9 JUNE 2021

South Canterbury Rural Support Trust – a Toolkit not a Talk-Fest

The flooding in Canterbury over the last week has been horrendous for those hit the hardest, but they have not been left to sink under the mire of mud and water. South Canterbury Rural Support has been there to provide practical help as well as contact details for those struggling to cope.

On Wednesday 2nd June, the trust was offered over 130 food boxes from the Nadia Lim Foodbox company. This gave us the chance to give the farmers some practical help. By 8am Thursday morning it had been delivered by the army to Orari Irrigation who had kindly allowed us to use their container for short-term storage. When I contacted the Geraldine Lions Club to ask for help delivering these, my phone rang red hot with offers.

The wonderful people at Mes Amis Café at Orari let us use their room for our briefing centre, as I explained to the Lions' Club members that I needed them to use the farm assessment forms that MPI had created to find out how each farmer/farm was faring and what help they needed.

Undaunted by the additional task they set off with utes loaded with food boxes and spent the rest of the day going around the district delivering them and gathering information. We were then able to use the information they gathered to pinpoint who needed help urgently and who needed what.

Since then Margaret Chapman, Rural Women, and her hard-working crew used additional food donated by the Christchurch City Mission to make cheesies to feed volunteer groups, like the Geraldine Rugby Club as they went to farms to help clear mud from houses or debris from fences.

So what does Rural Support actually do? Our job is to co-ordinate. We organised the logistics of getting the food from Christchurch, finding a storage location and briefing centre, getting farm assessment forms printed and organizing volunteers to deliver the food and do assessments, which gave Rural Support the much-needed information about farmer well-being and farm damage.

Since that initial assessment we have contacted those flooded out of their house to ensure they have accommodation and immediate needs. Next, we contacted those needing other assistance with things like stock disposal, debris removal and fencing.

As I talk to those affected, I'm astounded at how resilient New Zealanders are. Despite having farms covered with mud, fences down and much of their winter feed ruined, they kept telling me they were okay. The main reason for the positive attitude of most is because of the local Geraldine/Orari community who have turned up to help their neighbours and brought along their mates to help too. To those people we would like to say a huge thank you. Special thanks to groups like Rural Women, the Geraldine Lions Club, the Geraldine Football Club and all the individuals who turned up to help their neighbours.

The work needed on the flooded properties will take many weeks to do and, in many cases, requires heavy machinery to clear mud and those skilled with fencing to re-erect/build fences. There's also a place for those willing to take grass/mud off collapsed fences so they can be pulled upright.

If you would like to help in some way, please register on the following [register](#) so that skills and needs can be matched up:

[Offers of Assistance Register \(arccgis.com\)](#)

If you are a farmer needing help in any shape or form and you still have access to the internet, [please register](#) on:

[Registration for Clean Up Help \(arccgis.com\)](#)

If you need help with registering or you need any other advice, please ring South Canterbury Rural Support **0800RURALH** or **0800-787254**.

To give you an idea of the sort of things we can help you with, this is a sample of the calls lately:

- Are we legally allowed to fix the stop bank ourselves?
- Our house is flooded and we have no power – what do we do?
- We need help clearing fences- where do we go?
- I've just had to kill injured stock. I feel stupid but I can't stop crying. Where can I get help?

So you can see that Rural Support is there for any inquiry or help you may need. We don't have all the answers, but we can find out who to ask and what to do. In a flood you are too busy and too tired. So let us help you **0800787254** Find us on: [facebook.com/SouthCanterburyRuralSupportTrust](#). I'll be updating this with information and contact details to help those affected, so spread the word to those who need help.

Wendy Hurst, S.C. Rural Support Co-ordinator

Women Inspiring Woman

I would like to take this opportunity to thank and acknowledge everyone for their support in making the **Women Inspiring Women** event happen. I would like to make special mention to:

- Anne Munro - Mackenzie District Councillor
- Anah Aikman - Health & Wellness Leadership Speaker
- Renee Chapman - NZ Police
- Kelly Katene - Victim Support Mid & South Canterbury
- Donna Lindsay - FENZ
- Sheree Timaru Budget Advisory Trust
- Dawn, Nic & Pauline - Women's Refuge
- Katy Houston - Multicultural Aoraki
- Anne Thomson - Heartlands Fairlie Resource Centre
- Anne Irving - Mackenzie Highland Pipe Band
- Sandra Curd - Rural Women NZ
- Wendy Hurst - Rural Support Trust
- Mackenzie College Hockey Mums

Our vision for the day was for women to come together to connect and network with each other for the day and to go away feeling inspired and with information for themselves or to share with others. From comments and feedback from women throughout the day and after the event, this was achieved and a great success.

This event could not have been accomplished without the support of my team - Jayne Jones, Suzanne Blyth, Linda Corbett.

Mackenzie Half Marathon

Not long to go until we will be awarding the Mackenzie Half Marathon trophies once again. We would like to say a huge thank you to Brendan Bateman for sponsoring and coming forward with the idea of naming the Half Marathon 21.1km Trophy as the Jack Lovelock Memorial Trophy, in recognition of the achievements Jack Lovelock went on to make from his early start in Fairlie.

From his early days at school Lovelock participated and excelled in fields beyond athletics. At Fairlie School (1919-23) he was dux of the primary school, represented the school in rugby, competed in swimming and athletics, and was a prefect. At Timaru Boys' High School, which he attended as a boarder from 1924, he set school athletics records but was also involved in nearly every area of school life. In 1928, his final year, Lovelock was dux, head prefect, and won the school's boxing championship cup.

Jack Lovelock won the 1500 metres at the 1936 Berlin Olympic Games setting a world record 3 minutes 47.8 seconds and was the winner of New Zealand's first Olympic gold medal in athletics. "An astonishing race in which the first five all broke the Olympic record." The commentator, and a friend, Harold Abrahams, famously lost his BBC poise and broke every broadcasting rule: "Lovelock leads! Lovelock! Lovelock! Cunningham second, Beccali third. Come on, Jack! A hundred yards to go! Come on, Jack!! My God, he's done it. Jack, come on! ... Lovelock wins. Five yards, six yards, he wins. He's won. Hooray!!"

Brendan Bateman has sponsored the 21.1km Jack Lovelock Memorial Trophy which was awarded to Fabe Downs with a time of 1:19:50.

Fairlie Bowling Club

Come and play Indoor Bowls in a warm environment during the winter months. The Fairlie Bowling Club has been playing on specially built tables, weekly during the winter for over 40 years.

The late J C Isitt and fellow bowlers built the raised tables to make it easier to play on. Prior to the tables being built, bowlers had to get up and down to play on mats on the floor. These tables make it easy for all ages to play!

Come along on a Friday afternoon by 1.30 pm and enjoy fun, friendly fellowship with afternoon tea provided.

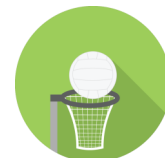

Fairlie Kyokushin Karate students had great success at a South Island Mini Tournament held in Timaru during the last weekend in May. Pictured above: (back l-r) Shihan Stephen Takiwa Kyokushin NZ Branch Chief, Cass Young, Karen Lanchester, Senpai Noel Jackson and Sensei Pauline Jackson. (front l-r) Isaac Scott, Damien Roughton, Matik Goundar and Lucas Lanchester.

What was Jo hiding in her box?

A nice surprise came for the tamariki recently when Jo O'Neill arrived with a box. The children gathered around eagerly to see what was inside. Two new heihei! Just what we needed.

The tamariki take great delight in the daily egg collection and the caring for our three hens. Occasionally we use the eggs for our baking on Fridays but mostly the children have turns at taking them home for tea. The transition from the heihei house all the way inside to put safely in their bags is sometimes a work in progress! Overeager feet and excited little hands sometimes result in a puddle of dropped egg but it's all part of life. And you can be sure there will be more eggs tomorrow!

Nga mihi to Jo who donated the hens to us. What a wonderful gift that definitely keeps on giving.

Albury School

Due to roll growth, we are delighted to have opened our senior classroom this week and as we have relocated this class to the top block, we look forward to developing additional space for the Albury Playgroup to use. We welcome Mr Kent Murray and his family to the Mackenzie District.

Our Albury Kids values are being well demonstrated – no more so than when there are events that test resilience and being part of a team. With the recent weather issues, we were unable to travel to Christchurch for the National Young Leaders Day, but that didn't stop us from participating using a different platform.

Our senior students were part of the event through the live stream. We enjoyed cheering and clapping and joining in the fun and games as well as shouting out our school name at the screen! The messages were empowering and they resonated with the students as they listened and reflected on the experiences of others.

Olivia: To believe in myself – if you believe in yourself other people will believe in you.

Kayde: Do what you do best – because that is what you like to do.

River: You can do anything you believe and never give up your dreams, and never let yourself down.

Ted: If you want to go places you have to put your work out there and if people say no – then keep on trying and you'll get there.

Lachie: You can't make other people believe in you if you don't believe in yourself. We are stronger together.

Mia: Be an everyday hero so you can help others in need.

Mackenzie College

On 19th May we had our annual Cross Country. Despite some dubious weather that morning and the previous day the clouds cleared out and the sun shone through, breaking the chill.

Our students showed the school values of grit and manaakitanga as many supported each other, running with friends and offering encouragement to others - particularly as

they slogged up the hill. Year 13 student, Declan Gardner, also broke the course record with a time of 14.20.

This year's individual results were;

Year 7/8 Boys: 1st Jonny McCabe (15.59), 2nd - Will Anderson, 3rd - Toby Linklater

Year 7/8 Girls: 1st - Annabel Geary (18.46), 2nd - Courtney O'Leary, 3rd - Jessica Ryall

Year 9/10 Boys: 1st - Tarn Peake (15.31), 2nd - Marcus Wilson, 3rd - Jack Cassie

Year 9/10 Girls: 1st - Rebecca Boon (16.39), 2nd - Bella Parke, 3rd - Lexie Biggs

Year 11-13 Boys: 1st - Declan Gardner (14.20), 2nd - Ollie Nelson, 3rd - Hudson Berge

Year 11-13 Girls: 1st - Maya Edmondson (16.01), 2nd equal - Cassie Anderson & Katrina Guiney, 3rd - Kaia McKenzie

Well done to all the students who took up the challenge and gave it their best shot.

**Be who you are say what you feel
because those who MIND don't matter
and those who matter don't MIND**

--Dr. Seuss

Fairlie Primary School

National Young Leaders Day is an event for primary and intermediate aged children to become inspired leaders. This event is held annually in Christchurch, however, with so many students not being able to attend the day due to the weather and road conditions, the event was live streamed. Our very own Kereru class featured in the live streamed event. Here is what Cerys thought of the day:

"When I got to school Ms Fowler told us to put the chairs out in front of the TV and so we did. At 9:30 National Young Leaders Day started. The hosts told the crowd who was speaking.

Cam Calkeon walked onto the stage and he started to talk. He talked to us about some quotes. He told us about what he did in his life and how he has climbed lots of different mountains and been skiing.

Then Jacinda Adern spoke about how the world needs all different kinds of leaders. She said that when she was younger she didn't see herself as a leader.

The third speaker was Brooke Neal. She said that it is good to make mistakes and to never give up. Her dream when she was younger was to be in the Rio Olympics and now she is.

The fourth speaker was Riley Hathaway. She said that it is good to face your fears but you need to do it safely. She said that if you ever go to a beach make sure to pick up any rubbish you see. Riley has a kids TV show called Young Ocean Explorers.

The fifth speaker was Shay Wright. He started talking about heroes and how real life heroes are ordinary people. Shay's hero is former President Obama in America. He said, "Find a cause bigger than yourself".

The weather cleared up in time to provide a perfect afternoon for our Cross Country on Thursday after the weather cancelled the event on Monday. We were joined at the A&P Showgrounds by children from Tekapo, St Joseph's and Albury Schools. Everyone was in high spirits and excited about their run. It was lovely to see so many children participating in the event and supporting each other, as well as showing their resilience and respect to other participants.

Support available for students in need

The Community Trust of Mid & South Canterbury has again shown their support for the region's learners and their families through the payment of grants to the Principals' Discretionary Fund of educators.

This fund is distributed annually to schools, kindergartens, playcentres and community-run early learning centres in Mid and South Canterbury to support disadvantaged children to participate in core activity areas that all or most children take part in. "The Community Trust deeply values the knowledge and relationships held by local principals and centre managers" says CEO Liz Shea. "The needs based distribution of the available funding is therefore at the entire discretion of these community leaders". For example, individual students at a school, kindergarten, playcentre or early learning centre might receive assistance with the costs of exam fees, uniforms, meals, stationery, field trips or visiting performances, school camps, sporting or cultural activities, or entry fees to core activities such as swimming. In other circumstances the funding might be used to provide additional teacher aide time or resources for one or a group of students.

While kindergartens, playcentres and early learning centres each receive a fixed sum, the amount provided to each school is calculated using roll, decile and isolation index data (small rural schools also receive a larger, minimum amount than would be payable under a numbers based formula). The overall Principals Discretionary Fund distributed this year is \$307,386 - 7 schools, 23 kindergartens, 10 playcentres and 13 early learning centres.

The Community Trust supports not-for-profit organisations and projects which contribute towards achieving a region of healthy, vibrant and caring communities. To learn more please visit www.comtrust.org.nz

Mackenzie Community Library Library News

New Staff Member

We are thrilled to welcome Lydia Wilcox onto our team for the next twelve months. Lydia's title is Library Education Co-ordinator, and her role will be to help develop both adult and children's workshops, speakers, education classes, to help support the community in the Covid-19 recovery, as well as developing the services that the library offers.

She brings a wealth of knowledge to the role, including a teaching background (secondary), knowledge of Te Reo and Tikanga Māori, and graphic design. Some of you may recognise her in her other Fairlie role as 'The Crêpe Lady' at JR's. Welcome to the library crew, Lydia!

Computer/Laptop/Phone Workshops

We are running the very popular, FREE, digital confidence workshops again, starting on Friday the 18th June (see the ad below). Give us a ring on 685 8560 for more information or to register your interest.

Do you need to build confidence with Digital Technology?

The Mackenzie Community Library is offering a 4-Week **Computer Basics Course**. Designed for the new user, these classes take you through the first steps of using your computer, tablet or smartphone.

**Mackenzie Community Library, Kirke Street, Fairlie
Fridays 10:30 - 11:30am, Starting June 18th. FREE**

You will need to bring your device with you, and make sure you know your password for logging in!

Please register by calling the library on 685 8560.

An offer you can't refuse!

Come to 'one on one' learning:

- Internet Banking
- Laptop/Ipad skills
- Setting up and using a Mobile Phone
- Learner Licence Theory
- Assistance with Literacy - filling in forms, training/course support, one-on-one support for adults

OPEN TO ANYONE NEEDING HELP!

This service is available in
Albury (Thursday) and
Fairlie (Thursday/Friday)

Call Mary McCambridge 03 614 3373
or Heartlands 685 8496

Spinners and Weavers Group

We welcome this group back to the library on Saturday 12th June. If you'd like to learn how to knit or spin, come down to the library between 10 and 1pm and have a chat to the members. They're always looking for new members, and have a wealth of experience between them.

Storytime at EAT

This is held the FIRST SUNDAY of every month, from 2-3 pm. It's a great opportunity for whānau to grab a coffee whilst the children enjoy stories, songs, and even a wee treat. It's a great initiative and is especially welcome during the winter time – EAT's fire is always going!

Matariki Online Seminar @ the Library

Tuesday 29 June at 5.30-7.30 pm.

Please register by calling the Library 685 8560.

See you soon at your local.

The Library Crew

TAKE CENTRE STAGE ...

The Fairlie Accessible good sort recipients for the month of June are Mary and Alastair Coutts - congratulations!

Mary and Alastair have been nominated by Mandy Hondelink, a recent neighbour of theirs, who can't speak highly enough of the kindness she received from them - *"they are such a dear couple who deserve a nice surprise"*.

This elderly 'local' couple are renowned for their support and full involvement in the community over the years - you name it, they've done it! Schools - Business - Community Groups - and always with a keen sense of humour, we're told! If you see Alastair out walking the streets of Fairlie make sure to say 'Giddyay, good on you!' Wishing them both health and happiness.

MACKENZIE COLLEGE ART AUCTION

Mackenzie College will be holding its 2 yearly Art Auction on Thursday, August 5th. Due to Covid restrictions in 2020 we were unable to hold this event, so it will be 3 years since our last auction.

Past events have raised funds for the climbing frame situated at Mackenzie College and helped subsidise school camps and activities. The Mackenzie College Art Department also benefits, with previous purchases including photography equipment.

This year's profits will look to fund drawing and painting supplies, including drawing tablets and light boxes among other things.

We will be having an open afternoon/evening the day before the auction, so you can look at what is on offer and what you would like to spend your hard-earned money on!! Keep an eye on The Fairlie Accessible closer to the date for further information. We are starting to receive some wonderful pieces of art that have been donated from around our community and further afield (including the Beehive!!). Anyone wishing to donate art works can leave their pieces at the Mackenzie College office before the end of June.

These fundraising events rely heavily on community involvement, so we would like to thank you all for your support of previous auctions and look forward to seeing you at the Mackenzie College Hall on Thursday August 5th from 6.00 pm.

Send in nominations for the Fairlie Accessible's 'Take Centre Stage' via -

- email accessible@fairlienz.org
- private message Fairlie Accessible
- call into Heartlands or phone 685 8496

Nominate someone special who has gone out of their way to be generous and kind to others. The deserving winner will receive a gift voucher from a local business.

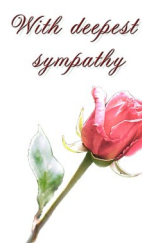

- ⇒ **CELEBRATING OUR LOCALS**
- ⇒ **SUPPORTING OUR LOCALS**

Send all 'congratulations' notifications to accessible@fairlienz.org or call into Heartlands

Birthdays:

- 2 Jun Norm Blakemore
- 3 Jun Hugo & Harvey Marett - 1 year olds
- 6 Jun Blue Dobson - 70th
- 10 Jun Kathryn May - L J Hooker, Fairlie
- 18 Jun Jackie Phillips
- 19 Jun Trevor Edmonston

Our condolences to the families and friends of the late Bill Prestage and Jean Evans - former Albury/Fairlie 'locals' and stalwarts of their communities and the Fairlie Golf Club.

Blue Sky Days

I am often amazed at how we can experience such stunning clear blue sky days, following a weekend of torrential downpours. It certainly makes us appreciate what we have a little more, and our thoughts go out to those who have been affected by the extensive flooding.

Hardships in life will be followed by blue sky days. We learn from the challenges and grow in them. Sometimes we have to accept help from others. Knowing that in other times, we will extend that same help and kindness to others in need. Such is the topsy-turvy journey through life.

In our small communities, we have much to be grateful for. However, as we head in to the winter months, there are some who are struggling. Whether it's a smiling face and a cup of tea, a delivery from the foodbank, a home cooked meal delivered to your door, or some help to clear the paths or stack the wood – it's okay to ask for help – and it is awesome to be able to offer this support for one another when we can. Our community centres, and Community Development Workers are also able to link people to services where needed. We can all play a part in making the grey days a little brighter.

The Tekapo River and White Water Kayak Course

The Tekapo Whitewater course is a fun section of artificial drops, holes and waves designed for both slalom and play boaters. There have been many recent and ongoing improvements to the course. Please visit www.rivers.org.nz/events/ for up to date details.

View more information about [Tekapo A power station](#) and the [kayak course](#) on the Tekapo Tourism website.

For information on releases check out the [Tekapo White-water course Facebook page](#). Releases are frequent during the summer.

Garden Planning with a Lunar Calendar

If you would like to plan your seed planting for the next season by using a Lunar/Moon Calendar then come and learn from June Cooper who has kindly offered to share from her many years of gardening experience. We are all familiar with the influence of the moon over our tides. What many of us are not so aware of is the way the same gravitational pull influences the rhythms of soil life and seed germination. There are many indigenous societies that are aware of lunar influences in seasonal cycles and plan the planting of seeds accordingly. Even people who are less interested in such cosmic (literally) influences will still benefit from having a seed sowing plan to manage the timing of their vegetable gardening.

Plan your next season's garden sowing with June Cooper over a cup of dandelion coffee.

**1 July, 7.30 pm at The Vicarage
11 Kirke Street**

**Please let us know if you would like
attend so we can plan supper:
Vicarage 6856124, Mobile 021 201 4798**

The recent rain event that impacted across the greater Canterbury region touched our Mackenzie District resulting in our Emergency Operations Centre (EOC) activating to assist with the collation of information and assisting with the coordination of the response. The main impact has been to our rural community, and we are still assisting where we can. If you have been affected by this event, please visit the MDC website for a detailed fact sheet on how you can receive assistance from the relevant agencies.

SUPPORT FOR RURAL COMMUNITIES:

For initial help or updates on the farm, get in touch with your industry body:

- DairyNZ: www.dairynz.co.nz/business/adverse-events or **0800 4 DairyNZ (0800 4324 7969)**
- Beef & Lamb: beeflambnz.com or **0800 BEEFLAMB (0800 233 352)**
- Federated Farmers: **0800 327 646**

Rural Support Trusts have local people who are trained to offer assistance and support. Their help is free and confidential. Phone **0800 RURAL HELP (0800 787 254)** or visit www.rural-support.org.nz. See also www.mpi.govt.nz/funding-rural-support/adverse-events

If you think you might be eligible for EQC assistance please visit their website and read their fact sheet https://www.eqc.govt.nz/sites/public_files/documents/factsheet/Damage-to-your-farm-factsheet_270619.pdf

COMMUNITY HUB CONVERSATION

Recent discussions in various community forums have identified the need, or at least the desire, to develop a **Community Hub** in Fairlie. These different forums have each had important topics of focus - such as Long-Term Planning Workshops, Enhancement Board and Resource Centre, Repair Café/Community Workshops, SCDHB Mental Health Delivery and support of our Elderly.

The concept of a **Community Hub** has been discussed as one way to provide a vibrant, community owned facility for community-based education, hospitality, social gatherings, workshops, craft activities, foodbank, meals on wheels, youth space, and facilities for the delivery of mental-health, eldercare and other social services.

At this stage discussions remain at an informal level, but it is really exciting to hear this kind of project being named by members of our community.

The Mackenzie Cooperating Parish Council believe the Presbyterian Church Property on Main Street may be ideally suited for such a development due to its size and central location. In light of recent community conversations, we're asking ourselves:

"Could the old St Columba Hall be replaced with a community owned Hub which integrates with the Community Centre, the Church, and provides shared community spaces and facilities on the site?"

We would love to be part of a discussion with other stakeholders in the Fairlie community. But first of all we need to make sure there is support from current Church Members and the Presbyterian Church Property Trustees for such a proposal.

The Rev Martin Stewart (Alpine Executive Officer) has offered to join us for a round table discussion on Saturday 19th June from 11.30 am-12.30 pm to gauge the level of support from local church members and begin a conversation about how Church Property Trustees could support and collaborate with the wider community on such project by making church land available.

If you are a current church member, or would like to be part of this conversation, you are invited to a Round Table Meeting at the St Columba Church, 11.30 am on Saturday 19th June 2021.

Come along and see some of our local agricultural and transport history.

The Season That Was ...

Monthly weather readings for Autumn 2021 recorded in Kimbell (2020 in brackets)

March 2020

Highest Maximum Temp.	28.5°C	(28.2°C)
Lowest Maximum Temp.	14.5°C	(10.5°C)
Highest Minimum Temp.	14.5°C	(12.0°C)
Lowest Minimum Temp.	1.8°C	(0.8°C)
Total rainfall	31.3mm	(71.4mm)
No. days with rain	8	(13)
No. frosts	1	(3)

April 2020

Highest Maximum Temp.	25.5°C	(24.5°C)
Lowest Maximum Temp.	13.5°C	(12.2°C)
Highest Minimum Temp.	16.2°C	(11.5°C)
Lowest Minimum Temp.	-4.5°C	(0.0°C)
Total rainfall	33.6mm	(37.2mm)
No. days with rain	5	(7)
No. frosts	9	(4)

May 2020

Highest Maximum Temp.	23.0°C	(22.2°C)
Lowest Maximum Temp.	5.5°C	(7.5°C)
Highest Minimum Temp.	10.2°C	(7.0°C)
Lowest Minimum Temp.	-5.0°C	(-3.5°C)
Total rainfall	241.0mm	(22.5mm)
No. days with rain	9	(3)
No. frosts	17	(15)

Just as the autumn of 2021 was heading into the record books as one of the driest ever, all bets were off in the final three days of the season. A south-easterly airstream established itself across our region on the evening of the 28th of May and it rained continuously for 54 hours. Nearly 220mm of rain was recorded in Kimbell, resulting in flooded paddocks and roads. Within hours the water flowing from our taps resembled the colour of scotch.

The ‘flood of 2021’ was caused by a large and very slow moving depression to the north of us feeding moisture into a south-easterly airflow over the South Island. South-easterly airstreams are always the major player for big snowfalls in our region. As an average 1cm of snow contains 1mm of water, had this airstream originated from a bit further south then we’d probably still be digging ourselves out from a 2 metre snowfall!

The other notable weather event last month was a spell of very frosty conditions. Kimbell recorded temperatures as low as -5.0°C while 8km down the road, some parts of Fairlie dropped to a stunning -10°C.

Our mountains are now looking as they should do, at this time of the year, so hopefully we’ll soon be welcoming skiers and snowboarders into our scenic winter wonderland.

Matilda and the Metalman

You may have noticed that we have moved premises.!

Stepping through the doors you could easily believe you have arrived in a design store in one of the major cities. We are all about products with integrity, comfort and warmth. We want people to come in, relax, indulge the senses and immerse themselves in products sourced from some of the very best suppliers in NZ and Australia.

We try to add value for our clients by offering gorgeous furniture, homewares and gifts that have been carefully curated into a showroom setting that is bright and set out in a way that offers ideas to take home.

We now have four times the floor space to showcase our ranges. We have added some new lines and extended some of the lines we had in our old shop space. We have a big comfortable sofa in a dedicated cushion/rug area for the

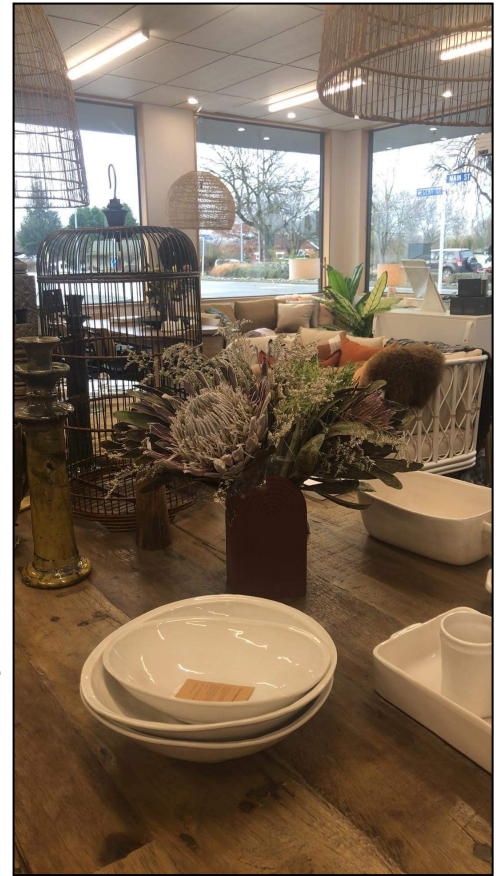

sole purpose of coming up with cushion combos with our clients. We have the most amazing bedding from Bedtonic that is on display near the front entrance to entice you in the door. On a regular basis, customers comment that they would like to climb straight in!

We make a point of finding products that are not so typical, have lots of flavour and are priced well.

We have been operating in Fairlie for over 5 years now. Mid 2020 we took the next step and started selling online and offering an interior consultancy service in the form of styling rooms. It was always going to be a natural progression when the timing was right. Now that we have recently moved into larger premises and have more offerings in the way of furniture etc, we have had the scope to be able to take that next step even further in the way of fabrics offerings for curtain making. We serve clients all over the country and are thrilled to be part of their journey to find the perfect gift, piece of furniture or help finishing off a space in need.

If you haven't yet had the chance to come check us out, we encourage you too. We hope you are pleasantly surprised. We have an absolutely fab team of ladies that are happy to help in a no pressure approach.

Fairlie Promotions

After a recent hospitality and tourism meeting in Fairlie, it was suggested there is a need to reinstate **Fairlie Promotions**. We are now asking for a demonstration of interest from local groups and businesses for this to happen. Both Tekapo and Twizel have their own and it would be of huge benefit to the whole Mackenzie district to have a continuous link of activities and events happening in our region.

Anyone interested, can you please in the first instance respond to murray@musterers.co.nz and if there is positive need we will organize a meeting to get this valuable tool up and running.

Murray Donald

You will find us at 85 Main Street Fairlie in the old Westpac building.

Our Community

Hello,
My name is Dee Frank and I am the Secretary and Treasurer for St John Mackenzie.

I wanted to introduce myself so that if anyone had any questions in regards to St John Supporters Scheme or making donations you knew who to contact.

With cheques becoming obsolete in the next few weeks, this will make it harder for a lot of our community to make Supporters Scheme payments. There are still a few options that I can work with you on this.

1. Pay in cash and drop your Supporters Scheme letter along with payment into the letter box at the St John depot on Princes Street..
2. Pay online using the details on the letter.
3. Most banks will have a support area for anyone that does not wish to use online banking and you will be able to call the bank and have them process this for you.
4. Donations can also be made directly to St John Mackenzie, and we are grateful for all of your support. St John Mackenzie 03-1718-0001795-00.

Please feel free to email, text or call me if you have any questions. Dee Frank 027 322 0716 dee.frank@stjohn.org.nz

Fairlie Fire and Emergency NZ
Wayne Dixon

Hoping that everyone had a good weekend. The weather seems to be playing with us! Going from extremely dry to excessively wet. Hopefully the farmers are getting the support they need to get through this extreme weather event we experienced.

The Brigade has had two calls this month - one medical call and one property fire where we were called as a second alarm to assist the Pleasant Point Brigade.

Welcome to anyone who has moved into the district or starting a new farming position. Perhaps when you get settled in, take time to check the smoke alarms and talk about an evacuation plan for your family - make a note of your rapid number.

If drying clothes remember the 'metre from the heater' rule.

June is a good month to practice your escape plan.

Enjoy the short working week.

Police Notebook:
- Fairlie Police
Russell Halkett

Three Timaru offenders have been arrested for Aggravated Burglary of a Gray St, Fairlie property when they turned up throwing their weight around demanding money from the occupants. The victims were assaulted and threatened with weapons.

There have been further issues with certain youngsters bullying younger kids and making a nuisance of themselves at the skate park. This park is a great resource for all the community to enjoy and it is a real shame that one or two are spoiling it for the rest.

I keep getting reports of bad driving behaviour around the front of the Fairlie Primary School. The bus stops and yellow lines are there for a reason. The illegal parking/stopping that's going on puts the children at risk. I would also remind everyone that it is still a 20kmph speed limit both ways when driving past a school bus stopped to let children on or off. We will be keeping a close eye on this and will take appropriate action with any transgressors.

There was some mindless vandalism on Lilybank Road where several road signs have been chainsawed off for no apparent reason.

There was a drunken disturbance at a Lake Tekapo bar last weekend and then the offending male crashed his car into parked vehicles as he drove away. Inquiries are continuing.

Winter driving conditions will be with us for the next few months, so be careful out on those roads and remember to drive to the conditions. Take the little bit of extra time to properly clear that windscreen and side windows of any frost. Make sure you maximise your visibility to minimise the risk.

Until next time, be careful out there.

Funeral Options - help take the stigma away!

Lunch provided BUT you must let Heartlands know you are coming so we have plenty! Register at Heartlands! Tel: 685 8496.

Need Someone to Listen?

When we face challenges or difficulties in our lives being able to talk things through in a caring and confidential conversation can be of huge help. In many cases just being able to express and explore the issues we face helps us to tap into the personal resources we need to make good decisions and develop wise strategies.

Pastoral Counselling, as offered by church ministers, should not be confused with the therapeutic counselling provided by psychotherapists or trained counsellors. It can however offer significant help to those who would like to talk things through. Maybe one conversation will be help enough, it may lead to further conversations or give us the confidence to seek the help we need elsewhere. Pastoral Counselling offers us the opportunity to discuss challenging issues related to work, marriage, relationships, identity, spirituality, or personal wellbeing, with someone who is sensitive to the importance of grace in our lives.

As an ordained minister, and qualified spiritual director, with 13 years of formal pastoral experience, I am more than happy to make time for anyone, regardless of personal beliefs. During an initial conversation I take time to listen and together work out what the best approach fits your needs. This can be as simple as an informal walk together, a visit to your home, all the way through to regular, set times of pastoral counselling or spiritual direction in the parish study or church.

Please don't hesitate to reach out if you need someone to listen.

Pastoral Counselling, Helping Conversations or Spiritual Direction are offered for free but donations/koha can be made to Mackenzie Cooperating Parish.

SOLD

Mapleview Cottage

3 2 2 1

Sitting proudly, surrounded by the snow-capped mountains and the beautiful Lake Tekapo, Mapleview offers the best of family living. Set upon an 810sqm section (more or less) the approximately 149sqm modern home is warm, modern and private. The modern home features a spacious open plan kitchen and living across the top floor with a self-contained unit on the bottom floor. Three generous bedrooms and two bathrooms ensure the family is well catered for. Outbuildings include a garage and three garden sheds. Outdoor living space with balcony complement the home.

ARE YOU A GOOD EMPLOYER?

A good employer is an employer that provides work for their employees, pays them on time, gives a work environment that is safe, impartial, developmental and provides equal opportunity for all. Being a bloody good employer takes things to the next level. These are the employers that people really want to work for.

A 'good employer' is an organisation or individual that provides and supports an environment where employees feel valued and respected, where difference is celebrated and diversity encouraged, where there is active staff engagement, transparency on policies and procedures, clear complaints procedures, and regular feedback. The 'good employer' makes maximum use of skills and strengths of all staff but has special regard for those groups most commonly overlooked - Māori, women, ethnic or minority groups, and people with disabilities.

Here are 6 characteristics of good employers:

1. They're open and honest communicators. Great employers let their employees know what's going on with the business.
2. They're flexible.
3. They're dedicated team builders.
4. They give feedback.
5. They know how to listen.
6. They foster a great employee experience.

Call or email me for your **Aussie or Raratonga** travel plans, together we will work through all the new travel requirements to get you to your destination.
