

Camberley Bridge Club Supervised Play Sessions

If you enjoy playing bridge but don't feel ready to play in a club environment, why not join our gentle bridge sessions?

The sessions are held in our club venue in Camberley Cricket Club from 2.00 p.m. to 5.00 p.m. on Mondays.

They are aimed at those who have some knowledge of playing duplicate bridge but may not yet be fully confident with bidding and play. They will be very suitable for those who have just completed our transition course but they will also be open to any other bridge players who want a gentle session with help and advice available if wanted. Please note, formal teaching is not provided every week but, from time to time, lessons on topics of interest to the group will be provided.

As the sessions are assisted, they will not be eligible for EBU Master points or NGS ranking. However, the sessions will be scored and we will use pre-dealt hands.

There's no need to register in advance – you can turn up on the day. If you don't have a partner, we'll pair you up with someone on the day. Each session will cost £3, payable on the day.

Information is also available on our website: www.bridgewebs.com/camberley/

If you'd like more information, you can contact us from there or by emailing Geoff Williams on geoffandsue.williams@zen.co.uk

Our website also gives more information on how to register for our Transition Courses.

If you can't make Monday afternoons, you may be interested in Yateley and Hawley's Improvers' Group. Information is available on their website (www.bridgewebs.com/yateleyhawleybc) or by contacting Vivek Radhakrishnan on vsrad@hotmail.com
