

Pilrig Bowling Club recommend switching to Castle Water

How long has your club been using Castle Water?

We switched to Castle Water in December 2019.

What made the club decide to switch to Castle Water?

Castle Water were able to offer us a very competitive price and considerable cost savings compared to both our previous supplier and other potential suppliers in the marketplace.

How much money has the club saved since switching to Castle Water?

Castle Water has remained very competitive over the years and are always happy to review our

pricing. They also offer the facility to pay by monthly Direct Debit so we know exactly what we will be paying each month.

What level of service have you received?

The initial process of switching supplier was made very easy by Castle Water. On the odd occasion any queries do arise, these are dealt with quickly and promises to call back are honoured.

Would you recommend Castle Water to other clubs?

I wouldn't hesitate to recommend Castle Water, they remained very competitive on price.
