

TAKE A FRIEND FISHING - DAY TICKET VOUCHERS

To support the Take A Friend Fishing promotion between 30th March and 7th April 2013, a number of Angling Trust fishery and club members have kindly offered a free day ticket on their waters to any guest who is accompanied by a fully paid up member or a holder of a paid for day ticket. Whilst we have gathered as much information as possible, please check the vouchers carefully for exclusions and make sure that you call the contact number to make them aware that you will be fishing at their venue. You should take these vouchers with you (as well as your validated free licence voucher) as evidence that you are taking part in the TAFF event. The person accompanying you must hold a current rod licence and have it with them for inspection.

Leatherhead & District Angling Society

Fishing and facilities available:

Long Copse, Bookham, Surrey. We have 2 small lakes totalling 1 1/4 acres at the border of Spring Grove (KT22 9PB) and Eastwick Drive KT23 3PU with sensible parking along either of the 2 roads. VEHICLES MUST BE KEPT OFF THE GRASS.

There is a very good cross section of fish including most of the carp species, bream, tench, perch, roach and rudd. Good baits at this time of the year will include Maggots, Castors, Bread and paste. THE VENUE IS WITHIN A RESIDENTIAL ESTATE - NO NOISE AND DEFINITELY NO LITTER.

Ashted Park, Surrey: We have 2 lakes totalling 4 1/4 acres at the beginning of Ashted Park just off the A24 with parking for approximately 12 cars.

There is a good cross section of tench, perch, roach and rudd with some nice sized Crucian Carp. This fishery has only been open a couple of years and the fish are still on a bait 'learning curve'. Should you wish to challenge yourself this is definitely the harder of the two venues.
