## President's Address

**Marella O'Neill | Bowls Scotland Ladies President**

May I on behalf of Bowls Scotland extend a warm welcome to all attending The National Finals at Northfield 2023.

It is that time of year again when bowlers in Scotland look forward to the challenges and atmosphere that accompanies this event.

To the players, Firstly, may I

congratulate you on your district achievement to reach this stage. Could this be your year to be a Scottish champion in the sport you love. I wish you all the best of luck.

To the Competitions and Events team and all officials and volunteers involved in stages 1 and 2 of the competition you have my utmost admiration and gratitude. These events do not happen by chance. It is the result of many months of planning and organisation to ensure the experience for players and spectators is as good as it can be.

Once again, the volunteers will give their time and knowledge this week to ensure the smooth running of the competition.

We could not do without you, and I thank you for your continued support.

I will be around throughout the competition and if you see me, please say hello. I will be delighted to meet you. Enjoy your week.

Marella O'Neill

**Ron McArthur | Bowls Scotland Gents President**

I wish to congratulate all players on their achievement by reaching the Nationals. You are now about to perform at the National Centre for Bowling, play well and enjoy the experience.

To the spectators likewise, enjoy the experience and let the players know how much their endeavours and skills are appreciated.

Without the help of volunteers Bowls Scotland would not be able to function. To all of you who have given freely of your time over the years, this will include people at your club, Umpires, DC's, Past Presidents, Honorary members Thank you.

This is a bigger inclusive Championships with a lot work done by seen and unseen staff, this has been a mammoth task and they all deserve credit in contributing to making this happen. We are about to engage in a feast of bowling; may everyone concerned in whatever capacity contribute to a successful and memorable outcome.

I look forward to seeing you here.

Ron McArthur.

## Foreward from Provost Iain Campbell

**Iain Campbell | Provost of South Ayrshire**

As Provost of South Ayrshire, I would like to welcome you to Ayr for the Bowls Scotland National Championships.

There are so many sports that can be accessed across South Ayrshire, but bowling remains a firm favourite.

This is a sport that can be enjoyed by people of all ages and spectators travel from far and wide to be a part of these championships.

Over the next week you will see some of the best players in the country compete for a number of trophies. The para matches are always exciting as is the junior competition where we get to see some fantastic new talent.

I am sure the competition will keep you rooted to your seat, but if you do get the opportunity, I would encourage you to explore Ayr and the surrounding area. There really is nowhere like South Ayrshire, from award-winning beaches to ancient castles and monuments we have it all.

Finally, I hope you enjoy the competition and join with me in thanking the organisers for all their hard work before, during and after the championships.

Iain Campbell

### **Bowls Scotland and South Ayrshire Council**

Bowls Scotland wishes to thank South Ayrshire Council for their continued support of the National Championships. Through every stage of planning and delivery, they have been helpful, supportive and encouraging, and the National Championships would not be the success it is without SAC's assistance.

## GETTING HERE

### Is parking available?

There is no public parking available at The National Centre for Bowling or on the surrounding streets during the event, even for blue badge holders. We encourage spectators to use public transport or our dedicated Park and Ride service on Afton Avenue, KA8 2AG.

### What about disabled parking?

Disabled blue badge parking is at the Park and Ride on Afton Avenue (55.484177402199215, -4.610561346558998) Stewards will be able to advise on where to park and accessible buses are available.

### What is the best time to avoid the queues?

The National Championships attracts big crowds. This will inevitably result in some delays in entering the site at peak times.

Using public transport can actually enhance your journey. Our best advice is to arrive early – gates open at 8am.

### Will there be queues to get into the Park & Ride car park?

There may be small delays at peak times. Again, our best advice is to arrive early. Car parking stewards will guide you to a space and shuttle buses run every 15 minutes at peak times.

# NATIONAL CHAMPIONSHIPS VOLUNTEERS

We would like to take this opportunity to thank our dedicated team of volunteers for the 2023 National Championships.

**Without these dedicated people giving up their time the event would definitely not be able to run smoothly and successfully. Bowling clubs across Scotland are forever indebted to hard working volunteers and our National Championships are certainly no different.**

**First introduced in 2022, we will once again be presenting a 'Volunteer of the Week' trophy to one of our amazing volunteers who has gone above and beyond throughout the Championships. Look out for their presentation during the week!**

Welcome to our new

# Try Bowls Activators

In 2023 we introduced additional, localised support to clubs through our TBA programme, specifically designed to support the delivery of Try Bowls across Scotland.

With support and guidance from Bowls Scotland's NDO's, the TBAs work with Try Bowls Clubs to increase community to club transition, retention and ultimately increase the number of Bowls Scotland members.

Our ambition is to have 24 TBAs by 2027 with scope to increase this if the programme is successful.

Find out more about the TBAs and their contact details here:
