About

Host club

Amber Valley Gymnastics Club was established by Nick Stuart, nine times British Champion in the 1970's at Lea Green, assisted by Alan Somerville OBE. Alan became manager of Alfreton Leisure Centre, he originally ran separate groups for girls and boys which were soon amalgamated and became Amber Valley Gymnastics Academy (AVGA). During this time many gymnasts became county champions and 2 boys reached national level at tumbling along with performing several displays nationally and internationally. Alan left the club in 2000 when he became Chief Executive of British Gymnastics.

In August 2016 the club moved to a new location in Ripley due to club growth and expansion. The club now runs 6 days a week offering a wide range of disciplines/classes. AVGA currently has gymnasts representing the club at national and regional levels across the calendar year.

We are looking to expand this already successful club into one which will cater for all elements of the local community. We aim to use the numerous disciplines within gymnastics to increase physical activity within the Amber Valley community and inspire participation at all levels.

AVGA are very driven and aim to put each gymnast on the right pathway to achieve their ambitions, they thank all staff, gymnasts and parents for their continuous effort and help within the club.

Notes:

- Depending on the number of entries in each category after the closing date, some categories are subject to change.

For example: 7 years category may become two groups of 7 years, Jan – Jun born and Jul – Dec born. This may also work in reverse, for example; 5 and 6 years will join as there are only two gymnasts in each age group entered.

This will be down to the discretion of the Competition Organiser, but this will be communicated prior to the competition date.

- Gymnasts must be of age [to enter the appropriate category] on the **date** of the competition.

For example: A gymnast needs to be 6 years old by the 27th October 2019 to enter the 6 years age category.

- In fairness to all gymnasts, the coach should decide at what level gymnasts compete.
- Gymnastics for All (GfA) rules are designed to be inclusive:
 - Gymnasts with additional needs may take part within a mainstream category or a disability specific category.
 - If any gymnasts have specific additional needs/support, please make the Competition Organiser aware upon entry.
 - There are two entry forms types; main stream 'Entry form' and the 'Entry form – Disability Gymnasts' which gathers further detail about the gymnast classifications and additional needs in comparison to the main stream entry form.

Apart from the above restrictions, you may enter any gymnasts at any level e.g. a gymnast could enter the Level 3 although they have never entered a competition prior. Thus, keeping in mind the physical and psychological factors involved with entering a gymnast at a higher level as their first time.

Maximum training hours

To ensure a fair competition, we have enforced the following maximum training hours per week:

Maximum training hours per week			
Level 1	Level 2	Level 3	Level 4
Two	Two	Three	Three

This applies to each individual gymnast.

Adaptations: Disability or Main stream category?

When deciding with your gymnasts if they wish to enter a competition, you need to discuss if they wish to enter as into a main stream category or a disability category.

To support gymnasts, integrate into mainstream gymnastics, there can be certain adaptations allowed without effecting how the gymnasts are scored/judged.

Appropriate required aids can be used to support gymnasts within the competition; gymnasts will be judges against the mainstream judging criteria unless entered a Disability category.

If you would like to discuss any possible adaptations prior to entering this event, please contact the Competition Organiser as each situation is decided on an individual basis.

If you both feel that adaptations into the mainstream categories aren't currently the most appropriate entry method for the gymnast currently, then maybe a disability category would be most suited. Depending on the number of 'entries' and 'classification of impairments', it will determine how the Competition Organiser is able to categorise the competition for Disability Gymnasts to maximise the experience for the gymnasts, as they would for mainstream gymnasts (see [Category breakdown](#) notes).

The next section ([Classification of impairments](#)) lists how the Competition Organiser may categorise the Disability Gymnasts for this competition.

Entering: Mainstream category

Following the process set in the [Entry method and closure date](#) section, completing the 'Entry form'.

Entering: Disability category

Following the process set in the [Entry method and closure date](#) section, completing the 'Entry form – Disability Gymnasts'.

Disability Gymnasts: Classification of impairment

As part of your entry form you will be asked to select the most appropriate classification(s) for your disability. This will help the Competition Organiser to organise the most appropriate categories for the competition. The Competition Organiser will use a similar process to create the appropriate categories for this event:

	Are the gymnasts mainstream or disability?	What level are they	Male or Female?	How old are the gymnasts?	What adaptations are required?	How do the previous info fit into the classification of impairments?
Competition Organisers options	Mainstream Disability	Level 1 Level 2 Level 3 Level 4	Male Female	5 years 6 years 7 years 8 years 9 years 10 years 11 years 12 years 13 years	Individual basis	Category 1 – Hearing, Visual, and Physical Category 2 – Learning

				14 years 15 years 16 years		
--	--	--	--	----------------------------------	--	--

Notes:

- Depending on the number of entries in each Classification of Impairment category after the closing date, some categories are subject to change.

For example: Category 1 – 1 Hearing, Visual, and Physical may be split into two (or three) categories to suit the number of entries per impairment. This will be down to the discretion of the Competition Organiser, but this will be communicated prior to the competition date.

- If you are unsure of your Classification of Impairment, please contact the British Gymnastics Competition Coordinator for guidance – see [Key contacts](#) section.
