup> March 2023 – Crosfields A 66 Rochdale Hornets 0

# Crosfields ARLFC – NCL Sponsor

Since 1980, Rhino has gone from being a small UK based pioneering manufacturer of scrummaging machines, into one of the world's leading rugby and team sport brands. Alongside our world leading scrum machines, contact and breakdown equipment, we offer balls, team kit, as well as performance focused sportswear for adults and juniors and mens and womens casual wear.

Webb Security Systems, an industry leader across trusted Security Service Providers. Formally known as Webb Alarms, we have since gone through a re-brand, following our proud achievement of gaining SSAIB approval.

Our team was originally established as a Security Service Providers in 1978 and for over 30 years, we have been developing new strategies which have lead us to become one of the leading Security Service Providers in the North West. We have taken pride in providing outstanding customer service and satisfaction for 30 years, always remembering that your safety and peace of mind comes first. Furthermore, we have continuously increased our highly skilled workforce, so that we are able to provide our services to thousands of properties across Warrington and the rest of the North West.
