JUNIOR CRICKET AT SNCC 2024

The weather is warming, the days are lengthening and the rain seems fairly relentless. That can only mean two things: cricket and Wimbledon are nearly upon us.

There have been quite a few changes in the close season, so the remainder of this aims to cover those changes and ready you / your children for the coming 2024 season.

NEWS

With the arrival of a 4th XI (hard to believe but yes – 4 teams from the village!), we have had to find a second ground. Thankfully, through some funding, we have been granted permission to lay an artificial wicket at the Memorial Ground on the A25 and use the facilities there. This won't change Friday evening training sessions, but it is there as an option to use it as a weather backup and to accommodate the U9 and U11 matches.

The second piece of news relates to Dynamos. With an U9s, U11s, U13s, U15s and U17s offering this year, we felt it would have been somewhat confusing to offer Dynamos as well. So we would really encourage any Dynamos from last year, or those from All Stars who are now too old for All Stars, to sign up to the U9s, U11s or U13s for the coming year.

Finally, regarding the U17s, Friday training now finishes for this age group and training now integrates with 3's on a Monday night where Harry will be there to coach. Anyone unable to make Mondays are welcome to train with 2's on a Thursday night, or even the 1's on Tuesdays. Any U17's (or their parents!) who desperately miss Fridays are invited to attend for social purposes, or to help out at the club. We've also entered two teams into the Surrey Slam this year. The senior team (Mavericks) will go into the Cup competition, whilst the junior team (Pups), which will mainly be made up from the U17 squad, will go into Plate competition. Sam Abellan is captaining this so please make yourself available to him.
