Welcome message from Badminton Australia

It is our pleasure to welcome players from throughout Australia to the beautiful city of Adelaide for the 2022 U15 Australian National Championships and Val Nesbitt Trophy, as well as the U19 Australian Nationals Championships and CP Maddern Trophy. Having missed the 2020 and 2021 National Championships, we are delighted to run this event again in 2022.

The Championships have significant history for Badminton Australia, with the U19 event been held since the 1960's and the U15 event since 2005. This event showcases the best junior players that Australia has to offer, with players competing in both a team event and individual national championships.

We thank the sponsors for their contribution and enthusiasm towards badminton and the support given to the organisers. We are all aware that volunteers are the backbone of any organisation and the dedicated group who work tirelessly to provide this experience for you are to be congratulated.

Enjoy the experience and play well,

Andrew Greenway

Val Nesbitt Trophy

History

A 'Test' event for Under 15 teams was held in 2004 aimed at introducing promising juniors to a carnival atmosphere and to help them develop the skills and confidence needed to compete in elite events. Six teams proved the worth of this initiative which now has an enthusiastic following.

The first officially recognized National Under 15 Carnival was held in 2005 at Geelong, in Victoria, where twelve teams participated, Ballarat/Bendigo, Geelong Region, Mid-Gippsland, New South Wales, North-West Tasmania, Presidents Team, Queensland, Singapore Sports School, Southern Sharks Tasmania, Victoria 1 & 2 and Western Suburbs.

The proposal to conduct an Under 15 Carnival was born in the late 1970s, where with the Victorian Junior committee's support and direction, VJB secretary Val Nesbitt canvassed all States with the first of the proposals for an Under 15 Carnival. But before the event could be run and due to national amendments to "even" numbered age levels it became 'U16' and so 'morphed' into the first of the "U16 June Bevan" carnivals for a few years until the move back to "odd" numbered age levels where it went to being the 'U17 June Bevan' (which subsequently shifted the original "U17 CP Maddern Carnival" to Under 19s).

The Under 15s idea slid into a slumber until 2003 where once again, with the support of the Vic Junior Badminton committee, MDBA and RSL, Val was able to encourage interest in an Under 15 Carnival and with the approval from Badminton Australia to hold a "test" event, the wheel has come full circle.

The tournament was named in honour of Mrs. Val Nesbitt, a dedicated badminton worker who began her "volunteering" at 17 years of age when she joined the Prince of Wales Park Badminton Club in Thornbury in Victoria where she was Secretary for 5 years. There was a break in badminton activity with marriage and the arrival of her four children, after which Val joined the Forest Hill Badminton Club, where she was secretary for many years and during which time she qualified as a coach working primarily with Junior and Ladies groups.

During the late 1970s Val was instrumental in the formation of the committees for Victorian Junior Badminton, the Victorian Ladies Badminton and formation of the South East Badminton Association in Victoria. In early '80s she was involved in the introduction of the "Atalanta Jamboree" Australasian Ladies badminton championships and its' ruling body, the Australasian Ladies Badminton Association.

Val continued to coordinate the Atalanta Jamboree and the June Bevan Trophy for many years and has been on the Board of Badminton Victoria since 1984, where currently she is the Secretary.

Val is a Life Member of Badminton Victoria.
