

# BUMP-UP DAY BULLETIN

Newspaper Number 38

This has been a short week for the children, following a most productive TD Day for staff in School on Monday.

On Tuesday, Reverend Becky started our week leading Collective Worship for the whole school.

Our Year 6 Leavers attended a very moving service at Salisbury Cathedral on Tuesday along with Year 6 Leavers from other Salisbury Schools. Thank you to our banner bearers and candle holder who performed their duties beautifully.

On Bump Up Day this Wednesday we welcomed our incoming Year 3 children and, with the majority of our Year 6 children visiting their new senior schools, everyone moved up a year for the day. The children got to meet their new teachers and visit their new classrooms. The current Year 5s really enjoyed their role as the oldest in the School and the associated responsibility of being Buddies to the Year 2 children – something that will continue in September. We finished the day by welcoming into School our new Year 3 Parents.

The Year 5 children put on the most wonderful Ukulele Concert for their parents and guardians yesterday. They have all risen to the challenge and embraced learning this new instrument and were, quite rightly, very proud of their achievements – well done Year 5.

Whilst the ukuleles were being strummed yesterday the Salisbury Museum visited our Year 3 classes leading fully interactive Roman workshops which, as you will see from the photographs later in the Newspaper, were thoroughly enjoyed by all the children.

We wish you all a very lovely and relaxing weekend.

# What has been happening in School this week?...

## Year 3

Year 3 became archaeologists yesterday, when the team from Salisbury Museum came into school for our Roman's themed workshop. It was fascinating to learn about the process of an archaeological dig and to explore some genuine Roman artefacts! We then had fun getting messy with clay to make our own shards of samian ware (Roman pottery).

## Year 4

Cedar Class have been working hard editing their Myths and also helping each other to improve their writing.

This afternoon in Willow we used our electrical circuit skills to make series circuits, using a switch to turn on a fan creating a welcome breeze.

In Larch class this week, we have been looking at complete and incomplete circuits and predicting if a circuit will work. The children then made simple circuits to check if their predictions were correct.

## Year 5

In Aspen we have been exploring the idea of every Christian's belief that God is loving and holy. We have learnt new vocabulary- omnipotent and omniscient. We found examples of this in the bible. We thought of symbols and colours that reflected love and holiness.

This week in Ash we have been learning about the Vikings and the raid on Lindisfarne. We have been writing formal letters. Here are a few from Maya, Beatrix and Finlay.

## Year 6

This week Year 6 visited Salisbury Cathedral for their Leavers' Service. We enjoyed a beautiful ceremony thinking, in particular, about finding "our own light" as we head off to our secondary schools. Several of the children carried the School's banner and carried the candle during the service. It was a very special afternoon.

## Parent Consultations & Reports

On Monday we will be sending out the invites to sign up for Parent Consultations which will take place on Wednesday 19<sup>th</sup> July. Reports will be coming out to Parents on Thursday – please check school bag.

## Harnham Water Meadows – Open Afternoon

The Harnham Water Meadows Trust has an Open Afternoon on Saturday 8<sup>th</sup> July 2023 and Saturday 12<sup>th</sup> August 2023 from 2pm to 5pm. Meet at Rose Cottage on the Town Path near Harnham Old Mill for refreshments and short guided tours of the Meadows. Well behaved dogs on a lead are welcome. Sturdy footwear is essential, as the ground is very uneven and may be wet. Having legs covered is recommended because the grass is long in some places.

On Saturday 8<sup>th</sup> July we are planning a sheepdog demonstration by the grazier at 3.30pm which will be very informative and entertaining.

Up-to-date information will be on the home page of the website:

[salisburywatermeadows.org.uk](https://salisburywatermeadows.org.uk) under events and on the sign outside Rose Cottage.

Benedictus of the Lord and Gyng of Westmore

Harold Highnes, Gyng Beofstire

Friday 6th May AD787

To his majesty Beofstire the Lord and Gyng of Westmore

It is with utter joy and gladness that I tell you that his majesty Beofstire and his Northwester have been mercifully blessed by equal savage warriors at Lindisfarne on the 8th June 787. May the Lord Rest in Peace.

Early that morning an arrival of strangers from strangers was reported to the Lord Beofstire who in joy and gladness welcomed them and he called for the blessing his thoughts to be with well his better away with his wisdom as their strength. Since that day the Lord and his majesty helped and we were not worried about their position.

We arrived at Lindisfarne on the 8th June and it was a great and welcome to our sacred land and we were all glad to see the Lord and his majesty. We were all glad to see the Lord and his majesty. We were all glad to see the Lord and his majesty.

## In the news this week

The world-famous Wimbledon tennis tournament is currently underway and will conclude on 16<sup>th</sup> July. Experienced player, Venus Williams, made her 24<sup>th</sup> appearance in the singles draw at Wimbledon after the 43-year-old American was given a wild card entry. Venus is a five-time Wimbledon singles champion and reached the final in 2017, 20 years after her first appearance there.

### Things to talk about at home ...

- > Ask adults at home what they know about the Wimbledon tennis tournament. Have you watched any of it together this year?
- > Share your experiences of winning and losing with someone at home and ask them to share theirs. Think about how each feels and what you can learn from both situations.

## Surfing Seal

**Pictured:** Sammy the surfing seal pup **Source:** @cicuellar Twitter

Surfers in San Diego received a surprise when they were joined by a seal pup! Typically, seals steer clear of humans but not this baby seal! It was abnormally friendly and appeared unafraid as it proceeded to move from surfboard to surfboard, catching the waves. SeaWorld was notified and sent an expert crew out to check on the animal. Releasing a statement, SeaWorld officials reported, 'There was no need to intervene as the pup

also appeared to be old enough to care for itself.' It hasn't been a one-time experience either as the over-friendly seal pup has continued to return. Local surfers have named the seal 'Sammy' after a children's book depicting an adventurous seal. For many, Sammy's presence has incited a sense of awe, excitement and beauty. Surfer, Jenny Kim, who was joined by Sammy on her surfboard, described it as, 'A moment of pure happiness for me.'

## Ancient Bronze Sword Discovered

Archaeologists from Bavaria's State Office for Monument Protection have uncovered an ancient sword near the town of Nördlingen in Germany. It is thought to have been forged in bronze during the 14<sup>th</sup> century BCE, making the weapon 3,400 years old. The hilt of the sword has an octagonal pommel and a zig zag pattern on its handle, which is still visible. It was likely made by the Tumulus people, who were a warrior society in central Europe during the Middle Bronze Age and were highly skilled metal workers in gold and bronze. The Bronze Age was the first time

humans started working with metal to make tools and weapons, which saw huge advancements in agriculture and trade at the time. Despite its age, the sword is in very good condition. Experts were shocked at how well-preserved and shiny it was. Mathias Pfeil, head of the Bavarian State Office for the Preservation of Monuments, said, 'The sword still has to be examined for our archaeologists to further classify this find, but it can already be said now that the preservation is exceptional! A find like this one is really rare.'

## Refilling Success

The UK is embracing refillable water bottles and asking for a water top up has become a regular occurrence. According to a poll by Refill, an app that maps venues offering refills, around 60 per cent of people living in the UK now carry a reusable bottle. This is compared with just 20 per cent eight years ago. Steve Hynd, policy manager at City to Sea, a plastics pollution charity that runs the app, said, 'It always used to be that slightly awkward moment of asking to have your water bottle refilled - but now it's the norm.'

**Pictured:** Refillable water bottles. **Source:** Canva

**Pictured:** A refilling station **Source:** Canva

Water bottle brands continue to develop and make purchasing one more desirable. Chilly's have produced robust and heat-resistant water bottles and Air Up created the world's first bottle that flavours water using scent. Although progress has been made, there is still a lot of work to do to eliminate single-use plastic water bottles. The UK alone disposes of 10 million bottles each day!

**Do you have a refillable water bottle? Do you know of any places where you can refill it?**
