The History of East Greenwich Little League

In 1952, East Greenwich Little League became part of the International Organization of Little League Baseball. Under the leadership of Richard L. Cragan, four teams were established, and it is believed that the first four team sponsors were: Solomon & Silverman, E.G. Hardware, E.G. Dairy and the E.G. Fire Department.

Bob Cragan played three varsity sports for U.R.I.—baseball, basketball, and football.

After graduating, he played professional football for the RI Steamrollers and a semi-pro baseball. Bob's love for the game and his tremendous energy inspired him to employ the efforts of several hardworking townspeople to build a Little League field.

In 1954, he found his "field of dreams" in a far corner of a privately owned cemetery. The patch of land was down an embankment, divided by an active stream. There was no access to this swampy lot, but that did not stop Bob and his hardworking crew. Bob's motto had to be "Where there's a will, there's a way", for they broke through a road off Reilly Avenue, redirected the stream through a large culvert, and constructed what is today known as Cragan Field.

Among the pioneers of East Greenwich Little League were the first President, Fred Miller, first Treasurer, Bill Carr, Herb "he can fix anything" Wilson, Jim Philbrick, Town Treasurer Herb Cooper, Ralph Marden, Bill Brennan, Ellsworth "Bud" Harding, Earl Burnes, and Jim MacNie.

Along with several others, these men worked long and hard in the spring of 1954, together with the volunteer assistance of Frank Coslor's construction company, to complete Cragan Field.

Spring fever and Little League Baseball had taken hold, and now a new problem was surfacing—the League had expanded to eight teams and more fields were needed.

What now? What else?! Let's build a new field! So, in the winter of 1954–55, Bob pulled his loyal crew together again, and discussed their problem with the town. EGLL was willing to build another field, but the town had to come up with the land. In the early spring, the Town Council agreed to give the meadow behind the East Greenwich Academy to the crew for construction. This time, Cliff McKenna volunteered the services of his construction company and together, with the founders of EGLL, built what is today known as Academy Field. Although the field is quite different from the scratched-out sandlot playing surface, the diamond, benches, and

The History of East Greenwich Little League

backstop are all in the very same position today. Academy Field was completed for opening day in 1955 with proper celebration and fanfare.

Players in their gray flannel uniforms lined both sides of the field, while the National Anthem played, and the flag was hoisted. On hand to throw out the first baseball was Town Council President, Ray Crompton. Ray praised the League for establishing the field for the town, and credited the League for taking the initiative to create recreational facilities for the town.

Sadly, two months after the completion of Academy Field, Bob Cragan died suddenly, suffering a heart attack at the young age of 44. In his memory, the cemetery field was dedicated to him; his spirit and energy will forever stay with us.

Today, the Robert L. Cragan Memorial Field is still owned by the E.G. Cemetery Corporation and leased to the Town for the exclusive use of EGLL. Academy Field is a town field which is now used for many recreational activities including Little League.

Since those early years, the EGLL has grown substantially. All told, over 17,000 youths have gone through the League. Parents who once played in the league, are now watching their children, or maybe even their grandchildren today.

In 1972, a Softball League was established, allowing the growing number of female athletes to play competitively and prepare for teams at the junior and high school levels.

The baseball program continues to expand and is responsible for many of the state titles at the junior and senior high schools. Numerous championships have been claimed in both the baseball & softball programs, including Regional, State, New England and Northeast Championships. In 1987, the ultimate was obtained when the EGLL Senior League Boys competed against the best eight teams in the world at the Senior League World Series in Orlando, Florida—an accomplishment that would have made Bob Cragan beam with pride and admiration.

In 2022, our treasured league that started 70 years ago, will consist of approximately 450 children ranging in age from 5 to 16. May we always remember the founders of this great organization and allow the memory to inspire us to even greater achievements!

A message from the League President

Dear Players, Families, Friends, and Sponsors,

Things are, finally, back to normal (ish) and there is a love in the air for Baseball and Softball!

I am proud to announce that EPLL is celebrating a milestone anniversary this year. The 2022 season is the **70th anniversary of EPLL**. The league has seen over 17,000 kids come across its fields since 1952 and am proud to say registration is strong once again for our Platinum season with over 450 players across all the levels. We have many 2nd and 3rd generation EP Little Leaguers playing today.

I cannot express enough how incredibly fortunate EPLL is to have the numerous and generous sponsors that we do. The league registration fee that the families pay allows us to simply play baseball and softball. But it is the donations from our sponsors that allows the league to continue to make improvements at our fields. Over the past couple of years there have been some notable ones such as the new infield at EGHS for our JR/SR program; new dugouts, benches, and a batting cage for softball at the EGHS softball field for our growing softball program. Through these generous sponsorships, EPLL will continue on with new and exciting improvements. Keep an eye out for the professional-style renovation of the Cragan infield this spring featuring DuraEdge engineered infield mix as seen in most MLB parks!

With hard work and commitment, the path of some players in the league can stretch from the spring season into summer on a tournament team and for others in Fall Ball. My family is a firsthand beneficiary of the skills and growth kids get from EPLL as my two sons, Ryan & Dylan are playing baseball at EGHS with many of their EPLL alumni peers and my daughter, Kaylee, will be playing softball at Cole Middle School next year. The consistent message of playing hard and sportsmanship is carried forward from our youth fields to the next levels in town as we are also very proud to say that 3 of our EPLL long standing board members are now head coaches in town. Bill O'Connell – Head Varsity Baseball Coach EGHS, Andrew Sweeney – Head Baseball Coach Cole Middle School, and Raul Falcon Head Softball Coach Cole Middle School.

I'd like to make a special mention about our Challenger Division. Board member and head coach, Howard Faunce, continues to give the players and families of our Challenger program an incredible experience. Challenger Games start for their team in July. I encourage everyone to join us for the end of the season Challenger celebration for all of Rhode Island takes place at Cragan Field in mid-August. It is a fantastic event attended by hundreds of people from all of RI!

A message from the League President

Of course, we can never start a season without expressing our continuing thanks to the EG Cemetery Corporation for allowing the league to call Cragan Field home, and to the town of East Greenwich Parks and Rec department whose aid us in so many ways with our many other fields, such as Academy, Hannaford, and Frenchtown.

I need to close with a big **Thank You** to the most important part of our league, our countless volunteers. EGLL is a 100% volunteer run organization. We give our time as a coach, a groundskeeper, concession stand worker, or board member because it's a great organization and we love seeing our kids enjoy America's pastime! I encourage and ask you to consider contributing some of your time to this organization and more importantly to the players that we serve. I am very confident you'll see how much you enjoy it.

Thank you all for being part of EGLL. The league may be turning 70 years old, but just like baseball and softball, it is timeless and gets better every year and also all about the future. Please come up and say "hi" if you see me around. I look forward to seeing everyone at the fields, and I wish all our players ANOTHER great season!

Regards, Russ Marcantonio

EGLL President

Youth Sports Parent Code of Conduct

Preamble:

The essential elements of character building and ethics in sports are embodied in the concepts of sportsmanship and six core principles: trustworthiness, respect, responsibility, fairness, caring, and good citizenship. The highest potential of sports is achieved when competition reflects these “six pillars of character”.

I, therefore agree:

1. I will not force my child to participate in sports.
2. I will remember that children participate to have fun and that the game is for the youth, not the adults.
3. I will inform the coach of any physical disability or ailment that may affect the safety of my child or the safety of others.
4. I will learn the rules of the game and the policies of the League.
5. I, and my guests, will be positive role models for my child and encourage sportsmanship by showing respect and courtesy and by demonstrating positive support for all players, coaches, officials and spectators at every game, practice or sporting event.
6. I, and my guests, will not engage in any kind of unsportsmanlike conduct with any official, coach, player, or parent such as booing and taunting, refusing to shake hands, or using profane language or gestures.
7. I will not encourage any behaviors or practices that would endanger the health and well-being of the athletes.
8. I will teach my child to play by the rules and to resolve conflicts without resorting to hostility or violence.
9. I will demand that my child treat other players, coaches, officials and spectators with respect regardless of race, creed, color, sex or ability.
10. I will teach my child that doing one’s best is more important than winning, so that my child will never feel defeated by the outcome of a game or his or her performance.

Youth Sports Parent Code of Conduct

11. I will praise my child for competing fairly and trying hard and make my child feel like a winner every time.
12. I will never ridicule or yell at my child or other participants for making a mistake or losing a competition.
13. I will emphasize skill development and practices and how they benefit my child over winning. I will also de-emphasize games and competition in the lower age groups.
14. I will promote the emotional and physical well-being of the athletes ahead of any personal desire I may have for my child to win.
15. I will respect the officials and their authority during games and will never question, discuss or confront coaches at the game field. I will take the time to speak with coaches at an agreed upon time and place.
16. I will demand a sports environment for my child that is free from drugs, tobacco, and alcohol and I will refrain from their use at all sporting events.
17. I will refrain from coaching my child or other players during games and practices, unless I am an official coach of the team.

The Little League Pledge

I trust in God
I love my country
And will respect it's laws I will play fair
And strive to win
But win or lose
I will always do my best

The Little League Parent/Volunteer Pledge

I will teach all children to play fair and do their best
I will positively support all managers, coaches and players I will
respect the decisions of the umpires
I will praise a good effort despite the outcome of the game

Challenger Division

The **EGLL Challenger Division** offers athletes of all ages, with physical and/or mental challenges, the opportunity to participate in organized baseball.

For each game, a Challenger Athlete is paired up with a 'buddy' who is asked to play side-by-side and assist them throughout the game. This includes help hitting and running the bases, working together playing defense in the field, and enjoying some post-game conversation and snacks.

A 'buddy' may be an EGLL softball or baseball alumnus, a current participant in another sport, or a local volunteer. The 'buddy' program brings together both special needs and peer athletes in a positive and fun environment.

The core, fundamental goal of the Challenger Division is simple:

Give everyone a chance to play baseball and have fun doing it.

Starting in mid-May, practices begin at Cragan Field on Sunday mornings. Games start up in early June and are played on Wednesday evenings throughout the season. EG "home games" are at Cragan Field, while "away games" are played at other participating LL organizations in Riverside, Warwick, Cranston and Coventry.

The season wraps up in late July with an incredible closing celebration for the all the athletes, their friends and families, and the countless "buddies", volunteers, and Challenger Division supporters.

Thanks to the generous support from our Sponsors and Fundraising Committee there are no registration fees or charges to participate in the EGLL Challenger Division.

The Challenger Division is a truly unique experience for not only the athletes, but for all the "buddies" and volunteers who give their time and effort throughout the season.

Please consider volunteering, or attending a Challenger game this season to support these amazing athletes and individuals:

Contact Howard Faunce at hfaunce@howeslube.com for opportunities involving EGLL's Challenger Division, or one of the many other local "Challenger Divisions" sports, including baseball, basketball, soccer, and flag football.

Challenger Division Schedule

Date	Time	Details	Location
Saturday, Apr 30	10:00am	Opening Day Parade - Academy to Cragan
