

PRESIDENT'S THOUGHTS

by Sue Pooler

It's November 1 and the pilgrimage South is in full force. Every day we are seeing more familiar faces returning to their home away from home. You have been missed. WELCOME BACK.

Whether you realize it or not there are well over 1500 residents living in our community and there is probably about five percent that are involved in one way or another. I am asking all of you to give some thought to getting involved. There are a variety of committees from Shuffle Board to the Loan Closet. Many of these require very little time. The more people who get involved the less work it is for any one individual. Elections will be held two months from now and we are looking for volunteers to serve on the nominating committee. Not a difficult job, and you are done by December

How about running for the Board? I would love to see more residents getting involved. Many of you have so much to offer. I'm not asking for a lifelong commitment, just one season. . . dozen meetings. . . how hard can it be? Many of you are saying "No way. Why would I want that job?" I'm here to tell you there is a very small percentage of complaints. Unfortunately that is what you hear at the meetings. Most residents are happy with their lives here at Schalamar. The majority of our residents want to spend their time doing what they love, whether golfing, swimming, playing pickle ball, playing cards . . . too many things to mention or just enjoying the sunshine.

We need more of you to get involved. We need diversity, new ideas, different ways of doing things. Life here is great, but . . . could it not be even better? Why not give it a try and get involved.

If you need to make changes, please call me at 863-669-1963, or e-mail GinnyTedReid@aol.com, or mail to 1148 Ashboro Court.

SCHALAMAR HELPING HANDS

by JoAnn Dorsey

For those of you who are not familiar with the the Schalamar Helping Hands, we are a group of volunteers who will help organize food when a loved one, who lives here, passes away. We set up the Ballroom with chairs if you choose to have a Memorial Service at the clubhouse.

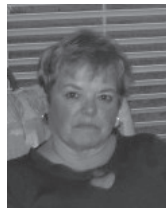

If a luncheon is scheduled after the service we will also organize that, providing paper plates, napkins, forks, cups, coffee, tea and lemonade.

We are here for you in your time of loss to help things go as smoothly as possible.

If you ever need our services, please do not hesitate to call: JoAnn Dorsey 668-7186, or Sharon Ryan 450-4027.

Thank You . . . the Schalamar Creek News would like to thank

Rich and Claudette Plante for their years of service in handling the distribution system that got the Schalamar Creek News delivered to the residents of our Community. They also contributed a monthly column titled "Gallopin' Gourmets" that critiqued area restaurants for our residents. Our very best wishes go out to them as they deal with health issues that prevent them from continuing to volunteer their services in these positions at this time.

A E D UPDATE

(automated electronic defibrillator)

by Ernie Connell

Please remember this is a device that can save a person's life when the heart is not in normal rhythm. The ONLY way is to shock the heart and the AED is the only device that can do it. Only the AED can determine if a shock is needed.

Schalamar Creek is very fortunate at this time to have THREE AED'S located in the following places;

1. In a cabinet just outside the entry to the ballroom in the clubhouse.
2. In a cabinet on the wall near the swimming pool, near the doors that go into the hall by the Caddy Shack.
3. In a cabinet on the outside wall of the restroom on hole #14 of the golf course.

The AED will provide step by step instructions to the person using it. A person in cardiac arrest can only be saved by the use of an AED. This must be done within 7-8 minutes from the time the victim becomes unresponsive.

There will be one or more classes offered this year that will provide instructions on the operation of the AED as well as the NEW method of CPR (No Mouth TO Mouth). Please sign up when a class is offered. A signup sheet will be posted on a bulletin board in the hallway near the Pro Shop.

The HOA board purchased two of the AED's and Murex purchased the other. Each AED costs about \$1,300. A word of thanks goes to the Board and Murex for making this possible.

FLORIDA, LIKE MANY STATES HAS A GOOD SAMARITAN LAW WHICH STATES THAT A PERSON WHO IS ACTING IN GOOD FAITH IN TRYING TO HELP SOMEONE IS PROTECTED FROM LIABILITY.

SCHALAMAR CREEK LADIES' GOLF ASSOCIATION

by Alice Piechoski

The official opening of the Ladies' League 2013 – 2014 golf season is about a week away. Have you signed up for the Opening Scramble and Luncheon on **Tuesday November 5?** There's still time but do it ASAP. Dues in the amount of \$35 must be paid prior to participating. Your check can be placed in the League box in the Pro Shop or contact treasurer, Joan Angert.

Carol Shutts, our league president this year, is no stranger to assuming positions of leadership. In the past she has chaired Invitationals, organized the Rally for the Cure event and overseen luncheons. She's looking forward to a great season. Linda Wolfgang will take on the Vice President's job. In the past this has included serving as Rules Chairperson. Returning for a second term as secretary is Eleanor Shoenfelt. In addition to her duties of maintaining the minutes of all meetings, she is also our Sunshine Chair. If you know of a member who needs to be remembered with a card, let Eleanor know. Joan Angert is returning as treasurer for a second time. Knowing the "ropes" will make it easier for her to keep an up to date list of our members as well as maintaining the leagues' finances.

The Events and Pairings Chairs have been busy over the summer getting ready for this year's season. Carol Sutton and Ginny Reid worked on the schedule of games to be played each week. They also got the Ringer Books ready for the 18-Hole League. Beverly Boles is joining Chris Van Bree as the 9-Hole League chair. Make lots of pars and birdies on League Day — you may hear your name called at the Spring Awards Luncheon. Here's a reminder: There is now a \$3 entry fee for each weekly game.

Make sure you pick up this year's League Booklet at the luncheon. It contains lots of info: the league calendar, how to play the weekly games, names of committee chairs, and explanation of local golf rules as well as USGA rules. Refer to it often if you have a question about anything "Ladies' League". Be sure to thank Sue Marvin for another excellent job preparing the booklet for printing.

The Opening Luncheon has been planned by Cathy King and her committee. A Christmas social committee chair is still needed. Please contact Carol and let her know that you are willing to give a hand.

GARDEN PLOT IS NOW READY FOR PLANTING

by Ray Mitchell

The garden plot is now ready and "gardeners" have been working their plots. We are looking forward to our first real growing season.

The summer was a mixed bag for crops. The summer squash and cucumbers did decent but it was too hot for tomatoes.

At present, I have six people planting crops. They are able to plant whatever they desire with the only major item being maintaining the plot free of weeds.

If we get enough requests, additional garden plots will be put up. Management is fully behind this and we are hoping to see more growers coming forward.

Besides it is a nice way to relax, just spending a few minutes working in your own garden. Anyone interested can contact Ray Mitchell at 816-6348.

LIBRARY REVIEW

By Linda Adams

I have just read a book I could not put down and by a first time writer, to boot. It's called *Rage against the Dying*, by Becky Masterman.

Brigid Quinn is a retired FBI agent who was forced out over shooting an unarmed man. She spent her career undercover, working on sexual predator cases, and trained her protégé, Jessica, to follow in her footsteps. Jessica went missing while working on a serial-killer case, and Brigid never recovered from the loss. Several years later, she is happily married and living an idyllic life in Tucson when she learns that there has been an arrest in the case, but the new agent working it, Laura Coleman, thinks the confession is false. When Coleman disappears and the bureau doesn't seem to notice, Brigid finds herself in the thick of things once again, only this time she is worried about losing another agent, her husband, and her newfound happiness. Brigid is a marvelous character, and her skills are fearsome for someone her age. Although Brigid sometimes takes things too far, stretching the bounds of credulity, it is worth the suspension of disbelief to hang with her. Fans of Lisa Gardner and Tess Gerritsen will love this book.—Booklist

I picked up my next read at our library:

Following Atticus, by Tom Ryan, is the remarkable true story of a man and a dog embarking on the challenge of a lifetime, the inspiring tale of how he and his miniature schnauzer companion, the "Little Buddha" Atticus M. Finch, attempted to scale all forty-eight of New Hampshire's four thousand foot White Mountains twice in the dead of winter. It is a story of love, loss, and the resilience of the human and animal spirit featuring the most endearing and unforgettable canine protagonist since *Marley and Me*.

And lastly, I read one of Ann Rule's true crime books, "Heart full of Lies," which chronicles Liysa Northon's marriages, divorces, and ultimate slaying of her third husband . . . Check out our CRIME shelf for more in this category.

I want to thank Marge Short, Sue Stark, and Carol Conner for their diligent work while I was away, and their continued help. If anyone wants to volunteer in the library, we would welcome the help.

BOOK CLUB TO DISCUSS

"The Round House"

by Louise Erdrich

by Pat Bagley

You are invited to join the SC Book Club members on **Thursday morning, November 14**. We gather in the Card Room at 9:30 A.M. Lively exchanges take place: reflections are shared, thought-provoking questions are discussed with answers reflecting the demographic and the experience of our members. Please join us. You'll be glad you did.

This month's selection leads us to the North Dakota Ojibwe community. Now let me think a bit. If you read the book, you will find a wide spectrum of themes: Race, Politics, Injustice, Religion, Superstition, Magic...hmmmm . . . wonder which one(s) appeal to you? The story makes one think about the line between justice and vengeance.

Native American ancestors taught that there is but one abiding principle that governed all of life: Live in Harmony. Erdrich tackles the conflicts between the Native Americans and European Americans and the oft-times dis-harmony that exists between the people living on the Reservation and the Government. There is so much hatred between the two, yet they are mutually dependent. Is there any hope for harmony?

Come add your thoughts, won't you?

HAVE YOU HEARD THE BUZZ?

Mosquitoes are in full swing with all of the rain we've had lately. Make sure to protect yourself when outdoors.

To help make the county aware of where mosquito population is growing, you can call the Polk County Mosquito Control at 863-534-7377. Everyone should call, because that's the only way they will come to spray our community is if we all let them know about our mosquitoes.

THE LOAN CLOSET

by Sue Pooler

The loan closet has recently been moved to a new location next to the Pro Shop. The reason for the move was to make the old space available to the craft committee to expand their space to display the crafts made by residents.

Some of you may not be aware of the variety of things that can be borrowed from the loan closet. There are crutches, canes, walkers, commodes, shower chairs, wheel chairs and a portable ramp. For family and friends coming for a visit we have, roll away beds, Pac N Plays, a crib, strollers, high chairs, a play pen, bikes, pool floats, booster seats, car seats and a few assorted toys.

If there is a resident with difficulty reading we do have a large magnifying screen with adjustable positioning. We also have a bed rail available.

All of these items are available for up to eight weeks at no cost, though donations are accepted. If you need one of the items all you need to do is call a member of the loan closet committee. Their names and phone numbers are on page 9 of the Schalamar phone directory: Ollie Fowler, Rich Baxter, Joe Galanti, Sue Pooler

Strawberries are the only fruits whose seeds grow on the outside.
Avocados have the highest calories of any fruit at 167 calories per hundred grams.

BINGO

by Joan Angert

Bingo started October 1 with 36 people. That indicates that we'll have a bigger crowd this year.

You can play all the games for as little as \$6. The average cost is less than \$20. When everyone is back our big Diamond game can pay as much as \$200.

I've heard people say that they came twice and didn't win. Well that might happen but it's a fun night out. We do pay back all the profit, so chances of winning are better than most other bingos.

We play in the ballroom starting at **6:30 P.M. every Tuesday.** Please join us.

WHAT IS PICKLEBALL?

by George Miller

Management has provided two pickleball courts for our enjoyment. They have also added a bench, table and benches, bike rack, and waste container. The game provides an enjoyable way to exercise and meet new people.

Pickleball (Pickles, the family cocker spaniel of one of the co-inventors of pickleball, used to chase stray balls and then hide in the bushes, so they named the game after him.) is a fun game that is played on a badminton size court with the net lowered to 34 inches at the center. It is played with a perforated plastic ball (similar to a whiffle ball) and oversize ping pong paddles. It is easy for beginners to learn, but can develop into a quick, fast-paced, competitive game for experienced players. Due to the smaller court, less movement is required than tennis and is becoming very popular in senior communities.

We welcome new players; men, women, beginners, or advanced. Call: George Miller 665-2480 or Jim Barry 667-1302, or stop by when we are playing. Paddles can be signed out at the Pro Shop (free of charge) or the players will be glad to loan you one. See you on the courts.

SCHALAMAR SINGERS

Now beginning our 25th year in Schalamar Creek, the Schalamar Singers invite you to join us in song, dance, humor, and instrumental music.

We especially need a drummer/percussionist. Whatever your talent, we think we can fit you into our program as we prepare for the Christmas season.

Singers come and go as life changes. Beloved Donna Watson passed away in June. Louis Huppenthal, Julie's husband of 63 years, died in July. We shall miss them.

If you like singing golden oldies, music of the 40s, 50s and 60s; or if you play any instrument, we welcome you to become part of the Schalamar Singers. Rehearsals are on Thursdays at 1:30 P.M. Please call Bill at 666-8021; bromoser@tampabay.rr.com, or Jay Miller at 665-4282; email fedjay@tampabay.rr.com.

EDITORS' NOTES

If your Bright House TV service DOES NOT connect to channel 95 or 96. Call 611 and ask them to modify your system to receive these Channels (that is their responsibility).

The SCNews is published from October through April. We value all of our advertisers, their ads pay for printing the issues distributed to all 800 plus homes. Please support our advertisers, tell them you saw their ad in the SCHALAMAR Creek Homeowners' Association News.

Human interest stories, restaurant reviews and more will enhance our News making it a pleasing, educational, peruse of the print, and help fill in spaces around the ads. Simply email them to lee franca@yahoo.com. Have you ever thought about why you constantly see/hear the same names over and over at Schalamar? Could it be they are the doers who enjoy living here.

Kudos to Mark, his staff and all Schalamar residents who make up this remarkable community.

Keep Your Pets Leashed

The Schalamar Creek HOA has a new website. The address is now www.schalamarcreekhoa.com. Please visit our site and see the new and improved changes. The HOA has now taken over the web site and I, **Christine Eaton**, am the new Webmaster/contact person. I live in the community on Alvamar and while we are still getting some of the bugs out we are finding that this system is very easy to use and allows us to update daily to keep you up to date on the happenings in Schalamar. Know **you can go on daily** to look for updates, you no longer have to wait until Saturday or Sunday for this. If we find that people want to have the reminders sent every time we update the site, we will look into this option and cost.

Our new site is a little different and you will have to hit all the site links to see all the information just like the old site. We feel that once you get used to it you will enjoy the experience. It looks nice and fresh and we hope that it is easier for you to navigate. The HOA is very pleased with our ability to get information out to our community as fast as possible. We are also saving the HOA the cost of keeping a paid webmaster.

Let me walk you through the site:

Once you put in www.schalamarcreekhoa.com into your computer you will see the entrance to Schalamar welcoming you. Then you will find the different links under the picture.

About us! Tells about Schalamar HOA and what we do.

Calendar of events! This gives you an up to date look at the happenings at Schalamar, some a year ahead.

Documents! Forms you may find helpful for the community.

Advertisers! These are the business's that support our webpage and keep us running.

Classified! Residents can put an ad in for 30 days Free of charge. If you need longer resubmit.

HOA Directors and Board Members! This gives you a list of the officers with contact info.

Contact Us! Contact **Chris Eaton** with info or questions about the Website, community, and the HOA.

The **Search** area at the **top** of the page allows you to put in any topic and the site will search for a result and it will show up on the website page. Feel free to play with any of these features.

Now the website has information on what is happening in Schalamar that you can read as you scroll down. We have more than one page so feel free to look at our **older posts**. Most information can now be kept on this website indefinitely but usually once an event has passed the date that it happened it will be removed.

While you are out of the community you can see what is happening here. We try to keep information from the management as well as the HOA and happenings in the community up to date. If you are involved with an organization please send us your information and we will place it on our website. This is a community (HOA) site, but we do like to keep it upbeat. This site is open to the public. Under **Contact Us** my email is stated. ceaton47@msn.com I will return your email or call you to verify the information. If I can't take care of your issue it will be sent to the correct party.

Now back to the website. On the right hand side you will see a **list in blue** where we put our; Birthdays, Get Well, Sympathy cards, Anniversaries, and General info. Taken off the webpage, In Memoriam (if there are services or other info that we receive), and notices also taken off the webpage. Also there are upcoming events, this is a list of activities for the next week so you can keep up with that class or know when to borrow a book from the Book Mobile. **Web Links** are for your convenience to contact some of your suppliers and the Schalamar house salesmen.

Last, but not least, is a reminder to contact me (**Christine Eaton**) if you have any questions or information you feel may be relevant to Schalamar HOA and the community. We added this as some people didn't realize that the "Contact Us" tab gives my information.

New things to come:

Soon we will have a link up for the Newsletter to be posted after it has been delivered to everyone. This way those that are outside the community and back to their other home or on vacation can view it and see what else is new at Schalamar. We will keep all the back issues on the website under a heading called **NEWSLETTERS** so you can look back to see what happened last month or 6 months ago. We also haven't gotten our **Picture** section up but it should be running by the time this newsletter comes out. So go and see what happened this summer at Schalamar.

In the past, a notice was sent via email to alert you of an update. Our new website allows us to update the site daily. We hope you touch base with www.schalamarcreekHOA.com on a regular basis. Make sure you save this address to your computer so you can visit us regularly.

I hope this information is helpful to all of our Schalamar HOA members and friends. Remember that you can join the HOA at any time just stop by the Hair Salon and talk to Jerry or say hi to Shirley Noblett and she will sign you up.

Thank you for your support of the HOA and the webpage. I look forward to meeting all of you and getting the information that you are interested in out to our community.

Christine Eaton, Web Master and HOA Board of Directors member.

BUSY FINGERS

by Dianne Degner

UFO's Do you know what a UFO is? To a crafter, it is an unfinished object. A project we didn't finish and I will freely admit I'm guilty of having many UFO's at my house. You may have UFO's for several reasons. The project was too time consuming or complicated. You lose interest or maybe you lose the directions. So what do you do with an unfinished project?

1. Throw it away.
2. Finish it. Set yourself a deadline and work on it every so often until completed. Give it to someone to complete for you or hire someone to complete it.
3. Sell it at a yard sale or on Ebay
4. Donate it to a friend, your church, Goodwill, or school.
5. Turn it into something else.

An unfinished quilt could become a finished pillow.

I hope this helps you do something with those UFO's stashed in your closet.

"A life spent making mistakes is not only more honorable, but more useful than a life spent doing nothing."
George Bernard Shaw

PET REGULATIONS

The enforcement of Schalamar Pet regulations has been very lax. To try and improve this we are asking that residents inform the management when they see any dogs that are out there without a leash or tied up in a carport or tree unattended.

This is a community and state regulation and once we know who is allowing their dog to run free without a leash the management can take action to have this corrected.

Although most dogs are very friendly with humans it is not always so with other dogs. For the safety of our residents we are asking you to report this when you see it. Names of those reporting will be kept confidential.

The management and the HOA both thank you for your participation.

BROADWAY LOST YOUR NUMBER?

Oh no, don't panic, act now, the "Schalamar Stage" is calling ACTORS, ACTRESSES & BACKSTAGE CREW now planning for our **March 2014** comedy theatre production.

PLEASE SIGN UP ON THE CLUBHOUSE BULLETIN BOARD or call Felicity Gregg 668-9386.

by Charlotte Bartley

The choir members of the Schalamar Church along with friends in the community and choir members of a very small church in Winter Haven, have joined this year in presenting a wonderfully uplifting musical called GLORIOUS IMPOSSIBLE. It includes some beautiful new songs and some standard Christmas music. We will present it on **Sunday, December 22** at 7:00 P.M. in the Club House Ballroom.

Mark it on your calendar so you won't miss out. This concert is free with refreshments following, provided by the members of the Schalamar Church. Please join us and receive this Christmas blessing in music.
