DURHAM CRICKET AFFILIATION 2023

Club Durham 2023 Affiliation

Durham Cricket are once again delighted to announce the details of our Club Durham affiliation scheme for our local cricket clubs.

Club Durham is designed to offer opportunities to all clubs regardless of size and is designed to assist clubs to meet their overall aims in terms of operation, development and fundraising.

Benefits to the clubs are a combination of initiatives previously available, such as club affiliation to the England and Wales Cricket Board and membership of Durham Cricket.

At Durham Cricket we are now able to offer many additional benefits to enhance the operation of your club. Basic and premium packages are available with details of each outlined on the following page.

The affiliation application process is an online system to make it as quick and simple for clubs as possible. Please visit the affiliation page on our website www.durhamcricket.co.uk and select the package you want, complete the relevant details and you can then pay via debit or credit card. If you are unable to pay by card, you can also do a bank transfer using the following details, 'Durham Cricket Board Ltd', a/c no. 13810151, sortcode 202741.

Please ensure you have carefully chosen the correct package and you are fully aware of the incentives and Development Officer time associated with that package. If your club is in a Premier League and holds ECB accreditation, then you must pay for the Premium package.

2023 Affiliation

Joining the Club Durham scheme provides many benefits to your club. The affiliation packages represent excellent value for money and prices have been frozen for 2023.

BASIC PACKAGE ONLY £60 | PREMIUM PACKAGE ONLY £150

The Premium Package consists of 30 tickets for Royal London One-Day Cup or County Championship games to be used during the season, 12 Vitality T20 Blast tickets to be used during the season, an exclusive Durham Cricket autographed bat, and a Durham Cricket membership for 2023.

The Premium Package is worth over £1,000. You could use the tickets and signed bat as raffle prizes to fundraise for your club and use the free room hire to host events at Seat Unique Riverside.

The Premium Package gives your club the opportunity to access the Durham Cricket Group Ticket Scheme. This means your club will be included in exclusive offers for many events at Durham Cricket.

There will also be opportunities to provide the Guard of Honour at T20 games and have player visits for coaching sessions and award nights.

Take Advantage of Your Affiliation
