The Brother Martin faculty and staff joined together for the 27th annual Recognition Ceremony and Luncheon held at the Audubon Tea Room in January. This year, **Chris Biehl** received The Brother More Schaefer award for Excellence in Instruction, Formation and Witness. Principal **Ryan Gallagher '00** commented, "This award goes beyond classroom instruction. It is about instruction. And formation. And Christian witness – all in the charisma of our founder, Father Andre Coindre. There are many members of our faculty who are deserving of this award, and also none more deserving than Mr. Christopher Biehl."

Ryan Gallagher '00, David Gallo '77, Chris Biehl, John Devlin, and Greg Rando '77

"Receiving the Brother More Schaefer Award has been the greatest honor of my professional career. The fact that I was nominated by my peers and selected by the committee is overwhelming considering the fact that I am surrounded by so many great educators," said Chris.

Chris, now in his sixth year at Brother Martin, strives for excellence in and out of his classroom while also expecting it from his students. "I love what I do", said Chris, and it shows wherever he is. When he is not in the classroom, he can be found on the basketball court as the head basketball coach. He is in his fourth year as head coach holding a 95 – 47 record. He also holds Bachelor of Arts in Secondary English Education and a Master's Degree in Curriculum and Instruction from University of New Orleans and currently serves as an Advanced Math teacher and Formation Center proctor.

Previously, he was a committed educator and coach at the University of New Orleans, Metairie Park Country Day School, Pope

John Devlin and Mary Picou

John Paul II High School, Isidore Newman School, Archbishop Hannan High School, Hancock County High School, and De La Salle High School. During his stint at UNO, he was the Men's basketball assistant coach and a student assistant. It was a night to remember for over 500 prospective students and their families who attended our annual Open House on November 9th. Prospective students and families were eager to embark on their school tours to learn more about religious values, academic excellence, personal attention and friendly discipline from students, faculty and staff.

The night started with guests arriving for check-in by entering through the Thomas F. and Elaine P. Ridgley Fine Arts & Athletic Center before heading into the James B. Inside the Branton Chapel, families were welcomed by President **John Devlin** and Principal **Ryan Gallagher '00**. **Jackson Vicknair '18** and **Andrew Biehl '22** spoke about the 'Brother Martin Experience' from a senior's and an eighth grader's point of view. The jazzy night began with a premium Patron Party that included silent auction items and raffles. Welcoming guests there were Patron

Party chair couple, **Jodi and P. Lindsey Williams '83.** Chef Thorsten Leighty and his staff at the Marriott prepared spectacular cuisine for the night including shrimp cocktail, beef wellington, chicken andouille gumbo, coconut shrimp, debris sliders, a mac and cheese bar, desserts and even a late- night snack of bite- size grilled cheese sandwiches. A scrumptious candy bar donated by D & D Creations added a special touch to the ballroom which was decorated with flowers, top hats, and plumes. Auction sponsors and donors were recognized throughout the night on a Power Point presentation.

A selection of silent and live auction items were open for bidding and guests participated in several raffles including the Best of Live, 50/50, 52 Raffle, and the favorite Dream Vacation. Items were also up for the live auction with Brother Martin Ambassadors helping bidders to "Bid High" for those coveted items. Guests enjoyed music by The Benchwarmers as they danced the night away.

This event, sponsored by the Brother Martin Parents Club, is the school's largest annual fundraiser benefiting the student body. Thank you to our Student Ambassadors, Cheerleaders, and all our generous supporters.

On November 18th, it was a "roaring good time" for those arriving at the New Orleans Marriott for the annual Celebration of the Crest. Instead of a traditional Crimson & Gold themed night, our guests were transformed back in time to the "Jazz Age." This year, it was a "PUTTIN' ON THE RITZ" themed event that welcomed over 700 guests including parents, friends, alumni of St. Aloysius, Cor Jesu, and Brother Martin, as well as faculty and staff. Guests donned their favorite cocktail attire

It was also a day for these professionals to reminisce and remember why they chose their career path or how they inspired former students to go into the same field as they did.

In addition to the sessions, other alumni speakers met individually with seniors to share in-depth information about their careers.

ALUMNI DAY AT TULANE

Scott Corrente '83 and Principal **Ryan Gallagher '00** recently visited Crusader alumni currently attending Tulane University in late January. They spoke about college readiness and "life after high school graduation". **Juancarlos Torres II '16**, commented that "not only did the teachers at Brother Martin teach us the curriculum, but were tremendous role models." Torres is currently majoring in cell and molecular biology. **Ryan Gallagher '00** enjoyed the opportunity to reminisce his time at Tulane where he earned both his Bachelor of Arts and Master of Arts degrees. Ryan reflected that "with the exception of watching our current students on a daily basis excel both inside and outside of the classroom, nothing is more rewarding than hearing from our

recent graduates about how prepared they feel after having left Brother Martin as they attack their next challenges – socially, spiritually, and academically. It is so rewarding to see our young men in action as our recent alums grow into mature young men who are indeed learning how to make a life – one of service, scholarship, and stewardship." In addition, the Crusader presence is very strong on Tulane's campus as many alumni are involved with their majors in digital media, finance, engineering and extracurricular clubs. As a thank you for visiting, the young alumni received various Brother Martin gift items and information on upcoming opportunities to get involved with the alumni association.

HAROLD "HARRY" BOLOGNA '86 SCHOLARSHIP

Harold "Harry" Bologna '86 is a retired U.S. Navy Master Chief (SEAL) with over 22 years Special Operations experience. After completing Basic Underwater Demolition/SEAL (BUD/S) training, Harry went on to

serve at SEAL Teams Two and Four deploying to Europe, South and Central America. Harry was then assigned to Naval Special Warfare Development Group (NSWDG) where he made multiple deployments to Southeast Asia and the Middle East supporting both Operation Enduring Freedom and Operation Iraqi Freedom.

During his tenure at NSWDG, Harry held several senior operational leadership positions. He also served in both the Operations and Training Departments. As a recognized authority at NSWDG, he was responsible for planning and training hundreds of special operators in countless live fire training evolutions.

Harry also has an extensive medical background and uniquely served as a SEAL Independent Duty Corpsman (IDC), where he was required to function independently from a Medical Officer with duties including advanced diving medicine, remote patient care, emergency trauma, preventative medicine, and environmental and occupational health.

Harry has been awarded five Bronze Stars (three with Valor), two Defense Meritorious Service Medals, two Joint Service Achievement Medals, two Army Commendation Medals, two Navy and Marine Corps Achievement Medals, and various unit and campaign awards.

On October 22, 2015, Harry was working as a contractor with a U.S. national defense agency and stepped on a land mine in Afghanistan. As a result of the explosion, he lost both of his legs and suffered a broken pelvis and internal injuries. Yet, as with his prior 22 year career as a US Navy SEAL, Harry continues to inspire us with his positive and extraordinary approach to everyday life.

Harry's next focus is to pay it forward and help other wounded warriors navigate the tough

rehabilitation and transition process. His new initiative is called RISE Up Academy and is founded on three guiding principles of wellness and resiliency, aligning life with purpose and healing through service. Harry hopes RISE Up Academy will conduct its first class in the spring of 2018.

Harry is married to Julie who is a strong, resilient, and courageous woman and who has faithfully supported him throughout his long Navy career and has been by his side at every step of his recovery. Harry and Julie live in Virginia Beach, Va. with their two beautiful daughters, Amanda and Ashley.

The St. Aloysius Century Foundation Board of Directors established the Harold "Harry" Bologna '86 Scholarship on August 22, 2017. It is one of only three similarly established scholarships. The other two are The Henry P. and Agnes B. Sobert Scholarship and The Jack Schommer Scholarship. In recognition of Harold, donations to this scholarship can be made to the St. Aloysius Century Foundation.

Campaign to Benefit Brother Martin High School

Phase III

Attention ... Attention for Announcements, Please!

Ah, yes, daily announcements after 5th period. We remember them well.

Our Brother Martin memories are unique to each of us, but what we all share in common is our time together in the Mall.

We gathered in the Mall at the beginning of each new school year for orientation. We met at our table on Monday mornings to talk about the past weekend. We ate lunch in the Mall (if it were Wednesday and you're young enough to remember you ate crispitos). We studied there, and we even attended dances and school banquets in the Mall. In short, we formed friendships in the Mall that have lasted a lifetime.

Staying true to our mission of "meeting the needs of a changing world," we have embarked on Phase III of our Capital Campaign. In Phases I & II we built the Ridgley Center, Meyer Building, and Branton Chapel; renovated Farley Field; and completed significant upgrades to the main classroom building, Conlin Gym, and our green spaces.

Phase III includes:

Completed

- Modernization and relocation of our library to the 2nd floor
- Relocation and upgrade of our Formation Center

Start Date May 2018

- Expansion and renovation of the Tom and Gayle Benson Mall
- Relocation and expansion of food services

Next

- Renovation of the Conlin entrance and lobby

The total cost of Phase III is \$6.8 million. Thus far, we have raised \$5.1 million. We need your help to reach our goal! **Any amount is significant and appreciated.**

Phase III is another example of our continued commitment to providing the finest learning environment for our students.

Please consider participating in Phase III of our Capital Campaign to benefit Brother Martin High School.

Thank You, That Is All ...

perfect outdoor soiree, a kitchen for a gourmet chef, a home theater for the perfect movie night, to a large den and dining area for great family gatherings – the homes were dazzling with glamour.

“The Brother Martin Holiday Home Tour is a wonderful start to the Christmas season each year. The generosity and hard work of so many continuously make this Ladies of the Shield event an overwhelming success in reaching our current

goal of completing the Brother Jean Sorbet, S.C. Student Activities Endowment,” explained **Erin Caruso**, Member of the Ladies of the Shield.

Visitors were also encouraged to do some Christmas shopping while visiting the boutique held at the Lion’s Club of Metairie. **Cissy Yakelis** commented, “It’s amazing to see how the Holiday Home Tour has grown in 12 years. We are truly blessed by the many donors, homeowners and volunteers that make this such a special day. What a great way to begin the Christmas Season! The generosity and hard work of so many continuously make this event an overwhelming success in reaching our current goal of supporting the Brother Jean Sorbet, S.C. Student Activities Endowment at Brother Martin High School.”

Volunteers, faculty, staff and students, that included **Dominick Caronna '85** and members of the Crusader Band, **Billy Rieger '95** and **Donnie Midkiff '03** with the Culinary Crusaders and members of the Ambassadors with **Deborah Broussard**, ensured a successful event.

Upon graduating college he began working for Guy Hopkins Construction in Baton Rouge. Guy Hopkins, being a Catholic High grad, offered Brent an opportunity to join the commercial construction industry. After about a decade living in Baton Rouge, the call of family and friends in the New Orleans area became too great to ignore. Brent moved back home to Metairie and created Crescent Waterproofing and Restoration, a commercial and industrial building envelope and coatings company.

Kyle Sharbonno '99 - Kyle graduated Brother Martin in 1999, only 37 years after his father, Craig Sharbonno, did the same. Hopefully (though of course he gets to make his own decision!), his son will follow in our footsteps with the class of 2025! Following Brother Martin, he attended Louisiana State University in Baton Rouge where he received by B.S. in Industrial Engineering in 2004. After a brief stint with Johnson Controls after college, he has been with Ben Gootee at Gootee Construction, Inc. for the past 10.5 years currently serving as Vice President. He also went back to LSU for his MBA, which was completed in 2008. He and his wife currently live in Old Metairie. Their children, Jacob 10 and Madelynn 9, will be attending St. Angela of Merici in the Fall of 2018. He has been heavily involved with his children's school. During their catholic school education, he was involved in a variety of ways: Athletic Committee, School Board, Men's Club Board Member, Golf Committee Member, Fair Sponsor, Crawfish Cookoff Sponsor, just to name a few. Outside of school, he is an active member of both Metairie Country Club as well as The Krewe of Endymion. He enjoys coaching his children's teams at Pontiff playground over the years. For the last five years, he has helped guide his son through the Pack 230 Cub Scout/Boy Scout program serving as Den Leader for his entire Cub Scout tenure. This has afforded him an opportunity to closely watch and assist his son advance through the Boy Scout of America path. It has been a blessing to stay so involved. Over the last few years, He attended the following Brother Martin events/organizations: Summer Camp (son), Extravaganza, Golf Tournament, Legacy Night and football games. He missed being heavily involved with Brother Martin, and as he slows down at the elementary level with his children, he has a desire to put his time and energy back into the Crusaders. NO EXPERIENCE NEEDED

By Brother Neal Golden, S.C. '57 CJ

24-year-old Carl Lavie ('46) took over the St. Aloysius basketball and baseball programs for the 1955 season, replacing M. L. Lagarde ('45), who took similar positions at Jesuit. Carl played both sports at Aloysius but had no experience as a head coach in either one.

The baseball Crusaders lost seven frontline players from the 1954 AA state champions: 2B Ronnie Abel, C Dave Macaluso, OF Vincent A. Marinello, P Emile "Chubby" Marks, OF Joe Murray, SS Bobby Stechmann, and OF Joe Trapani. But a solid array of talent returned: OF Jimmy Bouche, CF Joe Boulosa, P-OF Bobby Folsie, 3B Jules Lacoste, C Sid Sanders, SS John Schroder, and P Don Watts. Lavie would platoon Barry Brim and Carroll Catanese at 1B and try to find a spot in the lineup for promising junior Butler Powell.

The New Orleans Prep League, a district in the brand-new AAA classification of the Louisiana High School Athletic Association (LHSAA), consisted of nine schools in 1955: De La Salle, Fortier, Holy Cross, Jesuit, McDonogh, Nicholls, Redemptorist, St. Aloysius, and Warren Easton. Holy Cross, "with varsity veterans at every position," was given the best chance of knocking Aloysius off its defending champion perch.

The Crusaders started the first round with seven straight victories.

- Senior Marshall Piper had a no-hitter against McDonogh until Joe Davi slammed a two-run double off the CF wall in the 7th but held on for a 5-3 victory.
- Next came the first clash with former coach M. L. Lagarde's Blue Jays. The Crim-son scored nothing from the 2nd through the 6th but bookended those goose eggs with five spots in the 1st and 7th to take the 10-5 victory. Folsie survived five hits and six walks.
- Nicholls outthit the Knights 4-3 but didn't dent the plate against Watts. Aloysius scored all three of its runs in the 4th when Schroder singled and Boulosa walked to start the uprising. Then John stole third and home, Catanese's double sent Joe across, and the final run came on an infield grounder.
- A 13-run 4th propelled the Crusaders to a 25-3 shellacking of the Easton Eagles. The 19-hit parade was led by Bourgeois with four and Powell, Schroder, and Bouche with three each. John banged home six runs.
- The matchup with preseason favorite Holy Cross was somewhat spoiled by the Tigers' loss to Redemptorist in the previous game. Nevertheless, a crowd of 1,000 filled Muny Park. The Crusaders effectively ended HC's quest for the first-round championship with a hard-fought 5-4 victory. Four in the 4th against big righthander Vince Guttuso gave Folsie a seemingly insurmountable lead, but the Bengals scored three in the top of the 7th to tie. The league's leading hitter, Larry Cinquemano, had struck out his first three trips to the plate but tripled to knock in the two tying runs. But Powell's bases-loaded single in the bottom of the inning sent the Crusaders fans home happy.
- Aloysius sent ten across the plate in the 1st on their way to a 21-5 romp over Forti-er. The Saders had only eight hits but benefitted from a like number of errors by the Tarpons as well as 12 walks by John Arms, a future member of the Aloysius coaching staff.
- The offensive onslaught continued with 12 runs against Redemptorist – again on just eight hits. Piper struck out 11 in shutting out the Rams. The victory clinched the first-round title and a spot in the state playoffs, which were scheduled before the second round of league play would be completed.
- De La Salle ended SA's winning streak with a 5-4 upset to end the round. Jimmy Harwell took over from southpaw starter Lou DeLauneville with Aloy-

Front row (L-R): **Charley Lumbley, Carroll Catanese, Tyrone Clark, Buddy Reine, Don Watts, Andy Bourgeois.** Second row: **Jules LaCoste, Joe Boulosa, Ronnie Vinet, Har-old Toscano, Ed Weber, Sid Sanders.** Third row: **Coach Carl Lavie, Marshall Piper, John Schroder, Ron Theriot, Butler Powell, Jim Bouche, Bobby Folsie.** Missing from picture: **Barry Brim, Curtis Summerlin, Dickie Pigeon**

sius in front 4-1 and shut the door the rest of the way to allow the Cavaliers to come from be-hind. It would be the Crusaders' only defeat of the season.

At the end of the round, Lavie singled out Butler Powell for special praise, calling him not only "the most underrated player in the league but the handiest kid in prep baseball today. I can put him at any position, and he'll do a topnotch job. He's as valuable as anybody on my club." Butler hit .333 (9-for-27), drove in six (including the game-winner vs HC), and scored nine times while playing behind the plate, LF, and even one game at 2B.

If anyone needed more proof of Aloysius's superiority, the Crusaders provided it against the Loyola freshman team in a game sandwiched into the first-round schedule. The Wolfpups' lineup included three former Crusaders: 2B Abel, SS Stechmann, and LF Boogie Murret ('53). Lavie started senior Ron Theriot, who enjoyed a four-run lead after the 1st inning thanks in part to Schroder's two-run double. Loyola fought back to go ahead in the 6th on Murret's two-run homer. But another two-run two-bagger off the bat of Schroder keyed a three-run 7th. Watts, who relieved in the 6th, held on for an im-pressive 7-6 victory in the nine-inning game.

Aloysius won five second round games before participating in the state playoff.

Opponent	Score	Winning Pitcher	Highlights
Redemptorist	8-2	Folsie	Bouche – HR, triple, double
Nicholls	7-5	Folsie	Brim 2-run HR in 8th
Warren Easton	4-3	Piper	Lacoste 3-run HR
Jesuit	3-1	Folsie	Folsie two hits while pitching five-hitter
Fortier	20-2	Watts	Lacoste three hits, four RBI

The Crusaders started a best-of-three playoff series against the Catholic High Bears, champions of the Southeast AAA District, with a single game in Baton Rouge May 12. Folsie made the 8-3 victory his personal showcase. The senior righthander limited the Bruins to three hits, fanning nine, and went four-for-five at the plate. Boulosa and Schroder each collected two hits.

The clubs met again the next night at Perry Roehm Park in New Orleans. Friday the 13th proved unlucky for the Bears, 7-1. Piper twirled a five-hitter and whiffed 15. Schroder rapped a homer and a single. The victory gave Aloysius a spot in the finals against either Bolton of Alexandria or West Monroe, who were vying for the North Lou-isianiana championship.

In the meantime, district play resumed with an 8-6 triumph over Holy Cross. Five Tiger errors in the 5th led to four runs. Down 6-1 following Boulosa's homer in the 6th, the Crossmen touched Folsie for three in that inning, then two more in the 7th. Fortunately, Aloysius also plated two in their half of the 7th.

Two days later, the Crusader traveled to Alexandria to meet the undefeated (12-0) Bol-ton Bears in a best-of-three series for the state title. However, rain cancelled the game. In a strange decision, the LHSAA ordered the teams to meet in a single game in New Orleans for the AAA crown Saturday, May 21. If rain washed out that game, the teams would be declared co-champions! Lavie contacted Commissioner Muddy Waters by phone to ask for a reconsideration of that decision. All Waters said was, "Let's wait and see what happens Saturday."

So the same two teams that met for the championship in 1954, with Aloysius losing the first but winning the second and third contests, squared off at Roehm Park at 3:30 PM. The only rain that fell on the Bears came in the form

of Crusader runs in the 9-0 romp. Folse scattered seven hits, coasting after a five-run 3rd. He kept his shutout intact de-spite five errors behind him. Bepespected lefty Butch McCollum, who had beaten the Crusaders in Game One the year before, gave up only six hits but walked six. Lacoste had a perfect day at the plate with a single and three walks. Schroder went 2-for-4 with three RBI. Powell clouted a home run while Bouche tripled with the bases loaded in the fateful 3rd. Thus did St. Aloysius win its fourth state baseball championship in the last seven years.

But the season wasn't over. The Crusaders still had to beat De La Salle to win the second round and avoid a playoff for the league championship. Folse came back on three days rest to hold the Cavs to five hits. Aloysius jumped on Harwell, their first-round tormentor, for four runs in the first two innings on their way to a 6-1 lead after four. The final score was 8-3. Aloysius's 11 hits were

all singles. Lacoste, Catanese, and Boulosa had two each, Joe driving in four runs with his.

To no one's surprise, Folse was voted the league MVP. He went 7-0 on the mound and hit .474 in league play. LaCoste (.392), Boulosa (.386), and Powell (.339) made the All-Prep team, Butler occupying the Utility Man spot.

Lavie also coached Aloysius's Coca-Cola Legion baseball team to the league championship with a 16-0 record. They beat Lousteau Ford of Norco in three games for the South Louisiana Championship, then took two straight from Bastrop for the state crown. Their victorious march continued at the Regional Tournament in Ponchatoula, where they beat Amarillo (TX) in the finals. But their quest for a berth in the Legion World Series ended at the hands of Salisbury NC, which lost the first game but bounced back to win the next two.

Not bad for a first-year coach!

IN MEMORIAM

Thomas M. Benson, Jr. '44 Mr. Tom Benson, a recipient of the 1986 Senator J. Ellender Alumnus of the Year Award, passed away peacefully on March 15th at the age of 90 years old with his wife, Gayle Marie Benson, at his side. Mr. Benson was the owner of both the New Orleans Saints and the New Orleans Pelicans. He was widely recognized as one of the NFL's most successful and influential leaders in his 34th year in ownership of the Saints and has helped steward both on-and-off the court improvement with the Pelicans since purchasing the club in 2012. Under his leadership, the teams are two of the leading economic forces in the entire region.

Since 2006, the Saints have enjoyed unprecedented success, posting a 119-85 overall record, including six playoff berths, four NFC South titles, two NFC Championship appearances and the Super Bowl XLIV title. New Orleans has hosted five Super Bowls with Mr. Benson serving as the leading advocate of the city's campaigns to secure the NFL's title game and its accompanying activities. In five years of ownership of the Pelicans, the city has hosted two NBA All-Star Weekends (2014 and 2017). In honor of his dedication to the region and its two major league sports franchises, he is a member of both the Louisiana Sports Hall of Fame and the New Orleans Saints

Hall of Fame. He is also the owner of several automotive dealerships, Dixie Beer and the Benson Tower office building.

In his early life, he served in the U.S. Navy aboard the U.S.S. South Dakota in 1945 and was the only enlisted man ever to serve on the Board of Trustees of the Pensacola Naval Museum. In 2007, he was honored by the U.S. Navy Memorial with the Lone Sailor Award, presented to those who exemplify the core values of honor, courage, and commitment. In January 2009, a replica of his Lone Sailor Award was permanently put on display aboard the USS George H.W. Bush, the last of the Nimitz-class carriers to be commissioned. A major contributor and past director of the National D-Day Museum in New Orleans with his pledges helping fund the Pacific Exhibit grand opening and the Midway Theater, Mr. Benson was one of five NFL owners honored with an American Spirit Award by the museum in 2011 for service in the war.

His steadfast loyalty to the civic and Catholic communities is well-known. Through the years, Mr. Benson has significantly been involved in the advancement of Brother Martin High School. In 1985, he and his brothers established the Benson Free Enterprise Resource Library at Brother Martin in honor of their parents, Tom and Carmen Benson. During the school's 1995 Capital Campaign, it was through Mr. Benson's initiative that the St. Aloysius Class of 1944 funded the building of the auxiliary gymnasium. In 2013, Mr. Benson and his wife, the former Gayle Marie LaJaunie, established the **Brother Nicholas Geisenberg, S.C.** Building Endowment. To honor their gift, Brother Martin named the student mall, the Gayle and Tom Benson Mall. In 2012, the Bensons received the Pro Ecclesia et Pontifice award – for outstanding service to the Church and the Pontiff from Pope Benedict XVI, the highest Papal award granted to a layperson.
