Final 'Team Sheet' for the 1968/69 Season

Last week's RESULTS:

Weds.: 1st.Xl. v Old Addeyans. (League). Home. Lost 1-2. Baker.

CONGRATULATIONS to the 3rd.Xl. on winning Division Four (S.) -
at the first attempt!

Final placings for the 1st.Xl. and 2nd.Xl. are not yet known.

The A.F.A. Society of Association Referees recently held a meeting with representatives of A.F.A. Leagues and Competitions to discuss ways and means of recruiting more referees into our football.

The following points were suggested:-

1. Leagues to ask their clubs to submit lists of members who, for any reason, are giving up playing. The Society will then write to each player suggesting they take a referee's course, if only to improve their game where they will be officiating at their own club's matches. (Any names, please?)
 2. More publicity to be given to the Society. The principal aims of the Society are set out in the A.F.A. handbook, but the following points are worth noting:
 - a) Membership is open to all referees and is specially recommended for those interested in A.F.A. football.
 - b) Monthly meetings are held in London during the season and a wide programme of topics of interest is arranged.
 - c) Courses and examinations are held regularly under the direction of W.H. Griffin, 68 Love Lane, Morden, Surrey. Tel: PAI 9299.
 - d) The Hon. Secretary is P.G.F. Lancaster, 35 Plough Hill, Cuffley, Herts. Tel: Cuffley 2588. Full information may be obtained from him.
 3. In order to facilitate promotion of referees, clubs are urged to use linesmen - qualified if possible - whenever they can. This should be done particularly for important games or evening matches.
