The Event's History

In 1958 East Surrey RC members Ken Duncumb and Bim Dore had an idea that the club could hold a challenging, hilly, non-standard distance, early season event over local roads to test members' fitness for the start of the racing season. They took it upon themselves one Saturday morning ride to devise a course. This initially started on Reigate Heath, followed the A25 to Dorking then the A24 into Horsham where it turned left along Wimblehurst Road, North Heath Lane and Giblets Lane to take a sharp left hand turn into Rusper Road. Then via Hurst Hill, Rusper, Newdigate, Parkgate, the cross roads in the centre of Leigh and Flanchford to finish back at the start.

The first year Ken was unable to compete as he was on National Service but he was able to ride in 1960 and won the club event.

Despite some March mornings experiencing very cold and icy conditions, in 1963 ESRC decided to develop their "hard hilly ride" into an open event. So in 1964 riders from other clubs undertook the test as well. However, no newcomer was able to beat East Surrey's own John Fisher.

Over the years changes to the course have become necessary due to the increase in traffic, construction of the Capel and North Horsham by-passes, and the need to eliminate a right turn at Dawes Green. The original course was around 3 miles longer than the current 29.9 mile route.

The list of past winners shows that the event has attracted many top riders over the years. A number of these, as well as local clubmen, have ridden the event many times, justifying the popularity of this kind of early season test. Dorking Cycling Club took over the promotion of the event in 2017.

HQ, Start and Finish Area

IMPORTANT NOTES ABOUT PARKING

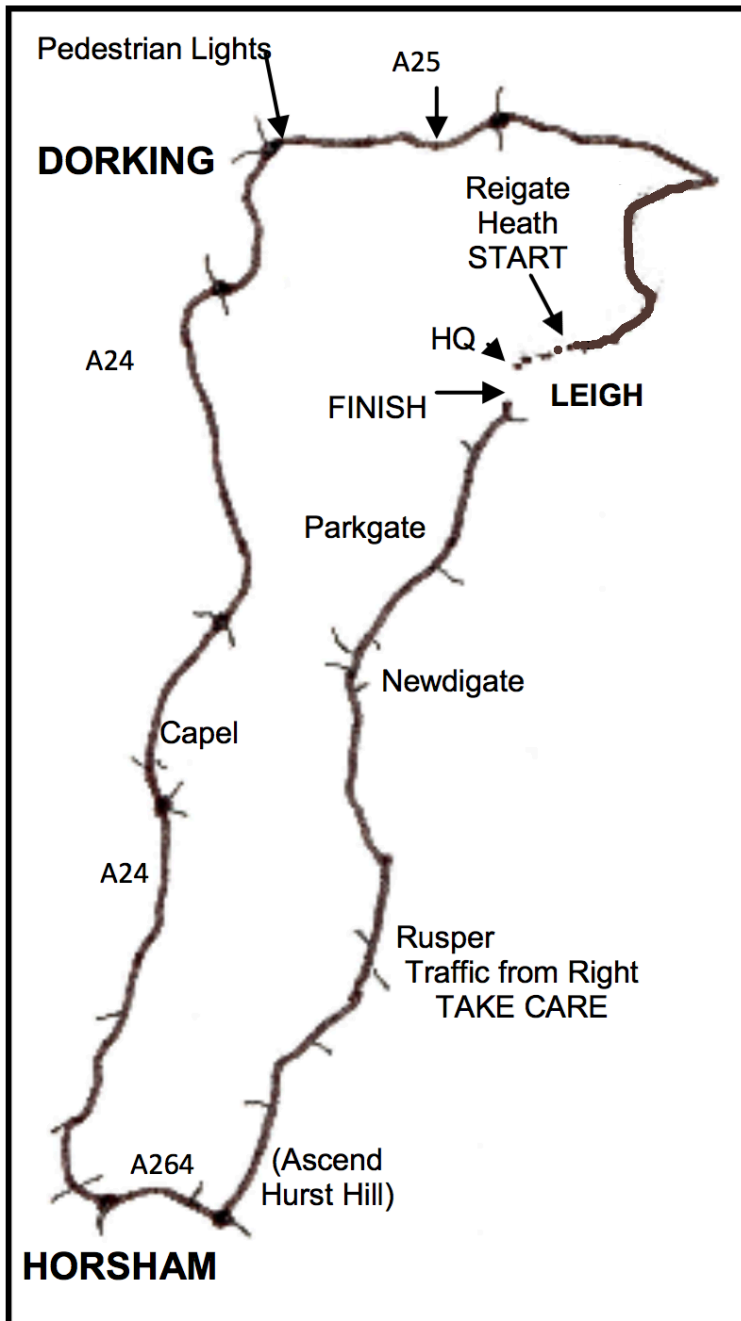

- No vehicles are to be parked on the road anywhere in the village.
- There is limited space for parking in front of the Village Hall and on the opposite side of the road outside the entrance to the Cricket Club.
- The **MAIN PARKING AREA** is at the North Downs Primary School (see map). Please park only on the tarmac.
- If you park at the Seven Stars, please be particularly quiet and ensure that you leave by 11:30am unless you are planning to become a customer after the race.

IMPORTANT INSTRUCTIONS TO RIDERS

- **Please be aware of CTT Regulation 17(b):** In Type A (open) events a competitor must return to the event HQ either during the event or within a reasonable time after the last rider has finished the event and **must** (i) return their race number(s); and (ii) sign the official signing-out sheet. A rider who fails to so sign the official signing-out sheet shall be recorded as DNF.
- Numbers are to be collected from the HQ at the Village Hall and signed for individually by each rider. Allow adequate time for this.
- Changing rooms, a shower and toilets are available at the main HQ. Details of any additional hazards not mentioned in this start sheet will be displayed at the signing on point. All competitors must read these.
- Allow five minutes by bike from the school car park to the HQ. To reach the start from the HQ, turn left out of the HQ and take the **second** road on the left (**NOT** the road by the pub). Distance to the start is approximately one third of a mile.
- Competitors are requested not to warm up on the course after the first rider has started.
- At this time of the year road surfaces, particularly in the lanes, will not be perfect so if you use light tyres you will probably puncture! Take care at each roundabout. Care is also needed if using tri-bars.
- You are reminded of Regulation No. 22(a) in the CTT handbook: “A competitor shall not be preceded, accompanied, followed by or in any way receive assistance from a motorised vehicle or its occupants”. This means that having a following car gets you disqualified.
- It is a London South District Regulation that **no vehicles, except those of the Timekeepers and Event Officials, shall be parked in the vicinity of the start and finish areas.**
- There are pedestrian crossing traffic lights after 4.9 miles just before the Deepdene roundabout at Dorking and **riders must obey these.**
- Official Observers will be stationed around the course.
- CTT Regulations require the compulsory use of a helmet for the under 18s. In the interests of your own safety, Cycling Time Trials and the event promoters strongly advise all competitors to wear a hard/soft shell helmet that meets internationally accepted safety standards.
- Riders under the age of 18 are required to provide a completed Parental Consent form before being allowed to sign on and compete.
- It is recommended that a working rear light, either flashing or constant, is fitted to the machine in a position clearly visible to following road users and is active while the machine is in use.
- Please do not make any noise or do anything that might annoy the local residents.
- Please do not wear plated or dirty shoes inside the Village Hall.
- Please keep your head up and enjoy a safe ride.
