The Annual Membership Fee (AMF) applies to all Academy swimmers and will cover the cost of:

- Annual Swim England Fee for swimmers, the club and volunteers

As with Academy fees, the AMF will be reviewed each year.

Swim England Annual Renewal of Fees

Soundwell Swimming Club is affiliated to the Swim England. Swim England is the national governing body for swimming, diving, water polo, open water and synchronised swimming. It organises competitions, establishes the laws of the sports and operates certification and education programmes for teachers, coaches and officials as well as the Learn to Swim Awards scheme.

All swimmers training or competing with a Swim England affiliated club must be registered with Swim England and renew their membership on an annual basis.

The fees provide funding for the British Swimming Programme and also provide you with insurance when you take part in any swimming activity organised by the Swim England or an affiliated swimming club.

Once you have completed the Swim England Registration form, this should be emailed to:

learntoswim@soundwellswim.org.uk

A photograph of the completed form will be sufficient

Only the Highest standards of behaviour will be acceptable and any member of the Club found to be acting in a manner which may bring the Club into disrepute will be disciplined. Soundwell Swimming Club

Code of Conduct for Parents

- Remember that your child is involved in swimming for their enjoyment, fitness and success - not yours.
- You should be realistic about your child's ability, do not over-expect. Harm can be done if your child falls short of your expectations.
- Teach your child that honest effort is as important as victory; a Personal Best (PB) can be as big an achievement as a gold medal.
- Teach your child good sportsmanship. Never ridicule or shout at your child for making a mistake or losing a race. Be positive at all times and don't show your disappointment.
- Remember that your child will learn best from example, applaud good performance from your child, other swimmers in the club and from other clubs.
- Recognise the value and importance to your child and the club of the volunteer coaches, do not undermine them; they give their time and effort to provide recreational activity for your child.
- Encourage your child but do not coach. A little knowledge is dangerous and the club's coaches have high levels of qualifications in order to provide a continually high standard of training in all squads within the Club. Please remember that the coaches are working to make your child the best swimmer they can be. However, if you are not happy please raise your concerns and worries directly to the coach in private, not during a session. Please do not interrupt the coaches while they are poolside during a training session. Your child will benefit from the coaches full attention. Do not enter poolside unless requested to do so or in an emergency.
- Detail any health concerns relevant to your child on the consent form. Any changes to the state of your child's health should be reported to the coach prior to coaching sessions.
- Ensure your child's needs are met in terms of nutritional needs and listen to advice given from the club coach.
- Be positive about the club and how it works, if you see a problem or have a concern about the way your child is being developed or how the club is run, please approach a committee member who will ensure that the matter receives urgent attention. This means that any major grievance or situation which brings the club or individuals within it into disrepute should be brought to the attention of the committee in writing. You should be prepared to discuss your grievance in person with the committee so that the situation can be resolved and brought to a conclusion.
- Deliver and collect your child punctually to and from coaching sessions/swim meets. Please inform a member of the committee or coaching staff if there is an unavoidable problem.
- Rumours and gossip within the club can only hinder the club's progression and growth. Please do not get involved in this type of behaviour.
- Ensure that your child is properly and adequately attired for training sessions/events including all required equipment i.e. hats, goggles etc.
- Inform the coach before a session if your child is to be collected early from a coaching session/meet and by whom.

Request for Volunteers

Dear Parents

Did you know Soundwell Swimming Club is run entirely on volunteers?

Have you some free time you could give to the club, maybe a couple of hours per month?

We are always looking for help with;

- Fundraising (to support and keep costs down)
- Roles within the committee
- Poolside help
- Club desk

These volunteers will ensure smooth and **continued** running of the club. We urgently need more poolside help to support the hard working coaching team and more officials to help at Galas and Open Meets. These events could not take place without a full team of officials. As a club we can have points deducted at galas, or costs incurred if we do not supply enough officials.

For information on how you can help contact, workforce@soundwellswim.org.uk. Or return the slip below to the club desk.
