## **WELCOME TO OUR 90<sup>TH</sup> ANNIVERSARY INVITATIONAL OPEN JUDO TOURNAMENT**

Today is also a celebration as it is a Judo tournament. Yes, we will celebrate our 90th year as one of oldest surviving Dojos in the U.S. This also a testament to Norikazu and Reiko Maeda, and Kenji Osugi Sensei, who have been pillars in our Nanka Judo community for decades. We are eternally grateful for their service, contribution, and the difference they make to our Judo community. But, it is also a celebration of our Japanese American communities, and our local Judo community's resilience, endurance and strength keeping Judo alive in the Southern California area.

We know that many of you today have practiced long hours and competed at many tournaments to be here today. With that in mind, we encourage all competitors to display the courage, skill and self-discipline that Judo embodies. It is that Judo spirit that we strive for, whether in practice, at tournaments, or in our daily lives.

We would also like to take this opportunity to thank our members of Sawtelle Judo Dojo; all of the Senseis, students, parents and advisers who have helped organized our tournament today. We would also like to thank the army of volunteers and referees from other Judo clubs who have come out to assist in score keeping, security, medical, hospitality, pooling, registration, and setup, to make this event possible. Since we're celebrating our 90th anniversary, we expect over 400 competitors today, from ages, 6 to 60 plus years old, from all over California, Arizona, Nevada, Mexico, and even Japan.

**Thank you for being part of today's historic milestone  
that our Dojo has reached.**

**- Jerry Hazemoto**  
*President/Tournament Organizer*

**- Kenji Osugi**  
*Head Instructor/Tournament Chairman*

## **NORIKAZU & REIKO MAEDA**

It has been ninety years since Kikuchi Sensei started Sawtelle Judo Dojo in 1927. He also founded and taught at Hollywood Judo Dojo. When I joined Sawtelle Judo Dojo in 1979, Ted Kawasaki was the head instructor. Along with him were Kakita, Kaisaki, Okimura and Baba Sensei.

At that time when I joined the Dojo, my son, Robert, wanted to do Judo. My son was in the third grade student, but, a bit shy. I wanted him to be mentally and physically tough. I already knew Kawasaki Sensei for long time since he was related on my wife's side. One of the reasons that kept me going to the Dojo was that my son told me that during finals in college, he said that Judo built up his stamina and he was able to stay up during the night while other students had problems. My son now has two daughters taking Judo lessons near their home in France.

Ed Osugi, Kenji Osugi Sensei's father asked me to be the Dojo's President. Mr. and Mrs. Osugi were well known in the Nanka Judo Yudanshakai (Southern California Judo Black Belt Association) and as well in Japan. They volunteered at many of the Nanka tournaments' hospitality. My wife, Reiko, and I began to help out as well.

In 1994, as Kawasaki Sensei retired from Judo to live closer to his daughters and grandchildren, Ed Osugi stepped in as head instructor. I wanted a head instructor that was homegrown and had roots in Sawtelle. I consulted with Ed Osugi and then asked Kenji Osugi, then 4 Dan, to be head instructor. He took it on although he had a young family and a demanding job. Osugi Sensei assumed his present role as head instructor in 1995. It was the best decision that I have made as President.

I retired from our Dojo in 2011 and turned over duties to Jerry Hazemoto. I remain here as Senior Advisor and continue to come to our Dojo every practice night, assisting with whatever might be needed that evening. Hazemoto Sensei has done an excellent job as President and 90th anniversary tournament organizer.

Thank you to **Maria Maciel**, Industry Sheriffs' Judo Club and Sensei **Alex Fukuma**, Norwalk Judo Club, for assisting us in the days and nights before our tournament in the long and detailed registration and pooling process.

Thank you to all of the clubs/Dojos who participated in the satellite weigh-ins the days before our tournament removing the burden of last minute weigh-ins the day of the tournament.

Thank you to **Garrick Lee** for his creative talents and being entirely responsible for our tournament artwork; logos, parade and podium banners, T-shirt artwork and design, medal design and artwork, and program design and production. The winners left with some heavy medal. **Garrick** has a Bachelor's degree in Fine Arts with an emphasis in graphic design from the University of Southern California.

Thank you to Sensei **Kenji Osugi** and Sensei **Naomi Osugi** for producing and choreographing the very successful Judo Buyo dance and kata demonstration. The Buyo dance was the first of many to follow in the future.

Thank you to **Terri Waibel** at the USJF Office for the endless consultations and her cooperation on our online registration form compliance.

Thank you to **Frankie Sanchez**, Guerreros Judo Club, for his countless hours in delivering our custom medals and furnishing match cards for each mat on tournament day. We really appreciate the quality of our medals and its timely delivery.

Thank you to all of our advertisers and donors for their contributions to our program and Dojo over the years.

Thank you to **Joycelyn Valdez** from the BE The MATCH City of Hope Medical Center for conducting bone marrow screening in assisting **Erkki Forster**, one of our Junior members,

## ACKNOWLEDGEMENT LETTER CONT.

and the Forster family, to find a bone marrow donor match for Erkki who has a blood condition called Aplastic Anemia. Thank you to the twenty-one individuals who screened on tournament day and helped raise the awareness of not only **Erkki Forster**, but, also of the many others with Aplastic Anemia.

Thank you to Sensei **Doug Baba** for assisting in soliciting advertisements for our tournament program in the months leading up to the tournament visiting clubs/Dojos in the LA area, plus passing out flyers at Judo tournaments throughout the year promoting our tournament and advertisement. He along with Senseis **Keiya Saiki** and **Pamela Moye** coached our thirty-one members during our fast and furious tournament.

Thank you and a huge debt of gratitude to **Mike Trelinski** for being instrumental in developing groundbreaking online registration and pooling tournament software tailored for our Judo community. He volunteered countless hours and long nights ramping up to our tournament continually honing this application in his off-hours and testing the network at Westminster High School in the tournaments prior to ours.

As a result, once our volunteers got used to using this new application, they said that the tournament started on-time and ran very smoothly with the occasional match issue or two. The mats were not overcrowded with competitors and coaches waiting and wondering when their next match was to begin. And surprisingly, we completed all of the matches by 4:00 pm. We were praised by the volunteer clubs on how efficiently the tournament was run and the good mix of Junior and Senior competitors. Usually, Black Belts do not walk onto the mat by 12:30 pm. But, they did at our tournament. Yes, there were a few glitches. But, those were lessons learned.

**Mike** has an MSc in Systems Engineering with an emphasis in Computer Science from Loyola Marymount University and a Bachelor's degree in Computer Science with Sociology minor from Indiana University.

Thank you to Sensei **Kenji Osugi** for giving us the freedom to produce our 90th Anniversary Tournament and being part of a very success tournament and celebration of our Dojo

milestone. Being our fourth head instructor in our Dojo's history, he has held the helm since 1995 after his father, **Ed Osugi**. We owe him and his parents, Ed and Jean, a debt of gratitude keeping Sawtelle Judo Dojo going over the last few decades. We also thank the elder Osugis for visiting during our tournament.

In keeping with very traditional Japanese ways of the teaching the fundamentals of Kodokan Judo, we are very grateful that he shares his level of experience, wisdom and expertise with our members and the Nanka Judo Yudanshakai. He has taught countless members and produced many National Championships and some recent international competitors.

Finally, as your tournament director, we started planning in late 2016 with the vision that our tournament would be groundbreaking, memorable and a celebration of our Judo community. I would like to thank all of the volunteers for their time and energy, especially those for their countless hours, days and months prior to the tournament. Without your participation, something may have been missed, we may have been understaffed or our outcome would not have been possible. We all came together and volunteered to make this event possible.

I have the utmost respect for all prior tournament directors and their staff in producing a tournament.

To our competitors, we do this for your benefit and growth.

It was an honor to be your tournament director.

Best Regards,

**Jerry Hazemoto**

# SAWTELLE JUDO DOJO: FROM OUR BEGINNING

Kikuchi Sensei at the Los Angeles Coliseum

Takashi Kikuchi, 7th dan, founded Sawtelle Judo Dojo in 1927. In 1930, Sawtelle Judo Dojo was established as an adjunct to the West Los Angeles Nikkei Community Center at 2110 Corinth Ave., Los Angeles, CA. He was also very active in other Southern California judo dojos over the years. He assisted at Hollywood Judo under Iida Sensei and also active at Uyemachi, Moneta and Seinan Judo Dojos among others prior to World War II.

For some unknown reason at this time, the organizers are called, "Y.M.A." or "Young Men's Association." This is not to be confused with the more well-known YMCA or the Young Men's Christian Association. During this period, many Japanese community centers had "Y.M.A." or Young Men's Association. But, whatever the name it is called here, this is Sawtelle Judo Dojo.

This is the first tournament hosted by Sawtelle Judo Dojo as part of Nanka Judo Yudanshakai on October 23, 1930. It commemorates the opening of the dojo as an official member of Nanka on October 16, 1930. At the time, twenty students trained under Kikuchi Sensei. The book, "Fighting Spirit-Judo in Southern California, 1930-1941," documents the opening of Sawtelle Judo Dojo in 1930. We opened doors first opened for judo practice back in 1927.

During the war and post-war years, Sawtelle Judo and the community centers doors were closed due to wartime relocation policies. The property was under the supervision of the Red Cross. During the war, Kikuchi remained active in judo as the head judo instructor at the Heart Mountain Internment Camp in Wyoming. Yoshimaro Sogioka, San Gabriel Valley Judo, also managed to help organize the Heart Mountain Judo Dojo, with the cooperation of Kikuchi Sensei, of Hollywood and Inouye Sensei from Seattle. The unit became, "a formidable (judo) group."

After the war, he returned to Los Angeles and reopened Sawtelle Judo Dojo in 1950 with the help of Haruo "Harry" Kaisaki, 7th dan. He remained as head instructor of Sawtelle Judo until 1963.

He retired from judo in 1976 while serving as head instructor of Hollywood Judo. He, Harry Kaisaki and Mr. & Mrs. Ed Osugi are all members of Nanka's Hall of Fame.

Kenji Osugi Sensei Osugi Sensei,  
Sawtelle Judo Dojo's 4th head instructor, 1996-Present

In a YouTube documentary, titled, "Sawtelle Judo Documentary," Osugi Sensei and his father Ed, speak about how it is not about making money, but, about how rewarding it is to see children grow up and earn their belts, mature into responsible adults and eventually become instructors.

Others things never change, too. The children and adults learn not only judo. But, they learn to focus, to take the initiative and to get back up. There's a little give and get and the mutual respect for each other. But, even in the dojo, when they have a chance and sensei is not looking, kids will always be kids.

People move on. Memories faded. But, there is something timeless and traditional about Sawtelle Judo. We're in the 90th year since the doors first opened and fifty-seven years since we reopened in 1950.

Sawtelle Judo Dojo is much larger that when it first opened over ninety years. It was only one-third the size that it is today. The original dojo covered only the far mat only now bordered by the partitioned wall just left of the main entrance door as you enter. The auditorium was completed in 1940.

Kenji Osugi has also been an instructor with the UCLA Martial Arts Program since 2006. He began his Judo experience in 1960 with Sawtelle Judo and is one of the foremost respected instructors in our Judo community. He is a 7th degree Black Belt in Judo, and also holds Black Belts in Karate and Aikido. He has been a past Nanka Judo Yudanshakai President, and has held other cabinet positions. He also referees regularly at local tournaments.

He also instructs students in the seven recognized Judo katas. To this day, he instructs class every evening for our Juniors and Seniors alike, some developing into National Champions and international competitors.
